all for assistance at any hour. The telephone numbers are 298-7250 and 298-7521. Any officer wishing help may call either number to obtain any necessary help.

#### Regulations

1. Referrals made to the Stress Program by any concerned person will prompt the staff to discreetly and tactfully make itself available to the individual needing assistance. The individual's initial and continued participation in the program, however, must be strictly voluntary.

2. The director of the Stress Program will keep only those records of participation that are essential to the orderly administration of the program and will see that all records and files are kept secure and confidential at all times.

3. The record of an officer's participation in the program will be absolutely restricted to himself, his counselor and the program director. Neither the director nor any counselor will discuss with any person the fact of or any aspect of an individual's participation unless specifically requested to do so in writing by the participant. The department will not have access to the records of an officer's participation, nor will any member of the staff provide the department with information regarding such participation, unless the participant himself requests such a disclosure.

4. Information given by officers participating in the program will, for department administrative proceedings, be considered, privileged. Counselors will not be called by the department to testify at administrative proceedings against members of the department under their care. Records of counseling will be treated by the department as privileged information, and no information given to counselors can be made available for use in administrative or disciplinary proceedings.

#### Commissioner's Memorandum No. 85-17

To All Bureaus, Districts-Areas, Divisions, Offices, Sections and Units.

On December 23, 1981, chap. 90, ss. 7AA of the General Laws was approved and became effective January 1, 1982. In order to keep personnel of this department informed, that section is being republished.

ss. 7AA. Child passenger restraints; fine; violation as evidence in civil action.

No child less than five years of age shall ride as a passenger in said motor vehicle on any way unless said child is wearing a safety belt which is properly adjusted and fastened or unless such child is properly fastened and secured by a child passenger restraint as defined in section 1.

The provisions of this section shall not apply to any such child who is: (1) riding as a passenger in a motor vehicle in which all seating positions equipped with safety belts or child passenger restraints are occupied by other passengers who are using said restraints; (2) riding as a passenger in a motor vehicle used to transport passengers for hire; (3) riding as a passenger in a motor vehicle not equipped with safety belts; (4) physically unable to use safety belts or child restraints. Any operator of a motor vehicle who violates the provisions of this section shall be subject to a fine of not more than \$25; provided, however, that such fine may be waived if the court is satisfied that the defendant has purchased a child passenger restraint as defined in section 1.

Commanding officers will insure that this memo is posted on the appropriate bulletin boards.

#### Special Order No. 85-17

To All Bureaus, Districts-Areas, Divisions, Offices, Sections and Units.

The Boston Police Relief Association, in cooperation with the American Red Cross Blood Center, is accepting blood donations at the Boston Police VFW Post 1018, 500 Morton Street, Dorchester, between the hours of 8:30 a.m. and 2:30 p.m., Tuesday, April 9, 1985.

At the present time, there is a critical shortage of blood, and department employees are encouraged to participate, with the reminder that the blood collected through this program is used exclusively for active members and their families, and retired members of the department. This blood is used to treat officers injured in the line of duty, thus giving every member of the department an opportunity to make a small sacrifice to ease the burden of those who make a greater one.

Commanding officers shall remind all employees of the importance of their cooperation in the continuation of the blood program. Members of the department who donate their blood will be granted one half-day of additional relief at a later date.

Reports containing the names of the volunteers and their schedule of duty on Tuesday, April 9, 1985, will be forwarded to the Personnel Division. Commanding officers will schedule their day officers in such a manner as to have proper coverage at all times.

#### IV. HAZARDOUS BUILDING

The building located at 42-48 Savin Street, District 9, is in hazardous condition. Stairways are missing, sections of the rear and side walls are missing, a section of the carrying wall on the second floor is missing, numerous large holes are in all floors and a section of the side wall is sagging.

Extreme caution must be taken at all times during fire fighting operations at this location.

This building has been posted.

#### V. HIGH COMMENDATION

On January 13, 1985, Box 3624 was struck for an alarm of fire in a business block at 1062 to 1068 Blue Hill Avenue.

While performing forcible entry of the iron grating on the store fronts, Fire Lieutenant Robert J. Counihan of Ladder Company 29 was informed that a woman was still in one of the stores. Not given the exact store location, Fire Lieutenant Counihan entered the store next to the one fully involved in fire and made a search under extreme heat and smoke conditions and found a woman on the floor in the rear of the store. While carrying her to the outside, fire broke out above his head necessitating a hose stream to be played on the ceiling.

Because Fire Lieutenant Robert J. Counihan's action was performed without regard for his own safety and in a manner reflecting much credit to himself and a tradition of this department, the Fire Commissioner is pleased to commend Fire Lieutenant Robert J. Counihan of Ladder Company 29 and refers his case to the Board of Merit for further consideration.

### CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

#### PUBLIC WORKS DEPARTMENT

##### Plowing Operations

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Charles Lee Disposal, Inc., a corporation, located at 1 Ellery Street, South Boston, for furnishing trucks for plowing operations during the snow season in the City of Boston.

Under the terms of this contract, the contractor will furnish a specific number of trucks for plowing purposes as part of his existing contract for collecting and removing refuse as set forth in section 2(f) of the specifications of the said refuse contract.

The contractor is specially qualified to do this work because it is relative to the above-mentioned contract for refuse collection.

Compensation under this contract shall not exceed \$3,000, to be paid at a rate of \$75 per hour for each three-axle truck and \$66 per hour for each two-axle truck utilized during plowing operations, and which I have determined to be reasonable for the work to be performed. The term of this contract shall be from November 15, 1983, to April 30, 1984.

Because this work is relative to and in conjunction with another existing contract and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Dooley Disposal, Inc., a corporation, located at 5 Crest Street, West Roxbury, for furnishing trucks for plowing operations during the snow season in the City of Boston.

Under the terms of this contract, the contractor will furnish a specific number of trucks for plowing purposes as part of his existing contract for collecting and removing refuse as set forth in section 2(f) of the specifications of the said refuse contract.

The contractor is specially qualified to do this work because it is relative to the above-mentioned contract for refuse collection.

Compensation under this contract shall not exceed \$3,000, to be paid at a rate of \$75 per hour for each three-axle truck and \$66 per hour for each two-axle truck utilized during plowing operations, and which I have determined to be reasonable for the work to be performed. The term of this contract shall be from November 15, 1983, to April 30, 1984.

Because this work is relative to and in conjunction with another existing contract and the reason-

able cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to J.K. Municipal Services, Inc., a corporation, located in Middleton, for furnishing trucks for spreading and/or plowing operations during the snow season in various districts in the City of Boston.

Under the terms of this contract, the contractor will furnish one truck for each mechanical sweeper being employed in conjunction with the J.K. Municipal Services, Inc., contract for furnishing mechanical sweepers to supplement the department forces and equipment, Page 1a, Notice to Bidders section, in accordance with the specifications and requirements set forth in the Notice to Bidders section.

The contractor is specially qualified to do this work because it is relative to the above-mentioned mechanical contract.

Compensation under this contract shall not exceed \$45,000, to be paid at a rate of \$70 per hour for each truck utilized during snow operations, and which I have determined to be reasonable for the work to be performed. The term of the contract shall be from November 15, 1983, to April 30, 1984.

Because this work is relative to and in conjunction with another existing contract and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Banfield & Associates, Inc., a corporation, located at Charlestown Navy Yard, for furnishing trucks for plowing operations during the snow season in the City of Boston.

Under the terms of this contract, the contractor will furnish a specific number of trucks for plowing purposes as part of his existing contract for collecting and removing refuse as set forth in section 2(f) of the specifications of the said refuse contract.

The contractor is specially qualified to do this work because it is relative to the above-mentioned contract for refuse collection.

Compensation under this contract shall not exceed \$12,000, to be paid at a rate of \$75 per hour for each three-axle truck and \$66 per hour for each two-axle truck utilized during plowing operations, and which I have determined to be reasonable for the work to be performed. The term of this contract shall be from November 15, 1983, to April 30, 1984.

Because this work is relative to and in conjunction with another existing contract and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to SCA Disposal Services of New England, Inc., a corporation, located in Somerville, for furnishing trucks for plowing operations during the snow season in the City of Boston.

Under the terms of this contract, the contractor will furnish a specific number of trucks for plowing purposes as part of his existing contract for collecting and removing refuse as set forth in section 2(f) of the specifications of the said refuse contract.

The contractor is specially qualified to do this work because it is relative to the above-mentioned contract for refuse collection.

Compensation under this contract shall not exceed \$9,000, to be paid at a rate of \$75 per hour for each three-axle truck and \$66 per hour for each two-axle truck utilized during plowing operations, and which I have determined to be reasonable for the work to be performed. The term of this contract shall be from November 15, 1983, to April 30, 1984.

Because this work is relative to and in conjunction with another existing contract and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Joseph F. Casazza,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to United Contracting Co., Inc. of Boston, a corporation, located at 1141 Dorchester Avenue, for furnishing trucks for plowing operations during the snow season in the City of Boston.

Under the terms of this contract, the contractor will furnish a specific number of trucks for plowing purposes as part of his existing contract for collecting and removing refuse as set forth in section 2(f) of the specifications of the said refuse contract.

The contractor is specially qualified to do this work because it is relative to the above-mentioned contract for refuse collection.

Compensation under this contract shall not exceed \$3,000, to be paid at a rate of \$75 per hour for each three-axle truck and \$66 per hour for each two-axle truck utilized during plowing operations, and which I have determined to be reasonable for the work to be performed. The term of this contract shall be from November 15, 1983, to April 30, 1984.

Because this work is relative to and in conjunction with another existing contract and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Joseph F. Casazza,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to William E. O'Brien, an individual located in North Reading, for furnishing trucks for spreading and/or plowing operations during the snow season in various districts in the City of Boston.

Under the terms of the contract, the contractor will furnish one truck for each mechanical sweeper being employed in conjunction with William E. O'Brien's contract for furnishing mechanical sweepers to supplement the department forces and equipment, page 1a, Notice to Bidders section, in accordance with the specifications and requirements set forth in the Notice to Bidders section.

The contractor is specially qualified to do this work because it is relative to the above-mentioned mechanical sweeper contract.

Compensation under this contract shall not exceed \$20,000, to be paid at a rate of \$70 per hour for each truck utilized during the snow operations, and

which I have determined to be reasonable for the work to be performed. The term of this contract shall be from November 15, 1983, to April 30, 1984.

Because this work is relative to and in conjunction with another existing contract and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Joseph F. Casazza,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Joseph Amara & Sons, Inc., a corporation, located at 200 Providence Street, Boston, for furnishing trucks for plowing operations during the snow season in the City of Boston.

Under the terms of this contract, the contractor will furnish a specific number of trucks for plowing purposes as part of his existing contract for collecting and removing refuse as set forth in section 2(f) of the specifications of the said refuse contract.

The contractor is specially qualified to do this work because it is relative to the above-mentioned contract for refuse collection.

Compensation under this contract shall not exceed \$3,000, to be paid at a rate of \$75 per hour for each three-axle truck and \$66 per hour for each two-axle truck utilized during plowing operations, and which I have determined to be reasonable for the work to be performed. The term of this contract shall be from November 15, 1983, to April 30, 1984.

Because this work is relative to and in conjunction with another existing contract and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Joseph F. Casazza,  
Commissioner.

#### Legal Services

Dear Mr. Mayor:

I respectfully request your approval to award a contract for legal services, without public advertising to the law firm of Rackemann, Sawyer and Brewster, a professional corporation, at 28 State Street. The services are required in connection with the development of a solid waste disposal plant, which would convert the city's rubbish to steam and electricity.

The firm has been working with the Public Works Department on this project since last April, on the development of the bidding process as well as on the evaluation of the proposals received. The negotiation and drafting of complex documents require extensive legal services to supplemental the services provided by the Law Department. Rackemann, Sawyer and Brewster is experienced in the general areas related to the project, and is now familiar with the particular details of this project. Public advertising would not be in the city's interest.

The term of the agreement would be from July 1, 1983, through June 30, 1984, and would be in an amount not to exceed \$85,000. This amount includes expenses and professional services at a rate of \$120 per hour. Both the amount and the rate are reasonable for this type of service. This letter is being submitted late because of uncertainty, until now, with respect to the scope of the services to be required under this contract.

Respectfully yours,  
Joseph F. Casazza,  
Commissioner.

#### Visitor Information Service

Dear Mr. Mayor:

Your permission is respectfully requested to dispense with inviting proposals by advertisement in the *City Record*, in awarding to the Greater Boston Convention and Tourist Bureau, Inc., Prudential Tower, a contract for furnishing information service at a booth on Boston Common promoting places of historic value in Boston, particularly all historic places along the Freedom Trail, for an amount not to exceed \$200,000, which in my opinion is reasonable, under which the bureau shall provide the following visitor services during the period commencing November 1, 1983, and ending June 30, 1984:

Boston Common: Security alarm system, \$250; water, \$250; telephone, \$1,500; Supplies (cleaning, office equipment), \$500; insurance (property), \$250; staff salaries (five part time), \$25,000; subtotal, \$28,000.

Visitor Services Office, including Foreign Visitor Center: staff salaries, \$50,000; payroll taxes and fringe benefits, \$5,000; telephone, \$10,000; postage and delivery, \$20,000; supplies, \$5,000; rent, \$20,000; subtotal, \$110,000.

Publications: Events Calendar, \$13,000; four-color brochure, \$25,000; four-color poster, \$15,000; four-color map, \$9,000; subtotal, \$62,000; grand total, \$200,000.

An information service of the kind here involved is obviously a quasiprofessional service which is unique and does not readily lend itself to inviting proposal by advertisement.

Respectfully,  
Freedom Trail Commission,  
By Richard A. Berenson,  
Chairman.

#### REAL PROPERTY DEPARTMENT

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the Boston Foundation, Inc., a corporation located at Boston, to maintain a staff in City Hall for the purpose of giving tours of City Hall to residents of Boston and visitors to the city as well as dispensing information as to the location of various public agencies within City Hall and direct people to proper agencies within City Hall where services are provided. The staff will consist of a maximum of four guides in peak months when traffic into City Hall is greatest, namely July through October and May through June. During other months (November through April) the staff will consist of a maximum of two guides.

The Foundation shall produce special events, meetings, functions and receptions in City Hall. Costs may include decorations, photography, sound equipment, programs and other written materials, security and entertainment.

Under the proposed agreement, the foundation will pay for all labor and materials finished. The period of performance will be July 1, 1983, through June 30, 1984. The cost to the City of Boston will not exceed \$48,500, which is reasonable.

In view of the success of the Boston Foundation Inc. in providing programs for City Hall in the past and the special nature of the services rendered, it is my opinion that public advertising would serve no useful purpose and that the awarding of this contract would be in the best interest of the City of Boston.

This award letter is being submitted late due to ongoing budget negotiations.

Sincerely,  
Thomas Long,  
Assistant Commissioner.

## RETIREMENT BOARD

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Judith M. Reisman, attorney at law, Everett. Under the terms of this contract, Ms. Reisman will provide legal services to the Boston Retirement Board. These services will include reviewing applications for disability retirement. Upon completion of such review, Ms. Reisman shall submit a report to the Boston Retirement Board setting forth the legal and factual issues in dispute and a written recommendation regarding the disposition of the application, and a statement of the reasons therefor.

Compensation under this contract shall not exceed \$25,000. Payments to be made shall be at the rate of \$50 per hour for actual time, a rate which is reasonable. Each review shall not exceed four hours for a single disability application, unless waived by the executive officer of the board.

The term of this contract shall be August 25, 1983, through June 30, 1984. This award letter is being submitted late because the requirement for these services could not be contemplated in advance.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Brian M. Leahy,  
Executive Officer.

## SCHOOL DEPARTMENT Leasing Certain Premises

Dear Mr. Mayor:

On October 16, 1981, your Honor approved the award of a lease contract, without public advertising for bids, to Shaughnessy and Ahern Co., South Boston, for use of storage space by the Research and Evaluation Department of E.C.I.A. chapter I programs, Boston Public Schools, during the period September 1, 1981, to August 31, 1982, at a cost not to exceed \$2,880, and subsequently extended to August 31, 1983.

Your approval is requested for the extension of the lease for an additional twelve months commencing September 1, 1983, and expiring August 31, 1984, as provided in the lease, under the same terms and conditions. The cost of this extension shall not exceed \$2,880. Funding is provided in the chapter I budget.

Since the premises are suitable for this purpose, and have been used previously, I believe that public advertising would serve no useful purpose. This letter is being submitted late because of the need to be certain that funding for this extension will be available.

Very truly yours,

Paul W. Mooney,  
Senior Structural Engineer.

## Oil Storage Tank

Dear Mr. Mayor:

I request your approval of my action in awarding a contract, without publicly advertising, to purchase a 4,000 gallon fuel oil storage tank for the William H. Taft School, 20 Warren Street, Brighton.

The existing fuel oil storage tank, located beneath the front stairs, ruptured and it is imperative that a new tank be purchased prior to the heating season.

I did solicit bids from three responsible bidders, who responded: Massachusetts Engineering Co., Inc., \$2,260; and Weymouth Engineering Co., \$2,450.

I, therefore, am awarding the contract to purchase this tank to Massachusetts Engineering Co., Inc., Avon, in the amount of \$2,260.

Respectfully submitted,

Paul W. Mooney,  
Senior Structural Engineer.

## Tank Installation

Dear Sir:

I request your approval of my action in awarding a contract, without publicly advertising, for the installation of a fuel oil storage tank in the William H. Taft School, 20 Warren Street, Brighton.

The existing fuel oil storage tank ruptured and it is imperative that a new tank be installed prior to the heating season.

I did solicit bids from four responsible bidders, three responded: J. McCusker Co., Inc., \$4,750; Consolidated, Inc., \$4,900; E.H. Marchant Co., \$8,140.

I, therefore, am awarding the contract for the installation of the new fuel oil storage tank to J. McCusker Co., Inc., 755 Boylston Street, in the amount of \$4,750.

## Swivel Arm Chairs

Dear Mr. Mayor:

I request your approval of my action in awarding a contract, without publicly advertising, for furnishing, delivering and setting up swivel arm chairs in School Committee Administration Building to McCarthy Bros., 362 Centre Street, Jamaica Plain.

Under the terms of the contract, the contractor will furnish, deliver and set up the swivel arm chairs, where directed, in School Committee Administration Building, 26 Court Street.

Compensation under this contract shall not exceed \$3,500, which I have determined to be reasonable for the work to be performed. The cost is determined by the state contract, which has been awarded to McCarthy Bros.

Because this furniture is being purchased under the state contract, we were able to obtain these chairs at a lower cost, and therefore I believe that public advertising would serve no useful purpose.

Respectfully yours,

Paul W. Mooney,  
Senior Structural Engineer.

## Language Curriculum Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Mr. Robert C. Parker of 1 Melrose Street, Boston. The contract shall be in effect during October 11, 1983, to December 15, 1984, and occur at a cost not to exceed \$18,000 (\$100 per day), which is deemed reasonable. The reason for the late date for the award of the contract is that it was extremely difficult to find applicants with the necessary linguistic minority language expertise.

On August 8, 1983, the School Committee approved the Transition Program for Refugee Children budget of \$246,918 which included \$30,000 to fund contracts of this type. The contractor will provide the following instructional services from the Bilingual Office, 26 Court Street: develop English as a second language curriculum objectives for Southeast Asian students in grades K-12 with accompanying testing and management components.

The contractor is especially qualified to provide the above services because of the quality of similar services he has provided to local educational agencies, the Massachusetts, Rhode Island, and Connecticut State Departments of Education.

Because of the professional nature of the services to be provided under this agreement and the

expertise of the contractor in providing such services, it is my determination that the public interest would not be served by a public advertisement for bids.

Very truly yours,

Robert R. Spillane,  
Superintendent.

## Elevator Repairs

Dear Mr. Mayor:

I request your approval of my action in awarding a contract, without public advertising, for emergency repair of the elevator at 26 Court Street.

The motor generator for this elevator has to be removed and rewound as quickly as possible as this is the only elevator in the building which has access to the sub-basement and mechanical equipment. Since the contractor performing maintenance on the elevator is Montgomery Elevator Company, and since they have rendered good service, I have awarded the contract to that company in an amount not to exceed \$4,200, which is reasonable for the work involved.

Respectfully yours,

Paul W. Mooney,  
Senior Structural Engineer.

## Legal Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your written authority to dispense with inviting proposals by advertisement and to award to Goodwin, Proctor & Hoar, attorneys at law, 28 State Street, a contract for legal representation in matters relating to civil proceedings involving racial imbalance and desegregation, at a cost not to exceed \$25,000, during the period July 1, 1983, to June 30, 1984. The rate of compensation for Marshall Simonds and Henry Dinger is \$50 and \$35 respectively.

The committee has selected this law firm because the cost is reasonable and because it is well qualified to represent the committee in court.

Since the services to be provided under the proposed contract are to be both professional and confidential in nature, it is the view of the Boston School Committee that publicly inviting proposals would serve no useful purpose. The late submission of this contract is due to the unforeseen delay in obtaining the necessary signatures.

Very truly yours,

Edward J. Winter,  
Secretary.

## Clarinets, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Beacon Musical Instruments Co., a division of Carl Fischer Music Co., located at 156 Boylston Street, for furnishing clarinets and mouthpieces for the period May, 11, 1983 to June 30, 1983.

Initially, Conn Musical Instrument Company, through its local subsidiary, Beacon Musical Instrument Company, offered thirty-eight brand new, Henlin clarinets to the Boston Schools, on a trial, no liability basis as a part of a national pilot for these new student-type instruments. Under the terms of the contract, the contractor will supply thirty-eight Henekin B flat clarinets and No. 2 mouthpieces. Following the recent Music Educators Conference hosted by the Boston Public Schools, the senior advisor of music was asked to sample a newly created B flat clarinet, at no charge or cost to the city. The

offer was accepted, and no cost, thirty-eight new clarinets were assigned to Boston Latin School and the Division of Music. A positive evaluation was submitted in May, 1983, by Mr. Boise of Latin High School and Mr. Ellis of the division—both are highly impressed with the quality of the instrument. Beacon Musical Instruments Co./Carl Fischer Company have offered to sell the instruments at a discount: retail cost, \$396.50 each, Carl Fischer cost, \$134.27 each.

The contractor is specially qualified to furnish the instruments and has submitted a quote on other clarinets. The Henkin is by far the better instrument according to the general manager at Beacon Musical Instrument Co.

Compensation under this contract shall not exceed \$5,102.26, which I have determined to be reasonable for the work to be performed.

Because of the reasons stated above, it is my determination and that of the Senior Advisor of Music Mr. Peter Siragusa, that the public interest would not be served by publicly advertising for bids.

This contract is being submitted late due to the time it took to procure the necessary signatures and supporting data.

Very truly yours,

Leo J. Burke,  
Business Manager.

#### Energy Conservation Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, your authorization for award of a contract to Francis O'Brien & Associates, Inc., 43 Mendum Street, Boston, for services to be performed from July 1, 1983, to June 30, 1984, at a cost not to exceed \$120,000, which is deemed reasonable by the School Committee, is respectfully requested.

The consultant has been awarded contracts with similar scope for energy conservation services for the fiscal years 1980 through 1983. These contracts have proven to be very profitable for the committee. Savings from reduced energy use in school buildings have covered the cost of the contracts from the outset, and have covered the cost of low-cost conservation measures installed in the building as well. After deducting the cost of both, a total of \$900,000 for four years, the committee has netted \$7 million which would have gone to the fuel vendors and the utilities, but instead has been applied to academic programs.

Currently savings from the energy conservation program are running \$3 million per year. That is more than 300 percent annual return on investment. But, since, the committee made no up-front investment, the return is really infinite. Costs have been kept low compared to savings by emphasizing operating measures, carried out by the custodians, and maintenance measures carried out by Planning and Engineering. The consultant has identified the buildings to be targeted for action; the actions to be taken; has worked with staff on a day-to-day basis to see that the recommended measures are carried out; and monitored energy use and cost building by building and month by month to be sure that reductions in energy use occurred.

The average reduction for buildings in the program, is 30 percent. In a number of buildings, energy use has been halved. None of this has had any adverse impact on academic programs. Most of the buildings in the program have reached the energy use goals set for them, or are close to reaching those goals. While more can be done, the past rapid reductions which have characterized the conservation program cannot be continued indefinitely, obviously. Department-wide analysis suggests that 75 percent of the possible savings are now in hand.

Each succeeding savings will prove more and more difficult and expensive, until diminishing returns set in.

Increasingly, the energy task will be less to make further reductions, and more to make certain that the ground that has been gained is not lost. In this, it will be more cost-effective to use internal staff than outside consultants. It is for that reason the not to exceed figure for the FY84 contract with the consultant has been reduced, to be substituted for by staff time.

Under the contract, the consultant will provide the following services: aid to schools in maintaining the energy use and cost-monitoring system and adapting the city's computer-based system to department requirements; analyzing energy use and cost of department buildings to determine priorities for energy conservation action; training staff in the methods of energy-efficient operation; preparation of bid documents for low cost energy conservation measures; and make regular reports on status and progress.

Mr. O'Brien is a graduate of MIT with over twenty years of experience in building planning and project management. The work for the Boston Public Schools will be under his personal supervision. Senior associates assigned to the job are degreed in engineering and have extensive experience in building design and operation and energy management. Other associates and technical assistants have energy conservation experience appropriate to their grade level.

The late submission of this contract is due to the School Committee's recent approval reorganizing the Planning and Engineering and Chief Plant Engineer Department into the Department of Facilities Management. Implicit in the new organization is the in-house assumption of most of the consultant's duties by an energy manager. In order to assure a smooth transition, the consultant must work very closely with the energy manager. Any future agreement with the consultant will be limited to technical and/or engineering issues related to energy issues where the consultant's professional engineering staff provides services in-house staff cannot provide.

Because of the professional nature of the services to be provided under this agreement and the demonstrated expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

Sincerely,

Edward J. Winter,  
Secretary.

#### CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

##### ASSESSING DEPARTMENT

##### Computer System Improvements

Dear Mr. Mayor:

On August 30, 1983, your Honor approved the award of a contract to Mr. Bruce W. Sauter, an individual, located at New York, for professional services to the Assessing Department.

Your approval is requested to amend this contract to provide for additional consulting services to the Assessing Department regarding enhancements which are necessary for the improvement of the department's Computer Assisted Mass Appraisal (CAMA) system.

The contractor will be compensated at the same rate specified in the terms of the original contract,

all other terms and conditions remaining the same. The cost of this amendment shall not exceed \$2,000, which I have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$9,500.

The period of this contract shall be as originally stated.

Because of the professional nature of the services to be performed I believe that public advertisement would serve no useful purpose.

Very truly yours,

Edward W. Jay, Jr.,  
Commissioner

Dear Mr. Mayor:

On August 30, 1983, your Honor approved the award of a contract to Mr. T. Robert Kitchen, an individual, located at New York, for professional services to the Assessing Department.

Your approval is requested to amend this contract to provide for additional consulting services to the Assessing Department regarding enhancements which are necessary for the improvement of the department's Computer Assisted Mass Appraisal System (CAMA).

The contractor will be compensated at the same rate specified in the terms of the original contract, all other terms and conditions remaining the same.

The cost of this amendment shall not exceed \$2,000, which I have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$11,100.

The period of this contract shall be as originally stated.

Because of the professional nature of the services to be performed I believe that public advertisement would serve no useful purpose.

Very truly yours,

Edward W. Jay, Jr.,  
Commissioner

#### FIRE DEPARTMENT Vehicle Repairs, etc.

Dear Mr. Mayor:

On September 28, 1982, your Honor approved the award of a contract based on public advertisement for bids to the following contractors: B & D Auto Electric Co., Inc., Burroughs Auto Service, Gray Auto Electric, Sea Coast Refrigeration, and Woodward Spring Shop, Inc., for various types of Fire Department repairs to vehicles and air conditioning during the period July 1, 1982, to June 30, 1983, cost not to exceed \$275,000.

Your approval is requested to amend this contract to provide for the repairs of fire apparatus and the air conditioners in the fire houses and Headquarters. The cost of this amendment, which is effective April 15, 1983, shall not exceed \$12,000, which I have determined to be reasonable. The cost of this amendment, shall not exceed \$287,000.

We are submitting this request late, due to the expected cost in emergency repairs the latter part of fiscal year 1982-1983. Further delays were caused because of administrative problems in Fire Department's contract division.

Very truly yours,

George H. Paul,  
Fire Commissioner/Chief

#### Building Repairs

Dear Mr. Mayor:

On September 28, 1982, your Honor approved the award of a contract based on public advertisement for bids to the following contractors: James Deva Fuel Co., Inc., 21 Springvale Ave., West Roxbury

MA, Door Systems Inc., P.O. Box 511, Framingham, MA 01701, Kelco Company, 18 Boylston Street, South Boston, MA 02127, P.J. Kennedy & Sons, Inc., 486 Albany Street, Boston, MA 02118, J.A. Marino Automatic Heating Co., Inc., for various types of Fire Department building repair during the period of July 1, 1982, to June 30, 1983, at a cost not to exceed \$60,000.

Your approval is requested to amend this contract to provide for the repairs of Fire Department buildings, the cost of this amendment which is effective April 15, 1982, shall not exceed \$47,000, which I have determined to be reasonable. The contract as amended shall not exceed \$107,000.

We are submitting this request late, due to the unexpected cost in emergency repairs the latter part of the fiscal year 1982-1983. Also the totals were not known and the CM-13 and CM-6 were not returned before this date.

Very truly yours,

George H. Paul,  
*Fire Commissioner/Chief.*

**HEALTH AND HOSPITALS DEPARTMENT**  
**Physicians Services**

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Trustees of Boston University, acting by the Boston University School of Medicine, 80 East Concord Street, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$256,450.

This amendment will increase the contract sum by \$7,185, thereby, increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$263,635.

Under this contract, the university provides qualified physicians for specified positions to render clinical service in the Ambulatory Care Center of the Department of Health and Hospitals. This amendment is necessary to cover the cost of a director of Employee and Occupational Health for July and August 1983. This cost was not included in the original contract.

Because of the special fitness of the university to provide this service, because of the personal and professional nature of the services, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,  
*Commissioner.*

**Legal Consultant**

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with Choate, Hall and Stewart, a law firm at 60 State Street, for the period July 1, 1982, through June 30, 1983, at a cost not to exceed \$30,000.

This amendment will increase the contract sum by \$11,503.54, thereby increasing the city's total liability under this contract, as so amended to an amount not to exceed \$41,503.54.

Under this contract, Choate, Hall and Stewart provide legal consultation and representation in matters affecting rates, reimbursement and cost reports. This amendment is necessary because the number of hours to be spent providing this service were underestimated.

Therefore, because Choate, Hall and Stewart are recognized experts in the field presently representing over fifty hospitals, are knowledgeable of the department's particular needs and because the services are provided at a reasonable cost, I recommend approval of this amendment.

This letter is being submitted late because the department wished to wait until the end of the fiscal year to be certain of the amount requested.

Very truly yours,

Lewis W. Pollack,  
*Commissioner.*

**Legal Services**

Dear Mr. Mayor:

On October 29, 1982, your Honor approved the award of a contract without public advertising, to Thomas G. Shapiro, Boston, for legal services representing the Licensing Board for the City of Boston during the period July 1, 1982, to June 30, 1983, at a cost not to exceed \$25,000.

Your approval is requested to amend this contract to provide for additional legal services which were not anticipated in the terms of the original contract.

It has been necessary to use the services of Mr. Shapiro for many more hours than was anticipated at the time that the budget was submitted. One civil case against the Board in the Bankruptcy Court alone accounts for over five thousand dollars (\$5,000) in legal fees. Another matter originally entered in the Supreme Judicial Court, has been remanded to Superior Court where many hours of legal resources had to be applied in order to prepare the case for judgment.

Mr. Shapiro will continue to be compensated at the rate of eighty dollars (\$80.00) per hour which the Board has deemed to be reasonable. The cost of this amendment, which shall be effective April 2, 1983, shall not exceed twenty thousand dollars (\$20,000). The total cost of this contract, as amended, shall not exceed forty-five thousand dollars (\$45,000).

The period of this contract shall be for the fiscal year July 1, 1982 to June 30, 1983.

Because of the professional nature of these services, public advertising would serve no useful purpose. This letter is a duplicate of one submitted April 1, 1983 and apparently lost.

Very truly yours,

Andrea W. Gargiulo,  
*Chairman.*

**MAYOR'S OFFICE**

**Gay Community Services**

Dear Mr. Mayor:

On August 16, 1983, your Honor approved an award of a contract without public advertising for bids, to Gary B. LaForest, 6 Whittier Place, for program development services with your office and Boston's gay and lesbian community, during the period from July 1 through September 30, 1983, at a cost not to exceed \$2,600.

Your approval is requested to amend this contract due to unexpected delays in the completion of the project. The cost of this amendment, which is effective on October 1, 1983, shall not exceed \$4,300, which I have determined to be reasonable. The contract, as amended, shall not exceed \$6,900. The period of performance shall be extended to November 30, 1983.

Mr. LaForest is uniquely qualified to perform these services because of his extensive knowledge of program design, management and assessment, his previous success in similar projects and his familiarity with the Boston gay and lesbian community. I believe that public advertising would serve no useful purpose. Due to clerical and administrative delays, this letter is being submitted late.

Sincerely,

Micho F. Spring,  
*Deputy Mayor.*

**POLICE DEPARTMENT**

**Equipment Repair**

Dear Mr. Mayor:

On August 9, 1983, your Honor approved the award of a contract to Radio Systems, Inc., Everett, for the maintenance and repair of radio communications equipment for the department during the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$15,000.

Due to a large backlog of radio repairs caused by the failure of the prior contractor to fulfill his contract, the funds which have been allotted for this contract have been depleted.

Your approval is requested to amend this contract to provide for additional funds to cover the rest of the fiscal year. The cost of this amendment will not exceed \$15,000, which I have determined to be reasonable. The total contract amount will now be \$30,000.

Very truly yours,

Joseph M. Jordan,  
*Police Commissioner.*

**PARKS AND RECREATION DEPARTMENT**

**Horticultural Services**

Dear Mr. Mayor:

On October 7, 1983, your Honor approved an award of a contract, without public advertising for bids, to Franklin Park Coalition, Inc., for participation in Boston Partners in Urban Recreation Program. During the period May 1, 1983, to April 30, 1984, at a cost not to exceed \$4,000.

Your approval is requested to amend this contract to provide for additional community maintenance service of a horticultural nature at Jamaica Plain/Franklin Park under the terms of the amendment. The cost of this amendment, which is effective on November 1, 1983, shall not exceed \$3,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$7,000. This will be charged to the Boston Partners in Urban Recreation Grant, account number 3-83-67-290.

Because of the unique experience of Dorchester Gardenlands Preserve in open space projects, I believe that further public advertising would serve no useful purpose.

Sincerely,

Robert R. McCoy,  
*Commissioner.*

**PUBLIC WORKS DEPARTMENT**

**Energy Systems Analysis**

Dear Mr. Mayor:

On May 21, 1982, your Honor approved the award of a contract, without public advertising for bids, to CSI Resource Systems, Inc., 88 Broad Street, for consultant services, relative to the analysis of potential waste-to-energy systems for the City of Boston during the period April 15, 1982, to April 15, 1983, at a cost not to exceed \$50,600.

On February 10, 1983, your Honor approved an amendment to this contract, in the scope of work, at no additional cost to the city.

On April 6, 1983, your Honor approved a further amendment to this contract, which is effective on April 16, 1983, in the amount of \$117,000, bringing the amended contract to \$167,600. The period of this contract was extended from April 15, 1983, to June 30, 1983. This further amendment also provided for additional services.

This contract was further extended to August 31, 1983.

However, now that we are approaching the preliminary negotiations and selection and support activities, the following additional work will be required.

#### Task 1: Developer Selection and Negotiations

1.1 Preliminary Selection — Based upon the results of the evaluation process, CSI will develop with the city the basis for selection of one or more developers with whom the city will enter into contract negotiations.

1.2 Negotiating Strategy — Based on the results of the preliminary selection, CSI will advise the city on a negotiating strategy. This advice will take into account the business philosophy and risk posture that developers have taken in prior projects, and will also consider the risk/benefit posture of the city.

1.3 Assistance in Negotiations — CSI, as a member of the negotiating team, will assist the city in negotiations with the selected developer(s), assuming primary responsibility for advising the city on technical issues that require clarification or negotiation with the developer(s); and evaluating the economic consequences to the city and the project, of the service agreement terms and alternative proposals, during the negotiation process.

CSI will also support the city by advising the city on the relative advantages and disadvantages of the terms of the service agreements offered by the developer(s); as requested by the city, formulating counterproposals to the service agreement terms offered by the developer(s); reviewing the developer(s)' proposed business arrangements with project participants other than the city, and advising the city of issues that may affect the terms of the service agreement with the city.

CSI will also be responsible for preparing summary explanations of the developer(s)' proposals for use in meetings with public officials and public presentations by the city.

#### Task 2: Prepare Environmental Impact Report (EIR)

CSI will be responsible for preparation of the required EIR in accordance with the Massachusetts Environmental Policy Act (MEPA) process. CSI will prepare the document in accordance with the following subtasks:

2.1 Prepare Work Scope and Schedule — CSI will meet with representatives of MEPA to establish a list of environmental issues to be addressed in the EIR. The meeting, which will occur on August 4, 1983, follows the MEPA review of the Environmental Notification Form (ENF) that was submitted on July 30, 1983. CSI and MEPA will discuss the proposed scope of the EIR based on the project description and parameters contained in the ENF. MEPA will confirm the list of environmental issues to be addressed in preparing the EIR, in writing, by mid-August.

After the scoping session with MEPA, CSI will modify the proposed scope of work and schedule contained herein to reflect the results of the scoping session with MEPA representatives. The level of effort contained in the balance of this subtask assumes a typical scope of work for preparing an EIR for a waste-to-energy facility.

Preparation of the scope and schedule will be completed during August, 1983, upon completion of the scoping discussions with MEPA representatives. At that time, CSI will review the scope of work, schedule and budget in detail with the city.

2.2 Prepare draft EIR — As soon as the detailed scope of work is finalized, CSI will begin to perform the analysis and organize the inputs required to draft the EIR. CSI will coordinate its work to meet the target date of October 31, 1983, for submittal of the draft EIR to MEPA. In addition to the actual drafting of the EIR, CSI's activity will include air quality modeling analysis, which will be performed in conjunction with and be very dependent upon vendor inputs to the air permit applications.

It is also anticipated that CSI's scope of work will include: (a) air quality modeling, including stack

emission and cooling tower impacts; (b) a noise survey; (c) a traffic survey; and (d) a review of health effects of air pollution impacts. As currently anticipated, the scope of work will not require air quality monitoring.

2.3 Respond to Questions Concerning Draft EIR — during the month of November, 1983, MEPA representatives will review the draft EIR. CSI will be available to respond to any questions raised by MEPA representatives during this review.

2.4 Prepare Final EIR — CSI will review the comments provided by MEPA representatives and the public concerning the draft EIR, and complete the final EIR for submittal to the agency. The target date for submittal is January 31, 1984.

2.5 Respond to Comments Concerning Final EIR — During February and March, 1984, CSI will be available to respond to any comments raised by MEPA representatives or members of the public concerning the final EIR.

#### Task 3: Coordinate Permit Applications

From September, 1983, through June, 1984, CSI will be responsible for coordinating the preparation and processing of the Department of Environmental Quality Engineering (DEQE) and appropriate city permit applications. The selected vendor or vendors will be responsible for detailed preparation of the applications, including all relevant backup analysis. CSI, however, will review the permit applications for completeness and consistency with the EIR. CSI will also use its best efforts to assure that the vendor is complying with the aggressive schedule defined by the city and to facilitate communication among the vendor and the permitting agencies.

#### Task 4: Implementation Assistance

Subsequent to execution of a service agreement between the city and a developer, and in the period prior to project financing, CSI, as directed by the city, will assist the developer in meeting project financing requirements. CSI will advise the city of issues that arise in arrangements among the developer and other project participants that may impact upon the financing schedule or any conditions precedent that are stipulated in the city's service agreement with the developer.

Therefore, your approval is requested to further amend this contract, to provide for the aforesaid additional services. The cost of the additional amendment, which is effective on September 1, 1983, shall not exceed \$450,000, which I have determined to be reasonable. The contract, as further amended, shall not exceed \$617,600. The period of this contract shall be extended from August 31, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

#### TREASURY DEPARTMENT Investigative Services

Dear Mr. Mayor:

On March 15, 1983, your Honor approved an award of a contract, without public advertising for bids, to Analysis & Inference Inc., a corporation located at 10 Post Office Square, for consulting and investigating services. Services were to be provided during the period February 18, 1983, to June 30, 1983, at a cost not to exceed \$9,000.

Your approval is requested to amend this contract to provide for additional investigating and testing services at the trials of parking meter collectors. The cost of this amendment which is effective as of June 29, 1983, shall not exceed \$84,632, which I have determined reasonable. The

contract, as amended, shall not exceed \$93,632. The period of performance shall also be amended to September 30, 1983. This amendment was delayed to ensure provision for the full amount needed.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully,  
Lowell L. Richards, III,  
Deputy Mayor/Collector-Treasurer.

CITY OF BOSTON**

**PUBLIC WORKS DEPARTMENT**

**Proposal for Installation of Submarine Cables  
and Construction of Access Walkways at  
the Andrew P. McArdle Bridge.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, April 1985.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, April 18, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time they shall be publicly opened and read aloud. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance, and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner, or a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

**NOTICE**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

**ATTENTION TO ALL BIDDERS**

**I. Minority Business Requirements**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**PREBID CONFERENCE**

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on April 16, 1985, at 10 a.m. in Room 714, City Hall. All prospective bidders are urged to attend, and all will be held to knowledge of what there transpires, whether they are present or not.

**ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH.** The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

#### NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. C9CN10, MOVEABLE BRIDGE IMPROVEMENTS, MANCHESTER AND GLOUCESTER, ESSEX COUNTY, MASSACHUSETTS, (Class 4(a) — Steel Superstructures) (Project Value 34.3) will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on Thursday, April 11, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The work consists of the replacement of existing bridge operating machinery and rehabilitation and fireproofing of existing substructures and superstructures of two existing lift bridges located in the cities of Manchester and Gloucester, Essex County, Massachusetts, as shown on the plans.

This contract is subject to a financial assistance contract between the MBTA and the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be

obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after Wednesday, March 20, 1985, Monday through Friday, at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division I — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidder's attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the Special Provisions section of the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) Participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goal of DBE 15 percent and WBE 3 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Assistant Director of Construction, Administration, Mr. Peter F. McNulty, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, Telephone (617) 722-3118. A prebid conference will be held on April 1, 1985, at 10 a.m. at 500 Arborway, Jamaica Plain, MA 02130. Any request for interpretation of plans and specifications must be submitted in writing at the same time.

Bidders will be required to certify, as part of their bids, that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1978 (Pub. L. 97-424), as amended, apply to any contract, procurement, or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit of one hundred seventy-one thousand five hundred dollars (\$171,500), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials

payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any and all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the interests of the Authority.

**TRAFFIC AND PARKING DEPARTMENT**

**Proposals for Traffic Signals at Various  
Locations in the City of Boston.**

The City of Boston, acting by the Commissioner of Traffic and Parking, hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for traffic signals at various locations in the City of Boston.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 721, City Hall, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days after the opening of general bids.

Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Traffic Signals at Various Locations in the City of Boston," one copy of which is to be left at Room 721, City Hall, before 12 noon, on Friday, April 19, 1985, with a certified check or a bid bond in the amount of 5 percent of bid price, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the lump sum price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs and laborers in

the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should he deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority—25 percent; Boston Resident—50 percent Female—10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 5 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental or American Indians).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and fill with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of three lowest bidders may also be required to submit a minority business identification statement.

Contractors shall also avail themselves of the list of minority business to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, April 17, 1985, at 10 a.m., in Room 721, City Hall, City Hall Square, Boston, Mass.

PARKS AND RECREATION DEPARTMENT

This Project is Funded Under the  
Community Development Block Grant

Invitation for Bids for  
Contract Document Listed Below.

The City of Boston, acting by the Director of N.D.E.A. and the Commissioner of Parks and Recreation, invites sealed proposals for contract/document listed below entitled: "Tree and Shrub Planting Various Locations, Spring 1985."

SCOPE OF WORK: Consists of the furnishing and planting of trees, shrubs, miscellaneous plant material and tree grates at various locations in the City of Boston.

The Director of the N.D.E.A. has designated the Commissioner of Parks and Recreation Department to act on its behalf to administer the project subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents.

Proposals will be received until 2 p.m., Boston time, Wednesday, April 17, 1985, at the office of the Commissioner, Room 816, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, at 10 a.m., Boston time, Tuesday April 9, 1985.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 816, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a bid bond, or a certified check or treasurer's or cashier's check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of his/her bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked.

The attention of bidders is specifically directed to the provisions of the contract documents, including, without limitation, the information to bidders (including subbidders) and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions, and the requirements of mandatory compliance with Executive Order 11246. No bidder shall be eligible for award in this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for

the contractor's aggregate workforce in each trade on all construction in the covered areas (see pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

Notice

The notice of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

Bidders seeking information pertaining to affirmative action in connection with City of Boston contracts should contact the Compliance and Enforcement Division of Neighborhood Development and Employment Agency, 15 Beacon Street, Boston.

*No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.*

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental or American Indian.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Final Minority Business Utilization Report," and "Weekly Utilization Report."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each minority business enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, MA 02108.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order, and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

No proposal may be withdrawn after the time limit for filing proposals and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no proposals filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner.

Specifications may be obtained at the office of the Commissioner at and after 9 a.m., Boston time, Monday, April 1, 1985, upon deposit of cash or certified check, payable to the City of Boston, for \$25 per set of specifications. The full amount of the deposit will be returned upon return of all documents, in good condition, within thirty days after the opening of the bids (Saturdays, Sundays, and legal holidays excluded).

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

PLANS AND SPECIFICATIONS will be available on or about April 1, 1985, at the Public Facilities Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids or any item or items of a bid, if it be in the public interest so to do.

NO. 14

## MAYOR FLYNN PROPOSES FINANCIAL REFORMS

*Statement of Mayor Raymond L. Flynn, Hyde Park Rotary, April 2, 1985*

We have given Governor Dukakis and the Legislature the opportunity to make history this year, by taking our ideas and enacting them as major financial reform for this city.

They can make history by finishing the job begun in 1980. Municipal financial reform should have followed the enactment of Proposition 2-1/2, to share the burden rather than just drop it. But the reforms did not take place.

Since 1981, Boston has lost over \$400 million, because of its over-reliance on the property tax. Increases in local aid from the Commonwealth, while needed and appreciated, have not come close to covering this loss. Indeed, the increases have not even kept pace with inflation.

No one can place blame on the property owner who voted to put controls on what had been an uncontrolled and unfair property tax burden, especially when 50 percent of the Boston property owners are paying the freight for the more than one million people who use city services every workday.

But, by the same token, you cannot suggest that the people who voted for 2-1/2 were voting for fewer, less-well-trained police officers, or for fewer health and social services for the elderly.

Boston is the only major city in the country that leans so heavily on the property tax to finance basic services. We rely on this levy for **98 percent** of our locally generated tax revenues.

By comparison, Philadelphia realizes a mere 23 percent of its local revenue from property — and the list goes on. St. Louis and Kansas City realize only 15 percent of their local revenues from property. New York and San Francisco receive only 45 percent, and Baltimore 64 percent.

To appreciate the meaning of this comparison, we must look at it in the context of Boston's Economic relationship with the Commonwealth.

As all of you know, Boston is the historic economic and financial center for the region. Over 60 percent of all the jobs in Boston are held by those who live outside the city. High tech has re-

placed textiles, and schooners have given way to jets and trucks — but the city remains at the center in financial services, transportation, education, tourism, medicine, and the retail industry. Few know it, but at Quincy Market, the annual sales surpass Disneyland. Our hotels and convention center attract meetings such as last year's Shriners' Convention, which generated over \$45 million for local businesses.

Sixty-five thousand Shriners enjoyed a week in Boston without incident, protected and served by a city government that spent \$483,000, but did not directly receive a **single penny** from all that business.

Boston's booming economy is helping to fuel the State's recovery. *The Boston Globe* reported that in the last quarter of 1984, the Port of Boston surged to a 41 percent increase over the same quarter in 1983.

Last year, Boston experienced the single greatest amount of new development in any one year: \$3 billion in new projects.

We are talking about a city that last year generated \$1.1 billion in revenue to the State. That is **more than one-sixth** of all the revenue that the State received in 1984.

Yet each year, we get back only **21 cents** for every tax dollar we send to the State.

While we act as a rich **stream** of revenue for the State, our **single** source of revenue is severely limited by another factor:

- Over 50 percent of our parceled land area is tax-exempt.

Only Washington, D.C. comprises more tax-exempt property than does Boston. We are proud to host the sym-

phony and the museums, the hospitals, universities, and government buildings. They are integral parts of Boston's reputation as a center of law, learning, and culture.

Yet this situation creates a painful irony for Boston: we are home to institutions that are world leaders in **new ideas**, while we provide services to them using an **out-of-date revenue structure**.

We need **structural reform** in Boston, because the factors I have outlined have combined to create a **structural gap** between revenue and essential expenditures. In recent years, city government has attempted to cover the gap through the sale of garages and through other one-time revenue sources. But those days are over. We are running out of furniture to throw on the fire.

But we also know that it takes time for new ideas to win acceptance and then approval. So, in Boston, we have done some other things that were difficult but necessary. Through this city's Fiscal 1985 Budget we have made some painful budget cuts:

- Personnel reductions reached 460 full-time equivalents by the end of calendar 1984.

- Two-thirds of all city departments started the year with their budgets either level-funded or cut, as compared with Fiscal Year 1984.

- Most agencies and departments were reduced another 5 percent in the course of this fiscal year.

- We have reduced overtime by 10 percent overall. Middle management overtime costs have been virtually eliminated.

- We have moved city departments from outside offices back to City Hall, at a saving of \$300,000.

However, as state revenue commissioner Ira Jackson has pointed out, these management moves were necessary but not sufficient. He said, "Even

the efficiencies and economies in the city's management — and many are being made — cannot derive a solution of a structural nature. In the longer term, the structural inadequacies could shake the foundation of the city's viability."

Viability means the ability to live. In Boston, it means having the funds necessary to continue to improve the quality of life in our neighborhoods. To put police on the streets, to rebuild neighborhood recreation centers, and to repair the infrastructure. The foundation for our city must be made of good schools, good jobs and efficient services.

To continue this important work, we have proposed a set of options for financial reform. We have opened our books and we have analyzed our problems in detail. We have shared this analysis with our State leaders.

Our need becomes more urgent in light of the cutbacks that the president has proposed for the Fiscal 1986 Federal Budget. At a time when the City of Boston needs more money to fight drug war on the streets, the budget-makers want to cut revenue-sharing funds and spend billions on militarizing the stars. The budget-makers defend their proposals by citing surpluses enjoyed by states and cities. But in Boston, we are looking at a potential deficit of \$60 million at the end of Fiscal 1986 — even without these proposed federal cuts.

Boston's citizens, as well as the people of cities and towns across the Commonwealth, are asking for a fair deal from their State government. And I am asking for your support in this historic venture.

## FIRE DEPARTMENT ORDERS

March 27.

General Order No. 13

### I. RETIREMENT

### III. FIRE ALARM BOX INSTALLED

The following-numbered fire alarm box has been installed and company commanders shall add it to their respective circuit cards:

14-4121 — No. 2 Constitution Plaza, Building B, Constitution Plaza, Circuit 3.

### IV. HIGH COMMENDATION

On Thursday, February 14, 1985, Rescue Company was at Engine Company 5's quarters for an incident involving a young boy. With the incident successfully completed, Rescue Company and Engine Company 5 were notified by a citizen of a fire at 406 Saratoga Street. Fire Alarm was notified and both companies with District One responded.

Upon arrival, they were informed of people in the building on the third floor from which smoke was showing. Fire Lieutenant John J. McKenna and Fire Fighter Anthony J. O'Brien, without hesitation, immediately made their way to the third floor where they encountered heavy fire and smoke at the rear of the apartment. In the smoke, they located a woman trying with great difficulty to remove her retarded son who became disoriented in the smoke-filled apartment. Fire Fighter O'Brien managed to break a window for ventilation while Fire Lieutenant McKenna and Fire Fighter O'Brien calmed both

## EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY

### COURT HOUSE COMMISSION

Daniel M. Hart,

Supervisor of Personnel.

Dear Mr. Doyle:

Effective November 7th, I have appointed George E. Nigro as principal custodial worker in the Court House Custodian as permanent.

Prior to this appointment, Mr. Nigro was employed in the capacity of supervisor in private industry.

Because of this prior experience and qualification for this position, it is requested that his one-year, two-year, three-year, four-year, five-year and six-year increments be determined under Rule 1 of the Suffolk County Compensation and Classification Plan, effective December 19, 1984.

Sincerely,

JOHN E. POWERS,  
Chairman

**CONTRACTS AMENDED**

The Mayor has approved the amending of contracts, based on the following information:

**HEALTH AND HOSPITALS DEPARTMENT  
Software Maintenance**

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with System Analysis Corporation, Wellesley, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$7,407.

This amendment will increase the contract sum by \$3,500, thereby increasing the city's total liability

under this contract, as so amended, to an amount not to exceed \$10,907.

Under this contract, System Analysis Corporation provides software maintenance for software in place as of April 1, 1983. This amendment is necessary to cover the cost of additional software, a bugs program, to be added to the Clinical Laboratory Information System. This program will increase the efficiency of the computer information system.

Inasmuch as the software is of a highly specialized nature, as System Analysis Corporation manufactures the system in use, and the price, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

**NDEA**

**Architects Services**

Dear Mr. Mayor:

On January 21, 1983, your Honor approved the award of a contract, without advertising for bids to Paul Donnelly and Hoyt Cousins, architects, located at 129 Portland Street, for architectural design services for commercial property rehabilitation work under the Neighborhood Commercial Development Bank program.

Your approval is requested to further amend this contract with respect to compensation and period of performance to provide for a continuation of services so that ongoing projects may be brought to completion. The contractor is currently working on several projects. A change in architects at this point would jeopardize the timely and economical completion of these projects. Under the terms of this amendment, the contractor will continue to provide the following services: architectural design services, engineering services, graphic design services, and construction supervision services.

The cost of this amendment, which I have determined to be reasonable for the services to be provided, shall not exceed \$4,000 and the contractor will provide services at the same hourly rates as in the existing contract. The total cost of this contract, as amended, shall not exceed \$29,000. The termination of this contract shall be extended from June 30, 1983, to December 31, 1983. This request has been delayed due to administrative oversight. This request supersedes a previous award letter dated June 23, 1983, and signed by the Mayor on July 29, 1983.

Due to the fact that a change in architects would delay and jeopardize ongoing projects and lead to increased costs, it is my belief that public advertising would serve no useful purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4 s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

**PARKS AND RECREATION DEPARTMENT  
Horticultural Services**

Dear Mr. Mayor:

On October 7, 1983, your Honor approved an award of a contract, without public advertising for bids, to Dorchester Gardenlands Preserve and Development Corp. for participation in Boston Partners in Urban Recreation Program. During the period May 1, 1983, to April 30, 1984, at a cost not to exceed \$10,000.

Your approval is requested to amend this contract to provide for additional community maintenance service of a horticultural nature at Townfield

under the terms of the amendment. The cost of this amendment, which is effective on November 1, 1983, shall not exceed \$1,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$11,000. This will be charge to the Boston Partners in Urban Recreation Grant, account number 3-83-67-290.

Because of the unique experience of Dorchester Gardenlands Preserve in open space projects, I believe that further public advertising would serve no useful purpose.

Sincerely,  
Robert R. McCoy,  
Commissioner.

**SCHOOL DEPARTMENT  
Personnel Policy Manual**

Dear Mr. Mayor:

On January 13, 1983, your Honor approved an award of a contract, without public advertising for bids to Jane Center Edmonds, 140 Federal Street, for personnel development consulting services to the Citywide Parents' Council during the period November 4, 1982, to April 30, 1983, at a cost not to exceed \$5,000.

Your approval is requested to amend this contract to provide for additional services which were not anticipated in the original contract. Due to the reorganization of the parent council structure as adopted by the federal court in its July 20, 1982, court order, the Citywide Parents' Council has requested the contractor to develop a new personnel policies manual. The cost of this amendment, which is effective on May 1, 1983, shall not exceed \$1,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$6,000. The period of performance shall be extended to June 30, 1983. This contract is being submitted late due to the time it took to secure the necessary signatures.

Because of the professional nature of the services to be provided and the expertise of the contractor in providing the above services, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

**Machines Repairs**

Dear Mr. Mayor:

On August 6, 1982, your Honor approved the award of a contract based on public advertising for bids to A.B. Dick Company, Waltham, for furnishing maintenance and repair of duplicating machines — Schedule 1-A, B, C, and D for the period July 1, 1982, through June 30, 1983, for an amount not to exceed \$20,000, in accordance with price quotes obtained from state contract.

Your approval is requested to amend this contract to provide for additional maintenance and repairs of duplicating machines because of unanticipated requests for repairs during fall, 1982 and spring, 1983. The amendment shall not exceed \$10,000.

The contract, as amended shall not exceed \$30,000, which I have determined to be reasonable. Because the price basis is reasonable for the required services, I believe that advertising would serve no useful purpose. This contract is late due to the time it took to procure the necessary signatures.

Very truly yours,  
Leo J. Burke,  
Business Manager.

**Supplies for Machines**

Dear Mr. Mayor:

On August 6, 1982, your Honor approved the

award of a contract, without public advertising for bids, to A. B. Dick Company, Waltham for furnishing supplies for duplication, copying, word processing machines during the period July 1, 1982, through June 30, 1983.

Your approval is requested to amend this contract to provide for additional supplies of duplicating, copying and word processing machines because of unanticipated requests during the fall, 1982, and spring, 1983. The amendment shall not exceed \$15,000.

The contract, as amended, shall not exceed \$35,000, which I have determined to be reasonable.

Because the price basis is reasonable for the required services, I believe that advertising would serve no useful purpose. This contract is late due to the time it took to secure the necessary signatures.

Very truly yours,

Leo J. Burke,  
*Business Manager*

#### TREASURY DEPARTMENT

Dear Mr. Mayor:

On July 1, 1982, your Honor approved the award a contract, without advertising for bids, to State Street Bank and Trust Company and Datacom Systems Corporation, for parking ticket collection services at a cost not to exceed \$3,800,000.

Your approval is requested to amend this contract by increasing the maximum liability of the city for all services under the contract, as amended, by \$2,000,000, which we have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$5,800,000.

This increase is necessary to provide for fair compensation of Datacom for extraordinary start-up efforts requested of them and ongoing costs of the new collection services associated with the recent notification to the Registry of all unpaid and uncontested parking violations issued to Massachusetts' vehicles during the period January 1, 1978, through June 30, 1982.

The period of this contract, as amended, shall not extend beyond June 30, 1983.

Because of the professional nature of the services to be performed, we believe that further public advertising would serve no useful purpose.

Very truly yours,

Lowell L. Richards, III,  
*Collector-Treasurer*

### CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

#### AFFAIRS OF THE ELDERLY

##### Food Service, etc. for Receptions

Dear Mr. Mayor:

Your permission is hereby requested to award a contract, without advertising, to the Copley Plaza, Copley Square, Boston, for food, service, and facilities for a recognition reception for 550 retired senior volunteers on September 18, 1983, in the amount of \$3,465.

In addition to the Copley Plaza, five other hotels in the downtown Boston area were contacted to provide the desired service. Each indicated that they could not provide the service on the specified date due to previous bookings and/or a lack of facilities

large enough to hold that number of persons. The Copley Plaza, in addition to being available, quoted a price of \$6.30 per person, which I deemed reasonable, and donated the ballroom in which the function was held.

Due to the reasons stated above, your approval is requested to dispense with public advertising in awarding this contract.

Administrative delays have caused this letter to be submitted late.

Sincerely,

Rachel R. Lieberman,  
*Commissioner*

#### ENVIRONMENT DEPARTMENT

##### Architectural Services, etc.

Dear Mr. Mayor:

I respectfully request your permission to award the Boston Redevelopment Authority, a contract to provide professional services to the Back Bay Architectural Commission. These services will be provided by Mr. Mace Wenniger and will include architectural design review of all applications submitted to the Back Bay Architectural Commission. The services will also include the following: scheduling commission hearings; conducting staff reviews; assisting on public hearings; preparing recommendations to the Back Bay Architectural Commission; drafting decision letters; conducting field investigations.

Compensation under the terms of this contract shall not exceed \$10,000 which I have determined to be reasonable for this work. Mr. Wenniger will perform a minimum of fifteen hours per week at a rate of \$20 per hour, during the period from November 1, 1983, to June 30, 1984.

Because of Mr. Wenniger's previous experience, we consider him to be especially qualified to provide these services. Due to the professional and specialized nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

Marcia Myers,  
*Acting Director*

#### Archeological Services

Dear Mr. Mayor:

I respectfully request your permission to award the Boston Redevelopment Authority, ninth floor, Boston City Hall, a contract to provide archeological consulting services to the Environment Department. The Boston Landmarks Commission located within the Environment Department has need of a professional archeologist to aid in the preparation of an archeological master plan for the City of Boston.

Under the terms of this contract, the BRA will provide the Landmarks Commission with professional services related to preparing an archeological resources survey for Boston. It will also provide services required to inaugurate a program to inform city officials about archeological requirements and to increase public awareness of Boston residents concerning archeology.

Funds to engage an archeologist and reimburse the BRA for these services will be partially provided by a Survey and Planning Grant from the Massachusetts Historical Commission.

Compensation by the Environment Department for this contract shall not exceed \$8,000, which I have determined to be reasonable for this work. The BRA will be reimbursed for these services at the rate of \$12 per hour during the period beginning August 31, 1983, and ending June 30, 1984. This

contract is retroactive due to the time required to negotiate the contract terms with the BRA and obtain board approval. It was also necessary to confirm the availability of funds within the Environment Department budget.

Because of the specialized and technical nature of the services to be provided, I believe no useful purpose would be served by public advertising.

Sincerely,

Marcia Myers,

*Acting Director*

#### HEALTH AND HOSPITALS DEPARTMENT

##### Equipment Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award, without advertising, a contract to Abbott Laboratories, Diagnostic Division, for the period October 1, 1983, through June 30, 1984, at a cost not to exceed \$8,694.

Under this contract, Abbott Laboratories will provide preventive maintenance and repairs for the following equipment: two Abbot Model VP units, Serial Nos. 478, 969.

Abbott Laboratories, the manufacturer, is the best equipped to service the above-described equipment and to provide trained personnel competent to service this complex equipment. Furthermore, Abbott Laboratories offers ready accessibility to parts required for repair purposes.

Therefore, inasmuch as this contract is of a very specialized nature and as Abbott Laboratories is uniquely suited to furnish the required services at a reasonable cost, no benefit would inure to the city by publicly advertising for bids.

The letter of award is being submitted late due to reevaluation of the number of instruments to be covered under this contract.

Very truly yours,

Lewis W. Pollack,  
*Commissioner*

#### Psychiatrist Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to award a contract, without advertising, to Dr. Brian Szetela, 37 Marlborough Street, for the period September 20, 1983 through June 30, 1984, at a cost not to exceed \$8,200.

Under this contract, Dr. Szetela will provide psychiatric consultations to the patients at Mattapan Hospital. Dr. Szetela will provide services four hours each week at the rate of \$50 per hour. The schedule and frequency of visits may be changed and/or reduced by the medical director depending upon the need for the services and the availability of funds.

As Dr. Szetela is a specialist in this field, because of the professional nature of the services to be provided and as the cost, in my opinion, is reasonable no useful purpose would be served by publicly advertising for bids.

This letter of award is being submitted late due to the time required to review and evaluate the psychiatric services performed at Mattapan Hospital.

Very truly yours,

Lewis W. Pollack,  
*Commissioner*

## Surgical Consultants

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award, without advertising, a contract to Erica Brotschi, M.D., 75 East Newton Street, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$3,900.

Under this contract Dr. Brotschi will provide surgical consultant services to Long Island Hospital. These services will be provided on an average of one-half day every other week, at approximately four hours per visit, at the rate of \$150 per visit. The frequency and schedule of visits may be changed and/or reduced by the medical director of Long Island Hospital, depending upon the needs of the service and availability of funds.

Therefore, because of the special fitness of Dr. Brotschi to provide this service, and because of the personal and professional nature of the services to be provided and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This letter of award is being submitted late due to the fact that the contract was originally made out to associated General Surgical Specialists, P.C., which no longer exists as an entity to enter into new contracts.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award, without advertising, a contract to Affiliated University Surgeons, P.C., 75 East Newton Street, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$3,900.

Under this contract Dr. Nancy Cantelmo will provide surgical consultant services to Long Island Hospital. These services will be provided on an average of one-half day every other week, at approximately four hours per visit, at the rate of \$150 per visit. The frequency and schedule of visits may be changed and/or reduced by the medical director of Long Island Hospital, depending upon the needs of the services and availability of funds.

Therefore, because of the special fitness of Dr. Cantelmo to provide this service, and because of the personal and professional nature of the services to be provided and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This letter of award is being submitted late due to the fact that the contract was originally made out to associated General Surgical Specialists, P.C., which no longer exists as an entity to enter into new contracts.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

## INSPECTIONAL SERVICES DEPARTMENT Boarding and Securing

Dear Mr. Mayor:

The following building or structure has been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous conditions. This building or structure is a menace to the neighborhood. The location is 9 Lisbury Park, Ward 16. Emergency bid held

Thursday, October 27, 1983, at 11 a.m. to board up and remove debris from entire building.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972 as amended, particularly section 123, thereof I have asked and have received your Honor's permission to enter these various premises and to board and secure them.

Bidders were requested to submit and aggregate bid for the boarding and securing of these buildings or structures.

We have solicited bids, award to be made to the lowest qualified bidder, and have received the following: Donald Clancy, \$2,920.

Donald Clancy & Sons has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance, and it has been done satisfactory work for this department in the past.

The Inspectional Services Commissioner considers the price of this contract as reasonable. Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter of a contract in the sum of \$2,920, to Donald Clancy & Sons, 339 Dorchester Street, South Boston.

Very truly yours,  
Anthony Pepicelli,

Inspectional Services Commissioner.  
LAW DEPARTMENT  
Federal Grants Services

Dear Mr. Mayor:

I respectfully request authorization to dispense with public advertising in the award of a contract to Audrey Ryack of Washington, D.C., in the amount not to exceed \$24,808.4186, hourly rate of \$19.157, for the period of October 17, 1983, to June 30, 1984.

Under the terms of this contract, Ms. Ryack will serve as the director of the City of Boston's Washington Office, located at 1620 Eye Street, Washington, D.C. Ms. Ryack will monitor the city's compliance with federal regulations; work towards improving the regulatory climate as it relates to Boston and assist city department heads in the processing of federal grant applications. The contractor is uniquely qualified to perform those services because of her knowledge of Boston and existing federal programs.

In view of the professional nature of the service to be performed, I believe the public advertising would serve no useful purpose.

Very truly yours,  
James P. McGuire,  
Corporation Counsel.

## LIBRARY DEPARTMENT Leasing Certain Premises

Dear Mr. Mayor:

The Board of Trustees in charge of the Library Department of the City of Boston respectfully requests that you approve the signing of a lease, without public advertising, with Dr. Donald Stackhouse, for the rental of premises located at 205 North Main Street, North Reading. These premises will serve as quarters for a deposit center for the Eastern Massachusetts Regional Library System in the North Reading area.

The lease will cover the period of two years and eight months, beginning on November 1, 1983, and ending June 30, 1984, with an option for renewal through June 30, 1986. The monthly rental rate will be \$1,408.25, with \$11,266 to be paid in FY-84 and for the next two Fiscal Years (85 and 86) an annual rate of \$16,900 for each year.

In view of the foregoing, the Board of Trustees in Charge of the Library Department, acting for and in

behalf of the City of Boston, believing the cost to the city to be reasonable for the services to be rendered, has taken the following action:

Voted, that without public advertising, the Board of Trustees in charge of the Library Department of the City of Boston, acting in the name of and for the City of Boston, does hereby accept an instrument of lease by and between Dr. Donald Stackhouse and the City of Boston for the rental of premises located at 205 North Main Street, North Reading, for the period from November 1, 1983, through June 30, 1984, with an option for renewal from July 1, 1984, through June 30, 1985, and from July 1, 1985, through June 30, 1986, at a monthly rate of \$1,408.25 through June 30, 1984, with an option by lessor to adjust monthly rent for the remaining period July 1, 1984, through June 30, 1986, based on increase in real estate taxes; and

Voted, that Liam M. Kelly, acting director of the Public Library of the City of Boston, be, and hereby is, authorized and directed in the name and behalf of the Board of Trustees in Charge of the Library Department of the City of Boston to execute said instrument of lease in duplicate.

Inasmuch as the total rental will exceed \$2,000, there is respectfully requested permission of your Honor to enter into this lease, without public advertising for bids. Funds for the payment of the rental are made available to the City of Boston as reimbursement from the Commonwealth of Massachusetts, through the State Aid for Support to Public Libraries.

Respectfully,  
The Board of Trustees in Charge of  
the Library Department of the  
City of Boston,

By Liam Kelly,  
Acting Director.

## NDEA Elevator Maintenance

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Atlas Elevator Company, Inc., Malden, for the provision of elevator maintenance services for the Neighborhood Development and Employment Agency. The contractor will perform, twice monthly inspection, lubrication and routine maintenance on two elevators at NDEA. In addition, the contractor will perform annual safety test and be available for callback services. The contractor was selected from four firms which responded to a publicly advertised request for sealed bids: American Elevator Company, Inc., 645 Morrissey Blvd., \$10,450.50; Atlantic Elevator Company, Inc., 803 Summer Street, \$11,370; Atlas Elevator Company, Inc., Malden, \$11,426; Montgomery Elevator Company, Inc., \$14,540.

After careful consideration, it was determined that the lowest bidding firm could not successfully meet the needs of NDEA.

Since Atlas was within \$56 of the lowest responsible bid (Atlantic) and has proven to be extremely capable over the past two years, I feel that it would be in the city's best interest to contract Atlas for the necessary services.

Funds for the operation of this contract shall be payable under Year IX of the Community Block Grant Program. The contract will be effective for the period October 1, 1983, through June 30, 1985, at a total cost not to exceed \$11,426. The amount to be encumbered initially is \$5,101.20. This request was delayed due to the time involved in advertising and the selection of the contractor.

As this is a contract for technical services at a reasonable cost, no public purpose would be served by

further advertising for sealed bids. I therefore request approval to dispense with further advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### Travel Passes

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to the Massachusetts Bay Transportation Authority, 50 High Street, Boston, for the purpose of providing travel passes for the Neighborhood Development and Employment Agency staff members whose duties require travel within the city. The job descriptions of those staff members mandate daily, or three to four site visits per week, for counseling, technical assistance and monitoring activities that ensure the integrity and smooth operation of NDEA-funded programs. The MBTA is the sole source for these passes, which are provided at reasonable and standard rates for each class of travel (bus, rapid transit, streetcar, etc.)

Funds for the operation of this contract shall be payable under Year IX of the Community Development Block Grant Program. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$4,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a sole source contract at a reasonable cost that conforms to federal procurement requirements, no public purpose would be served by formal advertising. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### Education and Training Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Opportunities Industrialization Centers, Inc., a nonprofit organization with offices at 184 Dudley Street. Under the terms of the contract, the contractor will provide classroom training to 174 JTPA-eligible participants. The participants will be trained in the areas of auto body, electromechanics, computer science, data and predata entry, word processing, and preword processing skills. In addition, counseling and job placement services will be provided.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$259,400. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I, therefore, request approval to dispense with inviting sealed

bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Chinese Consolidated Benevolent Association, a nonprofit organization with offices at 31 Beach Street. Under the terms of the contract, the contractor will operate a Vocational English Education Program to include business skills and English as a second language for thirty JTPA-eligible Asian participants. The business skills component will consist of basic bookkeeping, typing and office procedures. In addition, counseling and job placement services will be provided to the participants.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$70,000. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Roxbury Community College, an accredited Commonwealth of Massachusetts educational institution with offices at 625 Huntington Avenue. Under the terms of the contract, the contractor will operate an electronics technician program for twenty-four JTPA participants. The program is designed to prepare students for employment in the areas of electronics equipment maintenance technicians, microprocessing technicians, and computer testing and maintenance technicians. In addition, counseling and job placement services will be provided.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston under the 8 percent grant provided by the Commonwealth of Massachusetts Department of Manpower Development-State Employment and Training Council. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to

exceed \$77,590. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with the Economic Development and Industrial Corporation/Boston Technical Center, a nonprofit organization with offices at 660 Summer Street. Under the terms of the contract, the contractor will operate a vocational training program for eighty-five City of Boston JTPA-eligible participants. The participants will be trained in the areas of cable television installation, medical secretary/office support and combination welding. In addition, counseling and job placement services will be provided.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$167,945. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conform to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Educational Collaborative of Great Boston, Inc., a nonprofit organization with offices at 20 Kent Street, Brookline. Under the terms of the contract, the contractor will operate a competency based alternative education program for seven City of Boston youth leading to a high school diploma. In addition, the contractor will provide job placements and skills training to the participants.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership

ct. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$150,000. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor: —

I respectfully request your Honor's permission to contract with the Bridge Over Troubled Waters, Inc., a nonprofit organization with offices at 147 Tremont Street. Under the terms of the contract, the contractor will operate a competency-based education program leading to a General Equivalency Diploma (GED) coupled with job placements and support services for forty City of Boston high risk youth ages sixteen to twenty-one.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$40,100. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conform to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. V7CNO1, REROOFING MATERIALS TESTING LABORATORY, 170 FREEPORT STREET, DORCHESTER, MASSACHUSETTS, will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116, until two o'clock (2 p.m.), on April 17, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The work consists of removing existing roofing, preparing decking, and furnishing and installing new roofing system.

This contract is subject to a financial assistance contract between the MBTA and the United States Department of Transportation.

Prequalification of contractors in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders" will not be applicable to this contract.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after March 28, 1985, Monday through Friday, at a charge of \$25. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of ten dollars (\$10), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Thomas J. Murray, 170 Freeport Street, Dorchester, MA 02122, telephone No. (617) 722-5100. A prebid conference will be held on April 4, 1985, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify, as part of their bids, that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1978 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit of three hundred dollars (\$300), in the form of a bid bond,

cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any and all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the interests of the Authority.

The successful bidder will be required to provide by insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

**PLANS AND SPECIFICATIONS** will be available on or about April 8, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston, for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids or any item or items of a bid, if it be in the public interest so to do.

**Proposals for Traffic Signals at Various  
Locations in the City of Boston.**

The City of Boston, acting by the Commissioner of Traffic and Parking, hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for traffic signals at various locations in the City of Boston.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 721, City Hall, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days after the opening of general bids.

Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Traffic Signals at Various Locations in the City of Boston," one copy of which is to be left at Room 721, City Hall, before 12 noon, on Friday, April 19, 1985, with a certified check or a bid bond in the amount of 5 percent of bid price, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the lump sum price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs and laborers in

the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which annexed to the form of contract referred to her. Copies of said schedule may be obtained, with cost, upon application therefor at the office of Commissioner. Before commencing performance of this contract, the contractor shall provide insurance for the payment of compensation and furnishing of other benefits under chapter 15 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract, and shall continue such insurance full force and effect during the term of this contract. The undersigned reserves the right to reject all proposals or to accept any proposal or any of a proposal should he deem it to be for the interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee man ratios per trade) for this contract are as follows: minority—25 percent; Boston Resident—50 percent; Female—10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental or American Indians).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and "Minority Business and the General Contract Letter of Intent."

Each contractor must complete, sign, and attach with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the proposal. The three lowest responsive bidders required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of the three lowest bidders may also be required to submit a minority business identification statement.

Contractors shall also avail themselves of the opportunity of minority business to be provided by the City through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, April 17, 1985, at 10 a.m., in Room 721, City Hall Square, Boston, Mass.

**Invitation for Bids for  
Contract Document Listed Below.**

The City of Boston, acting by the Director of N.D.E.A. and the Commissioner of Parks and Recreation, invites sealed proposals for contract/document listed below entitled: "Tree and Shrub Planting Various Locations, Spring 1985."

**SCOPE OF WORK:** Consists of the furnishing and planting of trees, shrubs, miscellaneous plant material and tree grates at various locations in the City of Boston.

The Director of the N.D.E.A. has designated the Commissioner of Parks and Recreation Department to act on its behalf to administer the project subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents.

Proposals will be received until 2 p.m., Boston time, Wednesday, April 17, 1985, at the office of the Commissioner, Room 816, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, at 10 a.m., Boston time, Tuesday April 9, 1985.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 816, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a bid bond, or a certified check or treasurer's or cashier's check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of his/her bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked.

The attention of bidders is specifically directed to the provisions of the contract documents, including, without limitation, the information to bidders (including subbidders) and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions, and the requirements of mandatory compliance with Executive Order 11246. No bidder shall be eligible for award in this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for

the contractor's aggregate workforce in each trade on all construction in the covered areas (see pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

**Notice**

The notice of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

Bidders seeking information pertaining to affirmative action in connection with City of Boston contracts should contact the Compliance and Enforcement Division of Neighborhood Development and Employment Agency, 15 Beacon Street, Boston.

*No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.*

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental or American Indian.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Final Minority Business Utilization Report," and "Weekly Utilization Report."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each minority business enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, MA 02108.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order, and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

No proposal may be withdrawn after the time limit for filing proposals and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no proposals filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner.

Specifications may be obtained at the office of the Commissioner at and after 9 a.m., Boston time, Monday, April 1, 1985, upon deposit of cash or certified check, payable to the City of Boston, for \$25 per set of specifications. The full amount of the deposit will be returned upon return of all documents, in good condition, within thirty days after the opening of the bids (Saturdays, Sundays, and legal holidays excluded).

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

VOL. 77

MONDAY, APRIL 15, 1985

NO. 15

## MAYOR FLYNN URGES BOSTON FINANCIAL INDEPENDENCE

Boston has been shortchanged for several years by a structural gap between its revenues and its essential expenditures. In effect, Boston has been penalized for its growth in commercial development and population in the past few years, because the city cannot tap growth-revenue sources to pay for increased responsibilities.

Since fiscal year 1980, Boston's revenues — including local aid — have grown only 9.6 percent. Revenue from local taxation has **decreased** by 18 percent as fixed costs have gone up.

By contrast, the Commonwealth's revenues have soared, **growing** by 63 percent in the same fiscal 1980-85 period.

This great disparity in revenue is a product of Boston's paradoxical economy. It is the engine for regional economic growth. Indeed, over 60 percent of the jobs in the city are held by nonresidents. Yet, city government is prohibited from capturing revenue from this growth.

In the midst of a development boom, city government stretches a dollar to provide basic services. The regional center for transportation, finance, tourism, medicine, education, entertainment, and the retail industry struggles to support that critically important economic activity. In the age of high tech, Boston still finances basic services the way it did when the textile industry ruled the regional economy.

Ironically, the city that hosts institutions that are world leaders in new ideas provides services to them with an antiquated financial base.

So, in paradoxical Boston, deep poverty and great wealth grow side-by-side.

Consider these contrasts:

- Forty-two percent of Boston's families are considered poor by federal guidelines, according to the Boston Private Industry Council. While Boston is home to only about 20 percent of the overall metropolitan Boston population, we are home to over 40 percent of the metro area's poor people.

- Last year, Boston's economy generated over \$1.2 billion in revenues for the state. Yet, annually, Boston receives only 21 cents in direct local aid for each dollar we send to the state.

Three points emerge from an intensive study. First, it becomes clear that Boston, as do other cities and towns in the Commonwealth, has an unequal financial relationship with state government. Secondly, Boston is unique among major U.S. cities in its structural inability to raise the amount of revenue necessary to operate a major city. Most importantly, this structural problem is profoundly affecting the delivery of essential services.

January 1, 1981, is a useful point of departure in the discussion of Boston's antiquated financial base and its unequal financial relationship with the Commonwealth.

The enactment of Proposition 2½ in 1981 should have marked the beginning — not the end — of a period of municipal revenue reform in the Commonwealth. In Boston especially, property taxpayers have been required for too long to bear the entire burden of financing a major metropolis. It is time to share the load.

Yet, when no further reform has taken place, the burden has been simply dropped. That has meant the cumulative loss of \$400 million in potential revenue in Boston.

Every municipality has suffered from the sharp revenue cuts that Proposition 2½ has produced. Approximately twenty cities in the Commonwealth are showing pronounced signs of strain, such as lowered bond ratings and deteriorating basic services. But none is experiencing crisis on the magnitude of Boston.

The deficiencies in our financing have reached the point at which city government is underfunding needed,

basic services. We have reached this low point as the result of years of patching over a structural revenue gap. Previous administrations sold public assets, such as parking garages and the Hynes Auditorium, to keep going from year to year. However, the last garage will soon have been sold. We are running out of furniture to throw on the fire.

Boston's fundamental problem is an over-reliance on the property tax. Ninety-eight percent of all locally generated tax revenue is derived from that levy. No other major U.S. city approaches Boston's dependence on the property tax.

At the same time, Boston comprises more tax-exempt property than any major city except Washington, D.C. The percentage of tax-exempt property is growing. The residents of the "City on a Hill" are proud to host institutions that attract world acclaim and employees, patients, students, and other visitors from throughout the region and the country.

However, it costs money to provide services to these institutions and to the millions of people who benefit from them. Just as it cost money to host the conventions and other major events in Boston — such as the visit of Pope John Paul II and the 1984 Shriners Convention.

Last July 4 weekend, 65,000 Shriners and their families visited the city, generating about \$45 million in business. The city did not receive a penny directly from all this activity, but city government spent \$483,000 to serve and protect these visitors.

It is ironic that an upsurge in economic activity should produce a drain on the city's treasury. In Philadelphia, St. Louis, or New York, a spurt in commercial growth would mean a fair and predictable amount of new revenue to provide services to new businesses. But in Boston, added property taxes

(Continued on next page)

## Financial Independence . . .

(Continued from previous page)

barely compensate for the new obligations the city assumes from new development.

All of these factors have combined to create a complex financial problem for Boston. This problem is further compounded by the federal government's apparent desire to abandon America's cities. Under the fiscal 1986 budget the President has submitted to the Congress, the city would lose \$177 million as compared with fiscal 1985.

Among the most damaging cuts would be the elimination of General Revenue Sharing. Boston received over \$18 million in revenue-sharing funds in fiscal 1985, and applied all of it to the Police Department. That money amounted to 24 percent of the department's operating budget. We would become a nation more committed to militarizing the heavens than to policing the streets.

Revenue sharing is only one of the dozens of fundamentally important — and successful — programs that is proposed for elimination. In all other major U.S. cities, mayors will be forced to implement tax increases to cover their losses. Yet, in Boston, there are no revenue sources to make up the difference. In the absence of forward-looking and fair financial reform, the poor and working families of Boston will pay the price. They will pay in the currency of deteriorating neighborhoods and deferred dreams.

A document entitled, "Why Boston Needs and Deserves Financial Independence" is mandatory reading for any citizen — legislator, executive, or private citizen — who wants a firm understanding of Boston's legitimate need for financial reform.

Copies of "Why Boston Needs and Deserves Financial Independence" may be obtained from the Administrative Services Division.

## KITE FESTIVAL RETURNS MAY 18, 1985

Mayor Raymond L. Flynn and Parks and Recreation Commissioner Robert R. McCoy have announced that the 1985 Boston Kite Festival is slated for Saturday, May 18, 1985, from 11 a.m. to 4 p.m. at Franklin Park.

This annual event beckons the communities of the greater Boston area to

the 500 green acres of Franklin Park for a day of kite-flying, aerial stunts, an offering of diverse foods, and an arena of spectacular entertainment.

Mark your calendar for Saturday, May 18, when the Boston Kite Festival returns for its eighteenth year.

Fire Fighter Francis E. Almeida, Rescue Company.

Fire Lieutenant Cashman was appointed to the department October 2, 1957, and promoted to fire lieutenant October 22, 1975. Fire Fighter Hartford was appointed June 3, 1970. Fire Fighter Graham was appointed July 7, 1971, and Fire Fighter Almeida was appointed August 3, 1977.

All of these members leave the department with the best wishes of their associates.

### III. RETIREMENT RESCINDED

The retirement of Fire Fighter James J. Anderson, Ladder Company 15, effective April 1, 1984 has been rescinded.

### IV. SUMNER AND CALLAHAN TUNNELS, SUMMER SERVICE

Notice has been received from the Massachusetts Turnpike Authority that there is full water pressure throughout the systems with the only exception at the Boston Plaza of the Callahan Tunnel where the water in "ON" to a plainly marked "Fire Valve" straight inside the pump room off the catwalk, just before the tunnel portal. This valve feeds the ramp hose niches and the pump room door is marked "Fire Valve."

### V. FIRE ALARM BOXES INSTALLED

The following-numbered fire alarm boxes have been installed and company commanders should add them to their respective circuit cards:

15-3148 — Liggett Building, 1448 Dorchester Avenue, Circuit 86.

15-1565 — Copley Place Housing, 10-20 Hancock Street, Circuit 47.

### VI. HAZARDOUS BUILDINGS

Buildings located at 321-333 Centre Street, District 9, are in hazardous condition. Roofs are collapsed and burnt away, the floors are in a weakened condition, and the rear of the building is severely weakened and collapsed.

The building located at 44-50 Blue Hill Avenue, District 7, is in hazardous condition and has been posted with large "X" between the second and third floors on the Blue Hill Avenue side and the Winthrop Street side. This building is a three-story brick and wood structure with rear stairs missing. The brick work above the windows is in danger of falling, as well as the chimney. The roof and the interior are in poor condition. Squatters may be living on upper floors.

Extreme caution must be taken at all times during fire fighting operations at these locations.

These buildings have been posted.

### CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

#### NDEA

#### Education and Training Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Dimock Community Health Center, a nonprofit organization with offices at 55 Dimock Street. Under the terms of the contract, the contractor will recruit and enroll fifty-eight JTPA-eligible clients to become professionals in the allied health field. The participants will be trained as either operating room technicians or nursing assistants. In addition, job placement services will be provided.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$114,970. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
*Director.*

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Action for Boston Community Development (ABCD), a non-profit organization with offices at 178 Tremont Street. Under the terms of the contract, the contractor will provide vocational training to 113 City of Boston JTPA-eligible participants in the areas of business cluster, food services and a vocational internship which incorporates clerical training and word processing, and health occupational EKG training. In addition, the participants

will receive counseling and job placement services.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$307,700. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
*Director.*

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Oficina Hispana, a nonprofit organization with offices at 125 Amory Street. Under the terms of the contract, the contractor will provide intensive instruction in English as a second language, basic skills and basic business skills to twenty-four JTPA-eligible participants. In addition, counseling and job placement services will be provided.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$50,335. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conform to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
*Director.*

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Action for Boston Community Development (ABCD), a nonprofit organization with offices at 178 Tremont Street. Under the terms of the contract, the contractor will operate a competency-based education program leading to a General Equivalency Diploma (GED) or external diploma for

155 City of Boston youth. In addition, job readiness training and placement services will be provided to the participants.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$198,500. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Jamaica Plain Ecumenical Social Action Committee, a nonprofit organization with offices at 406 South Huntington Avenue. Under the terms of the contract, the contractor will operate a competency-based Pre-General Equivalency Diploma (GED) and GED classes coupled with job readiness training and job placement services for thirty-five City of Boston youth.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$50,000. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conform to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with the Boston Private Industry Council, a nonprofit organization with offices at 15 Congress Street. Federal Regulation 29 CFR 628.2 requires the Prime Sponsor, City of Boston Neighborhood

Development and Employment Agency to establish a Private Industry Council. These funds will allow BPIC to strengthen the partnership between business and government in the areas of employment and training, education and economic development for Boston's unemployed and disadvantaged. In addition, BPIC activities will include supervisory support to perform industry-focused job development and placement services through the BPIC/Job Exchange for JTPA-eligible clientele who are determined job ready.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$450,000. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with the Commonwealth of Massachusetts, Division of Employment Security, an agency of the state with offices at Charles F. Hurley Building. Under the terms of the contract, the contractor will provide JTPA application-eligibility certification, and Targeted Jobs Tax Credit voucher certification services to JTPA program participants. In addition, DES will administer a system of weekly support service payments to the participants.

The contractor was selected based upon its exemplary performance record in the provision of these services to NDEA over the previous years and its administrative capacity to provide these services.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$330,000. The amount to be encumbered initially is \$1,000. This request was delayed due to time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Quincy Community School, a nonprofit organization with offices at 885 Washington

Street, to act as the fiscal agent by providing financial management services for the City Root's Program operated by the Boston Community School Department, located at 26 West Street. Under the terms of the contract, Community Schools will provide competency-based instruction leading to General Equivalency Diploma (GED) for eight City of Boston youth. In addition, counseling and job placement services will be provided to the participants. The contractor was selected based on its acceptable proposal submitted to Boston Community Schools, program operator for the fund program.

Funds for the operation of this contract will be provided to the City of Boston under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$113,513. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with the Massachusetts Halfway House Inc./Boston Employment Resource Center, a nonprofit organization with offices at 296 Boylston Street. Under the terms of the contract, the contractor will provide specialized intake and employment services to 504 JTPA-eligible ex-offenders. The program will provide financial support services, preemployment training, tutoring, and post placement workshops to the participants. In addition, the contractor will develop on-the-job training contracts with employers and secure vocational training slots that will be matched with non-JTPA funds.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$49,900. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Cardinal Cushing Center for the Spanish-speaking, non-profit organization with offices at 1375 Washington Street. Under the terms of the contract, the contractor will operate a competency-based, bilingual, remedial education program for thirty-six City of Boston high risk Hispanic youth. In addition, the contractor will provide a world of work orientation and job development placement services to the participants.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act (JTPA). The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$70,000. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for the JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with the Chinese Youth Essential Services, nonprofit organization with offices at 199 Harrison Avenue. Under the terms of the contract, the contractor will operate a competency-based educational program to include English as a second language (ESL), Pre-General Equivalency Diploma (GED) and job readiness training for twenty City of Boston youth. In addition, skills training and job placement services will be provided to the participants.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$41,404. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to

authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Adams and Abbott, Inc., located at 46 Summer Street. Under the terms of the contract, the contractor will operate a phototypesetting classroom training program including typesetting, graphic arts, dark room technician training and paste up for twenty JTPA-eligible AFDC recipients. In addition, counseling and job placement services will be provided.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$41,500. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Cardinal Cushing Center, a nonprofit organization with offices at 1375 Washington Street. Under the terms of the contract, the contractor will provide bilingual education and training to fifty JTPA-eligible Hispanic participants in the area of health care. The program is designed to train participants as community health assistants, community health outreach workers, home health assistants, and nursing assistants. In addition, counseling and job placement services will be provided.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act (JTPA). The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$60,000. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

#### Open Space Program

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to the Fenway Community Development Corporation, a nonprofit organization located at 58 Burbank Street, for the purpose of participating in an open space management program.

Under the terms of the contract, the contractor will construct a fenced playground to serve area children ages one to seventeen, at a site located on the corner of Haviland Street and Ederly Road in the Fenway. The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Neighborhood Development Employment Agency. In addition, the contractor has had substantial experience in the overall management of complex neighborhood development activities.

Compensation under the terms of this contract shall not exceed \$29,846, payment being made from the Community Development Block Grant program (Jobs Bill). The period of performance shall be from December 12, 1983, to November 30, 1984.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to the Dorchester Bay Economic Development Corporation, a nonprofit organization located at 187 East Cottage Street, for the purpose of participating in an open space management program.

Under the terms of the contract, the contractor will create and maintain a community garden and play area on a vacant lot located at 21 Monadnock Street, Dorchester. The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Neighborhood Development and Employment Agency.

Compensation under the terms of this contract shall not exceed \$18,417, payment being made from the Community Development Block Grant Program (Jobs Bill). The period of performance shall be from December 1, 1983, to November 30, 1984.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to the Colonel Daniel Marr Boys' Club, a nonprofit organization, located at 35 Deer Street, Dorchester, for the purpose of participating in an open space management program.

Under the terms of the contract, the contractor will construct and maintain a tot's playground on a vacant lot located at 39 Deer Street, Dorchester. The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Neighborhood Development Employment Agency. In addition, the contractor has an excellent record in providing and maintaining recreational facilities for area youth.

Compensation under the terms of this contract shall not exceed \$10,148, payment being made from the Community Development Block Grant Program (Jobs Bill). The period of performance shall be from December 1, 1983, to November 30, 1984.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
*Director.*

##### **TRAFFIC AND PARKING DEPARTMENT**

##### **Proposals for Traffic Signals at Various Locations in the City of Boston.**

The City of Boston, acting by the Commissioner of Traffic and Parking, hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for traffic signals at various locations in the City of Boston.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 721, City Hall, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days after the opening of general bids.

Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Traffic Signals at Various Locations in the City of Boston," one copy of which is to be left at Room 721, City Hall, before 12 noon, on Friday, April 19, 1985, with a certified check or a bid bond in the amount of 5 percent of bid price, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the lump sum price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs and laborers in

the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152C of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should he deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhours per trade) for this contract are as follows: Minority—25 percent; Boston Resident—50 percent; Female—10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental or American Indians).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of three lowest bidders may also be required to submit a minority business identification statement.

Contractors shall also avail themselves of the list of minority business to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, April 17, 1985, at 10 a.m., in Room 721, City Hall, City Hall Square, Boston, Mass.

Various Schools.**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing and delivering floating swimming pool covers and roller systems for the indoor pools at various schools.

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, April 23, 1985, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of 5 percent of the attached bid. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed

to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and the Housing and Urban Development Department, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, section 39F and 39K through 39P of chapter 30, and section 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Project No. 69-CD-ABU (A-E)."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority

business will not count towards the minority business percentage requirements.

II. Workforce Requirements

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each tradework on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1) (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms of the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specification for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoughton, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employees and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

**Proposals for Rental of Equipment and Purchase of Supplies for Filming, Editing, Splicing, and Delivery for Storage Microfilm.**

The County of Suffolk, acting by its Register of Deeds, Government Center, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for the rental of equipment and purchase of supplies for filming, editing, splicing, and delivery for storage microfilms of the Register of Deeds for the period from July 1, 1985, through June 30, 1986, in accordance with the specifications accompanying the proposal forms which may be obtained at the Registry of Deeds Office, fifth floor, Old Courthouse, Government Center, Boston, at or after 9 a.m., Tuesday, April 16, 1985.

Bidders are required to leave at the above office, their bid proposal accompanied by a bid deposit in the form of a certified check, issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$100, to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be filed with the City Auditor prior to the time named for opening of bids. The proposal must be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of work to be done.

Bids will be publicly opened and read aloud on Tuesday, May 7, 1985, at twelve noon, at the Registry of Deeds.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for three (3) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no bid proposals filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the

specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest to do so.

NOTICE TO CONTRACTORS

**Proposal for Demolition and Site Clearance,  
Project No. 146-CD-ATD, Community Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

13-15 Savin Street, Ward 12  
42-48 Savin Street, Ward 12  
Garage, 42-48 Savin Street, Ward 12

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, April 25, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined of this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation,

sections 39F and 39K through 39P of chapter 30, and sections 29 to 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 146-CD-ATD."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246), IF APPLICABLE.**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

**Notice**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participa-

pation and Resident Section Contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performances of this contract.

**Attention to All Bidders**

**I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for minority business enterprise, if the bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority of the Minority Business Office, 15 Beacor Street, eighth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the Directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1) (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (includ-

ing subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

The City of Boston, acting by its Fire Commissioner, hereinafter referred to as the Awarding Authority, invites sealed bids for furnishing work uniform rental service for civilian employees in the Maintenance Division of the Fire Department, beginning July 1, 1985, and terminating on June 30, 1986.

Proposal forms may be obtained at the office of the Fire Commissioner, on and after 9 a.m., Friday, April 19, 1985. Proposals will be received at the office of the Fire Commissioner, 115 Southamptton Street, Boston, until twelve noon, Friday, May 3, 1985, at which time and place they will be publicly opened and read aloud. Proposals must be sealed and marked "Proposals for Furnishing Work Uniform Rental Service."

Bids shall be submitted in duplicate. One copy shall be filed at the office of the Awarding Authority,

designated above, and the other copy shall be filed at the office of the City Auditor, Mezzanine 1, One City Hall Square, Boston, Mass. Both copies shall be filed before the time stated for the opening of the bids.

A bid deposit in the form of a check on a responsible bank or trust company payable to the City of Boston, in the sum of one dollar (\$1), shall be submitted with the copy of the bid filed with the Awarding Authority. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The bid submitted should indicate the cost of supplying uniform rental service for each man on a weekly basis. Approximately sixty-five men are to be supplied. All garments shall be 65 percent dacron, 35 percent cotton blend, permapress. The pants and jackets shall be 7½ ounces per square yard material; the shirts shall be 4½ ounces per square yard material. Men are to be furnished year round with five shirts (thirteen of the men are to be supplied with white shirts), five pants and two jackets (with zip-in lining or heavy jacket for fall wear and light jacket for spring wear). New uniforms are to be furnished as required.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids, if it be in the public interest to do so.

**REGISTER OF DEEDS**

The County of Suffolk, acting by its Register of Deeds, Government Center, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for hand-sewn binding of new books and rebinding of old books, with quality at least equal to Irish linen thread 12/4 and 16/4 cord onto 4-double 6-cord flax twine, for the Recorded Land Section and Registered Land Section of the Registry of Deeds for the period from July 1, 1985, through June 30, 1986, in accordance with the specifications accompanying the proposal forms which may be obtained at the Registry of Deeds Office, fifth floor, Old Courthouse, Government Center, Boston, after 9 a.m., Boston time, April 16, 1985. This contract not to exceed \$5,000.

Bidders are required to leave at the above office, their bid proposal accompanied by a bid deposit in the form of a certified check, issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$100, to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be filed with the City Auditor prior to the time named for opening of bids. The proposal must be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of work to be done.

Bids will be publicly opened and read aloud on Tuesday, May 7, 1985, at twelve noon, Boston time, at the Registry of Deeds.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for three (3) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no bid proposals filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract unless no award

has been made upon expiration of the prescribe time therein.

The successful bidder will be required to provide insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed. chapter 152, to all persons employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest to do so.

COUNTY OF SUFFOLK

REGISTER OF DEEDS

Proposals for Microfilming, Printing,  
and Looseleaf Binding of Records.

The County of Suffolk, acting by its Register of Deeds, Government Center, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for microfilming, printing, and looseleaf binding of records, for the Recorded Land section of the Registry of Deeds for the period from July 1, 1985, through June 30, 1986, in accordance with the specifications accompanying the proposal forms which may be obtained at the Registry of Deeds Office, fifth floor, Old Courthouse, Government Center, Boston, at or after 9 a.m., Tuesday, April 16, 1985.

Bidders are required to leave at the above office, their bid proposal accompanied by a bid deposit in the form of a certified check, issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$100, to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be filed with the City Auditor prior to the time named for opening of bids. The proposal must be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of work to be done.

Bids will be publicly opened and read aloud on Tuesday, May 7, 1985, at twelve noon, at the Registry of Deeds.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for three (3) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no bid proposals filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest to do so.

## MAYOR FLYNN DEFENDS NUTRITION PROGRAMS

*Testimony of Mayor Raymond L. Flynn, Chairman of U.S. Conference of Mayor's Task Force on Joblessness and Hunger, before the U.S. House of Representatives Subcommittee on Domestic Marketing, Consumer Relations, and Nutrition.*

Chairman Panetta, Representative Emerson: I am proud to testify again before your subcommittee on behalf of the Mayors of America, as Chairman of the Conference of Mayor's Task Force on Joblessness and Nutrition. Last month, we met in the Massachusetts State House in Boston, to talk about the twin problems of poverty and hunger among the poor and working families of my city.

Today, we have the opportunity to look at the problem on the national scale. As we look at it, we can see that it is neither a partisan nor a political problem: hunger is an American problem.

In Boston, a wide variety of conscientious people have created what amounts to a national center for the fight against hunger—recognizing hunger as a moral challenge. People like Dr. Larry Brown, head of the Physicians Task Force on Hunger, and dozens of other committed individuals have forced us to look at the face of hunger in America.

As Senator Robert Dole pointed out in the report of the President's Task Force on Food Assistance, "Many Americans are faced with serious problems and need food assistance." Senator Dole also pointed out that assistance programs have been effective in alleviating domestic nutrition problems."

By several measures, we can see that poverty and hunger are deepening in America. The Physicians Task Force on Hunger in America, in their pioneering study, found, and I quote, "Hunger is a problem of epidemic proportions across the country."

They also reached another conclusion that is perhaps more troubling: that hunger is the direct result not of some climatic change or natural accident, but of federal government policies.

It is government policy that finds 46.5 million people are eligible for food stamps, but only 20.9 million receive them.

It is policy that finds nine million families eligible for the Women, Infants, and Children Nutrition Program, but only three million receiving benefits.

The Physicians Task Force concluded: "America has become a soup

kitchen society, a spectre unmatched since the bread lines of the great depression." They concluded that the safety net has given way. As just one example, the USDA's most recent food consumption survey reveals that 80 percent of those who followed the department's own nutrition plan fail to get the recommended dietary allowances for nutrients. The department established a plan that keeps within the reduced appropriation for nutrition programs, but does not meet nutrition requirements.

Clearly, the soup kitchen society cannot compensate for the increasing numbers of families who are going hungry. A new survey by the Conference of Mayors and the report of the Physicians' Task Force conclude that **private charity cannot take the place of sensible and sensitive government policy.** Consider some of these reports from cities and states around the country:

- In Baltimore, the oldest soup kitchen in the city saw its clientele increase from 21,000 in 1979, to over 65,000 in 1983.

- Emergency food facilities are unable to meet the demand in 70 percent of the cities. On average, 24 percent of people who seek food cannot get it.

- A survey of emergency food recipients in three northern California counties—including San Francisco—found that 60 percent of the parents go without so the children can eat. Yet 22 percent report that their children still sometimes go to bed hungry.

- Only 5 percent of the low-income elderly in Chicago are served through

the Senior Meals Program. Chicago has a two-year waiting list for home-delivered meals to the elderly.

- Chicago officials say that many children are risking prolonged malnutrition. Cook County Hospital has seen increasing numbers of malnourished children, more cases of dehydration, and a 20 percent increase in children with low growth rates.

- In New York City, a survey by Dr. Victor Sidel found that nearly half of the 400 at-risk people he surveyed ate less than they knew they should. Twenty percent of the parents reported that their children sometimes go to bed hungry.

- In 1984, 120 food pantries in my city served 5,100 families each month—an 88 percent increase over 1983.

This evidence of increased need for emergency food is only one measure of a growing hunger epidemic.

Researchers have tied the cuts in federal nutrition programs to our national backsliding in the fight against infant mortality. Public Health Service research indicated recently that a twenty-year decline in the rate of infant mortality has ended. In Boston, we have compiled much evidence to suggest that cuts in federal nutrition and health programs resulted in increases in the rate in our poorest neighborhoods.

At the same time that the administration has cut funds for health and nutrition, they have cut funds for needed job-training programs.

We would abandon those who are left behind, and undercut those who are struggling to get ahead.

In FY 86, the budget-makers proposed to cut \$1 billion from the Job Training Partnership Act. This cut would be a classic—and callous—case of being penny-wise and pound-foolish. Research by the Private Industry Council in Boston has demonstrated that for

(Continued from previous page)

every \$3,000 we spend to train someone for a job paying \$15,000 a year, the government gets its \$3,000 back in taxes.

By contrast, the government would spend \$13,000 to support that person through welfare or other programs.

Why not make that good investment, allowing a head of household to earn the money to feed a family? That is the question the budget-makers must answer.

Last year, Mr. Panetta, you introduced legislation which would, as you said then, make a downpayment on hunger. This year similar legislation has been introduced again, by Mr. Leland, who chairs the Select Committee on Hunger.

These proposals would go a long way toward responding to the problems of hunger that our citizens face.

- In the Food Stamp Program, provisions which would increase, the earned income deduction, separate and increase shelter and dependent care deductions, and revise the elderly medical deduction, would be more responsive to a household's other expenses.

- In the area of child nutrition, the WIC Program should be expanded so that the caseload is increased by 250,000 per year.

- For the school lunch and breakfast programs, the cost of reduced-price breakfast and lunch programs should be lowered and AFDC and food stamp household members should be automatically eligible.

We must maintain those programs that have proven effective in the battle against hunger. We should maintain:

- The distribution of surplus commodities. In addition, the Temporary Emergency Food Assistance Program, through which some costs of distributing surplus commodities are reimbursed, should be continued.

- Finally, The Emergency Food and Shelter Program, operated by the Federal Emergency Management Administration through the National Board of Voluntary Agencies, must be continued.

The Words "Hunger" and "America" should be contradictions in terms. Because hunger infects the fabric of our society, it contributes to the breakdown of our families and of our cities.

Mr. Chairman, as you and other Congressional leaders consider the FY 86 budget, it is clear that we must have a healthy defense system to defend our country. But it is also clear that we must have a healthy country to defend.

Thank You.

*Special Order No. 85-20*

To All Bureaus, Districts-Areas, Divisions, Offices, Sections and Units.

In order to alleviate the confusion concerning the vacation eligibility for the sworn members of the department, the following is an attempt to clarify the current vacation policy utilized by the department.

In determining the amount of time to which each member is entitled, strict attention must be given to the original date of appointment to the department, and to any relevant additional employment with the state, city, or county. It is also to be remembered that all vacation time is awarded based on past service.

All officers with less than a full year service will be awarded one day for each month of service completed (not to exceed ten days) on January of the following year. For example, an officer hired February 2, 1982, would be awarded ten days of vacation time on January 1, 1983. However, an officer appointed November 1, 1982, would only be awarded two days of vacation time on January 1, 1983. This vacation time would then be taken during the 1983 calendar year at a time to be arranged with the commanding officer.

Thereafter, on each January 1, the officer would receive ten vacation days for up to and including three years of past service; fifteen vacation days for four up to and including eight years of past service and twenty days of vacation time for nine or more years of past service. This vacation time is to be taken in accordance with the vacation schedules that are posted each November/December.

If there are any further questions, please call either the Office of Personnel (x4408) or the Office of Labor Relations (x545).

#### X. BUILDING NAME AND ADDRESS CHANGE

Notice has been received from the Public Improvement Commission that the Liggett Building, located at 1448 Dorchester Avenue, has been changed to read: One Fields Corner Building, One Fields Corner.

## FIRE DEPARTMENT ORDER

April 12.

### General Order No. 16

#### I. RESIGNATIONS

Effective April 9, 1985, at 1300 hours, Fire Fighter Michael Hargrove, Ladder Company 21, tendered his resignation while Boston Fire Department charges were pending against him for violations of Rules 18.46(d), 18.46(a), 18.46(j), and 18.4.

Effective April 9, 1985, at 0800 hours, Fire Fighter Ray J. Norton, Jr., Ladder Company 11/Personnel Medical, tendered his resignation while Boston Fire Department charges were pending against him for violations of Rules 18.46(d), 18.46(m), 18.46(a) and 18.34(f).

#### II. FIRE ALARM BOX ESTABLISHED

The following-numbered fire alarm box will be installed in the near future. Company commanders shall add it to the UAAB assignment cards. The circuit number will be announced when the box is installed.

12-5482 — Crittenton-Hastings House, 10 Perthshire Road.

#### III. BRIDGE CLOSING

Notice has been received from the State Department of Public Works that the Cummins Highway Bridge over the railroad in the Mattapan section closed for repairs on Friday, April 12, 1985, for an indefinite period. Company commanders of first-alarm response to boxes affected by this closing shall designate alternate routes.

## IV. HIGH COMMENDATION

On February 25, 1985, while returning from an incident, District 9 discovered the building located at 358 Centre Street heavily involved in fire.

Fire Fighter Joseph R. Murphy (aide to District 9) immediately left the car and entered the building in search of possible residents. Finding many occupants, he led them to the front stairwell of the first and second floors. He then ascended to the third floor, which was quickly becoming untenable due to heat and smoke. Once again, he led three disoriented residents to the front stairwell. Returning to search the rear of the third-floor apartment, his escape to the front became cut off forcing him to break out a third-floor window, climb out onto the ledge and drop to a lower roof where he was removed over a ground ladder thrown by Ladder Company 10.

Because this immediate action led to the safety of numerous residents and performed at great personal risk before first arriving companies, the Fire Commissioner is pleased to commend Fire Fighter Joseph R. Murphy (aide to District 9) and refers his case to the Board of Merit for further consideration.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising based on the following communications:

### NDEA

#### Open Space Program

Dear Mr. Mayor:

I respectfully request your Honor's permission award a contract to the Boston Urban Gardener Inc., a nonprofit organization, located at 20 Pa Plaza, Statler Office Building, for the purpose participating in an open space management program.

Under the terms of the contract, the contractor will redevelop vacant lots on Linwood Street and Kittredge Square, Roxbury, for varied passive usage as open space. The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Neighborhood Development Employment Agency. In addition, the contractor has an excellent record of managing similar grants.

Compensation under the terms of this contract shall not exceed \$37,520, payment being made from the Community Development Block Grant Program (Jobs Bill). The period of performance shall be from December 1, 1983, to November 30, 1984.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request permission to dispense with inviting sealed bids advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s.

Sincerely,

Paul S. Grogan,  
Director

#### Employment Services

Dear Mr. Mayor:

I respectfully request your Honor's permission award a contract with CDI Temporary Services, Inc., 100 Boylston Street, to provide temporary office workers from time to time as requested by NDEA in areas of clerical, secretarial and receptionist positions.

personnel. The contractor was selected from a number of firms that responded to a publicly advertised request for bids in the *City Record*, and the *Boston Globe* on September 12, 1983. The overall rates submitted by the contractor were reasonable and significantly lower than the rates submitted by other firms.

Funds for the operation of this contract shall be payable under Year IX of the Community Development Block Grant (C.D.B.G.) Program. The contract will be effective for the period October 1, 1983, through June 30, 1985, at a total cost not to exceed \$5,000. This request was delayed due to the time involved in advertising and the selection of the contractor.

As this is a contract for technical services at a reasonable cost, no public purpose would be served by further advertising. I therefore request approval to dispense with further advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with T.G. Temps, 535 Boylston Street, to provide temporary office workers from time to time as requested by NDEA in the areas of clerical, secretarial and receptionist personnel. The contractor was selected from a number of firms that responded to a publicly advertised request for bids in the *City Record*, and the *Boston Globe* on September 12, 1983. The overall rates submitted by the contractor were reasonable and significantly lower than the rates submitted by other firms.

Funds for the operation of this contract shall be payable under Year IX of the Community Development Block Grant program. The contract will be effective for the period October 1, 1983, through June 30, 1985, at a total cost not to exceed \$5,000. This request was delayed due to the time involved in advertising and the selection of the contractor.

As this is a contract for technical services at a reasonable cost, no public purpose would be served by further advertising. I therefore request approval to dispense with further advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with TAD Powers Temporaries, Inc., 41 Winter Street, to provide temporary office workers from time to time as requested by NDEA in the areas of clerical, secretarial and receptionist personnel. The contractor was selected from a number of firms that responded to a publicly advertised request for bids in the *City Record*, and the *Boston Globe* on September 12, 1983. The overall rates submitted by the contractor were reasonable and significantly lower than the rates submitted by other firms.

Funds for the operation of this contract shall be payable under Year IX of the Community Development Block Grant (C.D.B.G.) Program. The contract will be effective for the period October 1, 1983, through June 30, 1985, at a total cost not to exceed \$5,000. This request was delayed due to the time involved in advertising and the selection of the contractor.

As this is a contract for technical services at a

reasonable cost, no public purpose would be served by further advertising. I therefore request approval to dispense with further advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### Housing Discrimination Testing Program

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with inviting sealed bids and to award a contract to Abt Associates, Inc., a corporation, located at Cambridge, to design and implement a program to test for housing discrimination within the City of Boston.

Under the terms of this contract, the contractor shall design and implement a program to test for housing discrimination against blacks and Hispanics in three of Boston's neighborhoods. This testing program will consist of a series of field audits for the rental and sale of housing units.

Abt Associates was the sole respondent to a publicly advertised request for proposal published in the *Boston Globe* and *City Record* on July 5, 1983. In addition, Abt Associates performed a preliminary study in 1981 for the Mayor's Office of Fair Housing. The contractor is thoroughly familiar with the research methodology required for this project and has performed similar work of exceptional quality in the past.

Compensation under the terms of this agreement shall not exceed \$40,000. Funds for this contract, the amount of which I have determined to be reasonable for the services to be provided, shall be payable under Year IX of the Community Development Block Grant program. The term of this contract shall be from September 15, 1983, to April 30, 1984. This request has been delayed due to continued negotiations with the contractor.

As this is a negotiated contract for professional services, and in view of Abt Associates' qualifications and the fact that Abt Associates was the sole respondent to a publicly advertised request for proposals, I believe that further public advertising would serve no useful purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### PARKS AND RECREATION DEPARTMENT Recreation Programs Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with inviting proposals by advertising in the *City Record*, and to award a contract to Document Development Inc., Brookline, for services to be rendered in providing a training and technical assistance project to the Boston Partners in Urban Recreation Program. This contract will be for the period of November 8, 1983, to June 30, 1984, inclusive. The sum to be paid will not exceed \$19,000, which will be charged to the Boston Partners in Urban Recreation Grant 383-67-290 Miscellaneous Contractual Services. Document Development, Inc. will assist thirty-three nonprofit subgrantees in this project and, for the scope of the work involved, the rate is a standard and reasonable rate for the services rendered.

Under the terms of this proposed contract, Document Development, Inc. will provide instructional seminars and materials to the agencies involved in the Boston Partners in Urban Recreation program

covering matters that are important to their groups, such as park and facility maintenance management, security, vandalism, fund raising, financial management and youth enrichment. Further, through the technical assistance that will be provided, these community groups will be guided towards success and self-sufficiency. This will enable the participant groups to continue their projects beyond the term of the Urban Partners Grant.

Document Development, Inc. enters this work with exceptional professional experience in providing services of this nature. It is capable of handling the entire scope of this training project at a very reasonable cost. It is my opinion that no useful purpose would be served by advertising for bids. I, therefore, respectfully request that your permission be forthcoming to enter into this contract.

Very truly yours,  
Robert R. McCoy,  
Commissioner.

#### PENAL INSTITUTIONS DEPARTMENT Mental Health Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Dr. Gregory Roane, D. Ed., an individual, South Weymouth, for professional services as director of the Deer Island Mental Health Services unit, including services as provider of mental health services to the inmates confined at the Suffolk County House of Correction at Deer Island.

Under the terms of the contract, Dr. Roane will serve on site as the director of the Mental Health Unit in an administrative capacity. In addition, Dr. Roane will provide mental health services, including individual and group counseling, testing, and referrals, to the inmates confined to the House of Correction. Dr. Roane is especially qualified to provide these services because of his experience in a similar capacity in the State prison system.

Compensation under this contract shall not exceed \$27,800, at the rate of \$580 per week, which cost I have determined to be reasonable for the services to be performed. The term of this contract shall be from August 1, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, and the reasonable cost of such services, I believe that public advertising for the contract would serve no useful purpose.

This contract is being submitted late because of the unexpected resignation of the previous director and the need to find an adequate replacement; additionally, budgetary uncertainties contributed to the delay.

Very truly yours,  
James F. Roberts,  
Acting Commissioner.

#### POLICY MANAGEMENT Residents Perception Program

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Ms. Janice Downey, 33 Pinckney Street, with the Mayor's Office of Policy Management, Survey Research Division.

Under terms of the contract, Ms. Downey will be primarily responsible for the researching and writing of residents perceptions of neighborhood services from 1980 to 1983. I feel Ms. Downey is qualified to do this work because of her knowledge of Boston's neighborhoods.

Due to the nature of the services to be performed and the fact that Ms. Downey has previously performed these services for the City of Boston, I believe that public advertising would serve no useful purpose.

Compensation under this contract shall not exceed \$2,000, which I have determined to be reasonable for the work to be performed. Payment for services associated with this contract shall be charged to the Mayor's Office of Policy Management 1-14-02-29. The term of this contract shall be September 19, 1983, to October 31, 1983. The hourly rate is \$6 per hour. Due to clerical and administrative delays, this letter is being submitted late.

Sincerely

Micho F. Spring,  
Deputy Mayor.

#### PUBLIC FACILITIES DEPARTMENT

##### Bridge Structure Report

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on October 21, 1983, I hereby request your Honor's written authority to award, without further advertising, pursuant to a publicly advertised request for proposal, to H. W. Lockner, Inc., 52 Chauncy Street, a contract for a structural report and rating (based on the American Association of State Highway and Transportation Officials' current requirements) of the Long Island bridge.

The services include a review of all available information on construction and maintenance; inspection of critical structural members and connections for damage and comparison with design drawings; survey roadway elevations at gutter and center lines, locate and identify all utilities on and under bridge; structural design review of bridge members. The work to be completed by June 30, 1984, at a cost not to exceed \$14,000, which is a reasonable amount.

As a result of the above-mentioned advertisement and the receipt of proposals, the consultant was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL ch. 7, sec. 30. I believe they are qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

##### Boiler and Plumbing Repairs

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising, and to award a contract to P. J. Kennedy & Sons, Inc., 486 Albany Street.

Under this contract, the contractor will make all necessary repairs to the existing boilers and heating system, and to both first-floor toilet facilities in order to make them operational. The location of the work is the former Fairmount School, 85 Williams Avenue, Hyde Park. The immediate repairs to both boilers and heating system, and to the toilet facilities would serve as a protective measure against possible future damages to this building, and would serve the needs of the Boston Police Academy and all their future personnel requirements.

Therefore, I requested bids from three contractors normally engaged in this type of work with the following results: P. J. Kennedy & Sons, Inc., \$4,985; D & F Plumbing & Heating, \$5,300; and J. McClusker, Inc., \$5,500.

Compensation under this contract shall not exceed \$4,985, which I have determined to be reasonable for the work to be performed.

Because of the exigency due to the present situation, the possibility of future damages to the former

Fairmount School building, the reasonable cost of these services, and our favorable past experience with this contractor, I believe that public advertising would serve no useful purpose in this case.

Respectfully,  
Donald B. Manson,  
Director.

##### Emergency Shoring of Administration Building

Dear Mr. Mayor:

On Thursday, October 13, 1983, a significant settlement of the first floor was detected at the Deer Island Administration Building. The settlement has seriously endangered the structural stability of the building and jeopardized the operations within the Administration Building, which is constantly utilized for classification of all incoming inmates and as an entrance to the Maximum Security Unit. In order to keep this facility in operation, and to alleviate any danger to persons and property posed by this weakened structure, it is necessary to engage a contractor to perform the required emergency shoring to secure the structure.

Because of the exigency of the situation, and the existing dangers to persons and property, I requested and received approval from the deputy commissioner of the Commonwealth of Massachusetts Department of Capital Planning and Operations to dispense with meeting the requirements of section 44A, chapter 149 G.L., as it pertains to public advertising, providing we obtained prices from at least three reputable contractors normally engaged in this type of work: Napoli Wrecking Co., Inc., \$25,800; John Palumbo Co., \$35,200; and Dartmouth Construction Co., Inc., \$39,000.

Your Honor's written approval, therefore, is respectfully requested, in recognition of the fact that an emergency situation does exist, to authorize dispensing with public advertising for bids and to award a contract to Napoli Wrecking Co., Inc., 71 Proctor Street, for a total amount not to exceed \$25,800.

Respectfully,  
Donald B. Manson,  
Director.

##### Extended Design Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on September 15, 1983, as amended October 21, 1983, I hereby request your Honor's written authority to dispense with inviting proposals by advertisement in the *City Record*, and award to Helden Associates, Inc., 660 Summer Street, a contract for extended design services, including supervision of construction, of a new steam distribution system at Deer Island House of Correction. The cost shall not exceed \$14,610, based on a fee factor of 8.7 percent of the estimated construction cost of \$450,000, less a credit of \$24,811 for work previously done. I believe that the cost is reasonable.

Helden Associates, Inc., has completed successfully other work of a similar nature on the Deer Island project. We have further need of their services and I believe the firm is qualified to perform the work.

In view of the technical and professional nature of the services, and the fact that Helden Associates has provided previous design work for this project and is therefore very familiar with it, it is my judgment that public advertising would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

##### Installation of Toilet

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising, and to award contract to D & F Plumbing & Heating Co., 3 Centre Street, Jamaica Plain.

Under the terms of this contract, the contractor will furnish and install a new complete men's toilet facility with handicap facilities, located on the second floor of the new court building. The immediate installation of a new men's toilet facility would serve a dual purpose; to meet the needs of additional court personnel and visitors utilizing this particular area of the courthouse; and to provide each person with safe sanitary conditions. Therefore, I requested bids from three contractors normally engaged in this type of work with the following results: D & F Plumbing & Heating Co., \$4,990; J. McClusker, Inc., \$5,300; and P. J. Janis, Inc., \$5,480.

Compensation under this contract shall not exceed \$4,990, which I have determined to be reasonable for the work to be performed.

Because of the exigency due to the present situation, the possibility of sanitary and health problems arising, the reasonable costs of these services, and our favorable past experience with this contractor, I believe that public advertising would serve no useful purpose in this case.

Respectfully,  
Donald B. Manson,  
Director.

#### PUBLIC WORKS DEPARTMENT

##### Bridge Engineering Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to Green International Affiliates, Inc., a corporation, located at 625 McGrath Highway, for engineering services relative to the rehabilitation bridge No. B-16-35, (Hyde Park Avenue over Mother Brook) in Hyde Park.

Under the terms of this contract, Green International Affiliates, Inc., will undertake an extensive collection of all pertinent data and information on the subject bridge; conduct field investigation; submit core samples for testing to an independent laboratory; make a structural analysis and recommendations; prepare rehabilitation drawing check for approval all shop drawings during construction; provide periodic site visits, advise at consultation during construction.

Compensation under this contract will not exceed \$36,000, which I have determined to be reasonable for the services to be performed. The term of this contract shall be from November 15, 1983, June 30, 1984.

Because of the professional nature of the services to be performed and the reasonable cost of these services, I believe that public advertising would serve no useful purposes.

Very truly yours,  
Joseph F. Casazza,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to Green International Affiliates, Inc., a corporation, located at 625 McGrath Highway, for consulting engineering services for a bridge capital improvements program.

Under the terms of the contract, Green International Affiliates, Inc., will prioritize the required bridge rehabilitation; show status of recent, current

and planned work, delineate the status of T.I.P. funding requests; confirm federal "Sufficiency Rating" numbers and state rankings; prepare a preliminary report; present a final report, including recommendations.

Compensation under this contract will not exceed \$23,500, which I have determined to be reasonable for the work to be performed. The term of this contract shall be from November 15, 1983, to June 30, 1984.

Because of the professional nature of the service to be performed and the reasonable cost of these services, I believe that public advertising would serve no useful purposes.

Very truly yours,  
Joseph F. Casazza,  
*Commissioner.*

**REAL PROPERTY DEPARTMENT**  
**Legal Services**

Dear Mr. Mayor:

Pursuant to a vote of the Real Property Board on October 21, 1983, I respectfully request your permission to dispense with public advertising and to award a contract to Palmer and Dodge, One Beacon Street, a Massachusetts partnership, for legal services.

Under the terms of the contract, Palmer and Dodge will provide legal services in connection with the transfer of the Government Center Garage, the Fort Hill Square Garage, the St. James Avenue Garage, and the Kilby Street Garage parcels and related real estate thereto. They will prepare and negotiate an agreement covering the intended disposition of each garage, draft deeds or other appropriate instruments to accomplish the intended disposition and advise the city on title issues. The attorney shall work in cooperation with staff of the city on the foregoing matters.

Compensation under this contract shall not exceed \$85,000 which I have determined to be reasonable for the work to be performed and the total cost under this contract will be made from the Parking Facilities Fund Account 3-71-56-000. The term of this contract shall be from November 1, 1983, to March 31, 1984. Rates charged will range from \$65 an hour, for associates to \$185 an hour for partners.

Because of the professional nature of the services to be performed and the partnership's past experience and qualifications, I believe public advertising would serve no purpose.

Sincerely,  
Bernard F. Shadrawy, Jr.,  
*Commissioner.*

**RETIREMENT BOARD**  
**Actuarial Consultant**

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Martin E. Segal Company, Inc., 607 Boyston Street, as actuarial consultant to the State-Boston Retirement System.

Under the terms of the contract, Martin E. Segal Co. will perform the following services: general consulting services for the board in respect of actuarial, data systems and other ongoing retirement matters; data retrieval and tabulation: assist in developing data systems; actuarial valuation: prepare an actuarial valuation of the assets and liabilities of the pension system; assistance with annual statement: assist in preparing the statistical data required for the annual report to be filed with Public Employees Retirement Administration; annual appropriation projection: develop and report a method for projection from year to year the expected level of pension appropriation.

Compensation under this contract shall not exceed \$40,000. The board feels the cost of this service is reasonable. The term in this contract shall be from July 1, 1983, to June 30, 1984.

Because Martin E. Segal Company, Inc. has participated in a number of studies for the Retirement Law Commission and is familiar with the Massachusetts Retirement System, I believe that public advertising would serve no useful purpose.

Respectfully yours,  
Brian M. Leahy,  
*Executive Officer.*

**SCHOOL DEPARTMENT**

**Instructional Services**

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to New England Conservatory of Music, 290 Huntington Avenue. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$7,830, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. New England Conservatory of Music's portion is related to that amount is \$7,830.

The contractor will provide the following instructional services:

Schedule I — District III: Philbrick Elementary and Washington Irving Middle Schools; principals: John E. Fisher, Philbrick; Richard J. Maloney, Irving — Band Program — direct musical instruction on brass instruments to approximately sixty students (thirty at each school), provided by two Conservatory consultants, two days a week for twenty weeks; group musical instruction and development of a student band organization in conjunction with schools' existing music programs.

Schedule II — District IV: Hyde Park High School, Michael A. Donato, principal; Jazz Band Program — direct musical instruction on jazz band instruments to approximately twenty students, provided by one conservatory consultant two days a week for twenty-five weeks; group musical instruction, ensemble coaching and development of a student jazz band organization.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that public interest would not be served by public advertisement for bids.

The reason for the late submission of this contract is that the State Board of Education did not approve the District IV proposal until August 30, 1983, therefore, the contract could not be processed before that time.

This agreement is to be executed, without an appropriation of funds, under provisions of General

Laws, chapter 44, section 53A and is subject to the receipt of funds under grant from chapter 636 84-3D-0003.

Very truly yours,  
Robert R. Spillane,  
*Superintendent.*

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Cambridge College/Institute of Open Education, Inc., Cambridge. The contract shall be in effect during the period of October 1, 1983, to September 30, 1984, and occur at a cost not to exceed \$12,000, which is deemed reasonable. On April 5, 1983, the School Committee approved the proposal to fund the contract.

The contractor will provide the following instructional services at designated sites serviced by the Title VII Project: a staff development/teacher training program for professionals and paraprofessionals from the Boston Public Schools participation in the Title VII Project will be provided. The contract will pay for staff development/teacher training for Title VII Project staff and cooperating teachers; technical assistance and research in the area of basic skill development and instructional methodologies; and mini-courses and workshop modules related to project activities for project and participating LEA staff.

The contractor is especially qualified to provide the above services as Cambridge College, identified in the proposal submission as the institution of higher education to be utilized, is a unique provider of the services which the project requires. Cambridge College is unique because it has the ability to provide the assistance of its bilingual, multicultural staff who have demonstrated experience in urban education and an ability to provide and schedule courses throughout the year which are specific to the project's instructional and staff development objectives.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the provision of General Laws chapter 44, s. 53A, and is to be subject to the receipt of funds under Grant No. G00-82-01476.

Very truly yours,  
Robert R. Spillane,  
*Superintendent.*

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Cambridge College/Institute of Open Education, Inc., Cambridge. The contract shall be in effect during the period of October 1, 1983, to September 30, 1984, and occur at a cost not to exceed \$8,000, which is deemed reasonable. On April 5, 1983, the School Committee approved the proposal to fund the contract.

The contractor will provide the following instructional services at designated sites serviced by Title VII project. A staff development/teacher training program for professionals and paraprofessionals for the Boston Public Schools participating in the Title VII Project will be provided. The contract will pay for staff development/teacher training for Title VII Project staff and cooperating teachers; technical assistance and research in the area of basic skill development and instructional methodologies and mini-courses and workshop modules related to project activities for project and participating LEA staff.

The contractor is especially qualified to provide

the above services as Cambridge College, identified in the proposal submission as the institution of higher education to be utilized, is a unique provider of the services which the project requires. Cambridge College is unique because it has the ability to provide the assistance of its bilingual, multicultural staff who have demonstrated experience in urban education and an ability to provide and schedule courses throughout the year which are specific to the project's instructional and staff development objectives.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the provision of General Laws chapter 44, s. 53A, and is to be subject to the receipt of funds under Grant No. G00-82-02708.

Very truly yours,

Robert R. Spillane,  
*Superintendent.*

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Massachusetts College of Pharmacy and Allied Health Sciences. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$91,999, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. Massachusetts College of Pharmacy and Allied Health Sciences portion is related to that amount is \$91,999.

The contractor will provide the following services at the Charles E. Mackey School: develop and implement procedures to provide instruction in basic skills to at least 450 students through ILC; establish and maintain curriculum consistent within Mackey School; provide drug education to at least 100 students through workshops with health and sciences teachers and classes; increase parent participation by distributing and explaining School House Handbook; provide indirect and direct services in multiethnic/arts activities to at least 450 students at the Mackey School.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, section 53A and is subject to the receipt of funds under grant from chapter 636 84-9D.

Very truly yours,

Robert R. Spillane,  
*Superintendent.*

**I. The Invitation**

The Labour Center, through funding from the Neighborhood Development and Employment Agency (NDEA) under support from the Community Development Block Grant invites contractors to bid the following project:

**II. Specific Information**

**Site**—The Labour Center, 376 West Fourth Street, South Boston, MA 02127.  
**Scope**—New sprinkler system.

**Remarks**—Auditorium and side rooms — approximately 3,400 square feet.

**Bids Due**—May 8, 1985, 2 p.m., at site.

**Drawings Available**—April 24, 1985, through James Malone 268-9670 and Dodge Report.

General bids will be received at the job site at the designated time at which they will be opened and

read aloud. Bids shall be on a form provided in the contract documents. Plans and specifications will be available on April 24, 1985, at the job site. A deposit of \$20 (certified check), payable to the non-profit organization will be left upon receipt of drawings and given back when they are returned in good shape within thirty days.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provision of the contract documents requiring that at least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women, in each trade.

Included with the contract documents are copies of the "Minority Business Utilization Form" and "Minority Business Identification Statement." Each contractor must complete, sign, and file with this bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

Contractors shall also avail themselves of the list of minority businesses to be provided by NDEA through the Office of Minority Business Enterprise to facilitate compliance with the requirements.

The attention of each bidder is called to the fact that this is a federally assisted project and therefore, not less than the minimum salaries and wages set forth in the contract documents must be paid to each worker on the project (Davis-Bacon), and that the contractor must ensure that employees and applicants are not discriminated against because of race, color, religion, sex, or national origin (Executive Order No. 11246). Attention is also called to the contractor requirements relating to Workmen's Compensation and insurance requirements of the successful general contractor and subcontractor for the project shall be set forth in the Supplementary and Special Conditions of the contract documents.

TRAFFIC AND PARKING DEPARTMENT

**Proposals for Emergency Repairs to Traffic Signal Foundations, Manholes, Underground Conduit, Signal Equipment and Loop Detectors at Various Locations in the City of Boston.**

The City of Boston, acting by the Commissioner of Traffic and Parking, hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for emergency repairs to traffic signal foundations, manholes, underground conduit, signal equipment and loop detectors at various locations in the City of Boston.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 721, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Emergency Repairs to Traffic Signal Foundations, Manholes, Underground Conduit, Signal Equipment and Loop Detectors at Various Locations in the City of Boston," one copy of which is to be left at Room 721, City Hall, before 12 noon, on Friday, May 3, 1985, with a certified check or a bid bond in the amount of 5 percent of bid price, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should she deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority—25 percent; Boston Resident—50 percent; Female—10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies

fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental, or American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, May 1, 1985, at 10 a.m., in Traffic and Parking Department, City Hall, Room 721.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Demolition and Site Clearance,  
Project No. 148-CD-ATD, Community Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

219-221 Washington Street, Ward 14  
225 Washington Street, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, May 2, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined of this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation,

sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 148-CD-ATD."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246), IF APPLICABLE.**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

Notice

The attention of all bidders is specifically directed

to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performances of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 21 percent of his bid price shall be expended for minority business enterprise, if the bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons: (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, eighth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1) (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed

the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

CITY OF BOSTON**

**INSPECTIONAL SERVICES DEPARTMENT**

**NOTICE TO CONTRACTORS**

**Proposal for Demolition and Site Clearance,  
Project No. 147-CD-ATD, Community Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

1062-1068 Blue Hill Avenue, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, May 2, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined of this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30,

and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 147-CD-ATD."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246), IF APPLICABLE.**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

**Notice**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of

the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performances of this contract.

**Attention to All Bidders**

**I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 2 percent of his bid price shall be expended for minority business enterprise, if the bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership or control is held by one or more minority person (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Director lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of the directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, eighth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect

nds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

**Proposal for Sidewalk Reconstruction in Brown-  
ing Avenue, Bullard Street, Leroy Street  
and Mascoma Street in Dorchester, Park  
Lane Footway in West Roxbury, and Proctor  
Street in Roxbury.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, April 22, 1985. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

Every proposal shall be submitted in duplicate and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston time, Thursday, May 9, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of \$12,500, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner, or a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

#### NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

#### ATTENTION TO ALL BIDDERS

##### 1. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the Directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

#### PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on May 2, 1985, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, April 23, 1985, at 10 a.m., Boston time.

# CITY RECORD

MAY 3 1985

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

OL. 77

MONDAY, APRIL 29, 1985

NO. 17

## LEADERSHIP FOR NEW INITIATIVES

Remarks of Mayor Raymond L. Flynn at Bank of Boston — Seminar on Economic Policy and Presidential Politics, April 23, 1985.

Governor DiPrete, Mayor Morial, Speaker Van Norstrand, Dr. Howell, Ladies and Gentlemen.

The title of today's Tenth Anniversary Seminar asks us whether new leadership will bring new initiatives to our states and cities. The answer, as I am sure you will learn from this distinguished panel, is a resounding yes. It is yes for the simple reason that *we have no choice*.

We arrive at that answer by taking a careful look at the realities of the world around us. The trends in Federal Government Policy — and in our national economy — are presenting new challenges to today's state and municipal leaders. We no longer have the luxury of merely being good managers; presiding over steadily flowing streams of local and federal revenues.

We are being forced to develop new strategies to foster economic growth. Growth that can generate new jobs, affordable housing, and improved basic services. Growth that allows us to care for the hungry and the homeless — the people who have been left behind.

Our panelists from outside of Boston can look around today and see booming downtown construction, a financial industry with over a hundred billion dollars in holdings, one of the hottest real estate markets in the country, and expanding colleges, hospitals, and transportation centers.

It would amaze them that one of the first things I had to do on taking office was to look for ways to expand the city's archaic revenue base. But you must consider these facts:

- Ninety-eight percent of locally generated revenue comes from the property tax.
- Since the enactment of Proposition 1 1/2, a property tax cap measure, we have suffered a cumulative loss of \$400 million. At the same time, we have more tax-exempt property than any city except Washington, D.C. Over 50 percent of our property is tax-exempt.
- The proposed federal cuts would take away another \$177 million, in the next year alone.
- These factors have combined to create a structural gap between revenues and essential expenditures.

- To compound our problems, we are facing potentially *enormous* liabilities from lawsuits involving the disproportionate assessment of property under the previous administration.

Thus, we are a poor city that generates tremendous wealth. Indeed you can describe our story as the Tale of Two Cities.

Boston is second only to New York in the size of its financial industry. We are estimated to be the largest center of venture capital in the country. At the same time, 42 percent of our families live below or near the poverty line.

It is astounding to visitors who look up at the new glass office towers that we must recruit volunteers to clean the streets, that we must scratch and scrape to finance neighborhood police stations.

We are not authorized to capture our share of revenue from this massive growth. Indeed, no other major city tries to do so much with so little. Without an expanded revenue base we cannot play our role in fostering continued growth.

Yet the city's leaders — in state and city government, business, and the media — failed historically to mount an effective effort at the State House, to secure the structural reform that is critical to balance the interests of those who work, invest, and live in our city.

Now is the opportunity to change that record. I wonder what people writing

about Boston in years to come will say about people of power and influence who stood on the sidelines and watched while their city waged a struggle for economic justice.

Those of us who follow history know that Boston has never been successful in seeking financial reform. The people in this room certainly know that opinion leaders past and present have been able to influence the major issues of other days.

They have the examples of Radio Commentator Edward R. Murrow, who exposed the hypocrisy of the Army-McCarthy hearings to the nation, and they know of the *Washington Post's* historic work in exposing a tarnished presidency. They know of the courage of the *New York Times* in publishing the *Pentagon Papers* which exposed the official lies of the prosecution of the Vietnam War.

Looking at these examples, I cannot understand why the powerful institutions in this city, in business, education, medicine, government, and the media — indeed we are one of the nation's largest media markets — have been helpless for decades in waging an effective battle for revenue reform. Maybe we all should be *embarrassed* by the fact that we attempt to finance the city of the twenty-first century with a revenue system from the eighteenth century.

I applaud the Bank of Boston and the editors for holding this seminar. I want to thank the panelists for coming here. I hope that you will leave here with a better understanding of the new challenges faced by cities and states across the country.

## FACTS ABOUT SMALL BUSINESS

John J. McNally, Jr.  
District Director

### General

There are about 14.2 million non-farm businesses in the United States. Of these, 98 percent are small by size standards set by the U.S. Small Business Administration. About half of the 14.2 million non-farm small businesses operate full time, the rest part time.

The number of small businesses has increased steadily during the past thirty-years. In 1984, new business incorporations (one measure of new businesses) totaled about 650,000, a new record. The previous record of 600,000 new business corporations was set in 1983. New business startups (another measure of small business growth) increased 7 percent in 1984.

One thousand nine hundred and eighty-four was a very good year for small business. Small business income, as measured by sole proprietorship and partnership income, increased 34 percent during the first six months of the year, as compared with the similar 1983 period; that rate of increase probably continued throughout 1984.

Small businesses employ 48 percent of the private work force, contribute 42 percent of all sales in the country and are responsible for 38 percent of the gross national product.

One out of every two new small businesses will fail within the first four years of operation, studies show. Overall, a firm's chance of survival increase with size; firms with twenty or more workers have a 20 percent greater chance of survival than firms with fewer than twenty workers.

### Employment

During 1981-82, small business employment proved a moderating force in the recession. During these years, small businesses produced a total of 2.65 million new jobs, while large businesses were cutting their employment by 1.7 million. Thus, all the 984,000 new jobs generated in 1981-82 came from small firms.

Small firms also have led employment gains during the economic recovery and expansion. From October 1982, through October 1984, employment in industries dominated by small businesses (industries in which firms with

fewer than 500 employees account for 60 percent or more of sales of employment) rose 11.4 percent; employment in industries dominated by large businesses rose 5.3 percent.

Jobs generated by small firms are more likely to be filled by younger workers, older workers and women. Many of these workers prefer or are only able to work on a part-time basis, and thus can be more easily accommodated by small employers.

Small businesses provide about 67 percent of initial job opportunities and thus are responsible for the major cost in initial on-the-job training in basic skills.

### Innovation

Studies show that the incidence of innovation among small business workers is significantly higher than among workers in large businesses. Small firms produce two and one half times as many innovations as large firms relative to the number of persons employed.

Innovation coming from small hi-tech firms is expected to increase in the coming years as a result of the Small Business Innovation Research Act. Under the act, federal agencies with large research and development budgets must direct an increased amount of R & D contracts to small firms—the source of most innovations and new technologies.

Small businesses have been responsible for more than half of the new product and services innovations developed since World War II.

Almost every energy-related innovation of the past century has come from small business — for example, the air conditioner, the gasoline engine, the electric light, the electric auto, and petroleum cracking.

## POST OFFICE AUCTION ON MAY 1

The Boston Post Office will hold a spring auction of unclaimed and damaged merchandise on Wednesday, May 1, 1985, beginning at 12 noon. The auction will be held at the Post Office Truck Terminal Facility located in the Employee Parking Lot at 305 A Street Boston.

Items for sale include jewelry, books, cassette tapes, clothing and household accessories. Special interest items include Lladro figurines, solid gold necklaces and bracelets, collector plates, Seiko watches, Oriental end table, and stereo equipment.

Merchandise will be on public display auction day from 9 to 11 a.m. Customers are urged to attend the preview and inspect the merchandise because sale will be by lot number only and no examination of merchandise will be permitted during the auction.

All articles will be sold on "as is" basis, and no refunds will be made. Payment must be made in cash and merchandise must be removed immediately after the sale.

Free parking is available at the auction site.

## SHOPPING BY MAIL CAN BE SAFE

You can enjoy the convenience of mail-order shopping without running the risk of being taken by swindlers if you remember the cardinal rule: "If it sounds too good to be true, it probably is."

The fact that a product is advertised in a responsible newspaper or magazine does not mean the publishers have

ified the advertiser's claims. Similarly, the fact that products are offered for sale by mail does not mean the U. S. Postal Service has verified the advertiser's claims.

Shopping by mail can be safe if you follow these rules offered by the Postal Service:

- Examine each offer carefully and be aware of exaggerated claims or unusually low prices.

- Don't be rushed. Avoid offers that claim to be your "last chance" to get a bargain.

- Look for a company policy on returns. If the policy isn't stated, ask for it.

- Keep a copy of the advertisement from which you ordered.

- Never send cash. Use a check, money order or credit card since these can be traced, if necessary.

- Keep a record of the date of your order and the number of your check. Retain the cancelled check when it is returned to you.

- If you have doubts about a company, check with the Postal Inspection Service, the Better Business Bureau or local consumer protection agency before placing an order to see if there are any complaints on record against the company.

Mail-order shopping can be a real convenience for busy people and can offer discerning shoppers a chance to get goods only available through the mail. Keep these rules in mind and you can shop risk-free without leaving the comfort of your home.

## SENIOR CITIZEN SPRING CRAFT BAZAAR

The Boston Parks and Recreation Department's annual Senior Citizen Spring Craft Show returns to City Hall's second-floor level on Wednesday, May 1, from 10 a.m. to 3 p.m.

Boston Parks and Recreation Department's Senior Citizen's Spring Crafts Show will feature displays of various arts and crafts items made by members of senior citizen clubs and organizations throughout Boston. The show presents an opportunity for the community to purchase unique, inexpensive, hand-crafted items.

For more information, contact Dorothy Curran at 725-4006.

## CRIME INDEX SHOWS DECLINE

The FBI's Crime Index showed a 3-percent decline in 1984, as compared to the previous year, FBI Director William H. Webster has announced. Comparisons for common periods in 1983 and 1984 showed decreases of 6 percent in the first quarter, 4 percent in the second quarter, and 3 percent in the third quarter. The crime counts for the fourth quarter of 1984 were 2 percent higher than those for the same three months of 1983.

"The overall downward trend is encouraging," commented Director Webster, "but the increase noted in the fourth quarter demonstrates that crime in our society must remain a concern of the general public and a high priority of the criminal justice community."

During 1984, the overall violent crime volume remained virtually unchanged from the 1983 level. Among the four violent crimes measured by the index, declines of 4 percent in murder and 5 percent in robbery were offset by increases of 6 percent in forcible rape and 4 percent in aggravated assault.

Collectively, the property crimes decreased 3 percent last year. Burglary was down 6 percent and larceny-theft, 3 percent, while motor vehicle theft showed the only property crime increase, 3 percent. Arson held at approximately the same level in 1984 as in 1983.

Declines in the total Crime Index were recorded by each of the nation's four geographic regions. The Northeastern States registered the largest decrease, 6 percent. The Midwest recorded a 5-percent drop, and the Southern and Western Regions each showed 1-percent declines.

## PARKING OF CITY VEHICLES

City of Boston vehicles are being parked in areas designated for motor coaches only. The Traffic and Parking Department has developed and distributed brochures containing rules and regulations for motor coach drivers to follow when visiting Boston. Enlisting the efforts of the Boston Police Department as well as our own Traffic and Parking Department enforcement officers help to keep these spaces open for

motor coaches. When these designated spaces are unavailable for tour buses, the drivers park, load, and unload their passengers in the City Hall/Faneuil Hall Market area, blocking traffic lanes and causing congestion. Obviously hazardous conditions are thus created.

Cooperation in this matter by refraining from parking in spaces designated for motor coaches will alleviate these problems.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### SCHOOL DEPARTMENT

#### Instructional Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Michael T. Tierney, 84 Savin Hill Avenue, Dorchester. The contract shall be in effect during the period of October 1, 1983, to July 1, 1984, and occur at a cost not to exceed \$4,500, which is deemed reasonable.

On August 23, 1983, the School Committee approved project Extend — South Boston High School Ford Foundation proposal for Ford Foundation funds for \$7,500, which included \$4,500 to fund this contract.

The contractor will provide the following instructional services at South Boston High School and its feeder middle schools: overall coordination of the Ford Foundation grant and conduct six community studies workshops at local middle schools. The contractor is especially qualified to provide the above services because of his background and expertise with the programs that will be extended to the middle schools under this grant. The Ford Founda-

tion Exemplary School grants are designed specifically to extend existing programs at a high school to other schools in the system. Mr. Tierney has worked at the high school since 1980 and was part of the team that prepared the Ford Foundation proposal. Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that public interest would not be served by public advertisement of bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, section 53A and is subject to the receipt of funds under grant from the Ford Foundation, Project 190201.

Very truly yours,

Robert R. Spillane,  
Superintendent.

### Waste Removal

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to Suffolk Services, Inc., 98 Taylor Street for furnishing the removal of hazardous waste materials for the period June 20, 1983, through July 15, 1983, at a cost not to exceed \$3,950, a price deemed reasonable.

Under the terms of the contract, the contractor will remove the hazardous conditions that presently exist at two sites—Jeremiah E. Burke High School and Madison Park High School. Chemicals presently stored in the chemistry labs must be eliminated for safety reasons. Warm temperatures and poorly ventilated facilities during the summer increase the hazard. Also, school buildings are often vulnerable to trespass in the event of break-in. Lt. Thomas Scavitto, Boston Fire Department laboratory safety officer, also showed his concern.

Suffolk Services, Inc., has been selected as a result of a review of the following private contractors, listed by the Commonwealth of Massachusetts, Hazardous Waste Board, in addition to being able to render services within the thirty-day permit time period set by the Environmental Protection Agency to remove hazardous waste materials. The contractor is able to offer the earliest time table for removal: Recycling Industries, Inc., License 80 (Mr. J. Dill), Braintree; Suffolk Services Inc., License 4 (Mr. D. Cruickshank); Coastal Services, Inc. Peabody Testing Group Co., License 5 (Mr. C. Heath), 170 Border Street, East Boston.

The contractor is specially qualified to do this work and is licensed for hazardous waste collection and disposal. Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by advertisement for bids. This contract is being submitted at this time due to the delay in securing the necessary forms and signatures.

Very truly yours,

Leo J. Burke,  
Business Manager.

### Medical Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston I request your authorization for the award of a contract to the Roxbury Dental and Medical Group, Inc. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$3,243, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examination, interscholastic sports physicals, and chapter 766 physical examinations for the students of the King Middle, Hale and Hernandez Elementary Schools.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the Roxbury Dental and Medical Group, Inc., as it is the local health provider and is able to provide additional backup to the school health services as it has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as a delay occurred in the completion of this contract due to waiting for the revised copy of the standard contract CM 10).

Very truly yours,  
Robert R. Spillane,  
Superintendent.

#### Stage Illuminating, etc.

Dear Mr. Mayor:

I request your authorization for the award of a contract to the International Alliance of Theatrical Stage Employees and Moving Picture Machine Operators, Local 11, 216 Tremont Street, for services required at the graduation exercises of nine high/middle schools at the Hynes Memorial Auditorium from June 4, to June 16, 1983. Compensation under this contract will not exceed \$2,800, which the School Committee deems reasonable. The terms of the contract are from June 3, 1983, to June 6, 1983.

Under the terms of the contract, the contractor will provide for the illumination of the stage and other electrical services as required; for the effective handling of the stage set-ups; for the effective operations of the audio equipment; for the installation of center-stage chairs; for hanging draperies and banners as requested. The contractor is especially qualified to do this work because Local 11 of the International Alliance of Stage Employees and Moving Picture Machine Operators has had extensive experience in setting up the stage and lighting equipment in the Hynes Memorial Auditorium, and because they are the only union specified to perform these tasks in the Hynes Memorial Auditorium.

Because the contractor is the sole provider of paid services at the Hynes Memorial Auditorium, the School Committee believes that public advertising would serve no useful purpose.

This contract is being submitted late because of uncertainties in the method of payment for the contract. Schools were unsure of the location for their graduation, thereby changing the payment process. The process was never initiated because the cost was thought to be under \$2,000 and thus not require a contract. However, this understanding was in error and a contract must be processed. I request that the contract be approved.

Sincerely,  
Robert R. Spillane,  
Superintendent.

#### Office Furniture

Dear Mr. Mayor:

I request your approval of my action in awarding a contract, without publicly advertising, for furnish-

ing, delivering and setting up office furniture in new School Committee offices to McCarthy Bros., 362 Centre Street, Jamaica Plain.

Under the terms of the contract, the contractor will furnish, deliver and set up the office furnish, where directed, in School Committee Administration Building, 26 Court Street.

Compensation under this contract shall not exceed \$9,182.16, which I have determined to be reasonable for the work to be performed. The cost is determined by the state contract, which I have awarded to McCarthy Bros.

Because this furniture is being purchased under the state contract, we were able to obtain this furniture at a lower cost, and therefore I believe that public advertising would serve no useful purpose.

Respectfully Yours,  
Paul W. Mooney,  
Senior Structural Engineer.

Dear Mr. Mayor:

I request your approval of my action in awarding a contract, without publicly advertising, for furnishing, delivering and setting up office furniture in new School Committee offices to G. F. Business Equipment, Inc., 1500 Soldiers Field Road, Brighton.

Under the terms of the contract, the contractor will furnish, deliver and set up the office furniture, where directed, in School Committee Administration Building, 26 Court Street.

Compensation under this contract shall not exceed \$11,287.04, which I have determined to be reasonable for the work to be performed. The cost is determined by the state contract, which has been awarded to G. F. Business Equipment, Inc.

Because this furniture is being purchased under the state contract, we were able to obtain this furniture at a lower cost, and therefore I believe that public advertising would serve no useful purpose.

Respectfully yours,  
Paul W. Mooney,  
Senior Structural Engineer.

#### Magnetic Tapes

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Graham Magnetics, Inc., Needham Heights, for the period January 1, 1983, through June 30, 1983, as a cost not to exceed \$3,310. Under the terms of the contract, the contractor will furnish magnetic tapes and tape seals as listed in Graham Magnetics, Inc. contract with the state.

Under state law, any municipality may make purchases under state contracts which have been publicly advertised and awarded by the Collective Purchasing Bureau, Department of Administration and Finance. In order to take advantage of these state contracts, the city's Law Department has ruled that the city must award its own contracts, based on state awards.

Since the above-named company was the lowest acceptable bidder on publicly advertised bids for magnetic tapes and tape seals for the Commonwealth of Massachusetts and existing contracts with the Department of Administration and Finance; they are a responsible firm and they are qualified to fulfill the requirements of their contract; and the price is reasonable, it is my opinion that public interest would not be served by public advertising for bids.

This contract is being submitted for your approval after request for delivery because of an emergency request received by the Data Processing Center for

a special project which did not allow sufficient time to process a contract before delivery and also the time it took to procure the necessary signatures from the company.

Very truly yours,  
Leo J. Burke,  
Business Manager.

#### Electronic Components, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Graymark International, Inc., California, for furnishing electronic components.

Under the terms of the contract, the contractor will provide all the supplies and materials outlined on form CM4 for the period June 1, 1983, through June 30, 1983. Graymark International, Inc. is the sole vendor that can provide the equipment compatible with existing equipment already installed.

Compensation under this contract shall not exceed \$5,453.48, which I have determined to be reasonable for the work to be performed.

Because Graymark International, Inc. has provided satisfactory service and is the sole vendor able to provide compatible equipment at reasonable cost, I believe that public advertising would serve no useful purpose.

This contract is being submitted late due to the time it took to secure the necessary forms, signatures and to inventory the equipment.

Very truly yours,  
Charles E. Ahern,  
Assistant Business Manager.

Dear Mr. Mayor:

Your Authorization is requested for the award of a contract, without public advertising to Lab-Volt Systems, division of Buck Engineering Co., Inc., New Jersey, for the period June 1, 1983, through June 30, 1983, for supplying electronic components and software, at a cost not to exceed \$12,420, which I have determined to be reasonable.

The electronics and electricity laboratories at the Humphrey Center, 75 New Dudley Street, Roxbury, were furnished with training systems manufactured by Lab-Volt Systems, after a rigorous technical analysis of performance capabilities was done by School Department and Public Facilities Department personnel. Additional equipment is being ordered after the availability of supplementary funds given the School Department. Thus, this equipment will allow the expansion of the electronics exploratory program, to be delivered also, to Middle Schools throughout the School System. The Lab-Volt equipment is an integral part of the district-wide Middle School curriculum plan.

This contract is being submitted late due to the time it took to review and to secure the necessary signatures.

Very truly yours,  
Leo J. Burke,  
Business Manager.

#### Chapter 636 Services

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Freedom House, Inc., 14 Crawford Street, Roxbury. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$30,010, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636

proposals for the sum of \$5,280,685. Freedom House, Inc.'s portion, as is related to that amount, is \$30,010.

The contractor will provide the following services: coordinating activities of the International High School Program Advisory board and conducting meetings with parents, businesses, community groups, and educational institutions to identify fiscal and non-fiscal resources to support program objectives; working with already identified student exchange organizations to develop a travel-study program, complete with an orientation component for the IHSP.

The contractor is especially qualified to provide the above services because Freedom House has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendment to the 1965 Racial Imbalance Act) in the category of "Cultural Institutions"; Freedom House has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); furthermore, these services have been reviewed and approved by appropriate personnel at the Department of Education.

This contract is being submitted late to the following reasons: the contractor was unwilling to sign the contract without assurance of funds; and the board members of Freedom House had adjourned for the summer and would not reconvene until September, 1983. Therefore, the processing of the contract resulted in a delay.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the provisions of General Laws chapter 44, s. 53A, and is to be subject to the receipt of funds under a grant from chapter 636, 84-BC-0901.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

16 Rockland Street, Ward 12  
338-342 Warren Street, Ward 12  
57 Intervale Street, Ward 14  
61 Intervale Street, Ward 14  
920 Hyde Park Avenue, Ward 18  
922 Hyde Park Avenue, Ward 18  
78 Rockland Street, Ward 20

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, May 9, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Four copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check or a treasurer's or cashier's check issued by a responsible bank or trust or company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the

furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 70-CD-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

#### Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

#### Attention to All Bidders

##### I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory

he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

##### II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor):

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

##### NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specification for goals and timetables.)

These goals are applicable to all the contractor construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Deham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract.

act, the Executive Order and the regulations in 41 FR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

#### ATTENTION TO ALL BIDDERS

##### I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the Directory, he must contact the Minority Business Office to ob-

tain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

#### PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on May 13, 1985, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

A maximum of five companies will be assigned to each participating bidder. The assignment will be conducted in accordance with the procedure set forth in the Notice to Bidders section of the proposal forms available at the Office of the Business Manager.

Company assignments will be made by the J. F. Albert International Insurance Advisors, Inc., at a meeting to take place at the office of the Business Manager on Tuesday, May 7, 1985, at 10 a.m. Bidders shall not contact companies until assignments have been allocated. Individual companies requested must be identified; affiliated companies may not be reserved by group, such as "A.I.G."

Envelopes containing proposals must be sealed and plainly marked "Proposal for Insurance for School Vehicles." The bid must be in duplicate. Two copies signed by the bidder and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Tuesday, June 11, 1985. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and accept the bid which it deems best for the interest of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

**Proposals for Emergency Repairs to Traffic Signal Foundations, Manholes, Underground Conduit, Signal Equipment and Loop Detectors at Various Locations in the City of Boston.**

The City of Boston, acting by the Commissioner of Traffic and Parking, hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for emergency repairs to traffic signal foundations, manholes, underground conduit, signal equipment and loop detectors at various locations in the City of Boston.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 721, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Emergency Repairs to Traffic Signal Foundations, Manholes, Underground Conduit, Signal Equipment and Loop Detectors at Various Locations in the City of Boston," one copy of which is to be left at Room 721, City Hall, before 12 noon, on Friday, May 3, 1985, with a certified check or bid bond in the amount of 5 percent of bid price, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should she deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhours per trade) for this contract are as follows: Minority—25 percent; Boston Resident—50 percent; Female—10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies

fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental, or American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, May 1, 1985, at 10 a.m., in Traffic and Parking Department, City Hall, Room 721.

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. M3CN07, FARE COLLECTION SYSTEM, RESERVOIR CARHOUSE, BROOKLINE, MASSACHUSETTS, will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on April 24, 1985. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work consists of construction of a masonry structure and the installation of an Authority-owned vacuum fare collection system. The work includes excavation, concrete and masonry construction, finishes, installation of specialties, and associated mechanical and electrical work.

This contract is subject to a financial assistance contract between the MBTA and the United States Department of Transportation.

Prequalification of contractors in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders" will not be applicable to this contract.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after April 8, 1985, Monday through Friday, at a charge of \$25. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$10, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) Participation provision, bidders must submit assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the Project Manager, Walter G. Cusack, 500 Arborway, Boston, MA 02130, telephone (617) 722-3456. A prebid conference will be held on April 16,

1985, at 10 a.m. at the above office. All requests for interpretation of plans and specifications must be submitted in writing at the same time.

Bidders will be required to certify, as part of their bids, that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit of thirteen thousand five hundred dollars (\$13,500), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

## MOODY'S INVESTOR SERVICE UPGRADES BOSTON'S BOND RATING

*Statement of Mayor Raymond L. Flynn, Upgrading of Boston's Bond Rating, April 19, 1985.*

Today, in New York City, the investment community expressed its confidence in the City of Boston, even in light of our restricted revenue base.

Moody's Investor Service announced that they have upgraded our bond rating from Non-Investment Grade to Investment Grade; to a rating of Baa. According to the wire report from New York they cited, and I quote, "Demonstrated structural improvement highlighted by strengthened tax administration (and) expenditure controls," end quote.

They have recognized that we have put our financial house in order. Yet, even as they made that judgment, they cautioned that Boston still needs to improve its revenue base.

It is especially rewarding that we have been able to turn our rating around in such a short period of time. This upgrade puts Boston back into the investment class and restores the rating to its 980, pre-proposition 2½ level.

It's another sign that we are staying in the course of fiscal responsibility that we set with the fiscal year 85 budget proposal.

Moody's looked at two major sets of criteria in making this decision:

One, they looked at the city's economy and, two, they looked at my administration's management practices. They projected continued growth in commercial development and they saw substantial improvements in management.

We do not plan to rest on our achievement. As we told Moody's in New York, we plan to constantly improve our accounting and other management practices.

It is important to note that this borrowing is restricted to capital projects and does not mean that our structural revenue gap has gone away.

We will manage responsibly with whatever revenues we have. But in active cooperation with the Boston City Council, we are fighting for a broader financial base, because the people of Boston should not be forced to accept inadequate services. It is not fair for the working families of Boston to go without things many communities take for granted.

### CITY BOND ISSUE SELLS IN FOUR HOURS

*Statement of the Collector-Treasurer George A. Russell, Jr., April 26, 1985.*

I am pleased to announce that the \$65 million twenty-year General Obligation Bond Issue was sold Tuesday, April 23, 1985. In fact, by 1:00 P.M. Tuesday afternoon, the City of Boston bonds were oversubscribed.

As you know, a week ago, Moody's Investor Service upgraded the city's bond rating to an investment grade of BAA. The upgrading, plus the timing of the offering, produced the following extremely favorable results.

1. The true interest cost on the bond issue was 9.35 percent which compares favorably with the most recent "bond buyer" index of 9.25 percent. In addition, it compares favorably to last year's \$55 million bond offering, which had a true interest cost of 10.197 percent, or 30 basis points above the bond buyer index.

2. The gross spread or fees paid to the underwriters was \$18.44 per \$1,000 bond verses \$21.34 on last year's \$55 million bond offering.

The decision to go into the market a week earlier than officially planned paid "dividends" to the city. For the first time since 1980 the "long coupon" was under 10 percent (9.75 percent) and translates into real dollar savings. In fact, to further highlight the savings, if we had

waited until today to sell the city's bonds, the long coupon would have been around 10.15 percent. Note: compared to yesterday's bond buyer index of 9.39 percent, the city's true interest cost was 4 basis points below which, again, is a first.

Finally, for the first time in many years, there was increased institutional support which reflects the upgrading from Moody's.

### YOUR CHILD'S HEALTH

#### Poisoning

"Accidental ingestion" is the term applied when children, usually toddlers, eat or drink substances that can be harmful. If you have a toddler at home, you know that almost anything he or she gets his or her hands on will usually end up in the mouth. The most commonly ingested substances are pills, household products such as cleaning or polishing fluids, and leaves or berries.

Prevention of ingestions is the most important step you can take. The most significant advance in recent years has been the requirement of child-proof caps on medicines, particularly good tasting pills like baby aspirin. This requirement has reduced childhood poisonings remarkably. Some household chemicals now come with safety caps as well, but most do not. It is your responsibility as a parent to make sure your children cannot get at medicines or household products. This means storing such chemicals in places that cannot be reached by children. Locks and safety latches on cabinets provide increased protection. Don't forget those bottles under the kitchen sink or the cleansers stored in the bathroom or laundry room.

(Continued on next page)

## Your Child's Health . . .

(Continued from previous page)

In case your child does eat or drink something that might be harmful, there is one medicine you should have at home: Ipecac. It makes people vomit. It can be bought at any drug store and stays good for years on the shelf. The directions are clearly written on the bottle. For children over a year of age use on tablespoon of Ipecac, followed by water. Vomiting usually occurs within twenty minutes. The doses can be repeated once if the first does not result in vomiting.

There are some instances in which Ipecac should not be used. These include ingestions of hydrocarbons (gasoline, kerosene, cleaning fluids) and strong bases (lye, drain and oven cleaners). These chemicals can cause severe damage to the esophagus (food tube) or lungs if vomiting occurs. Ipecac should also not be used if the child is very drowsy.

If your child does accidentally ingest something, here are the steps to take:

1. Save the container so that the substances can be identified.
2. Call your pediatrician or the poison control center (232-2120).
3. Use Ipecac, if directed.
4. Maintain contact with your doctor — your child may have to be seen and have further tests or treatment.

Remember, prevention is the most important step. Please childproof your house — today.

## 18TH ANNUAL KITE FESTIVAL ON MAY 18

The Boston Parks and Recreation Department's eighteenth annual Boston Kite Festival will take to the skies Saturday, May 18, at Franklin Park.

The festival, which is the first in a series of summer-long events celebrating Franklin Park's Centennial Celebration, will run from 11 a.m. until 4 p.m. The day, which should be enjoyed by the entire family, will feature entertainment, food and prizes in various categories for the kites. Admission is free.

Due to the thousands of spectators the festival attracts each year, the MBTA will be providing extra service that Saturday.

For more information, call 725-4006.

## CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

### ASSESSING DEPARTMENT

Appraisal Services, etc.

Dear Mr. Mayor:

On August 3, 1983, your Honor approved the award of a contract, without public advertising, to Judith Franklin, an individual, located at 114 The Fenway, for professional services to the Assessing Department in the area of condominium appraisal and analysis during the period July 1, 1983, through December 31, 1983, at a cost not to exceed \$15,188.

Your approval is requested to amend this contract to provide for an increase in the contractor's rate of compensation and an extension in the term of the contract. Ms. Franklin will be assuming the duties and responsibilities of another member of the condominium appraisal unit within the Assessing Department who is no longer with the department. As a result of this added workload, the contractor's rate of compensation shall be increased to \$17.75 per hour, effective September 14, 1983, and the period of this contract shall be extended from December 31, 1983, to June 30, 1984.

The cost of this amendment shall not exceed \$16,170, which I have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$31,358.

Because of the professional nature of the services to be performed I believe that public advertising would serve no useful purpose.

Sincerely,

Edward W. Jay, Jr.,  
Commissioner

### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

amendment of a contract, without public advertising, to Computer Partners, Inc. of 60 State Street as provided in our original letter to you dated January 30, 1981 (and as amended on June 30, 1981, April 28, 1982 and September 10, 1982) for professional computer consultant services during the period March 3, 1983, to June 30, 1984, at a cost of \$825,000.

Your approval is now requested to amend the scope and cost of this contract (number SC592 81/82/83) for additional professional computer consultant services to complete extensions of the original work to accommodate the financial system enhancements requested by the School Department. Under the terms of this amendment, Computer Partners would have the following tasks:

Identification of the functional requirements for an automated interfacing of the School Department to the City of Boston's Accounts Payable (A/P) System and the functional requirements for an integrated Expenditure Control System for the Boston School Department: evaluation, selection, and installation or development of an appropriate software package and systems modifications to fully implement the Expenditure Control and A/P systems in ways compatible with City of Boston systems; full interfacing of the A/P and Expenditure Control system to changes in the city's appropriations accounting system, a new School Department data base management system, and budget and purchasing systems planned or in place; staff training and education in system use and maintenance.

The term of the workplan would be from August 22, 1983, to June 30, 1984, with an option to extend into FY85 to complete all phases of work if necessary. The cost of this amendment, which is effective on August 22, 1983, shall not exceed \$500,000 which we have determined to be reasonable. The final year of the contract, as amended, shall not exceed \$2,476,000, which consists of the original \$850,000 as approved by you in the original award letter of January 30, 1981, the \$301,000 amendment of September 10, 1982, the \$825,000 amendment of May 3, 1983, and this request for amendment of \$500,000.

Because of the professional nature and qualifications of Computer Partners, Inc. and their extensive involvement in the development and enhancement to various city systems and their experience with the city's data processing services and its architecture, as well as their extensive familiarity with computing environment of the School Department, I believe that public advertising would not serve a useful purpose.

As a precondition for the start of work and eventual payment under the terms of this amendment Computer Partners, Inc. will submit a detailed workplan subject to the approval of the School Department for all school-related functionalities and to the City Auditor, Management Information System Department, and School Department for all city school systems interfaces.

This contract amendment is being submitted to you due to the extended negotiations required to identify the joint responsibilities of the various departments involved and the scope of services to be performed.

Newell Cook,  
City Auditor

## HEALTH AND HOSPITALS DEPARTMENT Power Feeders Relocation

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with

Johnson Controls, Inc., Woburn, for the period July 1, 1982, through June 30, 1985 at a cost not to exceed \$1,453,000. The cost for the period July 1, 1982, through June 30, 1983, to be an amount not to exceed \$603,000.

This amendment will increase the contract sum by \$69,729, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$1,522,729. The cost for the period July 1, 1982, through June 30, 1983, will be an amount not to exceed \$672,729.

This amendment is necessary failure. The P2 cubicle on East Concord Street, was destroyed. The department was required to transfer Boston Edison leaders to the mechanical plant on Albany Street, eliminating the entire cubicle behind the Sears Building. Boston City Hospital is now on one meter and the cost savings are expected to approximate \$50,000 per year.

In view of the above, because of the emergency nature of these services, and because the cost is reasonable, I recommend approval of this amendment.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Ultrasound Equipment and Repairs

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the letter of award for a contract with Irex Medical Systems, New Jersey, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$6,500.

This amendment will decrease the contract sum by \$4,153, thereby decreasing the city's total liability under this contract, as so amended, to an amount not to exceed \$2,347. The term of the contract will also change to the period September 15, 1983, through September 14, 1984.

Under the previous proposed contract, Irex Medical Systems was to repair, as needed, the Irex System II and System III ultrasound equipment located at Boston City Hospital. The department has decided to trade in the System III toward a newer machine which will have a warranty. Irex Medical Systems will provide maintenance, including parts, for the System II, Serial 2173, and the HSP Module, Serial 2125, Monday through Friday, during the hours from 8:30 a.m. to 5 p.m., excluding holidays.

Therefore, because Irex Medical System is the manufacturer of this equipment and has technicians specifically trained for repairing this equipment at a cost I deem to be reasonable, no benefit would inure to the city by publicly advertising for bids.

This contract encompasses more than one fiscal year and the city's financial obligations are subject to the availability of an appropriation in accordance with the requirements of the City of Boston Code, Chapter 21A, s. 4 and 8.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### LAW DEPARTMENT

##### Legal Services

Dear Mr. Mayor:

On August 10, 1983, your Honor approved the award of a contract to Janet M. Robitaille, attorney at law, located at 240 Commercial Street, for coordinating the management, litigation and reporting requirements of employment discrimination matters including the *NAACP v. Beecher* and *Harris v. White* cases, for the period of July 1, 1983, through June 30, 1984, at a cost not to exceed \$10,000.

Your approval is requested to amend this contract and to provide for additional services which were not anticipated in the terms of the original contract. The cost of this amendment shall not exceed \$5,000, which I have determined to be reasonable. The contract as amended shall not exceed \$15,000.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
William J. Smith,  
Corporation Counsel.

#### PARKS AND RECREATION DEPARTMENT

##### Rodent Control

Dear Mr. Mayor:

On August 25, 1983, your Honor approved the award of an unadvertised contract to the Trustee of Health and Hospitals of the City of Boston, Inc. for a program of rodent control at the Public Garden, Boston Common, Granary Cemetery, King's Chapel Cemetery and Waterfront Park at a cost not to exceed \$4,875.

Because of serious rodent problems in these areas it has been necessary to make additional extermination baiting at all five sites during the last couple of months, and we anticipate that we will be required to do additional baiting during the months of March through June 1984.

I therefore respectfully request your Honor's authorization to amend the contract to increase the contract sum from \$4,875 to \$5,875, the additional monies to provide rodent extermination at the sites listed when emergency conditions arise during the period March 1, 1984, through June 30, 1984.

The cost of such emergency services shall be paid for at the rate set forth in the contract documents. Contract to be charged to 1-11-41-29.

Very truly yours,  
Robert R. McCoy,  
Commissioner.

#### PUBLIC FACILITIES DEPARTMENT

##### Design Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on October 21, 1983, I hereby request your Honor's written authority to dispense with inviting proposals by advertisement in the *City Record*, and enter into an agreement with Wright-Pierce, 530 Atlantic Avenue, amending a contract executed November 17, 1982, which provides for design of converting an unused tunnel into document storage space at City Hall, so as to increase the amount authorized for expenditure from \$4,900 to \$5,934, which is a reasonable amount.

The additional items of work include sandblasting the interior walls and roof of the tunnel as opposed to the original plan of acid wash and waterproofing, resulting in an increase in the construction cost.

Due to the provision of the law to the effect that executed and existing city contracts may be altered only by a writing signed by all parties thereto, including the Mayor and bonding company, public advertising in this instance would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

#### SCHOOL DEPARTMENT

##### Resource Center Management

Dear Mr. Mayor:

On May 5, 1983, your Honor approved an award of a contract, without public advertising for bids, to Sally Powers, 637 Cambridge Street, Brighton, for

management of the Boston Archdiocesan Cultural Resource Center during the period March 15, 1983, to June 30, 1983, at a cost not to exceed \$4,800.

Monies for this contract were budgeted in the Catholic School Component of the federally funded Education Consolidation and Improvement project (Block Grant). This proposal was approved by the School Committee on June 14, 1982.

Your approval is requested to amend this contract to provide for continuation of the same services for the month of July, 1983. The cost of this amendment which was effective on July 1, 1983, did not exceed \$1,200, which I have determined to be reasonable at the rate of \$60 per day. The period of performance was extended to July 31, 1983.

This contract is being submitted late because of the Archdiocesan personnel lack of complete knowledge of city contractual procedures; thus they failed to realize Ms. Powers could not be paid for services after June 30, 1983, without a contract amendment. Additional delay was incurred in seeking a resolution to this problem and in determining the status of Ms. Powers employment for the ensuing school year.

Yours truly,  
Robert R. Spillane,  
Superintendent.

##### Perishable Foods, etc.

Dear Mr. Mayor:

On August 25, 1983, your Honor approved an award of contracts, without public advertising for bids, to various contractors for providing perishable food items and other edible commodities during the period September 1, 1983, through June 30, 1984, at a cost not to exceed \$2,000,000.

Your approval is requested to amend the award by adding the following named purveyor: Paul's Distributors, Inc., Canton.

The cost of this amendment, which is effective on September 1, 1983, shall be included in the \$2,000,000 of the original letter approved by the Mayor.

The late submission of this contract is due to unanticipated interest of the above vendor.

Very truly yours,  
Leo J. Burke,  
Business Manager.

##### Perishable Food, etc.

Dear Mr. Mayor:

On August 25, 1983, your Honor approved an award of contracts, without public advertising for bids to various contractors for providing perishable food items and other edible commodities during the period September 1, 1983, through June 30, 1984, at a cost not to exceed \$2,000,000.

Your approval is requested to amend the award by adding the following named purveyor: Henry Colt Enterprises, Inc., New Jersey.

The cost of this amendment which is effective on September 1, 1983, shall be included in the \$2,000,000 of the original letter approved by the Mayor.

The late submission of this contract is due to unanticipated interest of the above vendor.

Very truly yours,  
Leo J. Burke,  
Business Manager.

##### Consultant Services

Dear Mr. Mayor:

On August 25, 1982, your Honor approved an award of a contract, without public advertising, to Lesley College, Cambridge, for consultant services during the period September 1, 1982, to June 30, 1983, at a cost not to exceed \$67,246.27, which was funded by chapter 636 monies. Your approval

is requested to amend this contract to provide evaluation of the teacher center.

The cost of this amendment, which was effective on June 1, 1983, did not exceed \$750 at a rate of no more than \$75 per day, which I have deemed to have been reasonable. The total cost of this contract, as amended, did not exceed \$67,996.27. Funds for this amendment were budgeted in the Education Consolidation and Improvement Act which was approved by the School Committee on June 14, 1982, and the City Auditor should encumber the amendment in account 3-09-E9.

The contractor is especially qualified to provide the above services because Lesley College was the only institution that responded to a request for a proposal to evaluate the teacher center. Boston College, Boston University, Northeastern University, and Lesley College were the institutions requested to respond to a proposal for evaluation of the center.

This amendment is being submitted late because school administrators and Lesley College did not realize the authorization to engage Lesley College should have been included in the original contract executed on September 1, 1982.

The determination that an amendment to the contract was needed and the development of the necessary documentation to execute the amendment took an extended period of time and delayed the development of the amendment.

Very truly yours,

Robert R. Spillane,  
*Superintendent.*

#### Information Management System

Dear Mr. Mayor:

On August 24, 1983, your Honor approved an award of contracts, without public advertising for bids to Computer Partners, Inc., a corporation located at 60 State Street, for the assessment, design and programming of the Special Education Information Management System (SEIMS) during the period of April 18, 1983, to September 1, 1983, at a cost not to exceed \$265,000.

Your approval is requested to amend this contract to provide for additional work which was not anticipated in the terms of the original contract. Due to the increased functionality presented in the SEIMS conceptual design prepared by Coopers and Lybrand in conjunction with the Special Educational Department, the State Department of Education, and the Finance and Administration Department, the scope of work to be performed by Computer Partners has greatly increased. Computer Partners, Inc.'s expertise in the highly technical computer systems has been invaluable to the success we have had to date. The more comprehensive SEIMS that we now envision will be better equipped to meet both internal educational needs and external reporting requirements. Computer Partners, Inc. will be compensated at the same rate specified in the terms of the original contract. The cost of this amendment shall not exceed \$130,630, which I have deemed to be reasonable. The total cost of this contract, as amended, shall not exceed \$395,630. The period of this contract shall be extended from September 1, 1983, to June 30, 1984.

This amendment is being submitted late because of delays due to lengthy discussions of the particulars of scope and cost that were only recently resolved.

Because of the unique qualification and knowledge that the contractor has relating to the Special Education Information Management System and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,

Edward J. Winter,  
*Secretary.*

#### Music Program, etc.

Dear Mr. Mayor:

On September 22, 1983, your Honor approved an award of contracts, without public advertising for bids, to Community Music Center of Boston for a program of services in student enrichment and staff development for bilingual and monolingual classes in music, movement, dance, drama, and poetry in twenty-two elementary schools in District I, II, III, VII and IX, and in one middle school in District III, at a cost not exceeding \$68,628.

Your approval is requested to amend this contract to provide for additional services in the following elementary schools in District IV: Chittick, Grew, Hemenway, Shaw, Taylor. A twenty-seven-week program of services in student enrichment and staff development for bilingual and monolingual classes in music, grade 1-5. The contractor will meet with fifty-six sections once a week during the program period. The cost of this amendment shall not exceed \$17,200; the total cost of this contract shall be \$85,828, which I have determined to be reasonable.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 84-4D.

Very truly yours,

Robert R. Spillane,  
*Superintendent.*

#### TREASURY DEPARTMENT

##### Tax Collection Services

Dear Mr. Mayor:

On February 9, 1983, your Honor approved an award of a contract, without public advertising for bids, to Peat Marwick, Mitchell and Company a corporation, located at One Boston Place, for consulting services to assist the Collecting Division of the Treasury Department in performing its responsibilities to collect payment in lieu of taxes from 121A corporations.

Your approval is requested to amend this contract to provide for additional services to the collection of taxes. The cost of this amendment which is effective as of September 1, 1983, shall not exceed \$4,500, which I have determined reasonable. The contract as amended, shall not exceed \$39,500. The period of performance shall be the same, May 1, 1982, through December 31, 1983.

Because of the professional nature of the service to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Lowell L. Richards III,  
*Collector-Treasurer.*

Dear Mr. Mayor:

On August 1, 1983, your Honor approved an award of a contract, without public advertising for bids, to Michelle McNeil, an individual, located at 138 O'Callaghan Way, South Boston, for assistance in clerical and payroll activities for the Delinquent Tax Unit of the Collecting Division, during the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$7,000, at a rate of \$4.50 per hour.

Your approval is requested to amend this contract to allow for an increase in hourly pay which was not provided for in the terms of the original contract. Ms. McNeil will continue working part time at

the new rate of \$5 per hour, effective July 1, 1983. The total cost of this contract, as amendment, shall not exceed \$7,000, the originally provided amount. The terms of this contract shall remain July 1, 1983 through June 30, 1984, as originally provided.

Because of the professional nature of the service to be performed, I believe that public advertising would serve no useful purpose. This letter is dated and submitted after the effective date because of this department's need to reevaluate its staffing needs.

Respectfully yours,

Lowell L. Richards III,  
*Collector-Treasurer.*

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising based on the following communications:

### ADMINISTRATIVE SERVICES DEPARTMENT

#### Purchasing Division Hardware Maintenance

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Digital Equipment Corporation, 175 Federal Street, in the amount of \$127,320, net, for maintenance of hardware for various city departments for the period of July 1, 1983, through June 30, 1984.

Since the equipment to be maintained was manufactured by Digital, it is essential that the company most familiar and reliable with the equipment should maintain it.

The following is a breakdown of monthly charges by department: Treasury Department, \$4,029 per month, \$48,340 annually; Administrative Services, \$2,535 per month, \$30,420 annually; Assessment Department, \$4,046 per month, \$48,552 annually; total monthly charges, \$10,610; total annual charges, \$127,320.

This letter is being submitted at this late date due to the complexity of itemizing what equipment was to be maintained by the various departments.

Respectfully yours,

Frank F. Chin,  
*Purchasing Agent.*

#### Tea and Coffee

Dear Mr. Mayor:

On December 13, 1983, the Purchasing Department opened a publicly advertised bid for tea and coffee, on Proposal No. 361, for various city departments. The only vendor that responded was the Interstate Coffee Services Company, with a quote of \$1.37 per 10-1/2 ounce package of coffee.

After checking with the State Purchasing Department, on the aforementioned item, it was awarded to the Autocrat Company of Providence, RI., \$1.24 per package. After renegotiating with Interstate Coffee Services, they agreed to charge \$1.10 per package, which would be a savings of \$876.

Your permission is therefore requested to award a contract without advertising, to the Interstate Coffee Services Co., Inc., 89 Westgate Drive, Boston, in the amount of \$7,124.80, a cost I consider reasonable.

Respectfully yours,

Frank F. Chin,  
*Purchasing Agent.*

## ASSESSING DEPARTMENT Legal Services

Dear Mr. Mayor:  
I respectfully request your Honor's permission to dispense with public advertising and award a contract to John T. Gaffney, P.C., Ten Tremont Street, for legal services to the Assessing Department.  
Under the terms of this contract, the contractor shall provide legal assistance to the Assessing Department and its appraisers and engineers in preparation for the City of Boston's legal defense of its appraisal values before the Massachusetts Appellate Tax Board. Mr. Gaffney is uniquely qualified to perform these services because of his noted experience in the field and record of prior performance as special counsel for the Assessing Department before the Appellate Tax Board.  
Compensation under this contract shall not exceed \$35,000, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$75 an hour. The term of this contract shall be from October 1, 1983, through June 30, 1984.

Because of the professional nature of the work to be performed, and the contractor's familiarity with the methods and procedures used by the Assessing Department, I believe that public advertising would serve no useful purpose.

Sincerely,

Edward W. Jay,  
Commissioner.

## HEALTH AND HOSPITALS DEPARTMENT Orthopedic Consultant

Dear Sir:  
Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to award, without advertising, a contract to Charles F. Sanzone, M.D., 58 Beane Street, for the period January 23, 1984, through June 30, 1984, at a cost not to exceed \$2,300.  
Under this contract, Dr. Sanzone will supply consultant services in orthopedics to Long Island Hospital. These services will be provided once a week at a cost of \$100 per four hour visit. Dr. Sanzone will provide alternate coverage in the event he is unable to perform the assigned duties.  
Because of the special fitness of Dr. Sanzone to render these services, as the price is reasonable, and because of the personal nature of the services to be provided, no useful purpose would be served by public advertising for bids.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

## Legal Services

Dear Sir:  
Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award, without advertising, a contract to Goulston and Storrs, a law firm at One Federal Street, for the period October 28, 1983, through June 30, 1984, at a cost not to exceed \$40,000.

For approximately one year now, the majority of insurance companies providing insurance for privately insured patients at Boston City Hospital have been refusing to pay bills issued by the hospital for services rendered, despite the fact that the hospital's charges have been duly approved by the Commonwealth of Massachusetts Rate Setting Commission. As of the date of this letter, the hospital considers amounts owed for services rendered such patients to be approximately \$5 million. Under this contract Goulston and Storrs will represent

the city in legal proceedings instituted to recover such funds. They will be paid on a services rendered basis and all major litigative decisions will be approved in advance by legal counsel to the department and Corporation Counsel for the city. Charges will be based on hourly rates ranging from \$70 to \$165 per hour.

The department selected the firm of Goulston and Storrs after its regular reimbursement counsel, the law firm of Choate, Hall & Stewart, determined that its representation of insurance companies was so extensive that to proceed into litigation would represent an unacceptable conflict for it. After a three-week review of the legal issues involved and its relationship to potential defenders, Goulston and Storrs has determined that it is capable of handling the litigation and the department believes the firm possesses the necessary complex litigation and hospital reimbursement experience necessary to represent the city's interests in this matter. This letter is being submitted three weeks late because the initial review period was necessary to obtain a firm commitment.

Therefore because Goulston and Storrs are recognized experts in the field, are knowledgeable of the department's situation, and because the services will be provided at a reasonable cost, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

## INSPECTIONAL SERVICES DEPARTMENT Veterinary Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Toureen Kennels, 367 Western Avenue, Brighton, for veterinary and boarding services for impounded and stray City of Boston dogs.

Under the terms of the contract, Toureen Kennels will provide the following services including, but not limited to, boarding and impounding stray dogs for seven days, administering DHL shots, locating owners of impounded dogs, providing veterinary services, medical treatment and surgery for injured stray dogs and causing any dogs not claimed in seven days to be destroyed in a manner in accordance with state law. Toureen Kennels will maintain twenty-five cages at its facility at 1274 Soldiers Field Road for use in rendering services.

The term of the contract shall be from July 1, 1983, through June 30, 1984, and the total cost for fiscal 1983 shall not exceed \$87,000. I have determined this cost to be reasonable for the work performed.

Toureen Kennels has performed this service for the city since February 15, 1983, and we find their services to be satisfactory, the cost to be reasonable and we can see no benefit that would accrue to the city by public advertising for this service.

Sincerely,

Anthony Pepicelli,  
Commissioner.

## Dog Officer Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Boston Animal Aid, Inc., a non-profit organization, located at 367 Western Avenue, Brighton, for the professional services as dog officer for the City of Boston.

Under the terms of the contract, as required by Mass. General Laws 140, section 151, Boston Animal Aids, Inc. will perform dog officer responsibilities including, but not limited to answering calls and

complaints, patrolling the city streets, apprehending unlicensed or licensed unleashed or stray dogs; and delivering them to approved entities for confinement, treatment and disposition.

Chapter 140 of the General Laws requires the mayor of each city to annually designate one or more dog officers to perform these duties and the cost for these services as described in this chapter will be paid from the Dog Fund 3-22-41. Boston Animal Aid will provide one dog officer working five days per week (forty hours per week) for an annual cost not to exceed \$27,700, plus \$30 per call for nights and weekend services. I have determined this cost to be reasonable for the work to be performed.

The term of this contract shall be July 1, 1983, through June 30, 1984, and the total cost for fiscal 1983 will not exceed \$40,000.

Boston Animal Aids has performed this service for the city since February 15, 1983, and we find their services to be satisfactory, the cost to be reasonable, and we can see no benefit that would accrue to the city by publicly advertising for this service.

Sincerely,

Anthony Pepicelli,  
Commissioner.

## LAW DEPARTMENT Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Albert F. Cullen, Jr., of Cullen and Wall, 141 Tremont Street, for legal services.

Under the terms of the contract, Mr. Cullen, and his partner and associates under his direction, will advise the city on matters pertaining to federal investigations as well as represent city employees on behalf of the city regarding such investigations. Mr. Cullen is qualified to provide these services as he has considerable experience in dealing with Grand Jury investigations.

Compensation under this contract shall not exceed \$50,000, at an hourly rate not to exceed prevailing rates for similar services. This is a reasonable amount of compensation for the services to be provided.

The term of this contract shall be July 1, 1983, through June 30, 1984. This award letter is submitted late because of administration inadvertence.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

James P. McGuire,  
Corporation Counsel.

## Geotechnical Engineer Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Haley and Aldrich, Inc., Cambridge, for services as an expert witness.

Under the terms of the contract, Haley and Aldrich will prepare materials to be used at trial concerning damages to the fender pier of the McArdle Bridge in East Boston and testify on the city's behalf in the case of *Boston v. Texaco Texas, et al.*, Civil Action No. 82-0101-N, in the United States District Court. Since the issues in this case are very specialized, it is necessary to have an expert to testify on the city's behalf. Being a geotechnical engineering firm, Haley and Aldrich, Inc. is well qualified to testify on the issues involved in this case.

Compensation under this contract will be at the rate of \$75 per hour. The total compensation shall

not exceed \$4,000, an amount which I have determined to be reasonable for the work to be performed. The term of this contract will be November 1, 1983, through June 30, 1984. This request is submitted late because of a recent change in the court's schedule of this matter for trial.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

James P. McGuire,  
Corporation Counsel.

#### MANAGEMENT INFORMATION SYSTEMS Purchase of Computer

Dear Mr. Mayor:

Authority is requested to award a contract, without public advertising, to the International Business Machines Corporation, New York, with local offices at Waltham, for the purchase of an IBM 3081 computer. This contract representing the cost of the 3081 and the net liquidation of the IBM 3033 is effective immediately at a cost not to exceed \$3,161,765.

The IBM 3081 computer will replace the IBM 3033 which the city has previously purchased from IBM under an installment purchase agreement. This upgrade is necessary because the city's IBM 3033 can no longer handle the expanded workload of city business. Moreover, the expanded architecture of the IBM 3081 will permit the consolidation of previously installed data processing equipment and will result in significant savings to the city. As a result of this purchase, the city will terminate its agreement for the IBM 3033.

Since we must have a machine that fulfills our needs in both hardware and software the Management Information Systems staff has determined that the machine best suited for our purposes was one that could execute an extension of our current operating system. All of our research (copy of M.I.S. study is available on request) has demonstrated that at this time, only the IBM series of machines can meet this requirement.

The IBM 3081 offers an excellent price performance ratio providing us with four times the power of the IBM 3033.

As the city will receive a 25 percent discount, it is my opinion that the cost of this machine is reasonable, and no benefit will accrue to the city by publicly advertising for bids.

Originally it was planned to upgrade the equipment through the original blanket order between the city and IBM and the 3081 was ordered and installed accordingly, in which case the acquisition would have been under the regular lease/purchase agreement and no award letter would have been necessary.

However, after discussion with the City Auditor and the Collector-Treasurer and a review by their respective staffs, it was determined that the interests of the city would best be served by an outright purchase using capital funds available from city bonds issued for equipment acquisition. The process of reviewing this method of financing has caused this letter to be late.

Respectfully yours,

Joseph A. Sarno,  
Executive Assistant.

#### MAYOR'S OFFICE Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to the law firm of Rogovin, Hugel and Lenzner,

located at Washington, D.C., to serve as special counsel to the City of Boston.

Under the terms of the contract, Messrs. Hugel and Lenzner, and other partners, associates and investigators as necessary, will under the direction of this office and of the corporation counsel and as from time to time shall be necessary, act as consultants to the city on legal issues relating to the conduct of city business including, but not limited to, Boston Police Department deadly force rules and regulations, labor relations strategy, affirmative action policy, arson investigation policies and procedures, internal and external audits and investigations of city programs and procedures. Attorneys in the above-named firm are uniquely qualified to act in this capacity because of their considerable experience and expertise in such matters and their familiarity with the city government.

Compensation for all services performed, equipment, travel and other expenses incurred will not exceed \$30,000 with billing rates discounted 25 percent from the firm's regular rates, which amounts and rates I have determined to be reasonable for the work performed.

The terms of this contract began on September 1, 1983, and will conclude on December 31, 1983. This contract is being executed after the firm has begun its duties due to administrative delay.

In view of the professional nature of the services to be performed and the firm's unique qualifications and expertise, it is my belief that public advertising would serve no useful purpose.

Sincerely,

Micho F. Spring,  
Deputy Mayor.

#### Civic Entertainment, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the Boston Foundation, Inc., a corporation located at Boston, Massachusetts, for the following services: to provide technical services to musical, artistic, literary, performing arts, theatrical and other neighborhood groups which provide services to residents of and visitors to the City of Boston; to publicize ongoing events, conduct and produce special artistic projects, civic events, entertainment, festivals, and receptions to be held in various locations throughout the City of Boston for the benefit of residents of and visitors to the City of Boston; to review, study and assist in making the theatre district in Boston an entertaining, financially sound and viable unit within the City of Boston; to continue a grant program designated as "City Arts Grants" in order to help finance the ongoing activities of nonprofit community and arts organizations within the city; to produce exhibits and receptions within the City Hall galleries for the benefit of residents of and visitors to the City of Boston; to produce a series of midday and evening concerts on City Hall Plaza and at other locations within the city, for the benefit of residents of and visitors to the City of Boston.

Under the proposed agreement, the foundation will pay for all labor and materials furnished. The period of performance will be July 1, 1983, to June 30, 1984. The cost to the city of this contract will not exceed \$250,000, which is reasonable.

In view of the success of the Boston Foundation, Inc. in producing cultural, literary, educational, theatrical, musical, and civic programs for the city and the special nature of the services to be rendered, it is my opinion that public advertising would serve no useful purpose and that the awarding of this contract would be in the best interest of the City of Boston.

As deputy mayor of the City of Boston, I am a municipal employee as that term is defined in G.L. c. 268A, the Conflict of Interest Statute. I am also president of the Boston Foundation from which I receive no compensation. In that capacity I will on behalf execute and be responsible for the overall administration of this contract with the city. Your approval of this letter of award will constitute your written determination as the official responsible for my appointment that my interest in this contract is not so substantial as to be deemed likely to affect the integrity of the services which the city expects of me G.L. c. 268A, 19.

This award letter is being submitted late due to ongoing budget negotiations. Encumbrance is \$75,000, only.

Sincerely,

Katharine D. Kane,  
Deputy Mayor.

#### Rental of Premises

Dear Mr. Mayor:

I respectfully request your permission to enter into a contract with the George F. Parkman Fund, c/o Collector-Treasurer, One City Hall Square, for the rental of the Parkman House.

The demised premises consist of the entire building located at 33 Beacon Street. The term of the lease will be twelve months beginning on July 1, 1983, and ending June 30, 1984.

The monthly rental will be \$1,308.42, with rent charge for this extended term is not to exceed \$15,701. I have determined that this cost is reasonable.

This letter of award is being submitted at this late date due to the complexity of lease negotiation and also due to the fact that we have only recently learned the level of our budget.

Since these facilities are both adequate and convenient, it is not felt by the writer that public advertising would be useful in this instance.

Very truly yours,

Micho F. Spring,  
Deputy Mayor.

#### NDEA

#### Polytechnic Institute

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to the Hyde Park Development Company, Inc., a nonprofit organization, located at 15 Everett Street, Hyde Park, for the purpose of establishing the Hyde Park Polytechnic Institute.

Under the terms of the contract, the HPDC will, in conjunction with the Neighborhood Development and Employment Agency, initiate first-year programming for the proposed institute. The contractor will undertake a needs assessment survey to develop training programs in response to the specific needs of the local businesses and residents and initiate delivery of proposed programs and services. The contractor was selected based upon its ability to provide services, reasonableness of cost as negotiated, and its previous experience with NDEA/CDBG contract requirements.

Compensation under the terms of this contract shall not exceed \$55,000, payment being made from Year IX Funds of the Community Development Block Grant Program. The period of performance shall be from October 1, 1983, until September 30, 1984. The submission of this letter has been delayed due to the length of proposal review process.

As this is a negotiated contract at a reasonable cost, based upon an extensive proposal review, it is my belief that public advertising would serve no useful purpose. I, therefore, request permission

expense with inviting sealed bids by advertising in the City Record, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

**NOTICE TO CONTRACTORS**

Sealed bids for MBTA Contract No. E1CN32, EWIFE INTERIM ACCESS, Arlington and Cambridge, Massachusetts (Class 1 — General Transit Instruction Project Value 33.6) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on May 15, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

Construction of Alewife Interim Access will involve reconstruction of streets, construction of ramps, Route 2 intersection, traffic signals, signs, street lights, drainage, sidewalks, and landscaping, for areas north of Alewife Station/Garage. The work will include segments of Route 2, Alewife Brook Parkway and new station access ramps.

This contract is subject to a financial assistance contract between the MBTA, Massachusetts Department of Public Works and the Executive Office of Transportation and Construction.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority prior to the tenth (10th) day preceding the date set for opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after April 22, 1985, Monday through Friday, at a charge of \$25. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November 1983 is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors

will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Senior Project Manager, John E. Powers, 58 Day Street, Somerville, MA 02144, Telephone No. (617) 722-5806. A prebid conference will be held on May 1, 1985, at 2 p.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Bid guaranty shall consist of a bid deposit of one hundred sixty-eight thousand dollars (\$168,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**Transportation Building, 10 Park Plaza  
Boston, MA 02116-3933**

**NOTICE TO CONTRACTORS**

Sealed bids for MBTA Contract No. 094-103, Platform Lengthening and Station Modernization, Park Street Station, Red Line Level, Boston, Massachusetts (Class 1 — General Transit Construction or Class 7 — Buildings, Project Value 92.2) will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on May 23, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

Work consists of construction of a platform extension and modernization of the Park Street Station at the Red Line level.

This contract is subject to a financial assistance contract between the MBTA and the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Proposal Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after April 28, 1985, Monday through Friday, at a charge of \$50. The Authority's General Requirements and Covenants (1978 Edition), as amended, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 18 percent and WBE 4 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal

equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. James M. McGowan, Regional Construction Office No. 2, Cabot Yard, 275 Dorchester Avenue, South Boston, MA 02127, telephone number 617-722-5656. A pre-bid conference will be held on May 9, 1985, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Proposal guaranty shall consist of a bid deposit of four hundred sixty-one thousand dollars (\$461,000), in the form of a bid bond, cash, certified check, or a treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**Invitation for Proposals for Furnishing, Delivering, and Setting Up for Use, Two Bookmobiles.**

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for furnishing, delivering, and setting up for use, two bookmobiles, as specified.

Proposals will be received until 12 o'clock noon, Boston time, Friday, May 24, 1985, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal," followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P.O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the

City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sunday and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 10 o'clock noon, Boston time, Wednesday, May 1985 at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

The City of Boston acting by its Licensing Board, Room 240, City Hall, hereinafter referred to as the Board, invites sealed proposals for stenographic services for said Board for the period from July 1, 1985, to June 30, 1986, in accordance with specifications accompanying the proposal forms which may be obtained at the offices of said Board, Room 240, City Hall, at Boston, between the hours of 9 a.m. and 5 p.m., until the deadline for receipt of bids.

Bidders are required to leave at the above office their bid proposal, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company payable to the City of Boston, in the sum of \$100 to become the property of the City of Boston if the proposal after acceptance is not carried out and returnable if the proposal is rejected. A fully executed duplicate bid without check must be filed with the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed enclosed in an envelope, sealed, and plainly marked with the description of work to be done.

Bids must be received by 5 p.m., Tuesday, May 21, 1985, in Room 240, City Hall, Boston. They will be publicly opened and read on Wednesday, May 22, 1985, at 9 a.m. in Room 240, City Hall, Boston.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays and legal holidays excluded) from the opening of the proposals. In addition, proposals filed by the three lowest responsible and responsive bidders may not be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The award will be made to the lowest responsive and responsible bidder.

The successful bidder will be required to provide by insurance, for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the

specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

The Board reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

Additional information may be obtained by contacting Thomas W. Stanton, Executive Secretary, Boston Licensing Board.

# CITY RECORD

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

OL. 77

MONDAY, MAY 13, 1985

NO. 19

## FLYNN ADMINISTRATION CRACKS DOWN ON ILLEGAL DUMPING

The Flynn Administration's Campaign Against Illegal Dumping will include:

- **A Twenty-four-Hour Hotline** — 725-DUMP — that will be staffed by the constituent Services' office in City Hall. It will be operational within two weeks. A further announcement will be made to alert the people of the city.
- **Tougher Enforcement Methods**, such as increased fines.
- **The Securing of Lots** in which illegal dumping has occurred.

The City of Boston is putting everyone on notice: illegal dumping will not be tolerated in this city. For too long, residents of this city's neighborhoods have been forced to accept the indignity of private companies and individuals dumping huge quantities of trash in parks and other open spaces.

Illegal dumping is a chronic problem in many Boston neighborhoods. According to neighborhood residents, commercial firms, such as construction contractors, are often responsible for dumping large loads of debris in vacant lots and other open areas.

Such dumping creates health and safety hazards for people who live and work around these illegal dumps and they are a major cause of litter in residential areas.

The parks and lots in Boston's neighborhoods are not dumping sites for those who are unwilling to abide by the laws governing rubbish disposal. The three-part campaign against this type of crime will make it increasingly difficult and costly for companies and individuals to break the law and get away with

dumping and to enact tougher restrictions on rubbish disposal. Key features include:

- A city ordinance to fine people who abandon cars on public property;
- A city ordinance to 1) force illegal dumpers to clear and clean the lots in which they disposed of refuse, and 2) impose a fine of \$300 on those found guilty of dumping;
- A home rule petition to the state legislature to increase the fines for illegal dumping and the abandonment of motor vehicles from \$300 to \$2,000;
- An executive order directing all applicants for building permits to file an approved rubbish disposal plan before obtaining the permit. It will direct also that 1) contractors with the city will be charged for the costs of removing any rubbish they illegally dump, and 2) the contract may be revoked if the contractor is found guilty of violating any order or regulation regarding disposal of refuse. Violators may be barred for up to three years from obtaining city contracts.
- An Executive Order restricting the times at which rubbish can be placed on the street for collection.

### 3. Securing lots

The city Department of Public Works will erect barriers preventing vehicular access to lots that have been the site of repeated acts of illegal dumping.

The Campaign Against Illegal Dumping is an adjunct of the Flynn Administration's overall Clean-up Campaign. That effort has enlisted the help of thousands of neighborhood and business volunteers to remove thousands of tons of refuse from streets and other open spaces.

### EGLESTON SQUARE BRANCH LIBRARY OPENS

Mayor Raymond L. Flynn, Senate President William M. Bulger, and over 100 area residents gathered on Saturday, May 4, 1985, to reopen the Eggleston Square Branch of the Boston Public Library.

After cutting the ribbon that signaled the official reopening of the branch at 2044 Columbus Avenue, Mayor Flynn said, "This is a great day for Jamaica Plain. It represents a triumph for a group of dedicated people — from the neighborhood, the library trustees, and my administration — who were unwilling to let a handful of criminals ruin a crucial neighborhood resource."

Senator Bulger is a trustee of the library.

The branch library was closed in late 1983 after repeated acts of vandalism that culminated in a serious mugging of a library employee. The plan to reopen the branch included:

- \$25,000 in renovations that included the installation of barbed-wire fencing around the library's yard;
- A security plan that employs Pinkerton security personnel working with local neighbors and the Boston Police;
- The hiring of bilingual library personnel; and
- The placement of a new collection of books.

### 18TH ANNUAL KITE FESTIVAL ON MAY 18

The Boston Parks and Recreation Department's eighteenth annual Boston Kite Festival will take to the skies Saturday, May 18, at Franklin Park.

The festival, which is the first in a series of summer-long events celebrating Franklin Park's Centennial Celebration,

Details of the campaign include:

### 1. Public Involvement

The Hotline 725-DUMP will enable neighborhood residents to report illegal dumpers to City Hall. Witnesses to acts of dumping should call the line and report the license plate number(s) and descriptions of vehicles engaged in dumping. Those reports will be followed up with a swift police response.

### 2. Legislative Reform

Within two weeks, the Mayor will be filing legislation with the Boston City Council to increase the fines for illegal

**ORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY**

**COURT HOUSE COMMISSION**  
 Daniel M. Hart,  
*Supervisor of Personnel.*  
 Dear Mr. Hart:  
 Effective February 13, 1985, I have appointed William H. Kelly as chief power plant engineer at the Suffolk County Court House boiler room.  
 Prior to this appointment, Mr. Kelly was employed by the Boston City Hospital and Boston City Hall. He has a total of twenty-two years' experience in this line of work.  
 Because of this prior experience and qualification for this position, it is requested that his one-year, two-year, three-year, four-year, five-year, and sixth-year increments be determined under Rule F of the Suffolk County Compensation and Classification Plan.  
 Effective Wednesday, March 27, 1985.  
 Very truly yours,  
**JOHN E. POWERS,**  
*Chairman.*

**CONTRACTS AWARDED WITHOUT ADVERTISING**

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

**NDEA  
 Clock Restoration**

Dear Mr. Mayor:  
 I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the E. Howard Clock Company, located at Waltham, the repair and restoration of two clocks in South Boston and Dorchester.  
 Under the terms of the contract, the contractor will repair and restore the wooden head and the internal mechanism of the old South Boston clock, located on West Broadway in South Boston. The contractor shall also restore the dial and face of the Peabody Square clock located in Dorchester. The contractor was selected since it was the original manufacturer of the two clocks and is the only company qualified to restore these clocks to their original condition.  
 Compensation under the terms of this contract shall not exceed \$17,200. Funds for this contract, the total amount of which I have determined to be reasonable for the services to be provided, shall be provided by the Browne Fund. The term of this contract shall be from September 1, 1983, to May 31, 1984. This request has been delayed due to delays in clarifying the administrative responsibilities of the NDEA and Browne Fund.  
 As this is a negotiated contract for professional services and due to the fact that the E. Howard Clock Company is the only qualified contractor. I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4 s. 5.  
 Sincerely,  
 Paul S. Grogan,  
*Director.*

**Day Care Services**

Dear Mr. Mayor:  
 I respectfully request your Honor's permission to award a contract to the Trustees of Health and Hospitals/Alliance for Young Families, a nonprofit organization, located at 818 Harrison Avenue/HOB, for the purpose of providing day care services.  
 Under the terms of the contract, the contractor will provide day care for first-born infants of 100 adolescent, single mothers, ages fourteen to seventeen, from the Roxbury, Dorchester, Jamaica Plain and Mattapan areas. This program will allow the participants to return to school, job/vocational training, and/or work. This program will be funded in conjunction with the State Department of Social Services public-private partnership program. The contractor was selected based upon its ability to provide services, reasonableness of cost, and its previous experience in providing similar services.  
 Compensation under the terms of this contract shall not exceed \$11,613, payment being made from Year IX funds of the Community Development Block Grant program. The period of performance shall be from January 1, 1984, until March 31, 1984.  
 As this is a negotiated contract at a reasonable cost, based upon an extensive proposal review, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by ad-

vertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4 s. 5.  
 Sincerely,  
 Paul S. Grogan,  
*Director.*

**Shelter for Homeless**

Dear Mr. Mayor:  
 I respectfully request your Honor's permission to award a contract to the Trustees of Health and Hospitals/Long Island Shelter, a nonprofit organization, located at Long Island Chronic Disease Hospital, for the purpose of operating a shelter for the homeless.  
 Under the terms of the contract, the contractor will serve a minimum of 100 homeless persons, seven days a week, twenty hours a day. Beds, meals, clothes, showers, and referral services will be offered. In addition, nursing care, emergency transportation, and daily transportation will be provided. The contractor was selected based upon the quality documentation submitted detailing the need for such services, and its ability to operate this program.  
 Compensation under the terms of this contract shall not exceed \$89,500, payment being made from Year IX funds of the Community Development Block Grant program. The period of performance shall be from November 15, 1983, until June 30, 1984. The submission of this letter has been delayed due to the length of the proposal review process.  
 As this is a negotiated contract at a reasonable cost, based upon an extensive proposal review, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4 s. 5.  
 Sincerely,  
 Paul S. Grogan,  
*Director.*

**Counseling Lunches, etc.**

Dear Mr. Mayor:  
 I respectfully request your Honor's permission to award a contract to Saint Anthony's Shrine, a nonprofit organization, located at 100 Arch Street, for the purpose of providing services to homeless persons.  
 Under the terms of the contract, the contractor will serve lunches to over 200 homeless persons five days a week. Also, various courses will be held daily, including general counseling and employment and benefit counseling. Medical check-ups, alcoholism referral services, and a clothing and friendship center will also be provided. The contractor was selected based upon the quality documentation submitted detailing the need for these services, and its ability to operate the program.  
 Compensation under the terms of this contract shall not exceed \$125,000, payment being made from Year IX funds of the Community Development Block Grant program. The period of performance shall be from December 1, 1983, until June 30, 1984. The submission of this letter has been delayed due to the length of the proposal review process.  
 As this is a negotiated contract at a reasonable cost, based upon an extensive proposal review, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4 s. 5.  
 Sincerely,  
 Paul S. Grogan,  
*Director.*

### Anchor Parcel Program

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the Shawmut Bank of Boston, N.A., a national banking association, located at One Federal Street, for the purpose of providing and servicing loans under the Anchor parcel Program.

Under the terms of this contract, the city will deposit up to \$1,000,000 with the contractor, which will write and service loans to individual developers eligible for participation in the Anchor Parcel program.

The purpose of this program is to provide qualified developers, both profit and nonprofit, and individuals with the additional funding necessary to undertake economic development projects of key, or anchor, parcels of property within a given neighborhood. The loans will be for varying terms at an interest rate either below or equal to the prevailing interest rate.

The period of this contract shall be from November 1, 1983, to June 30, 1985. This contract shall be in an amount not to exceed \$1,000,000, which I have determined to be reasonable for the services to be provided, and will be payable from funds received under the Community Development Block Grant Program (Job Bill). The amount to be initially is \$450,000. This request has been delayed due to continued negotiations with the contractor on the length and financing criteria for these loans.

Due to the nature of the services to be provided and the fact that this is a negotiated contract, I believe that public advertising would serve no useful purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4 s. 5.

Sincerely,

Paul S. Grogan,  
Director.

### Vocational Training

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Action for Boston Community Development, a nonprofit organization with offices at 178 Tremont Street. The purpose of this contract is to allow the contractor to continue to operate a vocational training program for CETA participants in the area of multi-lingual accounting. The program originally stated in Fiscal Year 1983 and is being continued into Fiscal Year 1984. The program provides training in accounting, filing, business math, business English, business machines and English as a second language. In addition, counseling and job placement services are being provided.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through October 31, 1983, at a total cost not to exceed \$5,594. The amount to be encumbered initially is \$1,000. This request was delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract to allow the contractor to complete the operation of a successful program at a reasonable cost, which conforms to federal procurement requirements for JTPA programs no public purpose would be served by formal advertising. I therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4 s. 5.

Sincerely,

Paul S. Grogan,  
Director.

### OFFICE OF HOUSING Homesteading Program

Dear Mr. Mayor:

I hereby request your permission to dispense with bidding and to award a contract in an amount not to exceed \$34,100, to Dorchester Bay Economic Development Corporation, a nonprofit corporation located at 187 East Cottage Street, Dorchester. The period of performance shall be from December 1, 1983, to December 31, 1984. The contract amount is reasonable for the services to be performed. Payment for this agreement will be made from Community Development Block Grant.

Under the terms of the agreement, Dorchester Bay EDC will continue to provide homesteading program services in the North Dorchester sections of Uphams Corner, Jones Hill, and Virginia Monadnock. Services shall include: property research; evaluation of rehabilitation feasibility; acquisition; application processing for Homesteader Selection Board; rehab specification writing; rehab contractor progress payment review and approval; escrow collection from buyers and rent collection; and deed. Dorchester Bay EDC has previously provided these services for North Dorchester and is qualified to continue to perform them.

The U. S. Department of Housing and Urban Development has agreed that neighborhood-based, nonprofit corporations participating in the Homesteading Program are exempt from federal contract bidding requirements. Also, due to the professional nature of the services to be performed under this agreement and also due to the fact that Dorchester Bay Economic Development Corporation has been performing the above services in an acceptable manner to date, it is my determination that the public would not be served by public advertisement for bids.

Sincerely,

Joseph M. Courtney,  
Division Director.

Dear Mr. Mayor:

I hereby request your permission to dispense with bidding and to award a contract in an amount not to exceed \$51,100, to Roxbury Multi-Service Center, a nonprofit corporation located at 317 Blue Hill Avenue, Roxbury. The period of performance shall be from December 1, 1983, to December 31, 1984. The contract amount is reasonable for the services to be performed. Payment for this agreement will be made from Community Development Block Grant.

Under the terms of the agreement, Roxbury Multi-Service Center will provide services to the Homesteading Program in two homesteading areas — Roxbury and Franklin Field. Services shall include: property research; evaluation of rehabilitation feasibility; acquisition; application processing for Homesteader Selection Board; rehab specification writing; rehab contractor progress payment review and approval; escrow collection from buyers and rent collection from tenants; utility coordination; and deed. Roxbury Multi-Service Center has previously provided these services in a satisfactory manner and is, therefore, considered qualified to continue service performance.

The U. S. Department of Housing and Urban Development has agreed that neighborhood-based, nonprofit corporations participating in the Homesteading Program are exempt from federal contract bidding requirements. Also, due to the professional nature of the services to be performed under this agreement and also due to the fact that Roxbury Multi-Service Center has been performing the above services in an acceptable manner to date, it

is my determination that the public would not be served by public advertisement for bids.

Sincerely,

Joseph M. Courtney,  
Division Director.

Dear Mr. Mayor:

I hereby request your permission to dispense with bidding and to award a contract in an amount not to exceed \$36,900, to E.B.C.D.C., Inc., a nonprofit corporation located at East Boston. The period of performance shall be from December 1, 1983, to December 31, 1984. The contract amount is reasonable for the services to be performed. Payment for this agreement will be made from Community Development Block Grant.

Under the terms of the agreement, E.B.C.D.C. Inc. will provide homesteading program services in East Boston. Services shall include: property research; evaluation of rehabilitation feasibility; acquisition; application processing for Homesteader Selection Board; rehab specification writing; rehab contractor progress payment review and approval; escrow collection from buyers and rent collection from tenants; utility coordination; and deed. E.B.C.D.C., Inc. has previously performed these services in a satisfactory manner and is considered qualified to continue service performance.

The U. S. Department of Housing and Urban Development has agreed that neighborhood-based, nonprofit corporations participating in the Homesteading Program are exempt from federal contract bidding requirements. Also, due to the professional nature of the services to be performed under this agreement and also due to the fact that E.B.C.D.C. Inc. has been performing the above services in an acceptable manner to date, it is my determination that the public would not be served by public advertisement for bids.

Sincerely,

Joseph M. Courtney,  
Director.

Dear Mr. Mayor:

I hereby request your permission to dispense with bidding and to award a contract in an amount not to exceed \$317,000, to Urban Edge Real Estate of Greater Boston, Inc., a nonprofit corporation located at 620 Centre Street, Jamaica Plain. The period of performance shall be from December 1, 1983, to December 31, 1984. The contract amount is reasonable for the services to be performed. Payment for this agreement will be made from Community Development Block Grant.

Under the terms of the agreement, Urban Edge will continue to operate the Homesteading Program in Jamaica Plain and initiate the Homesteading Program in Highland Park. An approximate total of fifteen properties or thirty dwelling units are planned for development in these two areas. Of the contract amount, \$131,000 will be used for Urban Edge's program administrative costs and \$186,000 will be used for additional funding of Urban Edge revolving fund. The \$196,000 in new revolving fund capital will lever approximately \$650,000 in private capital to produce a total of at least \$836,000 in rehab during the contract period. Services shall include: property research; negotiation; application for tax relief; evaluation of rehabilitation feasibility; rehab specification writing; rehab bidding; securing construction financing; rehab progress payment approval; management of rehab revolving fund; marketing; buyer processing; assisting buyer to secure mortgage financing and general accounting. Urban Edge is qualified to perform these services. Urban Edge has provided these services in

atisfactory manner in previous similar agreements.

The U. S. Department of Housing and Urban Development has agreed that neighborhood-based, nonprofit corporations participating in the Homeleading Program are exempt from federal contracting requirements. Also, due to the professional nature of the services to be performed under this agreement and also due to the fact that Urban Edge has been performing the above services in an acceptable manner to date, it is my determination that the public would not be served by public advertisement for bids.

Sincerely,  
Joseph M. Courtney,  
Division Director.

## PARKS AND RECREATION DEPARTMENT

### Waste Disposal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with inviting proposals by advertising in the *City Record*, and to award a contract to SCA Disposal Services of New England, Inc., Somerville, for waste disposal services between December 1, 1983, and June 30, 1984, inclusive. The sum to be paid will not exceed \$32,898.70, which will be charged to the Parks and Recreation Department budget 1-11-41 (25) Waste Disposal. The above consideration is based on the disposal of up to 245 tons at a per ton price of \$24.46. This is a reasonable rate for service of this manner and is based on the bid price of the above firm on a City of Boston, Public Works Department contract for the same service.

Since we do not generate the waste disposal volume of the Public Works Department, it is our opinion that we could not receive a better price by advertising for bids. I, therefore, respectfully request that your permission be forthcoming to enter into this contract.

Very truly yours,  
Robert R. McCoy,  
Commissioner.

## PARKING CLERK

### Backup Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Kristine Botteri, an individual, located at 36 Prospect Street, Hyde Park, for the purpose of backup in the Correspondence Section of the Office of the Parking Clerk.

This office has had prior exposure to Ms. Botteri's work experience in the EDP/IO Control Unit as a clerk on a service order basis, and have been extremely pleased with her ability to produce the workload expected.

Compensation under this contract shall not exceed \$8,200, which I have determined to be reasonable for the work to be performed; (at a rate of \$5.85 per hour on a Monday through Friday schedule). The terms of this contract shall be October 24, 1983, through June 30, 1984.

Because of the nature of the services to be performed, I believe public advertising would serve no useful purpose.

Very truly yours,  
John A. Vitagliano,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Rena Santangelo, an individual, located at Westover Street, West Roxbury, for the purpose

of backup in the Correspondence Section of the Office of the Parking Clerk — strictly concerning clerical functions.

Under the terms of the contract, Rena Santangelo would be working in a position which she has already been working in under a service order and the service has exceeded the legal limit. We, therefore, are requesting to keep her services ongoing with this contract.

Compensation under this contract shall not exceed \$8,600, which I have determined to be reasonable for the work to be performed. She would be paid on a biweekly system of \$5.85 per hour, on a seven-hour day schedule, Monday through Friday.

The terms of this contract shall be September 12, 1983, through June 30, 1984.

Because of the nature of the services and the previous training in the position, I believe public advertising would serve no useful purpose.

Very truly yours,  
John A. Vitagliano,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Mark Horan of 19 Linvale Terrace, Mattapan, for the purpose of backup in the Correspondence Section of the Office of the Parking Clerk.

This office has had prior exposure to Mr. Horan's work experience in the EDP, I/O Control Unit as a clerk on a service order basis, and have been extremely pleased with his ability to produce the workload expected.

Compensation under this contract shall not exceed \$8,200, which I have determined to be reasonable for the work to be performed; (at a rate of \$5.85 per hour on a Monday through Friday schedule).

The terms of this contract shall be October 24, 1983, through June 30, 1984.

Because of the nature of the services to be performed, I believe public advertising would serve no useful purpose.

Very truly yours,  
John A. Vitagliano,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Thomas Connolly, an individual, located at 88 Hallron Street, Hyde Park, for the purpose of backup in the Adjudication Section of the Office of the Parking Clerk.

This office has had prior exposure to Mr. Connolly's work experience in the Hearing/Adjudication as a hearing officer on a service order basis, and have been extremely pleased with his ability to produce the workload expected.

Compensation under this contract shall not exceed \$5,300, which I have determined to be reasonable for the work to be performed; (at a rate of \$5.85 per hour on a Monday through Friday schedule).

The terms of this contract shall be October 12, 1983, through June 30, 1984.

Because of the nature of the services to be performed, I believe public advertising would serve no useful purpose.

Very truly yours,  
John A. Vitagliano,  
Commissioner.

## PUBLIC FACILITIES DEPARTMENT

### Installation of Generator Power Assembly

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising, and to award a contract to W. A. Kraft Corp., 308 North Harvard Street.

Under the terms of this contract, the contractor will expeditiously install a voltage regulator power pack assembly to the existing generator at the Long Island Chronic Disease Hospital. The immediate installation of this generator voltage regulator is most urgent since the operation of the generating system with the existing regulator could be cause for serious damages to all existing life-support systems for patients, and to any other electric appurtenants that are connected to the emergency generating system, such as electric motors, building lights, security systems, and electrical switch gear. Failure to the existing equipment would bring about an extreme breakdown of all hospital operations. Therefore, I requested bids from three contractors normally engaged in this type of work with the following results: W. A. Kraft Corp., \$4,729; Joseph L. McKeen, Inc., \$5,040; J. J. Finn Electrical, \$5,380.

Compensation under this contract shall not exceed \$4,729, which I have determined to be reasonable for the work to be performed.

Because of the exigency due to the present situation, the possibility of future damages to generator system, life-support system, and hospital facilities, the reasonable cost of these services, and our favorable past experience with this contractor, I believe that public advertising would serve no useful purpose in this case.

Donald B. Manson,  
Director.

### Critical Path Method Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on October 21, 1983, I hereby request your Honor's written authority to dispense with inviting proposals by advertisement in the *City Record*, and award to MDC Systems Corporation, Philadelphia, a contract for critical path method services at Dorchester High and Jeremiah Burke High Schools for the period ending June 30, 1984.

The services include assisting the department in further utilizing the Apple III microcomputer for scheduling and monitoring construction projects, preplanning, preparation of logic diagram, data entry, periodic updating, issuance of monthly reports and site visits. The cost shall not exceed \$27,500, which is a reasonable amount.

The principal of MDC Systems, Mr. William Gleason, has been involved in several city projects requiring CPM services with successful results. I believe he is qualified to provide them as required herein.

Due to the technical and professional nature of the services, it is my judgment that public advertising would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

## REAL PROPERTY DEPARTMENT

### Appraisal Services

Your Honor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Casey & Dennis, located at 73 Tremont Street, for appraisal of 44-46 Temple Place.

Under the terms of this contract, Casey & Dennis will appraise 44-46 Temple Place for highest and

best use in accordance with Boston Redevelopment Authority and design guidelines. The guidelines furnished by the BRA to potential developers request that proposals be submitted no later than September 26, as a result this department is faced with a time constraint.

In a telephone solicitation of the following companies, Coleman & Sons, 73 Tremont Street, Casey & Dennis, 73 Tremont Street, and David L. Saunder, 229 Newbury Street, the only one of the above to submit a proposal was Casey & Dennis.

Compensation under this contract shall not exceed \$3,250. The contract shall be completed in accordance with the September 26 deadline set forth in the BRA guideline.

Because Casey & Dennis have satisfactorily completed work of this nature on behalf of the department in the past and submitting the only proposal as well as a reasonable one, I believe that public advertising would serve no useful purpose.

Respectfully yours,

Bernard F. Shadrawy,  
Commissioner.

#### SCHOOL DEPARTMENT

##### Consulting Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authority to dispense with bidding and award a contract to Haskell Goodwin Associates, Inc., 18 Main Street, Boston. The contract shall be in effect during the period of October 17, 1983, to June 30, 1984, and occur at a cost not to exceed \$9,900, which is deemed to be reasonable for the services to be provided.

The contractor will provide professional consulting services to the School Department in the areas of custodial and maintenance services in school facilities, including, but not limited to, assistance with union contracts negotiations and preparation of facilities-related budgets and proposals.

Haskell Goodwin Associates, Inc. is especially qualified to provide the above services based on their extensive professional experience in providing services in the areas of custodial service and preventive and corrective maintenance to owners of large facilities and complexes. Because of the professional and confidential nature of the services to be provided under this agreement and the specialized expertise of the contractor to provide these services, it is my determination that the public interest would not be served by public advertisement for bids. This contract is being submitted at a late date due to lengthy review of proposed services projects and schedules.

Very truly yours,

Robert R. Spillane,  
Superintendent of Schools.

##### Lamps and Light Bulbs

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Gem/Peerless Electric Supply Co., Somerville, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$50,000. Under the terms of this contract, the contractor will furnish lamps and light bulbs as listed in the Gem/Peerless contract with the state, at a cost not to exceed \$50,000.

The contractor has been awarded a contract with the state, after public advertisement for bids, at a price I deem reasonable. The total quantity ordered by the state is greater than our needs require so that we are able to benefit by the price quotes allowed the state on their contract. For this reason, it is my determination that the public interest would not be served by public advertising for bids.

This request is being submitted late due to the time it took to secure the appropriate signatures.

Very truly yours,

Leo J. Burke,  
Business Manager.

##### Medical Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to the Carney Hospital. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$20,603, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for the students of Dorchester High, Wilson, Homes, Rogers Middle, the Everett, Holland, Kenny, Marshall, Murphy, Stone, Channing, Fifield and Hemmenway Elementary Schools.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the Carney Hospital because it is the local health provider additional backup to the school health services as it has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as a delay occurred in the completion of this contract due to waiting for the revised copy of the Standard Contract (CM 10). A second delay occurred due to the inability of another local health care provider to perform these health services. This contract was detained at the District 5 office until all schools in District 5 were provided with health services.

Very truly yours,

Edward J. Winter,  
Secretary.

##### Sheltered Workshop Classes

Dear Mr. Mayor:

On behalf of the School Committee and upon the superintendent, I request your authorization for the award of a contract to South Shore Rehabilitation Center, 3 Arlington Street, North Quincy, MA. The contract shall be in effect during the period September 19, 1983, to May 19, 1984, and occur at a cost not to exceed \$19,000, which is deemed to be reasonable.

The contractor will be responsible for employment of students within the sheltered workshop classes and staff training for their teachers at Charlestown, English, Hyde Park, and Dorchester High Schools.

Morgan Memorial, Community Workshops, Inc., Vocational Adjustment Center, Charles River Workshop and South Shore Rehabilitation Center were contacted to inquire whether they could provide a school-based work experience program for the adolescent developmentally disabled student. South Shore Rehabilitation Center is the only organization which provides this service. Utilizing the service of South Shore Rehabilitation Center will save the school system manhours and money because of their experience in developing contracts for the handicapped and for their efficiency in running sheltered workshops.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement bids. The proposal passed School Committee August 23, 1983, and monies to fund this contract were included in the proposal.

This agreement is to be executed, without appropriation of funds, under the provisions of General Laws ch. 44, s. 53A, and is to be subject to receipt of funds under grant 89-313, Project 4 Support Services for the Multihandicapped 50. Low-incidence student. This contract is being submitted late because of uncertainty of funding for Special Education PL89-313 proposals during F.Y. 84.

Very truly yours,

Robert R. Spillane,  
Superintendent

##### Machine Rental, Purchase, etc.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract without public advertisement, to Sa Corporation, 1480 Soldier's Field Road, Brighton for furnishing machine purchase, rental, maintenance and supplies for the period July 1, 1983 through June 30, 1984 at a cost not to exceed \$100,000.

The contractor will continue service under terms and conditions of an existing contract during the 1982-1983 fiscal year. The machines are located in various schools and district offices in Boston School Department. The equipment service have proven satisfactory and I deem the cost is reasonable.

The contractor is specially qualified to provide the above services based upon its satisfactory performance of substantially the same service during July, 1982, through June, 1983.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement bids. This contract is being submitted late due to the time it took to secure the necessary signature.

Very truly yours,

Leo J. Burke,  
Business Manager

##### Business Assistance

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Tri-Lateral Council for Quality Education, 600 Atlantic Avenue, Boston. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$32,900, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved the FY84 chapter 636 proposals for the sum of \$5,280,685. The Tri-Lateral Council's portion allocated to that amount is \$32,900.

The contractor will provide services in coordinating the pairing of seventeen high schools and Humphrey Occupational Resource Center with twenty-three leading corporations in Greater Boston for the purpose of providing business assistance to schools in the form of curriculum development, staff development, direct service to students, management assistance, guidance, placement and support services.

The contractor is uniquely qualified to provide

the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Because of a turnover in personnel at the Tri-Lateral Council, whereby the official signatory changed, this contract could not be processed, before this time.

This agreement is to be executed, without an appropriation of funds, under the provisions of General Laws ch. 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636 84-C-0601.

Very truly yours,  
Robert R. Spillane,  
*Superintendent.*

**Invitation for Bids for Repairing Miscellaneous  
Vacuum Cleaner Equipment at Boston City  
Hospital.**

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, May 13, 1985. For information call (617) 424-5636.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Tuesday, May 28, 1985, at twelve noon, Boston time, at the Office of Contract Management, at the address shown above.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

The City of Boston, acting by its Board of Health

and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Monday, May 13, 1985.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on June 3, 1985, at twelve noon, Boston time, at the Office of Contract Management, at the address shown above.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Boarding and Securing, Project  
No. 71-CD-ABU (A-D), Community Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, herein-after referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

139-141 Sydney Street, Ward 13  
52 Deering Road, Ward 14  
40 Wildwood Street, Ward 14  
48 Mora Street, Ward 17

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, May 23, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Four copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the

contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 71-CD-ABU (A-D)."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee

manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1) (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commission of Labor and Industries under the provisions, chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specification for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section

of the Housing and Urban Development Act of 1968 and Executive Order 11246.

*The Invitation*

The Kit Clark Senior House, through funding from the Neighborhood Development and Employment Agency (NDEA) under support from the Community Development Block Grant invites contractors to bid the following project:

*Specific Information*

*Site*—Kit Clark Garage, 641-649 Washington Street, Dorchester, Mass.

*Scope*—Repair store fronts, coiling grilles, masonry repair, structural roof repair, new roof, painting, heating, plumbing, and electrical.

*Remarks*—No filed subbids required.

*Bids Due*—June 6, 1985, 1 p.m., at R. Wendell Phillips and Associates office, 2 Central Square, Cambridge.

*Drawing Available*—May 8, 1985, at 2 Central Square, Cambridge.

Site visit to be arranged with the architect.

General bids will be received at the job site at the designated time at which they will be opened and read aloud. Bids shall be on a form provided in the contract documents. Plans and specifications will be available immediately at the job site. A deposit of \$20 (certified check), payable to the nonprofit organization will be left upon receipt of drawings and returned when they are returned in good shape within thirty days.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provision of the contract documents requiring that at least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women, in each trade.

Included with the contract documents are copies of the "Minority Business Utilization Form" and "Minority Business Identification Statement." Each contractor must complete, sign, and file with this and the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

Contractors shall also avail themselves of the list of minority businesses to be provided by NDEA through the Office of Minority Business Enterprise to facilitate compliance with the requirements.

The attention of each bidder is called to the fact

that this is a federally assisted project and therefore, not less than the minimum salaries and wages set forth in the contract documents must be paid to each worker on the project (Davis-Bacon), and that the contractor must ensure that employees and applicants are not discriminated against because of race, color, religion, sex, or national origin (Executive Order No. 11246). Attention is also called to the contractor requirements relating to Workmen's Compensation and insurance requirements of the successful general contractor and subcontractor for the project shall be set forth in the Supplementary and Special Conditions of the contract documents.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the Directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on Monday, May 13, 1985, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

Dorchester Lower Mills, Phase II.

The City of Boston, acting by its Director of Public Facilities, Room 601, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for improvements to Dorchester Lower Mills, Phase II.

Bids will be received up until twelve o'clock noon, Boston time, June 5, 1985, at the office of the Awarding Authority, Room 601, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston, in the sum for 5 percent of his or her bid.

No bid may be withdrawn after the time limit for filing bids and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

PLANS AND SPECIFICATIONS will be available on or about May 15, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids or any item or items of a bid, if it be in the public interest so to do.

LIBRARY DEPARTMENT

Invitation for Proposals for Inspection  
and Testing of HVAC Water Systems.

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for inspection and testing of HVAC water systems at the Central Library building and at other Library locations during the period July 1, 1985, through June 30, 1986.

Proposals will be received until 12 o'clock noon, Boston time, Friday, May 31, 1985, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal," followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P.O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Wednesday, May 15, 1985, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

NEIGHBORHOOD DEVELOPMENT  
AND EMPLOYMENT AGENCY

I. The Invitation

The Hyde Park YMCA, through funding from the Neighborhood Development and Employment Agency (NDEA) under support from the Community Development Block Grant invites contractors to bid the following project:

II. Specific Information

Site—1137 River Street, Hyde Park, Mass.

Scope—Interior repairs, lighting, and fire alarm

Remarks—G. C. required.

Bids Due—May 22, 1985, at 1 p.m.

Drawings Available—May 8, 1985, at site through E. Friedman or Dodge Report.

General bids will be received at the job site at the designated time at which they will be opened and read aloud. Bids shall be on a form provided in the contract documents. Plans and specifications will be available on May 8, 1985, at the job site. A deposit of \$20 (certified check), payable to the nonprofit organization will be left upon receipt of drawings and given back when they are returned good shape within thirty days.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended on minority business enterprises. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provision of the contract documents requiring that at least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women, in each trade.

Included with the contract documents are copies of the "Minority Business Utilization Form" and "Minority Business Identification Statement." Each contractor must complete, sign, and file with the bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

Contractors shall also avail themselves of the list of minority businesses to be provided by NDEA through the Office of Minority Business Enterprises to facilitate compliance with the requirements.

The attention of each bidder is called to the fact that this is a federally assisted project and therefore, not less than the minimum salaries and wages set forth in the contract documents must be paid to each worker on the project (Davis-Bacon), and that the contractor must ensure that employees and applicants are not discriminated against because of race, color, religion, sex, or national origin (Executive Order No. 11246). Attention is also called to the contractor requirements relating to Workmen's Compensation and insurance requirements of the successful general contractor and subcontractor for the project shall be set forth in the Supplementary and Special Conditions of the contract documents.

**POLICE DEPARTMENT**

**Invitation for Proposals for Maintenance and Repairs to Radio Communications Equipment.**

The City of Boston (the City), acting by its Police Commissioner (the Official), invites sealed proposals for the performance of the work generally described above, and in the contract documents.

Every proposal shall be submitted in duplicate, and in accordance with, the contract documents which may be obtained at the office of the Official, Room 505, Police Headquarters, 154 Berkeley Street, Boston, MA 02116, on or after May 4, 1985.

All proposals shall be filed no later than 12 noon, Boston time, May 28, 1985, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in an amount to be determined by the Awarding Authority.

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof and to award the contract as the Official deems to be in the best interests of the City.

**NOTICE TO CONTRACTORS**

**Invitation for General Bids for Improvements to Hyde Square, Jamaica Plain, and Thompson Square, Charlestown.**

The City of Boston, acting by its Director of Public Facilities, Room 601, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for improvements to Hyde Square, Jamaica Plain and Thompson Square, Charlestown.

Bids will be received up until twelve o'clock noon, Boston time, June 7, 1985, at the office of the Awarding Authority, Room 601, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston, in the sum for 5 percent of his or her bid.

No bid may be withdrawn after the time limit for filing bids and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be

withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

PLANS AND SPECIFICATIONS will be available on or about May 17, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids or any item or items of a bid, if it be in the public interest so to do.

## SEEKING ACCESS TO HEALTH CARE

*Executive Summary of the Year-End Report of the Boston Committee on Access to Health Care.*

The Boston Committee on Access to Health Care was organized in March, 1984, to recommend policies that would lower financial barriers to care faced by insured Boston residents. Among the interests represented are Boston hospitals, community health centers, insurers, consumers, business, and government.

There are an estimated 98,000 individuals in Boston under age sixty-five who are uninsured throughout the year. This population has been characterized as follows:

- They are disproportionately poor; an estimated 53 percent had incomes below \$4,000 in 1979.
- Many are children; 20,000 are under nineteen years of age, 20 percent of all uninsured.
- Many are "working poor" without access to employer-paid benefits and unable to purchase expensive, non-group coverage.

National data indicate that the uninsured receive less medical care than the insured. It is feared that decisions to ignore medical problems or defer treatment for financial reasons create unnecessary suffering and complications. In Boston, hospitals and health centers continue to devote considerable resources to free care and bad debt. Annually in Boston, this amounts to over \$105 million by hospitals — with more than half from private hospitals — and about \$15 million from community health centers. This care is severely threatened, however, by a national trend toward price competition in health care and impending federal cuts:

- The burden on the traditional providers of free care, hospitals and health centers, grows as paying patients are drawn away to new plans such as private walk-in centers and health maintenance organizations.
- Declining Medicare and Medicaid reimbursement will hurt all providers, leaving them even less cushion to care for the uninsured.
- Community health centers, which rely heavily on government grants and programs, will have to cut back on free care if President Reagan's proposed cuts take place.
- Concerns about the durability of Massachusetts chapter 372 (the state's hospital reimbursement

law which allows hospitals to incorporate bad debt and free care costs in their charges) may discourage hospitals from taking on additional free care commitments.

The committee responded to immediate access concerns by recommending the creation of a health access information and referral telephone service and by securing commitments from all Boston providers to continue their provision of free care at current levels. Nearing implementation, the health care hotline will be partly funded by hospitals and health centers. Its main function will be to secure appropriate, affordable medical care for the uninsured. The service will also assist with obtaining coverages such as Medicaid and General Relief, and will promote efficient, ongoing primary care, streamline the registration process for consumers and providers, and systematically document problems that emerge.

The committee reached consensus on major principles of equity, dignity, and efficiency of services to the uninsured. This was to be accomplished by means of a system of coordinated care and personal coverage, rather than institutional charity. Subcommittees were formed to implement these recommendations. The Organization of Services Subcommittee is focusing on assuring financial access to prenatal care for the 1,000 uninsured pregnant women in

Boston each year by coordinating with health centers and hospitals and with other city and state efforts.

The Finance Subcommittee has outlined features of an access program — for example, that the uninsured should be provided the same services as are generally available to the insured. The subcommittee is reviewing various strategies to finance such a program. Most recently, discussion has focused on a plan to fundamentally alter the financing of care to the uninsured to promote personal coverage and equalize the burdens on consumers, providers, insurers, and business.

Committee consensus is to continue working into a second year. The very existence of this broad-based forum on access is significant; development of the necessary structural changes for access may now take place.

### BANK OF BOSTON ADOPTS ADAMS PARK

The Flynn administration has formally announced the agreement between the city and the Bank of Boston for the adoption of Adams Park in Roslindale Square. Under the agreement, the bank assumes responsibility for year-round care and maintenance of the park. Included are planting flower beds and shrubs, reseeding and mowing the grounds and keeping the area free of litter and refuse.

Touring the park with Bank of Boston President Ira Stepanian and City Councillor Thomas Menino, Alex Bledsoe, director of the Mayor's Office of neighborhood Services, said: "This agreement is important for Roslindale. Adams Park is a vital resource for the people of this neighborhood. Mayor Flynn endorses Bank of Boston's commitment to the community and encourages other businesses to follow its example."

(Continued on next page)

## Adams Park . . .

(Continued from previous page)

As part of the Flynn administration's continuing efforts to clean and beautify the city, the agreement represents a cooperative approach between local merchants and city agencies for the cleanliness and vitality of the Roslindale Square area. The Adams Park agreement is part of a program that will target parks in neighborhoods across the city for adoption.

### ADOPT-A-PARK PROGRAM

The Flynn administration's adopt-a-park program has targeted parks in a variety of neighborhoods for adoption by businesses and other organizations. Under the program, the care and maintenance of the park may be "adopted," including general maintenance, clearing the park of litter and refuse, planting flower beds and shrubs, pruning trees, and lawn mowing and raking.

### V. QUARTERLY INSPECTIONS

Effective with this order, the Fire Prevention Division will conduct the quarterly inspections of all nursing homes in this city until further notice.

### VI. COMMENDATIONS

At 0354 hours, April 19, 1985, Box 1884 was struck for an alarm of fire at 14 Clarkson Street, District 7.

Ladder Company 7 responded and upon arrival was informed of an elderly handicapped woman on the second floor.

Fire Fighter Patrick J. MacAuley, Ladder Company 7, immediately ascended to the second floor and located the woman. Due to the fact that the woman was rather heavy and incapable of self help, Fire Fighter MacAuley called upon Fire Fighter Donald F. MacDonald for assistance in removing her to safety.

Because Fire Fighter MacAuley and MacDonald acted before lines were operated and ventilation performed, and in a manner reflecting credit to themselves and this department, the Fire Commissioner is pleased to commend Fire Fighters Patrick J. MacAuley and Donald F. MacDonald of Ladder Company 7 and makes this commendation a part of their personal record.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### SCHOOL DEPARTMENT

#### Budget Analyses, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Centre Research, Inc., 6 Rockview Place, Jamaica Plain. The contract shall be in effect during the period of May 16, 1983, to June 30, 1983, and occur at a cost not to exceed \$5,800, which is deemed reasonable.

The contractor will provide the following services at the office of the Citywide Parents' Council, 59 Temple Place: budget analyses and program development consultation to the CPC to attend and analyze budget hearings and process on the School Department budget for FY84, to develop recommendations for parent participation in budget process for FY85, and to develop a fundraising proposal for a CPC foundation.

The contractor is especially qualified to provide the above services because of Centre Research's history and expertise in developing training materials, program development related to public education issues, and technical assistance on fundraising to small nonprofit organizations. Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that public interest would not be served by public advertisement for bids.

This contract is being submitted late due to the fact that it was necessary to secure the appropriate signatures and CPC was awaiting approval so this contract would be included on the unliquidated reserve list of the School Department for FY83.

Very truly yours,

Robert R. Spillane,  
Superintendent.

#### Evaluation Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Public Affairs Research Institute, Inc., Newton Highlands. The contract shall be in effect during the period of October 1, 1983, to September 30, 1984, and occur at a cost not to exceed \$9,814, which is deemed reasonable.

On April 5, 1983, the School Committee approved the second year of a three-year project for both Project S.U.C.C.R.S.S. and Project C.H.I.L.D. for Title VII E.S.E.A. funds in the amount of \$599,916, which included \$9,814 to fund this contract.

The contractor will provide the following evaluation services to be performed both at the Title VII Office and at designated sites serviced by these project: evaluation services will be provided according to the following schedule: Phase I, Planning; Phase II, Implementation; Phase III Progress Evaluation; and Phase IV Outcome Evaluation. Implementation of this phased evaluation will require that the following tasks be provided by P.A.R.I.: planning/design, instrumentation development, on-site interviews and observation, training courses review data analysis, and report preparation.

During 1982-83, the first year of the grant award, and RFD was developed by the School Department and sent to seven evaluation firms and two local universities. Of the two evaluation firms who responded to the RFP, a panel of School Department personnel, based on their review of the proposals submitted, determined that P.A.R.I. was especially qualified to provide the above services as they best met the specifications outlined in the RFP.

The contractor is especially qualified to provide the above services as P.A.R.I. during the first year of the project, has established efficient and effective techniques for collecting data and conducting on-site observations and reviews and has collected and analyzed the data which will be used in evaluating the second year of the project. Given the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the provision of General Laws chapter 44, s. 53A, and is to be subject to the receipt of funds under grants from Title VII E.S.E.A., Grant No. G00-82-02708 (Project C.H.I.L.D.) and Grant No. G00-82-01476 (Project S.U.C.C.E.S.S.).

Very truly yours,

Robert R. Spillane,  
Superintendent.

#### Cultural Development Programs

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the Culture Education Collaborative, 59 Temple Place, Boston. The contract shall be in effect during the period of October 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$41,000, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. The Culture Education Collaborative's portion as is related to that amount is \$41,000.

The contractor will provide the following services: technical assistance to school staff in the development of programs which implement the curriculum objectives using culture institution resources (ongoing consultations, scheduled weekly and small group meetings — scheduled at least weekly); advocacy for the coordination of the use of cultural institution resources (providing presentations — twenty times, sponsoring ten special events, five workshops, and one symposium); training and staff development to cultural institution staff about curriculum and program development and continuation strategies (six large group sessions and twenty small group sessions); information sharing including: identification and dissemination of school system priorities, improvement efforts, and exemplary programs and networking and professional support through bimonthly meetings, monthly newsletters, and presentations at brown bag lunches (five times).

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action

No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

The reason for the late submission of this contract is that the person who was responsible for preparing the contract was on vacation for the months of July and August.

This agreement is to be executed, without an appropriation of funds, under the provisions of General Laws ch. 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636 Project No. 84-BC-0601.

Very truly yours,

Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to University of Mass. at Boston, Downtown Center. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$21,600, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. University of Mass. at Boston's portion as is related to that is \$21,600.

The contractor will produce a multicultural television program to enhance participants awareness of other cultures and race relations. The contractor will provide: coordination and administration of the project district-wide; negotiation with local musicians; workshops on the history of popular aspects of production; and technical assistance in the rehearsal and production of each program. Two consultants will assist 150 students in three schools with the development of a TV presentation. Workshops, organizational meetings and rehearsals will take place from September to June, three times a week for fifteen weeks in each school.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

The reason for the late submission of this contract is that the State Department of Education did not act on this request until August 30, 1983. However, the services actually began on September 1, 1983.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the re-

ceipt of funds under grant from chapter 636 84-9D.

Very truly yours,  
Robert P. Spillane,  
Superintendent.

#### Computerized Vehicle Inspection

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Hamilton Test Systems NAO, Inc., Holliston, for the period June 1, 1983, through June 30, 1983, in the amount of \$9,280, a cost I deem to be reasonable.

Public advertisement in the *City Record* May, 1983, for a computerized vehicle inspection system was placed by the Parks and Recreation Department. Hamilton Test Systems was the only company to respond to the invitation for sealed bids. The School Department requires the same computerized vehicle inspection system and requests that Hamilton Test Systems provide one computerized vehicle inspection system to include a one-year program service agreement.

This contract is being submitted late due to the reassignment of the person responsible for negotiating this transaction and delay in obtaining the necessary data to execute this contract. Mr. Buras, located at the Hubert Humphrey Occupational Resource Center contacted City Purchasing and was informed there would be a waiting period before the city contract would be finalized, therefore, we were unable to transact a purchase against the city contract.

Very truly yours,  
Leo J. Burke,  
Business Manager.

#### Tabulating Forms

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Moore Business Forms, Wellesley, for the period January 1, 1983, to June 30, 1983, for furnishing stock tabulating forms, at a cost not to exceed \$6,000, a price I deem reasonable.

This request is being submitted for your approval at this time to pay outstanding invoices for forms that were ordered by a newly-appointed administrator in our Student Support Services Department who contracted City Purchasing and requested an order against contract 4021 without notifying our Purchasing/Contract Division. When invoices were received for payment, forms were sent to the company to be completed (December 1, 1982) and no response was received. A follow-up memo was sent to inform the company that outstanding invoices could not be paid without the completion of these forms so that an unadvertised contract could be processed, (February, 1983), still no response was received.

Recently, a new sales representative contacted us regarding the outstanding invoices and asked that a new set of forms be mailed. Since the forms have been completed and delivery has been made, this request is being submitted for your approval at this time in order that outstanding invoices may be paid against this contract.

Very truly yours,  
Leo J. Burke,  
Business Manager.

#### Information Brochure

Dear Mr. Mayor:

A superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Kate F. Johnson, Weymouth. Service was

rendered from August 15 through October 14, 1982, at a cost of \$4,030.70; (\$89.57 per day x 45 days), which is deemed to be reasonable.

This amount includes \$1,730.70 which was paid to Ms. Johnson for services performed under S.O. 10102. The services performed would have brought payment to over \$2,000. This necessitated the drawing up of a contract incorporating the \$1,730.70 and the \$2,000. Please note that Ms. Johnson has received payment of the \$1,730.70 and therefore, the auditor is requested to encumber only \$2,000 for this contract.

The contractor did provide the consultant services to the deputy superintendent, Curriculum and Instruction, 26 Court Street, by coordinating the development and production of a special information brochure for parents that explained the new curriculum objectives introduced in Grades K through 8 in mathematics and reading/language arts in the Boston Public Schools this school year.

Because of the professional nature of the services provided under this agreement, the expertise of the contractor in providing such services, and the role this contractor played in the production of the document that was the source of the services to be provided, it was my determination that the public interest would not be served by public advertisement for bids.

The late submission of this contract is due to the fact that services performed by Ms. Johnson exceeded \$2,000, and thus necessitated the drawing up of a contract incorporating S.O. 10102. Payment for these services was overlooked because of the confusion with the first service order and the decision on the method of payment for the additional work.

Yours truly,  
Robert R. Spillane,  
Superintendent.

#### Performing Arts Training, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Theatre-Mime MIRAGE, Inc. at the Boston Center for the Arts, 539 Tremont Street. The contract shall be in effect during the period October 10, 1983, to June 1, 1984, and occur at a cost not to exceed \$9,587.50, which is deemed to be reasonable.

The contractor will provide the following services at the Boston English and Madison Park High Schools. MIRAGE will be artists in residence offering a new program called Performing Arts Training. These residencies will begin with a performance and lecture-demonstration by MIRAGE, followed by a week in-school workshop. Then a selected group from each school will be chosen to continue in an extensive program at the MIRAGE studio. This intensive training will prepare the students to be directed in New Works, that will then be created for them. The New Works will be performed in the perspective high schools, the MIRAGE performing space, and in other Boston Schools.

The contractor is especially qualified to provide the above services because the two members come from a unique background—the school of Etienne Decroux—the teacher of Marcel Marceau, in Paris. They have carried this specialized theatrical training into eight years of creating and performing together. As teachers, they have trained students in high schools, universities and in their own school, the MIRAGE School of Corporeal Mime, which is the only school of its kind in New England.

Because of the professional nature of the services to be provided under this agreement and the

expertise of the contractor in providing such services, I have determined that the public interest would not be served by public advertisement for bids. This contract is being submitted late due to the time it took to secure the required signatures.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

#### Medical Services

Dear Mr. Mayor:

On behalf of the School Department, I request your authorization for the award of a contract to Young Audiences of Massachusetts, Inc., 74 Ju Street, for services to be performed during the period October 15, 1983, to May 1, 1984, at a cost not to exceed \$19,980, which is deemed to be reasonable by the School Committee, and approved on October 4, 1983.

The contractor will provide the following services: 180 programs will be presented by the performing ensembles on the Young Audiences of Massachusetts roster in the Boston Public Schools to grades 3, 4, and 5 and to the twelve middle schools without a music program, between October 15, 1983, and May 1, 1984. Programs will consist of 120 instrumental music performances, twenty Introduction Opera (early music) performances, and ten Heritage of Black Dance performances.

The contractor is especially qualified to provide the above services because Young Audiences, Inc. is a nationally recognized organization using or highly trained professional artists who must adhere to national standards. It is the only organization capable of presenting concerts and performances aimed at all grade levels in public schools and over thirty years of experience in the field.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract was submitted late due to the late notification that ample funds were allotted.

Very truly yours,  
Edward J. Winter,  
Secretary.

#### Electric Typewriters

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Associated Business Equipment, Inc., Wellesley Hills, for the period June 1, 1983, through June 30, 1983, at a cost not to exceed \$20,000.

Under the terms of the contract, the contractor will furnish and deliver electronic typewriters, security cables and related supplies to the HHH OF Education and Employment, 75 New Dudley Street, Roxbury.

Under the state law, any Massachusetts municipality may make purchases under state contracts which have been publicly advertised and awarded by the Collective Purchasing Bureau, Department of Administration and Finance. In order to take advantage of these state contracts, the city's Law Department has ruled that the city must award its contracts, based on state awards.

Since the above-named company was the low acceptable bidder on publicly advertised bids for electronic typewriters for the Commonwealth of Massachusetts and existing contracts with the Department of Administration and Finance, they are a responsible firm and they are qualified to fulfill

requirements of their contract, and the price is reasonable, it is my opinion that public interest would not be served by public advertising for bids.

This contract is being submitted for your approval at this time since the Contract Department has recently determined individual purchases with this company will exceed \$2,000 during this fiscal year (FY '84). The required form (CM10) was not returned until September 20, 1983.

Very truly yours,  
Leo J. Burke,  
Business Manager.

**Instructional Services.**

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the Unity through Creativity Production Co., Inc., 40 Kendall Street, Boston. The contract shall be in effect during the period September 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$9,000, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. Unity Creativity Production Co., Inc.'s portion as is related to that amount is \$9,000.

The contractor will provide the instructional/coordinator services of a cultural performance arts studies program/Jeremiah E. Burke High School (District V). Two theatre art electives for grade 10 to 12 will be offered. Those electives are: Multi-Cultural Dance Technique; African-American Drama Technique; in addition to teacher training workshops Infusing Creative Arts and Self Discovery Drama Therapy for special needs students. The Unity through Creativity Production Co., Inc. will also provide technical assistance for student productions and in-house/field trips to cultural performances.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

The reason for the late submission of this contract is, summer vacation schedules prevented obtaining official signatures. However, the performance of this contract began September 1, 1983.

This agreement is to be executed, without an appropriation of funds, under the provisions of General Laws ch. 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636 84-5D.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the Neighborhood Arts Center, 551 Tremont Street,

Boston. The contract shall be in effect during the period of September 25, 1983, to May 25, 1984, and shall occur at a cost not to exceed \$21,622, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. The Culture Education Collaborative's portion as is related to that amount is \$21,622.

The Neighborhood Arts Center will provide the instructional services in District 8 of the program, Books from My Head. Books from My Head is a language arts-based, creative writing program with a strong theatre and graphic arts component. For ten weeks, twice a week, fourth grades meet at the NAC or school's site to develop stories out of their own experiences, and produce hard-bound illustrated books of their own writing. Books curriculum had been incorporated into the fourth grade language arts program in the Randolph School system, as well as teaching socialization skills, the books program teaches planning, structuring and sequencing skills, in relation to creative writing and sophisticated book-making techniques. This program is designed to integrate two classes of twenty-five students from different schools.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

The reason for the late submission of this contract is the State board of Education did not approve District 8's portion of the contract until August 30, 1983.

This agreement is to be executed, without an appropriation of funds, under the provisions of General Laws ch. 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636 84-8MEP-0157 and 84-ID-0001.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

**NOTICE TO CONTRACTORS**

**Proposal for Demolition and Site Clearance,  
Project No. 149-CD-ATD, (A&B) Community  
Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

219-221 Washington Street, Ward 14  
225 Washington Street, Ward 14  
435-441 Blue Hill Avenue, (7 Sunderland Street)  
Ward 12

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, May 30, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined of this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 149-CD-ATD (A&B)."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE  
ACTION TO ENSURE EQUAL EMPLOYMENT  
OPPORTUNITY (EXECUTIVE ORDER  
11246), IF APPLICABLE.**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

**Notice**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision and the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices and the performances of this contract.

**Attention to All Bidders**

**I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contract complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contract must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership or control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of the directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, eighth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that all subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employment manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, May 20, 1985. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

#### THIS IS A STATE AID PROJECT

CONTRACTORS INTENDING TO BID ON THIS PROJECT MUST FIRST OBTAIN FORM R-109, "REQUEST FOR PROPOSAL FORMS" (FOR DETERMINATION OF CONTRACTORS PREQUALIFICATION) FROM THE CONTRACT ENGINEER, ROOM 7551, 10 PARK PLAZA, BOSTON, MASS., WHICH FORM MUST BE COMPLETED AND SUBMITTED TO THE CONTRACT ENGINEER FOR APPROVAL. UPON APPROVAL AND WITH THE SUBMISSION OF AN "APPROVAL FOR PROPOSAL FORM" TO ROOM 714 (CONTRACT OFFICE), CITY HALL, BOSTON, THE PROSPECTIVE BIDDER WILL BE ENTITLED TO RECEIVE A NON-TRANSFERABLE PROPOSAL PACKAGE.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 6, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of \$24,500, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City

of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

#### NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

#### ATTENTION TO ALL BIDDERS

##### I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the Directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

#### PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on June 3, 1985, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

NOTICE TO CONTRACTORS

Invitation for General Bids for Site  
Improvements, Hyde Park Municipal Building.

The City of Boston, acting by its Director of Public Facilities, Room 601, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for site improvements, Hyde Park, Municipal Building.

Bids will be received up until twelve o'clock noon, Boston time, June 12, 1985, at the office of the Awarding Authority, Room 601, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston, in the sum for 5 percent of the bid or her bid.

No bid may be withdrawn after the time limit for filing bids and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three most responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide insurance for the payment of compensation and for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), Chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

PLANS AND SPECIFICATIONS will be available on or about May 24, 1985, at the Public Facilities Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids on any item or items of a bid, if it be in the public interest so to do.

The City of Boston (the City), acting by its Police Commissioner (the Official), invites sealed proposals for the performance of the work generally described above, and in the contract documents.

Every proposal shall be submitted in duplicate on, and in accordance with, the contract documents which may be obtained at the office of the Official, Room 308, Boston Police Headquarters, 154 Berkeley Street, Boston, MA 02116, on or after May 21, 1985.

All proposals shall be filed no later than twelve noon, Boston time, June 3, 1985, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance, and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of

the contract. The penal sum of such bond or amount of such check shall be determined by the Police Commissioner.

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof and to award the contract as the Official deems to be in the best interests of the City.

## MAYOR DELIVERS "A CALL TO ACTION"

*Address of Mayor Raymond L. Flynn, Emmanuel College Commencement, May 19, 1985.*

As I sat and prepared for the honor of addressing all of you today, I found myself reflecting on a day twenty-two years ago, when I sat in your place, brimming with pride and expectation on Commencement Day.

I was one of the thousands who graduated into the hope of the Kennedy years, the days of the New Frontier: the Era of Tremendous Possibility. The graduates of my generation responded to the challenge of that time, expressed in the philosophy and the programs of President Kennedy. They were drawn to the poorest reaches of this nation and world — to Appalachia, Africa, and Latin America; and to every inner-city neighborhood, applying their youthful zeal to the complex problems of poverty, ignorance, and hunger.

As I was listening to the commencement speaker at my graduation in the spring of 1963, the headlines in the Boston papers were announcing what were to become historic events. We were reading about Dr. Martin Luther King's plan to march on Washington, and later we heard him tell us, with unforgettable words, "I have a dream." We were reading about the debate in Congress over historic Civil Rights and Voting Rights Legislation.

These headlines, and other measures, told us that America was feeling good about coming to terms with the inequities of its past. Because of that national commitment, the dreams of Dr. King — and of John Kennedy and Robert Kennedy — became reality. Our nation fed its hungry, comforted its sick, and supplanted poverty with the hope of a decent job at a living wage.

We did this and we felt good about doing it. America was not only willing, but proud to put its highest ideals into action.

Yet now, as each of you looks at today's world from the vantage point of commencement, it must seem a more bewildering place than what you know of the early 1960s. But, if you look more closely at that comparison, you see, sadly, that many of the issues and problems of twenty years ago are recurring today. The ranks of the poor, the hungry, and the homeless are growing, challenging the conscience of a nation once more. Famine is raging in Ethiopia and the threat of nuclear war is looming over

our lives, just as it did in the wake of the Berlin and Cuban crises.

The nations of the world still seem unable to resolve conflict by means other than the clash of arms and the violent taking of countless young lives.

It is troubling that so many problems remain, but it is more troubling when we see and hear the direction coming from our national leaders. The instructions seem very different from the exhortation that guided us two decades ago.

Today, the message has become Ask not what you can do for your country ask "what's in it for me."

This official indifference must be hard to sense on this quiet campus. Your instructors, the Sisters of Notre Dame, have distinguished themselves for decades — in this institution and elsewhere — by their singular dedication to the essence of Christ's teaching: "Love thy neighbor as thyself, for the love of God." I know that after four years of intensive studying and seeking after the truth, each of you is an exemplar of these fundamental values of love of God and belief in the human family.

But as you leave the sanctuary of these quiet grounds, look and listen carefully, and you will hear the voices and see the faces, crying out across this land, asking for help and leadership.

You can hear the pleas of the millions of elderly people, who, having contributed their life's energy to work and family, find themselves going without adequate nutrition and health care because of inadequate, fixed incomes.

On a freezing afternoon in wintertime Boston, you can see the homeless men huddled against a wall on Massachusetts Avenue, waiting for a bus ride to the emergency shelter on Long Island.

They are the victims of a trend in our socio-economic life — a trend that is yanking the means of survival from their hands. They are the victims of a society in peril — a society imperiled by its own callousness and lack of vision.

We can see the danger signs flashing in every aspect of our national life:

- We can see the danger when we look at the ground we are losing in the battle against infant mortality. As public health professionals will tell you, the infant mortality rate, the number of infants who die for each 1,000 who live, is the most sensitive index of how well a society is caring for its most vulnerable members. After thirty years of steady decline, the decline in the rate of infant mortality in this country has slowed down. In the poorest neighborhoods of Boston, the rate shot up in the wake of wholesale cuts in federal health and nutrition programs for poor families. We are fast becoming a society in which the size of a parent's income will determine which children will live or die.

Our families are under a general assault:

- Drug traffickers, who victimize suburban high schools as well as inner-city streets, poison our children's futures;
- As the indignity and anxiety of unemployment gnaws at the bond between millions of parents, homes crack and break under the stress;
- Millions of other adults stare blankly at the help-wanted ads, unable to find a job because they simply cannot read.

(Continued on next page)

## Commencement Address . . .

(Continued from previous page)

The signs are also visible beyond our borders:

- In Latin America, where every crossroad has become a flashpoint, our foreign policy can barely distinguish friend from foe. We drift in and out of local conflicts, succeeding only in alienating the true forces of democracy in the region. We have the bravado to spout tough-guy rhetoric, but lack the courage to wage peace;
- Around the world, we store enough nuclear missiles to turn the earth and its peoples into pulverized particles, swirling in a cloud of dust. Yet we meander around the negotiating table, unsure of what our goals are and how we would obtain them if we knew. We look into the eyes of our children, and even there we fail to see a reason to make sure there's a future.

Yet none of what I have outlined should discourage you. For, as the popular song tells us, "we are the world." It is up to us — up to you and me — to make it a place that has room for everyone, from the rugged desert terrain of Ethiopia to the housing developments in East Boston.

Events are calling forth those who are bright enough and brave enough to do that job.

As we look to the year 2000, when each of you will be nearing the peak of your professional lives, we must develop long-term strategies for our cities as well as our foreign policy. Strategies that make economic justice an integral part of economic growth.

As the United States Catholic Bishops Conference stated in their draft pastoral letter on the economy, "Economic institutions are not to be evaluated simply by their productive efficiency or by the amount of goods and services they make available, important as these surely are.

"We must also ask, do these institutions permit all persons that measure of active social and economic participation that befits their common membership in the human community?"

We have the opportunity to provide that measure of participation in our urban centers.

Where do we begin?

Our first initiative would be a low-income health care partnership act. The

act would distribute equitably the cost of caring for uninsured, low-income families and individuals. Our initiative would combine the resources of compassionate government with those of the private health care industry.

It is clear that under-funded public hospitals cannot carry this immense burden by themselves. Our initiative would complement existing public health insurance programs such as Medicaid and Medicare.

If anyone among us would argue that such initiative is of less than primary importance, we will take them down to the clinic at Boston City Hospital. There they will see babies struggling to survive, with the assistance of tubes and machines — they are the lucky ones. They are alive.

The problem of infant mortality cannot be treated, it can only be prevented. The only preventive measures that count are adequate prenatal health care and nutrition.

We will have to pay for such a program, but we are willing to do that. For the ultimate test of our society will not be the might of our arsenal or our readiness to use it, though it must be mighty and we must be ready, but the depth of our compassion and our willingness to act.

Our second initiative would substantially expand the existing Job Training Partnership Act, a public-private partnership, to educate the millions of illiterate adults in our society. If we target our

training efforts at these adults, we will release from the bondage of ignorance a class of willing men and women. These family breadwinners, who have the maturity and desire to be productive members of society, will be assets to economic growth.

Generally, we would draft a strategy to pair public and private investment to take full advantage of the massive expansion taking place in our economy. In this city, the glittering downtown office towers are monuments to economic growth. We would implement a national program that would build similar monuments — new housing, new jobs, and new health care facilities — in the less affluent neighborhoods.

Finally, in our dealings with the varied nations of the world, with the superpowers and those who stand in their shadow, we must exercise wisdom and patience. We must win allies because our ideas are superior, not because our weapons are deadlier. If we honestly cherish our American way of life — our families, our communities, and our freedom — then we must dedicate ourselves to the extension of these ideals to every nation. In that spirit, we must be dedicated first and foremost to ending this furious race to nuclear oblivion.

If we were to implement our program over the next two years, our cities, and our nation, would take giant steps toward the economy described by the Pastoral Letter, one that "functions in a way that respects the dignity of all persons."

These are times that demand the fullest from people of good conscience, from people such as you. You must survey the world around you, and then look inward, to find the courage and moral energy to make it a more humane place.

As you do that, you can take inspiration from some of the words that closed President Kennedy's Inaugural Address in 1961. They eloquently summarize the message I have tried to communicate this afternoon:

He said, "In your hands, my fellow citizens, more than mine, will rest the final success or failure of our course. Since this country was founded, each generation of Americans has been summoned to give testimony to its national loyalty . . .

"Now the trumpet summons us again — not as a call to bear arms, though arms we need — not as a call to battle, though embattled we are — but a call to

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### SCHOOL DEPARTMENT Instructional Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Dr. Harry Leichtman. The contract shall be in effect during the period November 27, 1983, to June 27, 1984, at a cost not to exceed \$5,490, which is deemed to be reasonable.

On August 23, 1983, the School Committee approved the Tileston Alternative Education Center for funds for \$238,459 which included \$5,500 to fund this contract.

The contractor will provide the following instructional services at the Tileston Alternative Education Center: Dr. Leichtman will design and implement a series of 122 hours of clinical consultation and training over a period of thirty weeks. These consultation and training sessions will include the following: individual care review; clinical consultation to teachers and aides; staff training in psychodynamic theory, behavior management techniques, crisis intervention and family counseling.

The contractor is especially qualified to provide the above services because of his extensive experience in working with public school children in the greater Boston area as former associate director of Camp Wadiko. Dr. Leichtman has been providing clinical consultation to a variety of social service agencies for the past ten years. He is a well-respected member of the clinical community.

Letters were sent to all major hospitals in the Boston area requesting any interested parties to submit resumes and hourly contractual rate. Dr. Leichtman was the only consultant to respond. Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the provision of General Laws ch. 44, s. 53A, and is to be subject to the receipt of funds under grant from P.L. 94-142, Project 30218.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

For the School Committee of the City of Boston, I respectfully request your authorization for the award of a contract to the Kodaly Center of America. The contract shall be in effect during the period of November 1, 1983, to June 1, 1984, and occur at a cost not to exceed \$4,000, which is deemed to be reasonable by the School Committee.

The contractor will provide the following instructional services at the Sarah Greenwood School: a Kodaly model program of thorough sequential instruction in reading, writing and sight singing music will be conducted for all children in the school including Spanish bilingual classes, two periods per week for grade 1 to 4, one period per week for kindergarten and grade 5. The chorus will perform at a downtown location once during the school year for the general public. Multi-ethnic music and musical games are used. The program is taught by experts from the Kodaly Center.

The contractor is especially qualified to provide the above services because Kodaly is a unique and specialized method of music training. The Kodaly Center of America is the only independent teacher training center in the country which specializes in the training of Kodaly music teachers and the supervising of Kodaly music programs in schools and colleges. Experts from the center provide direct services to children (all grade levels) and to teachers.

This contract is being submitted late due to unanticipated delays in developing and reviewing this contract.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Bunker Hill Community College, New Rutherford Avenue. The contract shall be in effect during the period September 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$75,388, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. Bunker Hill Community College's portion as is related to that amount is \$75,388.

The contractor will provide the following services:

Bunker Hill Community College/Charlestown High School Pairing: a learning center which provides individualized basic skills development designed to serve the diverse cultural and ethnic needs of Charlestown High School students, as well as, reduce disparity in academic achievement in specific areas such as math, reading, language arts, and civics; a language lab in the learning center which improves oral/aural skills of bilingual students and leads to integration of bilingual students and reduction of racial isolation; an applied arts program to reduce disparity and respond to talented and gifted students. Sixty Charlestown School students will be selected for a coordinated applied arts program involving printing processes, textile design, graphic design, and photography.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the provisions of General Laws ch. 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636 Project No. 84-7D.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the Dr. Solomon Carter Fuller Community Mental Health Center, Inc., 85 East Newton Street. The contract shall be in effect during the period of October 1, 1983, to May 31, 1984, and occur at a cost not to exceed \$4,500, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. The Culture Education Collaborative's portion as is related to that amount is \$4,500.

The contractor will provide the following services:

Four consultant/trainers, under Karen McLaurin, District Advisor will provide: training in peer counseling techniques to approximately 180 students in twelve schools within District V and IX; students training in the following topic area: interviewing and counseling skills (two sessions), group techniques, crisis intervention, values clarification and decision making; participating schools: District V, Jeremiah Burke, Dorchester High, Grover Cleveland, Oliver Holmes, Woodrow Wilson; District IX, Boston Latin Academy, Boston Technical, English High, Madison Park, Boston Latin, Mackey, Wheatley.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the provisions of General Laws ch. 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636 Project No. 84-9D-0009.

This contract is being submitted at this time due to the fact that we were not included in the original contract awards approved in June of 1983, but received 636 approval in September 1983.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for an award of a contract to Massachusetts Institute of Technology, Cambridge. The contract will be in effect during the period of September 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$67,052, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. Massachusetts Institute of Technology's portion as is related to that amount is \$67,052.

The contractor will provide the following services:

District IX—Mario Umana Technical High School \$67,052; provide via MIT comprehensive coordination and administration of all aspects of the Boston Public Schools/MIT pairing; enhance the schools self-improvement capabilities via MIT resources, state and federal resources and resources in the private sector; coordinate with Umana's appointed 636 coordinator all aspects of 636 activities including documentation; facilitate and coordinate: collaborative planning pilot projects, resources development, curricula design with parents, faculty, students and Boston school personnel; meet on a monthly basis, with other 636 college/university coordinators for the purpose of sharing project ideas, components and gaining information and ideas to improve the Boston schools/university pairings; carry out ongoing explorations and meetings at MIT with other external resources to identify and develop resources to meet the needs of Umana's teachers, students, parents, and administrative staff; attend weekly meetings with individual teachers, department heads and teacher groups to discuss, plan and coordinate assistance from MIT and to implement the components of this project; prepare a yearly STEP report that will bring uniform information on MIT, Massport, and Umana pairing; coordinate the Control Data (Plato) Umana/MIT research project with respect to basic skills improvement of students who are performing below grade level in reading and math; plan and attend monthly meetings of the MIT Ad Hoc for STEP committee; plan and attend, with the Umana headmaster, monthly meetings of the STEP Steering Committee; coordinate and document the research with Ford Funds of Umana's efforts to achieve: more effective teaching of math to minority students, more effective use of on-site technology for the teaching of math and greater collaboration of math and technical area teachers; obtain assistance from MIT faculty, staff and students with respect to P.C.P.II maintenance, grant and proposal writing with respect to increasing the use of computers, college awareness and financial planning, providing role models for Umana faculty in curriculum design, designing a math/computer lab, linking technical areas to hi-tech and other secondary schools; meet with Umana P.I.C. coordinator and the school planning team to provide jobs and internships at local businesses and MIT.

The contractor is especially qualified to provide the above services because Massachusetts Institute of Technology has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G). Also, Massachusetts Institute of Technology has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

The reason for the late submission of this contract is due to a changeover of personnel at the institute both at the academic and administrative levels. This resulted in many corrections needed to produce a complete contract package for our annual program that has been approved by the State Board of Education as part of the District IX chapter 636 Project for the Boston Public Schools fiscal year 1984.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the provision of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636, 94-9D-0009.

Very truly yours,

Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the Massachusetts College of Art, 364 Brookline Avenue. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and will occur at a cost not to exceed \$47,591.28, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. Massachusetts College of Art's portion as is related to that amount is \$47,591.28.

The contractor will provide the following services:

Schedule 1—District 9 English High School Project 84-9D: the Magnet Art Program will be developed and dissemination for city-wide use; providing classroom enrichment through field trips, visiting artists and student interns; development of a multilingual syllabus in the arts; continuing outreach programs to parents and the middle schools; managing, supervising and evaluating all aspects of the program; maintaining communication between the college, EHS, District 9 and the School Department.

A strong philosophical commitment and the close proximity of both facilities continues to make this collaboration a constant and vital interchange.

The contractor is uniquely qualified to provide the above services because the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

The reason for the late submission of this contract is based on the policy of having one contract per contractor whenever possible. Because of delay's experienced with other segments of the contract, we are going forward with the District IX portion. Services actually began on September 1, 1983.

This agreement is to be executed without appropriation of funds, under the provision of General Laws chapter 44, s. 53A and is to be subject to the receipt of funds under grant from chapter 636 Project 84-9D.

Very truly yours,

Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Federated Dorchester Neighborhood Houses, Inc. 985 Dorchester Avenue, Dorchester. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$57,060, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. FDNH's portion as is related to that amount is \$57,060.

The contractor will provide the instructional services of program in the integration of bilingual students in the general program, promotion of integrated student leadership reducing disparity in academic achievement and career awareness provided by a team of three full-time teachers, one instructional aide and the program director. The project consists of a five-day week, Monday through Friday, 8:15 a.m. to 2 p.m. program, during the regular school year. thirty-five students are the expected enrollment.

The contractor is uniquely qualified to provide the above services because the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge V. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636, 84-5D-0005.

Very truly yours,

Robert R. Spillane,  
Superintendent.

TREASURY DEPARTMENT  
Tax Collection Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Deborah Roberson, an individual, located 382 Commonwealth Avenue, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of this contract, Ms. Roberson will assist in clerical activities for the unit. Ms. Roberson is uniquely qualified to do this work because of her experience within the unit, her formal education and her excellent past performance.

Compensation under this contract shall not exceed \$6,000, which I have determined to be reasonable for the work to be performed. Ms. Roberson

will be working part time at the rate of \$5 per hour.  
The term of this contract shall be October 7, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,  
Lowell L. Richards, III,  
Collector-Treasurer.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Ronna Horwitz, an individual, located at 293 Bunker Hill Street, Charlestown, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of this contract, Ms. Horwitz will assist in clerical activities for the unit. Ms. Horwitz is uniquely qualified to do this work because of her experience within the unit, her formal education and her excellent past performance.

Compensation under this contract shall not exceed \$6,000, which I have determined to be reasonable for the work to be performed. Ms. Horwitz will be working part time at the rate of \$5 per hour.

The term of this contract shall be October 7, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,  
Lowell L. Richards, III,  
Collector-Treasurer.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Daidra Gorham, an individual, located at 499 Columbia Road, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of this contract, Ms. Gorham will assist in clerical activities for the unit. Ms. Gorham is uniquely qualified to do this work because of her experience within the unit, her formal education and her excellent past performance.

Compensation under this contract shall not exceed \$6,000, which I have determined to be reasonable for the work to be performed. Ms. Gorham will be working part time at the rate of \$5 per hour.

The term of this contract shall be October 7, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,  
Lowell L. Richards, III,  
Collector-Treasurer.

**NOTICE TO CONTRACTORS**

**Invitation for Bids for the Construction of Improvements at the Monsignor O'Donnell Square.**

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "the Construction of Improvements at the Monsignor O'Donnell Square."

**SCOPE OF WORK:** The work generally consists of the demolition of existing site features; furnishing and installation of new steel picket fence, posts and gate; installation of a cement concrete mower strip, cement concrete safety walk, cement concrete sidewalk; tree and shrub planting; and installation of woodchip mulch surface.

**BIDS** shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, June 11, 1985, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

**SPECIFICATIONS AND PLANS** will be available on or about Tuesday, May 28, 1985, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$10 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$10 check returned.

**BIDDERS** are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority

Business. Copies of the Minority Business Identification Statement are available at the City of Boston Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement, (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, June 4, 1985, at 10 a.m., Boston time.

CITY OF BOSTON

PARKS AND RECREATION DEPARTMENT

This Project is Funded Under the  
Community Development Block Grant

Invitation for Bids for  
Contract Document Listed Below.

The City of Boston, acting by the Director of N.D.E.A. and the Commissioner of Parks and Recreation, invites sealed proposals for contract/document listed below entitled: "The Construction of improvements at the Hanson Street Play Area."

SCOPE OF WORK: Consists of the reconstruction of a play area and work incidental thereto and includes construction of fencing, timber curb, bituminous concrete walk pavement, brick pavement, subdrain, woodchip surfacing, sand surfaces, benches, play equipment and landscaping. Estimated cost of construction is \$23,000.

The Director of the N.D.E.A. has designated the Commissioner of Parks and Recreation Department to act on its behalf to administer the project subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents.

Proposals will be received until 2 p.m., Boston time, Tuesday, June 11, 1985, at the office of the Commissioner, Room 816, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, at 10 a.m., Boston time, Tuesday, June 4, 1985.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 816, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a bid bond, or a certified check or treasurer's or cashier's check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of his/her bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked.

The attention of bidders is specifically directed to the provisions of the contract documents, including, without limitation, the information to bidders (including subbidders) and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions, and the requirements of mandatory compliance with Executive Order 11246. No bidder shall be eligible for award in this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction in the covered areas (see pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

Notice

The notice of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

Bidders seeking information pertaining to affirmative action in connection with City of Boston contracts should contact the Compliance and Enforcement Division of Neighborhood Development and Employment Agency, 15 Beacon Street, Boston.

*No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.*

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental or American Indian.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Final Minority Business Utilization Report," and "Weekly Utilization Report."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each minority business enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, MA 02108.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ

minorities and women evenly on its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order, and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

No proposal may be withdrawn after the time limit for filing proposals and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no proposals filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner.

Specifications may be obtained at the office of the Commissioner at and after 9 a.m., Boston time, May 28, 1985, upon deposit of cash or certified check, payable to the City of Boston, for \$25 per set of specifications. The full amount of the deposit will be returned upon return of all documents, in good condition, within thirty days after the opening of the bids (Saturdays, Sundays, and legal holidays excluded).

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON,

PAUL S. GROGAN, Director, N.D.E.A.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Demolition and Site Clearance,  
Project No. 150-CD-ATD (A&B), Community  
Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

235-239 Blue Hill Avenue, Ward 12  
8 Elwyn Road, Ward 17

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received until 11 a.m., Thursday, June 6, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined of this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation,

sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 150-CD-ATD (A&B)."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE  
ACTION TO ENSURE EQUAL EMPLOYMENT  
OPPORTUNITY (EXECUTIVE ORDER  
11246), IF APPLICABLE.**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performances of this contract.

**Attention to All Bidders**

**I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 2 percent of his bid price shall be expended for minority business enterprise, if the bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority person (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of the directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, eighth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. **The workforce requirements of paragraphs (1) (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.**

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1) (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specification for goals and timetables.)

These goals are applicable to all the contractor construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoughton, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed

to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, "anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

**Proposal for Furnishing Mechanical Sweepers for the Purpose of Supplementing the Department Forces and Equipment in Connection with the Work of Keeping the Streets Clean in the City of Boston.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Tuesday, May 28, 1985.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 13, 1985, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance, and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of one thousand dollars (\$1,000).

#### NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of

chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

**Invitation for Bids to Provide Program Maintenance/Repair for EMS Communications Equipment for EMS/Ambulance Service at Boston City Hospital for the period July 1, 1985, through June 30, 1986.**

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Tuesday, May 28, 1985.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Thursday, June 13, 1985, at twelve noon, Boston time, at the Office of Contract Management, at the address shown above.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Backflow Preventer Installations and Repairs at Various Schools."

**SCOPE OF WORK:** In general includes: Plumbing, masonry, carpentry, metal work, cutting, drilling and coring of holes and all other work specified herein.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** General bidders shall file an Application to Bid and a Contractors Qualification Statement with the Awarding Authority at 26 Court Street, Boston, MA 02108, second floor, no later than twelve o'clock noon, Boston time, Thursday, May 30, 1985. Forms may be obtained without charge from the Awarding Authority. ALL GENERAL BIDS will be received before twelve o'clock noon on Thursday, June 20, 1985, at which time and place respective bids will be opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Thursday, June 6, 1985, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

**I. The Invitation**

The F.I.R.S.T. Inc., through funding from the Neighborhood Development and Employment Agency (NDEA) under support from the Community Development Block Grant invites contractors to bid the following project:

**II. Specific Information**

Site—F.I.R.S.T. Inc., 167 Centre Street, Roxbury MA 02119.

Scope—Exterior/interior repairs and new boiler.

Remarks—General contractor required.

Bids Due—June 3, 1985, 2 p.m. at site.

Drawings Available—Immediately at site.

General bids will be received at the job site at the designated time at which time they will be opened and read aloud. Bids shall be on a form provided in the contract documents. Plans and specifications will be available immediately at the job site. A deposit of \$20 (certified check), payable to the non-profit organization will be left upon receipt of drawings and given back when they are returned in good shape within thirty days.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 1 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provision of the contract documents requiring that at least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women, in each trade.

Included with the contract documents are copies of the "Minority Business Utilization Form" and "Minority Business Identification Statement." Each contractor must complete, sign, and file with the bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

Contractors shall also avail themselves of the list of minority businesses to be provided by NDE through the Office of Minority Business Enterprise to facilitate compliance with the requirements.

The attention of each bidder is called to the fact that this is a federally assisted project and therefore, not less than the minimum salaries and wages set forth in the contract documents must be paid each worker on the project (Davis-Bacon), and the contractor must ensure that employees and applicants are not discriminated against because of race, color, religion, sex, or national origin (Executive Order No. 11246). Attention is also called to the contractor requirements relating to Workmen Compensation and insurance requirements of the successful general contractor and subcontractor for the project shall be set forth in the Supplementary and Special Conditions of the contract documents.

The County of Suffolk (the County), acting by its Sheriff of Suffolk County, invites interested competent parties customarily engaged in rodent and pest control, located within Suffolk County, to submit sealed proposals for the performance of the work generally described above, and in the contract documents.

Every proposal shall be submitted in duplicate, on, and in accordance with, the contract documents which may be obtained at the office of the Official, Suffolk County Jail, Budget Office, 215 Charles Street, Boston, Mass., on or after May 28, 1985.

All proposals shall be filed no later than Friday, June 14, 1985, twelve noon, Boston time, at the office of the City Auditor, Room M4, City Hall, Boston and at the office of the Official, Suffolk County Jail Budget Office, 215 Charles Street, Boston, Mass., in an envelope and plainly marked "Proposal for Providing Rodent and Pest Control at the Suffolk County Jail."

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such certified check shall be in the amount of one hundred dollars (\$100), made payable to the City of Boston.

The County and the Official reserve the right to reject any and all proposals or any part or parts thereof and to award the contract as the Official deems to be in the best interests of the County.

COUNTY OF SUFFOLK,  
By DENNIS J. KEARNEY,  
Sheriff.

## THE ARGUMENTS FOR FINANCIAL REFORM

Boston's economy is expanding. Downtown construction is booming and the financial industry is surging, with over a hundred billion dollars in holdings. The real estate market is attracting international investment, and our service industries, colleges, hospitals, and transportation centers are expanding. Last year, this city experienced **\$3 billion** in new commercial investment. Right now, \$1.3 billion in projects are in various stages of planning.

That \$1.3 billion will mean 12,000 new construction jobs and 25,000 new permanent jobs.

Today, the Mass. Transit System and the highways bring in over 600,000 people each workday, doubling the city's population during working hours. Sixty-four percent of all our jobs—and 75 percent of all managerial jobs—are held by those who live outside the city.

This climate of economic growth led to Boston's selection by Rand McNally as one of America's most livable cities.

Yet it is astonishing, in a city of such wealth, that we have to recruit volunteers to clean the streets.

Consider the paradox that is Boston:

- ninety-eight percent of locally generated revenue comes from the property tax.
- Since the enactment of Proposition 2 1/2 in 1981, we have suffered a cumulative loss of \$400 million. At the same time, we have more tax-exempt property than any city except Washington, D.C.—over 50 percent of our property is tax-exempt.
- The proposed federal cuts would take away another \$177 million, in the next year alone. We would lose vital funds such as the \$18 million in revenue sharing, every penny of which we spend in the fight against crime.
- Most city expenditures are fixed costs for such basic services as fire, police, public works, and health and hospitals.
- These factors have combined to create a structural gap between revenues and essential expenditures.
- To compound our problems, we are facing potentially **enormous** liabilities from lawsuits, involving the disproportionate assessment of property under the previous administration.

Thus, we are a poor city that generates tremendous wealth. When I look at this paradox, I begin to think that Charles Dickens really had Boston in mind when he wrote *The Tale of Two Cities*.

Boston is second only to New York in the size of its financial industry. We are estimated to be the largest center of **venture capital** in the country. At the same time, 42 percent of our families live below or near the poverty line.

It is astounding to visitors who look up at the new glass office towers that we must scratch and scrape to finance neighborhood police stations and provide health care to poor families.

We are not authorized to capture our share of revenue from this massive growth. Indeed, no other major city tries to do so much with so little. But without an expanded revenue base we cannot play our role in fostering continued growth.

The proposals we have offered to the Legislature are good for all of the cities and towns in the Commonwealth—because they would give each municipality the option to raise revenues and earn financial independence. Four proposals that would be effective and have attracted broad support are:

- a local option excise on the sale of jet fuel;
- A portion of the hotel-motel tax, provided through a local-option increase;
- Assumption of County Correctional costs by the State; and
- An adjustment in the MBTA assessment formula.

We are managing well with the limited

revenues that we have. When Moody's Investor Service recently upgraded our bond rating from noninvestment to investment grade, they did it because of their confidence in our fiscal management. That confidence was borne out in the marketplace when \$65 million in city bonds sold out between 9 a.m. and 1 p.m. on their first day of issue on April 23.

The question now becomes: Will Boston continue to attract national and international investment if we are unable to effectively clean, police, and repair the streets? That is the question that must be posed to our State leaders, because, as the leaders of Boston's business community are concluding, after a thorough examination, Boston faces a more than \$50 million deficit at the end of FY 1986.

We need growth revenues to foster **continued** growth. We need cost assumptions to support programs that close the gap between rich and poor.

We need to close the gap between essential expenditures and limited revenues.

We are fighting an uphill battle for reform at the State House. It is a difficult fight because we are trying to do something that has never been done before. If we are successful, we would be well on the road toward securing financial stability for communities throughout the State. If we are to be successful, the Governor and the Legislative leadership must hear from concerned citizens such as each of you.

### BOARD OF MERIT

The Board of Merit, consisting of Fire Commissioner and the Deputy Fire Chiefs, has considered all meritorious acts referred to it during the year 1984. After careful consideration and study, the Board submitted the following recommendations which are hereby approved by the Fire Commissioner.

1. Case of Fire Fighter Kevin E. Ranahan, Ladder Company 4

At 1914 hours, January 10, 1984, Ladder Company 4 responded to Box 2255 for report of a fire at 27 Highland Avenue, Roxbury.

Upon arrival, heavy smoke was issuing from the building and members were informed that the fire was on the third floor. Fire Fighter Kevin E. Ranahan of Ladder Company 4 ascended the stairway to the third floor in search of probable occupants. Finding none, he made his way through extreme heat and smoke conditions to the fourth floor, forced open the apartment door, groped his way inside and located a semi-conscious woman on the floor. With extreme difficulty, he dragged the woman from the apartment, picked her up onto his shoulders and carried her downstairs to safety.

#### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

Because Fire Fighter Ranahan executed this rescue under extreme heat and smoke conditions, before fire operations could be effected, subjecting himself to great personal risk, the Fire Commissioner highly commended Fire Fighter Kevin Ranahan of Ladder Company 4 in General Order No. 15 of 1984.

The Board recommends that the name of Fire Fighter Kevin E. Ranahan, Ladder Company 4, be placed on the Roll of Merit.

2. Cases of Fire Lieutenant John J. Simpson, Headquarters; Fire Fighter William J. McCarthy, Ladder Company 23; Fire Fighter Henry J. Sheridan, Ladder Company 23

On January 22, 1984, Box 3113 was struck for alarm of fire at 173 Columbia Road. Upon arrival, Engine Company 24 and Ladder Company 23 were informed by tenants that people were trapped on the third floor. Fire Lieutenant John J. Simpson, Headquarters (detailed to Ladder Company 2) and Fire Fighter William J. McCarthy, Ladder Company 23, immediately ascended the stairs and passed through intense heat and smoke in search of said victims. During their search they came upon three children in the kitchen area gasping for air. Both members immediately removed their faces and applied them to the children while exiting through the burning hallway to safety.

While the above action was taking place, Fire Fighter Henry J. Sheridan of Ladder Company 23 went over the aerial ladder to the roof and descended the penthouse stairs finding the child's mother semi-conscious and panic stricken on the landing of the smoke-filled hallway. He immediately removed her to the roof, calming her down until the fire was knocked down, and removed her to the street where she was removed to the Boston City Hospital with her children.

Because all of the above rescues were made due to quick action and extreme personal risk, before ventilation could be accomplished, thereby averting a sure tragedy, the Fire Commissioner highly commended Fire Lieutenant John J. Simpson, Headquarters, Fire Fighters William J. McCarthy and Henry J. Sheridan of Ladder Company 23 in General Order No. 21 of 1984.

The Board recommends that the names of Fire Lieutenant John J. Simpson, Headquarters, Fire Fighter William J. McCarthy, Ladder Company 2 and Fire Fighter Henry J. Sheridan, Ladder Company 23, be placed on the Roll of Merit.

3. Case of Fire Fighter John J. Nee, Engine Company 7

On January 28, 1984, Box 1522 was struck for alarm of fire at 10 Isabella Street, District 4. Upon arrival, Engine Company 7 immediately ran an attack line to the third floor of the fire building where heavy fire was encountered. While Engine Company 7 fought the fire, Fire Fighter John J. Nee, Engine Company 7 was sent to investigate the fire above. Under intense heat and smoke conditions Fire Fighter Nee reached the fourth floor and heard cries for help.

On hands and knees through heavy smoke, he made his way to the location and came upon a semi-conscious, sixty-seven-year-old woman. Removing his mask and placing it on the victim, then made his way to a window, opening same then carried the woman to the window until further help arrived to assist him in removing her to safety.

Because this rescue was performed under difficult fire conditions and great personal risk, the Fire Commissioner highly commended Fire Fighter John J. Nee of Engine Company 7 in General Order No. 21 of 1984.

The Board recommends that the name of Fire

Fighter John J. Nee, Engine Company 7, be placed on the Roll of Merit.

4. Case of Fire Fighter Joseph F. Davies, Jr., Engine Company 33

On February 23, 1984, at approximately 1800 hours, while on duty at a paid fire detail at the Westin Hotel, Fire Fighter Joseph F. Davies of Engine Company 33 became aware of a woman in the cafeteria of this hotel who had a piece of food lodged in her throat. Recognizing the need for assistance as she was not breathing and turning blue in color, Fire Fighter Davies immediately went to her aid and performed the Heimlich Maneuver which successfully dislodged a large piece of food. At this point, the victim breathed again and returned to normal color.

Because of this quick action and knowledge of lifesaving efforts which reflects much credit to himself and our department, the Fire Commissioner commended Fire Fighter Joseph F. Davies of Engine Company 33 in General Order No. 22 of 1984.

The Board recommends that Fire Fighter Joseph F. Davies, Jr., Engine Company 33, be awarded the Distinguished Service Award.

5. Case of Fire Fighter Patrick A. Munroe, Engine Company 22

On April 18, 1984, at approximately 1300 hours, a citizen came to Engine Company 22's quarters and reported a building fire at 151 West Concord Street. At that time, the apparatus of Engine Company 22 was out of quarters for repairs. As Fire Fighter James P. Odom notified members and Fire Alarm, Fire Fighter Patrick A. Munroe took his air mask and ran to the location of the reported building fire.

Upon arrival, he was notified of persons trapped in the building. He immediately donned his air mask and made his way to the third floor where he encountered a male resident in a confused state in the hallway which was heavily charged with heat and smoke. Fire Fighter Munroe led the man down the stairs to the street, giving him air from his mask facepiece.

Fire Fighter Munroe then went back into the building, making his way to the fourth floor where he heard weak cries for help from behind a locked apartment door. Kicking open the apartment door, he found a female resident lying on the floor in a semi-conscious condition. Giving air from his facepiece to the victim, he then carried her to a window and lifted her out said window to a balcony and awaited Ladder Company 15's aerial ladder which was raised from a rear alley.

Because Fire Fighter Munroe performed all of the above actions with complete disregard for his own safety, and at extreme personal risk, without benefit of full protective gear, and prior to the arrival of apparatus, the Fire Commissioner highly commended Fire Fighter Patrick A. Munroe of Engine Company 22 in General Order No. 41 of 1984.

The Board recommends that Fire Fighter Patrick A. Munroe, Engine Company 22, be awarded the John E. Fitzgerald Medal for the Most Meritorious Act.

6. Case of Fire Fighter Edward J. Hudalla, Ladder Company 29

On July 1, 1984, at 0039 hours, Box 3616 was struck for an alarm of fire at 7 Lorne Street, District 12.

Ladder Company 29 responded and upon arrival encountered heavy smoke issuing from the second and third floors. Informed of a person or persons trapped on the second floor, Fire Fighter Edward J. Hudalla of Ladder Company 29 immediately donned his air mask, ascended the stairway to the second-floor apartment which was heavily charged with heat and smoke and groped his way through

the hallway to a bedroom where he came upon a woman in a semi-conscious state. With much difficulty, he carried the woman back through heat and smoke toward safety where he was assisted by brother fire fighters. Reaching the outside, he immediately began mouth-to-mouth resuscitation until relieved by a Boston City Hospital Paramedic.

Because Fire Fighter Hudalla performed this rescue without regard for his own safety and in the highest tradition of this department, the Fire Commissioner highly commended Fire Fighter Edward J. Hudalla of Ladder Company 29.

The Board recommends that Fire Fighter Edward J. Hudalla, Ladder Company 29, be placed on the Roll of Merit.

7. Case of Fire Fighter Patrick F. Foley, Jr., Engine Company 20

On October 6, 1984, at 2127 hours, Engine Company 20 was dispatched by the Fire Alarm Office to the Neponset River Bridge for two persons who had fallen into the river.

Upon arrival at the given location, and observing two persons in the water, members of Engine Company 20 were required to run from the bridge, back toward Neponset Circle and along Neponset Avenue, to reach the water's edge.

At this point, it was determined that the victims were approximately 50 to 75 yards down stream with an incoming tide that was carrying the victims further away. One victim was yelling that he was unable to hold the other up much longer.

With the water and air temperature in the low forties, and despite the distance he had run from the bridge, Fire Fighter Patrick F. Foley, Jr., without hesitation, told his superior officer that he was willing to attempt to swim out to assist the victim. Removing his protective gear, he entered the debris-filled water, picking up a floating log on his way and swam about 75 yards to the victims, who at this point were exhausted and about to give up. Reaching both victims, Fire Fighter Foley managed to put one of the victims over the log and instructed the other to hold the log while, with great difficulty, pushed the log toward the shore against the tide for approximately 25 yards to a boat manned by other members. Due to the current and size of the boat, only one victim could be put on without the possibility of capsizing the boat, whereupon Fire Fighter Foley instructed the other young man to hold on to the stern with him and supported him while they were brought to shore.

Because of his immediate action, exposing himself to extreme personal risk, without regard for his own safety and in the highest tradition of this department, the Fire Commissioner highly commended Fire Fighter Patrick J. Foley, Jr., of Engine Company 20 in General Order No. 78 of 1984.

The Board recommends that Fire Fighter Patrick J. Foley, Jr., Engine Company 20, be awarded the Walter Scott Medal for Valor.

8. Cases of Fire Lieutenant Donald R. Mullen, Jr., Headquarters; Fire Fighter Joe E. Montoya, Engine Company 22

On August 22, 1984, Box 2211 was struck for a fire at 790 Tremont Street. Engine Company 22 was the first to arrive and reported fire showing from the top floor.

Upon being informed of a victim trapped on the fourth floor, Fire Lieutenant Donald R. Mullen, Jr., Headquarters (detailed to Engine Company 22), and Fire Fighter Joe E. Montoya, Engine Company 22, without hesitation, immediately made their way to the fourth floor where they encountered heavy overhead fire issuing from both sides of the hallway.

Crawling on hands and knees, Lieutenant Mullen came upon an unconscious victim in the first room

on the right and with the assistance of Fire Fighter Montoya, under heat and smoke conditions, successfully removed the victim to the safety of the stairwell where he was removed by other members to an awaiting ambulance. The victim suffered second- and third-degree burns while both Lieutenant Mullen and Fire Fighter Montoya were treated for burns and relieved from duty.

Because this rescue was performed with dedication to duty and under great personal risk, before fire lines were in operation, the Fire Commissioner highly commended Lieutenant Donald R. Mullen, Jr., of Headquarters, and Fire Fighter Joe E. Montoya of Engine Company 22 in General Order No. 80 of 1984.

The Board recommends that the names of Fire Lieutenant Donald R. Mullen, Jr., Headquarters, and Fire Fighter Joe E. Montoya, Engine Company 22, be placed on the Roll of Merit.

9. Case of Fire Lieutenant Francis L. McLaughlin, Jr., Engine Company 42

On Sunday, December 16, 1984, at 2020 hours, Engine Company 42 responded to a still alarm for 84 Ruthven Street, Roxbury, for which Box 2187 (2 alarms) was struck.

Upon arrival, Fire Lieutenant Francis L. McLaughlin, Jr., of Engine Company 42, was informed of a person trapped on the second floor, from which heavy smoke was showing, receiving the approximate location of the victim from a civilian.

Lieutenant McLaughlin, without hesitation, donned his readied air mask and ascended the front stairs to the fire floor. Encountering fire-filled rooms adjacent to a hallway, he made his way on hands and knees through smoke and heat to the kitchen area and discovered an unconscious woman on the floor.

With much difficulty, under heat and smoke conditions, he managed to drag the woman back through the same hallway to the stairs where he was assisted in removing her to safety.

Because his rescue was performed before fire fighting operations had begun, subjecting himself to great personal risk, the Fire Commissioner highly commended Fire Lieutenant Francis L. McLaughlin, Jr. of Engine Company 42 in General Order No. 3 of 1985.

The Board recommends that Fire Lieutenant Francis L. McLaughlin, Jr., Engine Company 42, be awarded the Patrick J. Kennedy Medal of Honor.

Personnel Order No. 85-71 transferring Police Officer Francis Benjamin, Id. 6470, from Area D to Personnel Division, M.I.S., effective April 24, 1985, is hereby rescinded.

The following-named police cadets are hereby detailed as follows. They will remain assigned to the Personnel Division:

Police Cadet Joseph Frechette, Id. 8782, from Operations (D), to B.N.S. (D) — 5-8-85.

Police Cadet John McDonough, Id. 9030, from B.N.S. (D), to Operations (D) — 5-8-85.

May 7.

*Personnel Order No. 84-94*

After a hearing held on May 3, 1985, it was found that Police Officer John F. Nolen, Jr., Id. 8321, had been found guilty in Dedham District Court on April 25, 1985, of violating M.G.L. chapter 266, s. 28(a) and M.G.L. chapter 266, s. 30.

Due to the gravity of the offenses, Officer Nolen is hereby terminated from his position as a police officer in the Boston Police Department, effective as of May 3, 1985.

## CONTRACTS AMENDED

The mayor has approved the amending of contracts, based on the following information:

### Employee Training

Dear Mr. Mayor:

On August 29, 1983, your Honor approved an award of a contract, without public advertisement for bids, to Isaacson, Ford, Webb & Miller of 99 Bedford Street. This contract was for the purpose of training City of Boston employees in career development techniques, the preparation of career plans, and counseling of employees on the skills gained. The contract was on an hourly basis with the Personnel Division of the Administrative Services Department. The period of the contract was September 1, 1983, through June 30, 1984, at a cost not to exceed \$38,000.

Your approval is requested to amend this contract to provide for additional services which were not anticipated in the terms of the original contract. Due to the success of the career training program, additional sessions were held for 200 more city employees. The firm, Isaacson, Ford, Webb & Miller, will be compensated at the same rate specified in the terms of the original contract. The cost of this amendment, effective October 1, 1983, shall not exceed \$20,000, which I have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$58,000. This contract is being processed late due to a funding problem that has been resolved with the Budget Division. Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

Thomas B. Francis, Jr.,  
Supervisor of Personnel.

May 9.

*Personnel Order No. 85-91*

Detective Thomas E. Newcomb, Id. 5881, assigned to B.F.S., Area A (D), is hereby reassigned to B.F.S., Area C (D) effective May 13, 1985.

May 9.

*Personnel Order No. 85-93*

The following reassignments are hereby ordered, effective on the dates listed below.

Lieutenant Gerald Doucette, Id. 6409, from Area D (N), to B.I.S., Tech. Serv., Warrants (N) — 5-22-85.

Detective Warren Hoban, Id. 5853, from Personnel Div., M.I.S. (D), to C.I.D. (D) — 5-15-85.

Detective James Lewis, Id. 6849, from Gov. Task Fce. (D), to Personnel Div., M.I.S. (D) — 5-8-85.

Police Officers:

James L. Brown, Id. 7316, from Personnel Div., M.I.S. (N), to Team Police (N) — 5-2-85.

Paul Cato, Id. 8295, from Personnel Div., M.I.S. (N), to Area B (N) — 4-30-85.

James A. Fitzgerald, Id. 8213, from Personnel Div., M.I.S. (N), to Area E (N) — 5-16-85.

Paul Harvey, Id. 6832, from Operations (D), to Personnel Div., M.I.S. (D) — 5-8-85.

Preston Thompson, Id. 8030, from Area C (N), to Personnel Div., M.I.S. (N) — 5-9-85.

Colm Lydon, Id. 8871, from Area A (N), to Personnel Div., M.I.S. (N) — 5-8-85.

John Galvin, Id. 4840, from Area E (N), to Personnel Div., M.I.S. (N) — 5-8-85.

Joseph Pishkin, Id. 6693, from Res. & Dev. (D) to Area B (D) — 4-24-85.

## ELECTION DEPARTMENT

### Printing Services

Dear Mr. Mayor:

Your approval is respectfully requested to amend the contract between the City of Boston acting through its Board of Election Commissioners and Westwood Printing Inc., dated 7 July, 1983, for the printing of ballots for the City Preliminary and City Election by increasing the contract sum from \$26,400 to \$60,000.

Public advertising for said printing was under date of 9 May, 1983. Westwood Printing Inc., Westwood, was the low bidder.

This amendment became necessary because of the federal court decision canceling the City Preliminary and City Election. The court order, however, did not cancel the Mayor's Election requiring the Board of Election Commissioners to print separate sets of ballots and ballot labels and to proceed on the premise that separate Preliminaries and Elections would be held resulted in additional costs of \$33,600.

In addition, the Board of Election Commissioners voted to print a form to be mailed to each enrolled voter of a political party in order to have that voter verify his party enrollment. This mailing is required because of the discrepancies and confusion resulting from the September State Primary of 1982, and the still pending court cases involved. The board feels that Westwood Printing Inc., could print this form under the existing contract structure and public advertising would serve no useful purpose. This contract amendment is not to exceed \$60,000.

For the Board,

Michael A. Joyce,  
Chairman.

## HEALTH AND HOSPITALS DEPARTMENT

### Pest Control Services

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the letter of award for a contract, without advertising, to Medical Area Service Corporation (MASCO), 59 Binney Street, for the period September 1, 1983, through June 30, 1984, at a cost not to exceed \$18,000.

This amendment will change the vendor to Archos, Inc., 93 Kirkland Street, Cambridge,

Upon receipt of the contract for signature, MASCO informed the hospital that they would not sign the contract because they did not perform the services, but acted only as the agent for Archos, Inc.

Under this contract, Archos, Inc. will provide Boston City Hospital with a unique pest control service based on the extensive use of insect and rodent monitor traps and a delivery system for applying boric acid powder into cracks and crevices. No rodenticides would be used within the hospital.

Therefore, because of the above and because the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

### Monitoring Equipment Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the letter

of award for a contract with A.T.L., Inc., Washington, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$6,464.

Under this contract, A.T.L., Inc. was to maintain I.C.R. equipment located in the Heart Station at Boston City Hospital.

This amendment will change the vendor providing these services to Spacelabs, California.

Before the contract was executed, the hospital was informed that E.R. Squibb & Sons, Inc., parent company of both A.T.L., Inc. and I.C.R., Inc. had acquired Spacelabs, and that henceforth Spacelabs would assume the responsibility of maintaining all I.C.R. monitoring equipment.

Therefore, in view of the above and because there is no change in the cost or range of the services to be rendered, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

### PUBLIC WORKS DEPARTMENT

#### Proposals for Repairs to PWD Passenger Car and Truck Springs and Miscellaneous Automotive Repairs.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, June 3, 1985.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 20, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of \$1, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

### NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,  
Commissioner of Public Works.

### PUBLIC WORKS DEPARTMENT

#### Proposal for Repairs to Existing Electrical Equipment at Various Drawbridges in the City of Boston.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, June 3, 1985. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

Every proposal shall be submitted in duplicate and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 20, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

#### NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its sub-

contractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

#### ATTENTION TO ALL BIDDERS

##### 1. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the Directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

#### PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on June 18, 1985, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 20, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of \$1, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

**NOTICE**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY

COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

PARKS AND RECREATION DEPARTMENT

This Project is Funded Under the  
Community Development Block Grant

Invitation for Bids for  
Contract Document Listed Below.

The City of Boston, acting by the Director of D.E.A. and the Commissioner of Parks and Recreation, invites sealed proposals for contract/document listed below entitled: "The Construction of Improvements at the Hanson Street Play Area."

SCOPE OF WORK: Consists of the reconstruction of a play area and work incidental thereto and includes construction of fencing, timber curb, bituminous concrete walk pavement, brick pavement, bdrain, woodchip surfacing, sand surfaces, benches, play equipment and landscaping. Estimated cost of construction is \$23,000.

The Director of the N.D.E.A. has designated the Commissioner of Parks and Recreation Department to act on its behalf to administer the project subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents.

Proposals will be received until 2 p.m., Boston time, Tuesday, June 11, 1985, at the office of the Commissioner, Room 816, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a bid conference in the office of the Chief Engineer, Room 816, City Hall, at 10 a.m., Boston time, Tuesday, June 4, 1985.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 816, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals. A bid deposit in the form of a bid bond, or a certified check or treasurer's or cashier's check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of his/her bid, shall be submitted with the copy of the proposal and with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked.

The attention of bidders is specifically directed to the provisions of the contract documents, including, without limitation, the information to bidders (including subbidders) and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, undated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions, and the requirements of mandatory compliance with Executive Order 11246. No bidder shall be eligible for award in this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction in the covered areas (see pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

Notice

The notice of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

Bidders seeking information pertaining to affirmative action in connection with City of Boston contracts should contact the Compliance and Enforcement Division of Neighborhood Development and Employment Agency, 15 Beacon Street, Boston.

*No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.*

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental or American Indian.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Final Minority Business Utilization Report," and "Weekly Utilization Report."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each minority business enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, MA 02108.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ

minorities and women evenly on its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order, and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

No proposal may be withdrawn after the time limit for filing proposals and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no proposals filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner.

Specifications may be obtained at the office of the Commissioner at and after 9 a.m., Boston time, May 28, 1985, upon deposit of cash or certified check, payable to the City of Boston, for \$25 per set of specifications. The full amount of the deposit will be returned upon return of all documents, in good condition, within thirty days after the opening of the bids (Saturdays, Sundays, and legal holidays excluded).

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON,

PAUL S. GROGAN, Director, N.D.E.A.

ROBERT R. MCCOY, Commissioner,

**NOTICE TO CONTRACTORS**

Sealed bids for MBTA Contract No. P1CN20, MODIFICATIONS TO TRACTION POWER SUBSTATIONS 24 and 31, BOSTON, MASSACHUSETTS, (Class 5 — Electrical, Project Value 22.00) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on June 18, 1985. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work at South Station Traction Substation 31 consists of installation of 15 KV cables, equipment modifications and removal and disposal of PCB-filled transformers. At Columbia Traction Substation 24, the work includes installation of dc positive cables and negative returns and construction of duct banks and manholes.

This contract is subject to a financial assistance contract between the MBTA and the UMTA of the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Proposal Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after May 20, 1985, Monday through Friday, at a charge of \$50. The Authority's General Requirements and Covenants (1978 Edition of Division I) as amended, are available from Contract Administration at a separate charge of \$5 per copy; and the Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an postage and handling charge of ten dollars (\$10), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provisions, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 14 percent and 3 percent WBE.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors

will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

The Authority will conduct an inspection tour of the proposed work areas in the contract including the substations proper and restricted areas associated with them on May 30, 1985, a day before the prebid conference. The tour will commence from the front entrance to MBTA Operations Center, 45 High Street, Boston, at 9 a.m. sharp. Bidders are advised that they should have representation at this inspection tour as no extra visits are planned.

A prebid conference will be held on May 31, 1985, at 10 a.m., at the Power System Improvements Project Office, 21 Arlington Avenue, Charlestown, MA 02129. Any request for interpretation of the specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit of one hundred ten thousand dollars (\$110,000), in the form of a bid bond, cash, certified check, treasurer's check or cashier's check.

The successful Bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, June 3, 1985. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 20, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

**NOTICE**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

**ATTENTION TO ALL BIDDERS**

**I. Minority Business Requirements**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the Directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**PREBID CONFERENCE**

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on June 18, 1985, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

Work consists of abutment, pier cap, expansion joint, repairing and modifying of bridge deck at Lechmere Station.

This contract is subject to a financial assistance contract between the MBTA and the United States Department of Transportation.

Prequalification of contractors in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders" will not be applicable to this contract.

In view of the specialized nature of construction, an award will not be made to a contractor who is not equipped to undertake and complete the work.

Bidding documents may be obtained from the Contract Administration Office at the address above after May 28, 1985, from 8:30 a.m. to 4 p.m., Monday through Friday, at a charge of \$15. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1—General Requirements, dated November 1983, is available at a charge of \$5 per copy; and the Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 14 percent WBE 2 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of

the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. Walter G. Cusack, 500 Arborway, Jamaica Plain, MA 02130. (Tel. No. (617) 722-3456. A prebid conference will be held on June 12, 1985, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit of bid deposit of five thousand two hundred dollars (\$5,200), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

## CITY SELLS ENTIRE MINIBOND OFFERING

City of Boston Collector-Treasurer George A. Russell, Jr. announced on June 3, that the city had sold all available tax-exempt Minibonds just two and one-half days after they first went on sale.

Minibonds are three-year, general obligation, discount bonds which sold in the face amounts of \$100, \$500, \$1,000 and \$2,500, with a limit of \$5,000 face amount per person, per day. The initial offering was \$2,000,000 and was later increased to \$3,000,000 by Mr. Russell due to the overwhelming demand for these bonds.

Treasurer Russell reported that the initial offering sold within nine working hours after the sale began, and that the additional offering sold out in approximately the same amount of time.

"The sale showed once again the confidence people have in Boston and its future," Mr. Russell said. "Small investors can take pride that their money will be used to improve the quality of life in the neighborhoods of Boston."

Boston's first issue of Minibonds, in October, 1984, sold out in two and one-half days, despite Collector-Treasurer Russell having twice increased the amount of the offering.

Minibonds will pay 7.5 percent per year with semi-annual compounding. Because the bonds are exempt from federal and state income taxes, the 7.5 percent yield could translate into an after-tax yield as high as 15 percent, depending upon the purchaser's tax bracket.

Treasurer Russell said, "Last year's sale was so successful that many persons who wanted Minibonds were unable to get them. We're delighted that this new offering has allowed more of our citizens to invest in the City of Boston and its future."

### CITY'S GET-TOUGH POLICY ON VEHICLE EXCISE DELINQUENTS

The City of Boston, through the utilization of an outside collection agency, mailed 25,000 Notices of Warrant to Boston automobile owners who owe delinquent motor vehicle excise taxes. This marks the beginning of a "get tough" program designed to resolve

the approximate 720,000 delinquent accounts which have accumulated on the books from fiscal years 1975 through 1984. These accounts represent a total of \$19 million in back taxes.

Groundwork for this program began last February when Collector/Treasurer George A. Russell, Jr. finalized a bid contract with Urban Tax Services, Inc. (UTS) of Boston after a competitive bid process. Since that time, UTS has been working to custom-develop an automated system to mail notices of warrant and keep track of payments, which are deposited into an automated lock box. In addition, the company has hired and trained thirty-one deputy collectors, with nine more forthcoming shortly, to personally contact those delinquents who refuse to respond to the Notices of Warrant.

Collections by UTS will be implemented on a rolling basis, with the first step being the mailing of Notices of Warrant. Notices of Warrant inform the delinquent taxpayer that excise taxes are owed and must be paid, along with all interest and appropriate fees, and that a warrant to collect has been issued by the Collector/Treasurer. UTS will mail approximately 50,000 notices per week until the entire backlog is cleared. Because delinquencies are most successfully collected when they are recent, the initial six weeks of mailings will concentrate on the 280,000 accounts which have been delinquent from FY1982 through FY1984, representing \$7.5 million in back taxes. The goal is to collect as much revenue as possible, as quickly as possible, then diligently pursue all remaining accounts until they are resolved.

If payment has not been received within three weeks after mailing of a notice, the next step involves having a deputy collector personally contact the delinquent and hand-serve the actual warrant which once again demands payment. If the taxes still remain unpaid, the third, and final, step is to submit to the Registry of Motor Vehicles a request for suspension of the owner's registration and/or license.

Collector/Treasurer Russell strongly recommends that delinquent taxpayers make payments immediately to avoid the additional fee of \$12, which will be added to their bill if a deputy collector must serve the warrant. He states, "They can either pay it now, or pay it later. But it makes little sense to delay when you have to pay the extra \$12, especially if the tax bill itself is only for \$20 or \$30."

Delinquent taxpayers who feel they deserve an abatement should keep in mind that the only bills still eligible are for Fiscal Year 1984. State statute strictly regulates the abatement process concerning motor vehicle excise taxes and all tax bills for Fiscal Year 1983 and earlier have passed the abatement deadline set by the state. Stephen J. F. Crosby, director of Administration and Finance in the Assessor's Office, states, "The city simply has no authority to abate these bills. FY1984 bills may be abated only if they meet specific technical criteria."

The city will not lose any tax or interest revenue from the efforts of UTS because state statute provides payment for an outside collection agency from the additional fees imposed on the bill. When the company collects on an account it will receive the \$7 Notice of Warranty fee and, if necessary, the \$12 fee for the serving of the warrant. The city will retain the Demand Notice fee and fee for creation of warrant (\$2 each) because these fees are incurred before UTS mails out the Notice of Warrant.

(Continued on next page)

## Vehicle Excise . . .

(Continued from previous page)

Basically these outside collection activities will augment existing efforts within the Collector/Treasurer's Office to maximize excise tax collections. As Collector/Treasurer Russell points out, "Budgetary and personnel limitations in our office have made it impossible to pursue these delinquent accounts as aggressively as we would like. With the help of Urban Tax Services I am confident that the city will be able to significantly reduce this backlog of motor vehicle excise delinquencies." Mr. Russell projects that a minimum of \$2 million will be collected through the activities of UTS in the first year alone.

## CONTRACTS AMENDED

The mayor has approved the amending of contracts, based on the following information:

### HEALTH AND HOSPITALS DEPARTMENT

#### Drug Abuse Kits

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I request your Honor's permission to amend the contract with Syva Company, California, for the period July 1, 1983 through June 30, 1984, at a cost not to exceed \$55,000.

Under this contract, awarded with advertising Syva Company would provide miscellaneous drug abuse kits to Boston City Hospital.

This amendment will increase the contract amount by \$125,000, thereby increasing the city's liability under this contract to \$180,000. The amendment will also extend the contract period to December 31, 1986 or for the thirty-six month period following the delivery of the equipment.

Under this amendment, Syva Company will provide the hospital, in January, 1984, with the QS sample processor. All services and maintenance on the above equipment will be provided free of charge. There will be a freight charge for delivery of the equipment. At the end of the thirty-six months the Boston City Hospital has the option to purchase the equipment at its fair market value. If the hospital doesn't purchase the equipment, Syva Company will absorb the cost of returning it to their company. Prices for items presently under contract and for additional supplies required by the new instrumentation will remain firm during the length of this contract, provided the hospital spends a minimum of \$2,250 per month for reagents during the contract period. The hospital currently meets this requirement and is expected to increase its usage of these reagents.

The contract encompasses more than one fiscal year and the city's financial obligations are subject to the availability of an appropriation in accordance with the requirements of City of Boston Code, St. 4 ss. 4 and 8.

Because Syva Company is the sole source of supply for these kits and the hospital would receive the benefit of firm prices with use of needed instrumentation at costs I consider reasonable, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

#### Ventilator Repairs

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with Cardio Pulmonary Care, Inc., Wilmington, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$19,900.

This amendment will increase the contract sum by \$3,100, thereby, increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$23,000.

Under this contract, Cardio Pulmonary Care, Inc. provides maintenance and repairs to ventilators at Boston City Hospital. This amendment is necessary to cover the cost of preventive maintenance on the MA-1 and BP-200 ventilators. The Biomedical Engineering Department was to be trained to perform the preventive maintenance for these machines. Due to fiscal restraints the training was not approved, therefore, Cardio Pulmonary Care, Inc. would have to perform this service. This amendment will also cover the cost of the overhaul of a Bear I ventilator damaged by the poor air system. The overhaul of the machine was not anticipated, therefore, not included in the original contract amount.

Cardio Pulmonary Care, Inc. was the sole bidder for repair of this equipment. Because of this and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Security Testing Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with Special Agent Systems, Inc., Watertown, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$2,480.

This amendment will increase the contract sum by \$1,995, thereby, increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$4,475.

Under this contract Special Agent Systems, Inc., maintains and tests the security system in the Pharmacy Department at Long Island Hospital. This amendment is necessary to cover the costs of the purchase and installation of an intrusion alarm system in the shipping/receiving area at Mattapan Hospital. This system will provide assurance against theft in the shipping/receiving area of the hospital.

Inasmuch as Special Agent Systems, Inc., installed the security system at Long Island Hospital, has employees trained in the repairs and maintenance of the system and because the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### LAW DEPARTMENT

Dear Mr. Mayor:

On August 10, 1983, your Honor approved the award of a contract to Janet M. Robitaille, attorney at law, located at 240 Commercial Street, for coordinating the management, litigation and reporting requirements of employment discrimination matters including the *NAACP v. Beecher and Harris v. White* cases, for the period of July 1, 1983, through June 30, 1984, at a cost not to exceed \$10,000. On November 10, 1983, an amendment in the amount of \$5,000 was submitted and is currently awaiting approval.

Your approval is requested to amend this contract to provide for additional legal responsibilities for representation for the Fire Department. The cost of this amendment, which is effective immediately, shall not exceed \$10,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$25,000.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
William J. Smith,  
Acting Corporation Counsel.  
NDEA

#### Housing Rehabilitation

Dear Mr. Mayor:

On April 15, 1983, your Honor approved the award of a contract, without public advertising for bids, to the Boston Housing Partnership, Inc., a organization located at Boston, for the rehabilitation of 500 units of multi-family rental housing in Boston. Compensation was determined to be reasonable at a cost not to exceed \$1,000,000, payment being made from Year VIII funds of the Community Development Block Grant Program for the period of May 1, 1983, to December 31, 1984.

Your approval is requested to amend this contract, both in terms of compensation and the period of performance. The average development cost per unit is now expected to be approximately \$35,000, an increase of \$10,000 to \$12,000 per unit, much more than originally anticipated. In addition, the number of units to be rehabilitated will be substantially greater than the original projection of 500. I, therefore, respectfully request your Honor's permission to increase compensation in the amount of \$1,500,000, and to extend the termination date of this contract to June 30, 1985. Six hundred dollars of this increase in compensation will be initially encumbered, bring the total encumbrance figure to \$1,600,000. The total amount of the contract, as amended, shall not exceed \$2,500,000.

The contractor is a nonprofit agency created for the explicit purpose of providing this type of service. The increased CDBG contribution will enable the partnership to achieve its expanded agenda. Inasmuch as this service is available from a single source, formal advertising will serve no useful purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### POLICE DEPARTMENT Cleaning of Vehicles

Dear Mr. Mayor:

On September 9, 1982, your Honor approved the award of a contract to Boston Car Wash Corporation, 25 West Howell Street, Dorchester, for the interior and exterior cleaning and washing of Police Department vehicles during the period July 1, 1982, to June 30, 1983, at a cost not to exceed \$5,500.

Your approval is requested to amend this contract to provide for additional funds which were not anticipated at the time of the original contract. Such funds are available in the F.Y. 1983 budget for this purpose. The cost of this amendment will not exceed \$5,952, which I have determined to be reasonable. The total amount of the contract is now \$11,452. This large amendment is necessary because the department's other car wash contractor went out of business and Boston Car Wash Corp. washed vehicles that the other contractor normally would have serviced. The amount of the amendment was only recently discovered when Boston Car Wash Corp. submitted its invoices.

Very truly yours,  
Joseph M. Jordan,  
Police Commissioner.

#### PUBLIC FACILITIES DEPARTMENT Energy Conservation Projects

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on September 15, 1983, I hereby request your Honor's written authority to dispense with inviting proposals by advertising in the *City Record*, and enter into an agreement with Cleverdon, Varney & Pike, Inc., 286 Summer Street, amending a contract executed March 1, 1983, which provides for architectural and engineering design services for energy conservation construction projects so as to increase the amount authorized for expenditure from \$15,000 to \$17,000, which is a reasonable amount.

The additional scope of work under this contract includes the design for a cooling tower at District 1 Police Station which became a priority as the present tower is in very questionable condition.

Due to the provision of the law to the effect that executed and existing city contracts may be altered only by a writing signed by all parties thereto, including the Mayor and bonding company, public advertising in this instance would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

#### PUBLIC WORKS DEPARTMENT

##### Bridge Repairs

Dear Mr. Mayor:

On November 30, 1982, your Honor approved the award of a contract based on public advertising for bids to Bonacorso Construction Corp., Winthrop, for replacement of steel grid decking and miscellaneous work at L Street Bridge over Reserved Channel for a period of fifty working days at a cost not to exceed \$174,640.

Your approval is requested to amend this contract to provide for removal and replacement of 30 linear feet, of 12" x 12" white oak timber at the draw crack of the northeast approach side of the bridge, at a cost not to exceed \$1,640, and also for the transportation of the bridge grid to the bridge from storage, at a cost not to exceed \$2,800.

The cost of this amendment, which is effective on December 15, 1983, shall not exceed \$4,440, which I have determined to be reasonable. The contract, as amended, shall not exceed \$179,080. The period of performance shall be extended to June 30, 1984.

Because this is related to and in conjunction with an existing contract by this same firm, and the reasonable cost of the work, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Joseph F. Casazza,  
Commissioner.

#### PUBLIC NOTICE

Effective July 1, 1985, the City of Boston's Traffic and Parking Department will charge a \$10 per day storage fee on vehicles which have been seized for non-payment of City of Boston parking tickets (booted) and subsequently towed to the city's Albany Street Tow Lot. This storage fee will be charged on vehicles towed and stored at the Albany Street Tow Lot on or after July 1, 1985. Vehicles towed and stored prior to that date will not be charged any storage fees. Payment of the storage fee along with payment for all unpaid tickets and the seizure fee must be made at Boston City Hall before the vehicle will be released.

LISA G. CHAPNICK,  
Commissioner.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Proposal Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after June 4, 1985, Monday through Friday, at a charge of \$50 per set. Half-size drawings may be requested for convenience purposes only, at a charge of \$40 per set. The Authority's General Requirements and Covenants (1978 Edition of Division I), as amended, are available from the Contract Administration Office at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, are available from the Contract Administration Office at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with

their bid that they will make sufficient reasonable efforts to meet the stated goals of DBE 18 percent and WBE 5 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of Mr. Joseph Clougherty, Project Manager, Telephone No. 722-3423. A prebid conference will be held on June 25, 1985, at 10 a.m., at the MBTA Regional Construction Office, 500 Arborway, Boston, Mass. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Proposal guaranty shall consist of a bid deposit of two hundred and eleven thousand dollars (\$211,000), in the form of a bid bond, cash, certified check, treasurer's check or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**THE SCHOOL COMMITTEE OF THE  
CITY OF BOSTON**

Administrative Building, 26 Court Street  
Office of the Business Manager

The School Committee of the City of Boston invites sealed proposals for managing the operation and maintenance of approximately 365 school transportation vehicles furnished by the School Committee for regular transportation for the period 1985-1987, with options through 1989.

Every proposal shall be submitted in triplicate, in accordance with the Request for Proposal which may be obtained at the Office of the Business Manager, tenth floor, 26 Court Street, Boston, MA 02108, on or after June 11, 1985.

All proposals shall be filed no later than 12 noon, Boston time, on June 25, 1985, at the Office of the City Auditor, Room M4, City Hall, Boston, and at the Office of the Business Manager, tenth floor, 26

Court Street, Boston, at which time and place they shall be publicly opened and read aloud. The original proposal and one copy shall be filed at the Office of the Business Manager, and the second copy shall be filed at the Office of the City Auditor.

A bidder's conference will be held on June 18, 1985, at 10:30 a.m., Boston time, at the School Committee Chambers, first floor, 26 Court Street, Boston. Any clarification or change of the Request for Proposals resulting from the bidders' conference will be communicated in writing to all persons receiving copies of the Request for Proposals.

The attention of all bidders is directed to the provisions of the Request for Proposals relating to the bid deposit and a performance bond or retainage.

The School Committee of the City of Boston reserves the right to reject any or all proposals or any part or parts thereof, to negotiate any mutually agreeable change thereto, and to award the contract(s) or not to award the contract(s), as the School Committee deems to be in the best interest of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

CITY OF BOSTON

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

Proposal for Demolition and Site Clearance,  
Project No. 151-CD-ATD, Community Development Block Grant.

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

756-758A Blue Hill Avenue, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, June 20, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined of this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30,

and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 151-CD-ATD."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246), IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participa-

pation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performances of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for minority business enterprise, if the bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, eighth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, includ-

ing, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

##### PUBLIC WORKS DEPARTMENT

##### Proposal for Repairs to Sidewalks in All Areas of the City of Boston

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, June 10, 1985.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 27, 1985, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance, and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

##### NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

##### ATTENTION TO ALL BIDDERS

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form, failure to do so will result in the rejection of the bid proposal. The lowest responsive and eligible bidder is required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor no later than ten (10) working days after general bid opening. The lowest bidder must also submit a Minority Business Identification Statement for each minority business not included on the City of Boston Business Directory.

All contractors shall avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Minority Business to facilitate compliance with these requirements.

##### PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend scheduled prebid conferences held at Room 714, City Hall, at 10 a.m., Tuesday, June 18, 1985. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

CITY OF BOSTON**

**PENAL INSTITUTIONS DEPARTMENT**

**Invitation for Proposals for Individuals to Provide a Range of Psychological Services for Inmates Confined at the Suffolk County House of Correction, Deer Island.**

The City of Boston (the City), acting by its Penal Institutions Commissioner (the Official), invites sealed proposals for the performance of the work generally described above, and in the contract documents.

Every proposal shall be submitted in duplicate on, and in accordance with, the contract documents which may be obtained at the office of the Official, Penal Institutions Department, Boston City Hall, Room 716, Boston, MA 02201, on or after June 10, 1985.

All proposals shall be filed no later than 4 p.m., Boston time, June 24, 1985, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, for an amount up to \$1,000, may be required of the successful bidder as security to guarantee the faithful performance of the contract.

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof and to award the contract as the Official deems to be in the best interests of the City.

By **ROBERT G. WALSH, JR.**,  
Commissioner.

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, hereinafter referred to as the Awarding Authority, invites sealed proposals for furnishing trucking services for the period July 1, 1985, to June 30, 1986. Forms of proposal may be obtained at the office of the Senior Structural Engineer, 26 Court Street, Boston, Mass. Each proposal must be signed by the bidder, placed in an envelope, properly sealed, and marked, "Proposal for Furnishing Trucking Services for the Period July 1, 1985, to June 30, 1986," and left at the office of the Senior Structural Engineer, 26 Court

Street, Boston, Mass., before twelve o'clock noon, Boston time, Wednesday, June 26, 1985, accompanied by a certified check of a responsible bank or trust company, payable to the City of Boston, in the sum of \$5,000, to become and be the property of the City of Boston as liquidated damages, if after an award is made to him, the bidder shall fail to enter into a contract therefor within ten days after notice of said award has been mailed to him. Bid bonds will not be accepted. Said proposal will then and there be publicly opened and read. Proposals must be made in duplicate, one with a certified check to be left at the above address, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time state above for the opening of proposals.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of the contract. Also the contractor shall comply with the applicable requirements of the Department of Public Utilities of the Commonwealth of Massachusetts.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

No bidder may withdraw his bid within thirty days after the date of the public opening of bids.

Specifications may be obtained at the office of the Senior Structural Engineer, 26 Court Street, Boston, Mass.

A bond of an approved surety company in the sum of \$15,000, to secure the due performance of the contract and the full protection of the city will be required.

The Senior Structural Engineer reserves the right to reject any and all bids.

Applications to bid are now available at the offices of the Public Facilities Department. PLANS AND SPECIFICATIONS will be available on or about June 11, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

## MAYOR ANNOUNCES SUMMER YOUTH PROGRAM

In announcing this year's Summer Youth Program at a June eighth press conference at Curtis Hall in Jamaica Plain, Mayor Flynn told the youth of Boston that despite the city's financial problems, this summer would be fulfilling and enriching.

He outlined a full range of summer youth activities, including traditional and innovative recreation programs; summer employment; remedial education; and health services. This array of services will make it possible for young people of all backgrounds and physical and emotional capabilities to take part in endeavors which will make their summer meaningful.

The introduction to a report on Summer Youth Programs follows:

The program for Summer, 1985, is based on two concepts: first, a belief that our young people are the city's most valuable resource, and therefore are deserving of every assistance so that they may reach adulthood as well-rounded, responsible citizens; and second, that youth can only be helped if we, as adults, commit ourselves to creating peaceful, productive environments in which they can work, play, learn and live.

This summer's program builds on existing services, to which we have dedicated increased resources, and adds new programs to expand options and choices. This represents a coordinated, strategic, interdepartmental effort within City Hall, backed up by a support network which reaches into every neighborhood in the city. This coordination will ensure optimum benefits despite the city's limited available revenue. Duplication will be avoided, and we will serve the maximum number of young people.

Experience has shown us that providing young people with the opportunity to play and learn together is the most effective means for bringing our city together. For example, last year's Summer Youth Olympics operated in every neighborhood, with great success. From the preliminary events at Carson Beach in South Boston, to the final competition at Robert Clemente Field in the Fenway, over 800 youngsters participated, not only demonstrating their athletic prowess, but making new friends and expanding their horizons.

This year, we look forward to an equally successful Summer Youth

Olympic program. We are grateful to WBZ-TV, whose substantial contribution of funds will ensure that the Olympics can serve all interested young people. But Summer Youth Olympics is only one of several important recreational initiatives which are planned. For example, under the Boston Community Schools direction, we are expanding programs to serve seven additional recreational facilities across the city. This expansion extends a series of activities into neighborhoods which are not presently served to the fullest extent. In addition, the Camp Joy day-camp program for emotionally and physically disabled children will expand this year, owing largely to a substantial contribution from radio station WXKS-FM. Third, the Boston Housing Authority has planned an August Sports Jamboree, involving young people from the twenty-four BHA family housing developments. This initiative is especially significant because it marks a renewed commitment to public housing youth, who have often been overlooked by program planning in the past.

Community Schools will also serve as a focal point for information about potential community problems resulting from the inevitable stresses of urban living during the hot summer months. Community Schools' strong network of key neighborhood leaders will ensure that we are aware of difficult situations, and can take preventative action to protect all of our residents.

As an aside, it is important to note that this plan reviews in detail only those programs and activities which are specifically planned for young people. However, Boston hosts any number of

additional events every summer at which young people are but one part of the audience. Whether it be "Concerts on the Common," or neighborhood cultural festivals, or folk dancing in Copley Square, there are things to do which bring the city's young people together with others of all ages, to learn from each other.

This report to the people of Boston should both send a message and present a challenge to community, religious, governmental, and business leaders in the city. The strong message is that city government is taking an active and affirmative approach to summer activities for Boston's youth. The challenge, however, is that while much is being done with limited city resources, there is so much more which is needed. It is up to this city's leaders to provide it. We need more summer jobs — jobs which can lead our young people to career opportunities. We need more support services, such as counseling and specialized health care. We need leadership training. We need further remedial education. In short, we need to look not only at the summer, but beyond, to fashion a program which will continue to benefit Boston's youth.

We look forward to working closely with every neighborhood, with business, and with other key city institutions to ensure a productive, peaceful, enjoyable summer in Boston in 1985.

Fire Fighter Philip C. LaCascia, from Engine Company 4, to Headquarters.

## CONTRACTS AMENDED

The mayor has approved the amending of contracts, based on the following information:

### PUBLIC WORKS DEPARTMENT

#### Bridge Repairs

Dear Mr. Mayor:

On November 30, 1982, your Honor approved

the award of a contract based on public advertising for bids to Bonacorso Construction Corp., Winthrop, for repairs to the structural steel and miscellaneous work at L Street Bridge over Reserved Channel for a period of ninety working days at a cost not to exceed \$198,910.

Your approval is requested to amend this contract to provide for cutting of 94 linear feet, of existing welds, at a cost not to exceed \$1,149.62, and also for the cleaning and painting of all new and existing structural steel of the bridge, at a lump sum cost, not to exceed \$29,400.

The cost of this amendment, which is effective on December 15, 1983, shall not exceed \$30,549.624, which I have determined to be reasonable. The contract, as amended, shall not exceed \$229,459.62. The period of performance shall be extended to June 30, 1984.

Because this is related to and in conjunction with an existing contract by this same firm, and the reasonable cost of the work, I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,

Commissioner.

### Bulldozer Repairs

Dear Mr. Mayor:

On December 5, 1983, your Honor approved a contract to rebuild the under carriage on a caterpillar D8 bulldozer, to Witt Equipment Co., Hopkinton, in the amount of \$20,838.06.

As of December 12, 1983, Witt Equipment Co., has been sold to Southworth Machinery, Inc., the only authorized caterpillar dealer in Massachusetts, who will remain at the same address and is interested in doing the work on the contract under the same terms for the same money. Therefore, because it is in the best interest of the city, I respectfully request that the original award letter be amended by deleting Witt Equipment Co. and substituting Southworth Machinery, Inc., Hopkinton, in order to keep continuity and take advantage of a reasonable price.

#### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

All work on the contract shall be completed by June 30, 1984.

Very truly yours,

Joseph F. Casazza,

Commissioner.

### Cable TV Trench Repairs

Dear Mr. Mayor:

On August 12, 1983, your Honor approved the award of a contract with public advertising for bids to Baker & Co., Inc., Stoughton, for cable television utility trench repairs during a period not to exceed 120 working days at a cost not to exceed \$300,000.

Your approval is requested to amend this contract for additional square feet of bituminous concrete for roadway repairs, which were not anticipated in the terms of the original contract. The cost of this amendment, which is effective on December 1, 1983 shall not exceed \$30,000, which I have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$330,000.

Because this is related to and in conjunction with an existing current contract for this type of work, I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,

Commissioner.

### Roadway Repairs

Dear Mr. Mayor:

On May 26, 1983, your Honor approved the award of a contract with public advertising for bids to Baker & Co., Inc., Stoughton, for repairs to roadways in Area I, City of Boston, during a period not to exceed 150 working days at a cost not to exceed \$500,000.

Your approval is requested to amend this contract for additional square feet of bituminous concrete for roadway repairs, which were not anticipated in the terms of the original contract. The cost of this amendment, which is effective on December 1, 1983 shall not exceed \$10,000, which I have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$510,000.

Because this is related to and in conjunction with an existing current contract for this type of work, I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,

Commissioner.

### REAL PROPERTY DEPARTMENT

#### Legal Services, Etc.

Your Honor:

On April 16, 1982, your Honor approved an award of a contract, without publicly advertising for bids, to Attorney Steven A. Whitkin of 11 Camelot Court, Brighton, as special assistant to the Real Property Board on the Lafayette Place Project. The term of this contract was to run from March 2, 1982, to March 1, 1983, at the rate of \$30,000 for the year.

Subsequently, on July 20, 1982, your Honor approved an amendment to the contract extending it an additional year to March 1, 1984, and increasing the contract sum by \$35,000, to a total of \$65,000.

During the past four years, Mr. Whitkin has rendered invaluable services to the Real Property Board on the Lafayette Place Project in various areas of responsibility, including but not limited to, legal, administration, public approvals and contract compliance. His services have been required on a daily basis in order to provide professional expertise and efficiency in the city's dealings with said project.

In view of the fact that Lafayette Place Phase II development of the Hayward Parcel) will require extensive negotiations and subsequent construction well after March 1, 1984, in accordance with a unanimous vote taken by the Real Property Board today, your approval is requested to again amend his contract to extend the time one additional year to March 1, 1985, and to increase the contract sum by \$44,500, to a total of \$109,500. Payment will come from the Parking Facilities Fund 371-56-000.

It must be emphasized that the city requires continuity and expertise during the upcoming negotiation and construction stages of Phase II as well as the closeout of Lafayette Place Phase I. Attorney Whitkin can furnish the city with both of these elements.

The cost of the amendment, \$44,500, for the additional year is, in my judgment and opinion and in the best interest of the city.

Because of the professional services to be rendered and the individual's past experience and qualifications, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Bernard F. Shadrawy, Jr.,  
*Commissioner*

**RETIREMENT BOARD**  
**Actuarial Services**

Dear Mr. Mayor:

On December 5, 1983, your Honor approved an award of a contract, without publicly advertising for bids, to Martin E. Segal Company, Inc., 607 Boylston Street, as actuarial consultants to the State-Boston Retirement Board during the period July 1, 1983, to June 30, 1984, at a cost not to exceed \$40,000.

Your approval is requested to amend this contract to provide for additional computer services pertaining to member files information, sorting and updating. The cost of this amendment, which is effective on December 20, 1983, shall not exceed \$5,000, which I have determined to be reasonable. The contract as amended, shall not exceed \$55,000.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Brian M. Leahy,  
*Executive Officer*

**SCHOOL DEPARTMENT**  
**Building Alterations**

Dear Mr. Mayor:

I request your approval of my action to amend the contract with the Dartmouth Construction Co., Inc., Malden, for alterations to Administration Headquarters, advertised April 12, 1983, from \$69,300 to \$81,400. You did approve of my action in awarding the contract on August 2, 1983.

The purpose of the construction was to accommodate the eight new members of the School Committee.

The current Public Address System is no longer manufactured and therefore non-expandable. The increase of \$12,100 to replace the system is reasonable for this type of installation.

Respectfully yours,  
Paul W. Mooney,  
*Senior Structural Engineer*

**Employment Services**

Dear Mr. Mayor:

On October 20, 1983, your Honor approved the award of a contract with public advertising (April 4, 1983 the *City Record*) for bids to Bernard H. Ford Corporation, 581 Boylston Street, for furnishing

general office help for the Boston School Department, during the period September 1, 1983, through June 30, 1984, at a cost not to exceed \$22,000.

Your approval is requested to amend this contract to provide for unanticipated office help required by various departments and thereby causing expenditures in excess of the original contract agreement. Unanticipated demand for additional general office help has been requested by various departments needing word-processing skills. Because of skill requirements not in house, it has been necessary to extend the employment of certain persons beyond the usual emergency status.

It was necessary to charge a number of fiscal 1983 invoices against the fiscal 1984 contract because of late submission of invoices. This office was unaware of the presence of said invoices. The contractor has demonstrated satisfactory performance and was able to meet the needs of the School Department.

Personnel were employed under this contract prior to its acceptance date of November 10, 1983. This was necessary to provide operating personnel to various departments. However, if personnel were hired only after the contract date, there would be no need for an amendment at this time. Compensation under this amendment shall not exceed \$53,000. Which I have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$75,000. The price basis remains the same and is reasonable, therefore, I believe that public advertising would serve no useful purpose.

Because of the magnitude of the service provided under this contract, this office will readvertise for these services for the period January 1, 1984, through June 30, 1984.

Very truly yours,  
Leo J. Burke,  
*Business Manager*

**Transportation Services**

Dear Mr. Mayor:

On September 2, 1980, your Honor approved an award of a contract, without further public advertising, to Educational and Recreational Services, Inc., a wholly owned subsidiary of ARA Services, Inc. of Philadelphia, for furnishing school transportation services for the period August 1, 1980, to August 31, 1983, at a cost estimated not to exceed \$13.3 million per year.

Your approval is requested to amend this contract to increase the contractual allowance provided for facility and security costs, and to settle outstanding disputes concerning reimbursement for extraordinary costs incurred during the 1980 school bus driver strike, and liquidated damage credits taken for non-conforming performance. No additional funds beyond the amounts already encumbered and reserved are required for this amendment.

This amendment is being processed late because of the time required for both parties to review and resolve contract issues outstanding at the conclusion of the contract.

Very truly yours,  
Robert R. Spillane,  
*Superintendent*

**TREASURY DEPARTMENT**  
**Advisory Services**

Dear Mr. Mayor:

On September 6, 1983, your Honor approved an award of a contract, without public advertising, for bids, to Government Finance Associates, Incorporated, a corporation, located in New Jersey, for

services as financial advisor, during the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$200,000.

Your approval is requested to amend this contract to provide for additional advisory services with respect to waste to energy vendors and underwriters, equipment leasing, alternative methods of borrowing in anticipation of revenue, changes in federal statutes with respect to bond registration and tax-exempt revenue bonds, and the fiscal aspects of new development. The cost of this amendment shall not exceed \$32,100, which I have determined to be reasonable. The contract, as amended, shall not exceed \$232,100. The amendment with respect to scope of service is effective July 1, 1983, and the amendment with respect to cost is effective November 1, 1983.

Because of the professional nature of the services to be performed and the unique familiarity of the contractor with the city's financial matters and demonstrated excellent performance in the past, I believe that public advertising would serve no useful purpose.

Respectfully,  
Lowell L. Richards III,  
*Collector-Treasurer*

---

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

**ASSESSING DEPARTMENT**  
**Computer Equipment Moving**

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Digital Equipment Corporation, 175 Federal Street, for professional services to be rendered to the Assessing Department.

Under the terms of the contract, the contractor will deinstall all Digital Equipment Corporation's computer equipment and ready the equipment for the move from 147 Milk Street to City Hall. At City Hall, they will then ready the equipment for reinstallation. Any damage, other than obvious shipping damage, will be covered under our service contract with Digital Equipment Corporation. However, if another company were to be contracted for these services, and damage ensued, then our service contract with Digital Equipment Corporation would be voided, thus risking a very costly and time-consuming move.

Compensation under this contract shall not exceed \$7,000, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$166 per hour for two people. The time estimate for work to be done is twenty to forty hours.

The term of this contract shall be from December 27, 1983, through December 30, 1983.

Because of the professional nature of the services to be performed, and other considerations stated above, I believe that public advertising would serve no useful purpose.

Sincerely,  
Edward J. Jay, Jr.,  
*Commissioner*

**CITY COUNCIL  
Legal Services**

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Mr. Stephen Oleskey and associates of the law firm of Hale & Dorr, 60 State Street.

Under the terms of the contract, Mr. Oleskey will perform legal services for the members of the Boston City Council pursuant to orders passed by the Council for representation in the case of *Latino Political Action Committee et al. v. The City of Boston, et al.*

Compensation under this contract shall not exceed \$29,000. Payment to be made will be at the rate of \$100 per hour for the services of Mr. Oleskey, \$85 per hour for the services of Jane Kaplan and Timothy Gailey, \$65 per hour for junior associates and \$20 per hour for law clerks. It is my opinion that this contract cost is both just and reasonable for the nature of the work to be performed.

The term of this contract shall be from July 20, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, and realizing that is a negotiated-type contract, I believe that public advertising would serve no useful purpose.

Very truly yours,

James M. Coyle,  
Staff Director.

**ELECTION DEPARTMENT  
Professional Services**

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to R.J.M. Detective Agency, 774 East Seventh Street, South Boston, for professional services.

Under the terms of the contract, R.J.M. Detective Agency will furnish investigative services and two constables to serve subpoenas in conjunction with board hearings and any further investigations or with hearings that may follow because of recounts.

The necessity for these investigations and summonses was generated by the high number of non-verified affidavits of registration returned from the Boston Police Department and the unusual number of non-verified mailers returned from the Post Office Department. These circumstances coupled with allegations of voter fraud, prompted the Board of Election Commissioners to order hearings under chapter 51 sections 48 and 49 M.G.L., further the State Secretary and the Attorney General's Office concurred with the board's concern for in-depth investigations and hearings.

In view of the fact that a monitor has been assigned to the Election Department in part to oversee voter fraud or irregularities, the board has voted to take all steps necessary to insure a safe election to include investigations and summoning.

Compensation under this contract shall not exceed \$10,000, for professional services, and travel expenses which the board deems to be reasonable. This letter is being submitted late due to an administrative oversight.

The board has retained the R.J.M. Detective Agency in the past in similar circumstances and has found the firm to be both efficient and cost-saving and because of the time constraints involved with the City Election being held (because of a special one-time act), with only five weeks between the City Preliminary and the City Election. The board feels it would serve no useful purpose to publicly advertise at this time.

The terms of this contract shall be from October 27, 1983, to December 16, 1983. Compensation

shall be \$50 per hour for investigative services, \$22 per subpoena, and travel costs shall be reasonable.

Respectfully submitted for the board,  
Michael A. Joyce,  
Chairman.

**FAIR HOUSING COMMISSION  
Drafting of Regulations**

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Charles J. Beard, a partner in the law firm of Foley, Hoag and Eliot, One Post Office Square, Boston.

Under the terms of the contract, Mr. Beard will draft regulations for the City of Boston Fair Housing Commission. Mr. Beard is uniquely qualified to do this work because of his expertise and experience in this area.

Compensation under this contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed.

The term of the contract shall be July 1, 1983, through June 30, 1984. The rate is \$100 an hour, standard for this service.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Yours very truly,

Robert W. Upshur,  
Executive Director.

**FIRE DEPARTMENT  
Repairs**

Dear Mr. Mayor:

I respectfully request your Honor's approval to dispense with public advertising in the award of a contract to Kessler Machine Works, Inc., Canton. The cost of this contract not to exceed \$3,000, is fair and reasonable consideration for the type of expertise required.

The purpose of this contract is to provide for the repairing of the Squirt apparatus that is so needed by this department. The time of this contract is May 1, 1983, to June 30, 1983.

This department has two Squirt apparatus manufactured by the Snorkel Co. of St. Joseph, Missouri, in 1969 and 1971. They are now fourteen and twelve years old, respectively. They have been a vital part of this department and have been used constantly since they have been placed in service and major repairs are necessary to insure efficient and dependable performance from them.

The only alternative other than shipping them to the manufacturer in St. Joseph, Missouri, at prohibitive expense was to have the work done locally. The work was given to Kessler Machine Company based on its excellent performance and efficient skills in all jobs assigned to it in the past.

The reason for not advertising is that due to past experience, we have found that companies that accept repair work on fire apparatus and parts cannot do the job.

They do not realize that apparatus, especially the type designed for unique operations, is different from any type of work they have done previously.

The reason for this being late was that the job was an emergency and it took a couple of weeks and we were not sure of the amount of the job.

The repairs involved in restoring the Squirt to its original efficiency were major. The entire course of the waterway had to be relocated and the pivot pins for rotation had to be removed, remachined and installed. It is impossible to get an estimate for work of this nature. It has to be done on a cost-plus basis.

Therefore, because of the unique services required to perform this contract and in light of the

qualifications of the above corporation, it is believed that public advertisement would serve no useful purpose.

Respectfully submitted,  
George H. Paul,  
Fire Commissioner/Chief.

**HEALTH AND HOSPITALS DEPARTMENT  
Training Courses**

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to award a contract, without advertising to Roxbury Community College, 625 Huntington Avenue, for the period November 15, 1983, through June 30, 1984, at a cost not to exceed \$2,000.

Roxbury Community College provides skill training in the areas of word processing, typing, computers and general educational diplomas. The basic cost for each course is \$109.

The Office of Training and Development is offering a special incentive by making it possible for the employees of Boston City Hospital to attend these courses for \$75 per course. This contract will provide the funds necessary to cover the additional \$34 charge per course.

Roxbury Community College is easily accessible. They have instructors who are bilingual and instructors who are sensitive to the issues of Boston City Hospital employees. Because of this, because of the professional nature of the services provided and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The original letter of award, written October 3, 1983, was misplaced therefore, this letter of award is being submitted late.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

**Instrumentation, Reagents, etc.**

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract without advertising to Beckman Instruments, Inc. Wakefield, for the period January 1, 1984, through December 31, 1988, or for the sixty-month period following delivery of the equipment at a cost not to exceed \$856,514.40.

Under this contract, Beckman Instruments, Inc. will provide instrumentation, maintenance and reagents to Boston City Hospital. The equipment will consist of an Astra Mini-Ideal System and an Astra 8. Maintenance, including labor, parts and travel will be provided Monday through Friday during normal working hours.

The instrumentation cost is \$4,381 per month and the maintenance costs are \$1,500 per month. These prices will remain firm for five years. Provided the hospital performs a minimum of 30,000 test per month for three years, the unit cost for the reagents will remain firm for three years and there will be a cap of 8 percent on reagent prices for each of the final two years of the contract. At the end of the contract period the instrumentation will be the property of Boston City Hospital.

Beckman Instruments, Inc. is the sole source for enzyme reagents. The company has developed a unique method to perform enzyme testing which involves both their instrumentation and these reagents. By using this method the hospital will obtain fast test results, meeting the required turnaround time. The instrumentation is compatible with the system analysis software used in the Laboratory Computer System.

Because of the above reasons and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This contract is dependent upon a yearly appropriation of funds.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

**INSPECTIONAL SERVICES DEPARTMENT  
Building Make-Safe**

Dear Mr. Mayor:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous conditions. These buildings or structures are a menace to the neighborhood. The location is 160 London Street, Ward 1 (Ordered-in to make building safe after gas explosion.)

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972 as amended, particularly section 123, thereof I have asked and have received your Honor's permission to enter these various premises and to make them safe.

Bidders were requested to submit and aggregate bid for making safe of these buildings or structures.

We have solicited bids, award to be made to the lowest qualified bidder, and have received the following: Napoli Wrecking, \$27,847.36.

Napoli Wrecking has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance, and it has done satisfactory work for this department in the past.

The Inspectional Services Commissioner considers the price of this contract as reasonable. Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter, of a contract in the sum of \$27,847.36, to the Napoli Wrecking, 71 Proctor Street, Roxbury.

Very truly yours,  
Anthony Pepicelli,  
*Inspectional Services Commissioner.*  
*Board of Appeal*

**Stenographic Services**

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Nancy A. Arciero, 496 Sumner Street, East Boston, for the purpose of providing stenographic services to the members of the Board of Appeal.

Under the terms of the contract, Nancy Arciero will record the minutes of the hearings held by the Board of Appeal, and will also take and transcribe the various public hearings held by the Board of Appeal. Ms. Arciero is uniquely qualified to do this work, and has been engaged by the Board of Appeal for a number of years.

Compensation under this contract shall not exceed \$3,000. Payment to be made will be at the monthly rate of approximately \$500 for recording. Board of Appeal hearings transcription will be based on \$2.20 for each original page and/or \$1.10 per each carbon copy page. It is my opinion that this contract cost is both just and reasonable.

The term of this contract shall be January 10, to June 30, 1984, the remainder of the present fiscal year.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,  
Peter J. Garrity,  
*Executive Secretary.*

**LIBRARY DEPARTMENT  
Building Renovations, etc.**

Dear Mr. Mayor:

On behalf of the Public Library of the City of Boston, I am respectfully requesting your approval to award a contract, without advertising, to the Trustees of the Public Library of the City of Boston (Trustees), a corporation duly organized and existing under the Laws of the Commonwealth of Massachusetts (see St. 1878, c. 114), under which contract the trustees will be responsible for undertaking major renovation, restoration, and extraordinary repairs to the McKim Building at the Main Library at Copley Square, for the period December, 1983, through December, 1986, at a cost not to exceed \$12,300,000. The Main Central Library Building, located in Copley Square, opened in 1895, and designed by the architect Charles Follen McKim, is hereinafter referred to as the McKim Building.

These necessary repairs now required include the repair and replacement of antiquated and rapidly deteriorating mechanical, electrical, and plumbing systems as well as the restoration and conservation of the magnificent interior and the integral artwork of the McKim Building, and finally restoring the McKim Building to its primary function as a permanent reference library, that requires reopening many prominent spaces to the public that were closed for library operational uses over the past fifty years.

The trustees believe that the best interest of the City of Boston will be served by this contractual arrangement which will enable the trustees, pursuant to its custodial responsibilities, to monitor the restoration of this treasured building. The trustees believe their responsibility is to guard against any damage by contractors to this remarkable Renaissance edifice, which is now classified as a U.S. National Landmark.

On December 17, 1983, the Public Facilities Commission voted to delegate its power to the City of Boston Library Department to make these extraordinary repairs to the McKim Building in the amount of \$12,300,000.

Therefore, the library is now requesting that a contract be established between the City of Boston Library Department (Official) and the Trustees of the Public Library of the City of Boston (Trustees) in the amount of \$12,300,000. This amount is available by means of an appropriation the Collector-Treasurer is authorized under the provisions of clause (3A) of section 7 of chapter 44 of the General Laws to issue, from time to time, on request of the Mayor, bonds, notes or certificates of indebtedness of the city to said amount. A \$15,000,000 loan order was recommended by the Mayor and adopted by the City Council on November 22, 1983 (see exhibit: Council Order).

It is understood and agreed, as a condition of this contract, that the trustees will advertise and award said contract for renovation, restoration and repairs of the McKim Building in accordance with all applicable provisions of the General Laws, including without limitation, section 39F and 39K through 39P of chapter 30, and section 29 and 44A through 44H inclusive of chapter 149, as amended, and in accordance with applicable ordinances and policies of the City of Boston governing the award of contracts. All contract documents and payment procedures shall be subject to the approval of the Official, and the Law and Auditing Departments.

This contract has been discussed with the following City of Boston Administrative Department heads: Law, Budget, Auditing, Collector-Treasurer and The Public Facilities Commission, and has

been agreed to as an acceptable approach for the repair, remodeling, and restoration of this unique library building.

The Board of Trustees in charge of the Library Department of the City of Boston, accepting for and in behalf of the City of Boston, has taken the following action:

In Board of Trustees, 17 December, 1983.

Voted Whereby, The City of Boston pursuant to the authority found in St. 1966, s. 3 (ii), acting by its Public Facilities Commission, hereby delegates to the City of Boston Library Department, its power with regard to the limited purpose of entering into a contract with the Trustees of the Public Library in an amount of \$12,300,000 for the purpose of making extraordinary repairs to the McKim Building at the Main Library at Copley Square; and

Whereas, The City of Boston acting by its Public Facilities Commission has further voted, that this delegation shall extend to any and all other such actions are appropriate to effect the extraordinary repairs referenced above; and

Whereas, Vote No. 7 taken by the Public Facilities Commission on December 17, 1983, states: that the director be, and he hereby is, authorized to enter into a contract with the Trustees of the Public Library to act as the agent of the Trustees, and to perform contract management services in connection with the extraordinary repairs to the McKim Building at the Main Library at Copley Square, and to execute such agreement, in the name and on behalf of the Commission; now therefore, be it

Voted, That there be entered into a nonadvertised contract with the Trustees of the Public Library of the City of Boston, a corporation under chapter 114 of the Acts of 1878 as amended, and the City of Boston Library Department, for making extraordinary repairs to the McKim Building at Copley Square, during the period December, 1983, through December, 1986, for a total amount not to exceed \$12,300,000.

In view of the foregoing, the permission of your Honor is hereby requested to award this contract, in accordance with the terms and conditions stated above, to the Trustees of the Public Library of the City of Boston, in the amount of \$12,300,000, which in the opinion of the Board of Trustees is a reasonable cost for making these extraordinary repairs to the McKim Building.

Respectfully,  
The Board of Trustees in Charge of the Library Department of the City of Boston,  
By Liam Kelly,  
*Acting Director,*

**MAYOR'S OFFICE  
Consultant**

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Price Waterhouse, a partnership, located at One Federal Street, for the following tasks: analysis and audit of the Police Department's response to Priority One emergency calls; resource allocation study of the department's response to Priority Two and Three 911 calls.

Price Waterhouse is uniquely qualified to do this work because of their previous work in establishing performance standards for the Police Department and their familiarity with the city's operating methods and procedures.

Compensation under this contract shall not exceed \$55,000, which I have determined to be reasonable for the work to be performed. Payment for services associated with this contract will be made against account 1-03-15-290.

The term of this contract shall be July 1, 1983, to

March 31, 1984. This award letter is being processed now because allocation of the funding source was uncertain earlier.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,  
Stephen P. Dunleavy,  
Assistant to the Mayor.

#### NDEA Building Renovations

Dear Sir:

I respectfully request your permission to dispense with public advertising and to award a contract to Chinese Consolidated Benevolent Association (C.C.B.A.), a nonprofit organization, located at 31 Beach Street, Boston, for renovations to the old Quincy School.

Under the term of this contract, the contractor will perform the following work: upgrade the electrical system; repair and upgrade the plumbing; replace the roof; and undertake various building code-related renovations. Plans also include a ramp to make this facility accessible to the handicapped. The contractor was selected based on the evaluation of a proposal submitted to the Neighborhood Development and Employment Agency. In addition, this organization has functioned well under previous Community Development Block Grant-funded programs and provides a wide range of programs within their service area.

Compensation under the terms of this contract shall not exceed \$64,000, payment being made from funds received under Program Year VIII of the CDBG program. The period of performance shall be from October 29, 1983, to February 28, 1984. The submission of this award letter has been delayed due to continued negotiation with the contractor.

As this is a negotiated contract at a reasonable cost, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### Design and Painting of Mural

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Lisa Carter, an individual, located at Somerville, for design and painting of a mural.

Under the terms of this contract, the contractor shall research local historical figures and paint a mural on the Beulah Pilgrim Church. The contractor was selected after an examination of seven proposals which were submitted in response to a publicly advertised request for proposals published in the *Boston Globe*.

Compensation under the terms of this contract shall not exceed \$9,030, which I have determined to be reasonable for the services to be provided. This contract shall be funded under Program Year VIII of the Community Development Block Grant program. The term of this contract shall be from November 1, 1983, to June 30, 1984.

Since this award is based on a review of proposals submitted in response to a publicly advertised request for proposals, I believe that further public advertising would serve no useful or practical purpose. I, therefore request permission to dis-

pense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### Preschool Program Supplies

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to the Special Moment in Learning Experience Preschool (S.M.I.L.E.), a nonprofit organization, located at 55 Dimock Street, Roxbury, for the purpose of operating a preschool program.

Under the terms of the contract, the contractor will purchase recreational equipment and program supplies. The program serves thirty-five children, from low- to moderate-income families, Monday through Friday, from 7:30 a.m. to 5:30 p.m. The contractor was selected based upon the quality documentation submitted detailing the necessity of this equipment for the preschool program.

Compensation under the terms of the contract shall not exceed \$5,000, payment being made from Year IX funds of the Community Development Block Grant program. The period of performance shall be from December 1, 1983, until June 30, 1984. The submission of this letter has been delayed due to the length of the proposal review process.

As this is a negotiated contract at a reasonable cost, based upon an extensive proposal review, it is my belief that public advertising would serve no useful or practical purpose. I therefore, request approval to dispense with inviting bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### Programs Analysis

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to the Boston Urban Observatory of the University of Massachusetts/Boston, Downtown Center, for an analysis of the Neighborhood Development and Employment Agency's Commercial District Programs.

Under the terms of the contract, the contractor will conduct an extensive analysis of the Commercial District Programs funded under the Community Development Block Grant program and make recommendations for more efficient and effective operation of these programs. The contractor was the sole respondent to a publicly advertised request for proposals published in the *Boston Globe* on September 20, 1983.

Compensation under the terms of this contract, which I have determined to be reasonable for the services to be provided, shall not exceed \$24,800. This contract shall be funded under Program Year IX of the Community Development Block Grant program. The term of this contract shall be from November 15, 1983, to January 31, 1984.

As this is a negotiated contract for professional services and because the contractor was the sole respondent to a publicly advertised request for proposal, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### Software Maintenance Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Digital Equipment Corporation (DEC) 175 Federal Street. The purpose of this contract to provide routine and emergency software maintenance services for NDEA's contract compliance, library, housing and skills bank tracking system. The software support system includes telephonic support, on-site support when needed, and software updates and enhancements and associated manuals. It is an accepted industry practice to use the service branch of the computer manufacturer to perform such maintenance. The rates charged are reasonable and in accordance with maintenance costs for users of comparable systems and equipment.

Compensation under the terms of this contract shall not exceed \$7,828. Funds for this contract shall be payable under the Community Development Block Grant Year IX. The term of this contract shall be from October 1, 1983, through June 30, 1984. This request was delayed due to the time required to determine the scope of services and fee structure for the contract.

As this is a negotiated contract for technical services requiring standardization as a reasonable cost, it is my belief that public advertising would serve no useful or practical purpose. I therefore, request approval to dispense with inviting bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with American Management Systems Inc., Virginia. The purpose of this contract is to provide a software maintenance support system for the Neighborhood Development and Employment Agency automated financial management system. AMS, Inc. is uniquely qualified to provide these services having developed and installed this system for NDEA. No other company possesses the resources and depth of knowledge of their licensing operating system and software. AMS, Inc. is a software provider and their fees are reasonable for the level of technical expertise required.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$7,500. This request was delayed due to the time required to determine the scope of services and fee structure for the contract.

As this is a negotiated contract for professional services at a reasonable cost, that conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### Hardware maintenance Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Digital Equipment Corporation (DEC) 175 Federal Street. The purpose of this contract to provide routine and emergency computer hardware

ware maintenance services in support of the operation of the Neighborhood Development and Employment Agency automated financial management and client tracking systems. The support system includes both regular preventive maintenance and emergency field support and repair service. In addition, DEC will install and test newly acquired equipment on an as-needed basis. It is an accepted industry practice to use the service branch of the computer manufacturer to perform such maintenance. The rates charged are reasonable and in accordance with maintenance costs for users of comparable systems and equipment.

Compensation under the terms of this contract shall not exceed \$26,493. Funds for this contract shall be payable under the Community Development Block Grant Year IX. The term of this contract shall be from October 1, 1983, through June 30, 1984. This request was delayed due to the time required to determine the scope of services and fee structure for the contract.

As this is a negotiated contract for technical services requiring standardization as a reasonable cost, it is my belief that public advertising would serve no useful or practical purpose. I therefore request approval to dispense with inviting bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

#### Farmers Markets

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to the Massachusetts Federation of Farmers — Gardeners Markets, a nonprofit organization, located at Boston, for the purpose of creating farmers markets in four NDEA Commercial Districts.

Under the terms of the contract, the contractor will give assistance to and develop farmers markets to the end of creating self-sufficient, community-based organizations where farmers can sell their produce. Activities will include assessment, community outreach and promotion, and coordination of all activities required for implementation once market areas are established. The contractor was selected based upon its professional qualifications and unique expertise. The expertise and services to be provided are unavailable from another vendor, and the cost is minimal.

Compensation under the terms of the contract shall not exceed \$15,000, payment being made from Year IX funds of the Community Development Block Grant program. The period of performance shall be from December 1, 1983, until November 30, 1984.

As this is a negotiated contract at a reasonable cost, based upon an extensive proposal review, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

### PARKS AND RECREATION DEPARTMENT

#### NOTICE TO CONTRACTORS

#### Invitation for Bids for Furnishing Trees, Shrubs, Plants and Planting Material for Parks and Recreational Facilities.

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the

Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of the contract documents entitled: "Furnishing Trees, Shrubs, Plants, and Planting Material for Parks and Recreation Facilities."

#### CONTRACT C

#### Furnishing Trees, Shrubs, Plants, and Planting Material for Parks and Recreation Facilities.

SCOPE OF WORK under this contract consists of furnishing trees, shrubs, plants and planting material for various park facilities. Estimated cost of construction is \$20,000.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, July 2, 1985 and opened forthwith, and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to time named for opening of bid.

SPECIFICATIONS will be available on or about Tuesday, June 18, 1985, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$10 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$10 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, June 25, 1985, at 10 a.m., Boston time.

Bidding documents will be mailed by parcel post upon request and receipt of an additional postage and handling charge of ten dollars (\$10), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 14 percent and WBE 4 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

The Authority will conduct an inspection tour of the proposed work areas in the contract, including the substation buildings proper and any restricted areas associated with them on June 25, 1985, the

day before the prebid conference. Bidders shall meet at the office of the Project Manager, Richard F. Conley, 21 Arlington Avenue, Charlestown, MA 02129 (722-5014) on the day mentioned above at 8 a.m. to participate in the tour. Bidders are advised that they should have representation at this inspection tour as no extra visits are planned.

A prebid conference will be held on June 26, 1985, at the Power Systems Improvements Project Office, 21 Arlington Avenue, Charlestown, MA 02129. Any request for interpretation of the specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Proposal guaranty shall consist of a bid deposit of fifteen thousand, five hundred dollars in the form of a bid bond, cash, certified check, a treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

## PRELIMINARY CAPITAL PLAN NEEDS MAJOR INVESTMENT

In an Executive Summary to a report on Boston's Capital Needs Assessment, the Office of Capital Planning outlined major investment required to rehabilitate and preserve Boston's infrastructure.

The findings of this report are striking. The City's outstanding capital need is nearly **\$680 million** (1985 dollars). In certain areas the needs are particularly severe. For example:

- Boston's roadways are being re-constructed every sixty-five to seventy years. This replacement schedule is double the generally recognized roadway useful life of thirty-five years.

- Most of the Health and Hospital facilities are in a severely deteriorated state. At the Boston City Hospital complex alone, it is estimated that upwards of \$140 million of capital investment is required to bring the hospital up to modern standards.

- Boston parks have suffered from virtually decades of neglect. Up to \$25 million of capital is required to restore neighborhood parks and playgrounds. (This estimate excludes the Olmstead Park System.)

- Neighborhood police stations, a clear priority of your administration, are in poor condition or have been sold. Approximately \$14 million of capital investment is needed to restore neighborhood police facilities.

- County facilities (Charles Street Jail, Deer Island, and the Courts), are a large capital burden on the city requiring upwards of \$76.6 million over the next several years.

A complete discussion of these items is provided in more detail within this ext.

The poor condition of this city's capital is a result of three factors:

- Seven years of underinvestment
- No comprehensive capital planning for almost twenty-five years
- Annual maintenance budget reductions following the financial impact of Proposition 2-1/2

In response to this problem, a five-year, capital plan is now being developed, coordinated by the Office of Capital Planning, utilizing interdepartmental expertise and experience. Over

fifteen city agencies are collaborating to produce this plan.

(The introduction to the *Capital Needs Assessment* is printed below)

### Introduction

Boston is emerging from a three-year moratorium of capital investment that followed the passage of Proposition 2-1/2. This period combined with federal budget cuts and the patterns of city capital investments made during the 1970s have left the city with a large backlog of capital needs.

Reform of the city's capital planning procedures is long overdue. It has been almost twenty-five years since the city produced a comprehensive multi-year capital plan. The absence of such a document to guide project selection and financial planning has resulted in underinvestment in certain portions of the city's capital stock, in particular, its municipal buildings. Moreover, the fragmentation of capital projects among some fifteen city agencies was both inefficient and impeded long-range financial planning.

With over 400 municipal buildings, 2,500 acres of parkland, 45 bridges, and 800 miles of streets to maintain and repair, the city will no longer ignore the deteriorated condition of much of its infrastructure.

The size of the City of Boston's capital investment needs, together with the city's restricted financial base will require both careful planning and scheduling of capital investments and innovative financing, construction, and debt management strategies. With respect to planning and scheduling, there is the need to not only coordinate related infrastructure investments, but also to combine infrastructure invest-

ment with other forms of public investment and public policy.

Given the size and scope of Boston's infrastructure needs it is imperative that future capital decisions are made within the context of a multi-year plan.

With the creation of the Office of Capital Planning (OCP) in July 1984, the city has formally begun to reform the process by which capital projects are selected for funding and by which capital expenditures are monitored. In October of 1984, OCP prepared and distributed to fifteen city agencies the city's first capital budget manual and standardized budget forms. The information collected within this manual identifies capital needs over a five-year period and identifies all prospective sources of capital funding including general obligation bonds, federal and state grants, trust fund and private contributions. Project requests were categorized by established criteria to include legal obligation, urgent health and safety, handicapped access, operational improvements and neighborhood and economic enhancement.

The data gathered from the agency budget requests were analyzed by OCP staff along with a host of building and infrastructure surveys completed by either line departments or outside consultants. The sum of this information provides the basis for this capital needs assessment presentation.

This presentation does not include an analysis of capital financing nor does it represent recommendations for city action. Both of these areas will be fully analyzed and presented within the multi-year capital plan now being developed. This report is intended only to present the overview of the city's outstanding capital requirements of city departments and the categories of need.

Policy research and further financial analysis is now underway for the development of a five-year capital plan. As  
(Continued on next page)

## Capital Plan . . .

(Continued on next page)

part of this effort, research groups composed of OCP staff, other city departmental staff, and senior administration officials, have been formed to examine a broad range of policy implications related to capital investment. These policy topics include capital revenues, hospital, library, recreational, historic buildings, public safety and correctional facilities, as well as parks and public ways. Already completed is a ten-year facility plan for Boston Public Schools which has been approved by the Mayor and the School Committee and is now before the Federal District Court which oversees Boston's school desegregation court order. It is anticipated that by July 1, 1985, OCP will be prepared to present to the Mayor and other senior advisors, the five-year capital plan proposal.

As indicated, both the assessment of capital needs, as well as the five-year capital plan now in process, utilized an interdepartmental team approach. In all instances, OCP staff along with line staff and other related planning agencies reviewed outstanding need, cost estimates and the priority of individual projects. This approach has proven to be most successful, providing a forum for policy debate, as well as completeness of information. However, total agreement on all aspects of capital needs and priority is unrealistic. Thus, the material presented here reflects only the opinions of the Office of Capital Planning.

Finally, this report represents an executive summary of literally hundreds of pages of analysis conducted over the past year, by city engineers and capital planners. The report is an attempt to give the reader an overview of outstanding city capital need and does not contain detailed scope of work for individual projects nor a justification for further action. This detail will be forthcoming in the multi-year capital plan.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### NDEA

### Open Space Program

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to the Oficina Hispana, Inc., a nonprofit organization, located at 125 Amory Street, Jamaica Plain, for the purpose of participating in an open-space management program.

Under the terms of the contract, the contractor will create and maintain a park and children's play ground at 108-110 Amory Street, Jamaica Plain. The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an excellent record in managing similar grants. The submission of this letter has been delayed due to the length of the proposal review process.

Compensation under the terms of this contract shall not exceed \$30,000, payment being made from the Community Development Block Grant program (Jobs Bill). The period of performance shall be from December 1, 1983, until November 30, 1984.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals it is my belief that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

### Program Audit

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with GAR Resources, Inc. Boston, to provide professional services to the Neighborhood Development and Employment Agency. Under the terms of the contract, the contractor will prepare draft request for proposals for audit of CETA programs for Fiscal Years 1980-1983. The contractor will also provide technical assistance to NDEA's fiscal staff and audit staff relative to audit and audit resolution, provide fiscal technical assistance in support of the Office of Inspector General Special Purpose Review and will provide assistance to NDEA staff in support of Fiscal Year 1984 CETA administrative cost pool activities. The contractor was selected based upon its reasonable rates and its knowledge and expertise in the CETA training area.

Funds for the operation of this contract will be provided to the City of Boston through a federal

### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must, except in emergencies, be in hand at the *City Record* office by noon, Monday of each week to insure its publication in the following Monday's issue.

government grant under the Comprehensive Employment and Training Act Amendments (Close Out Grant). The contract will be effective for the period October 1, 1983, through March 31, 1984, at a cost not to exceed \$15,000 (\$250 per diem). This request was delayed due to the time required to negotiate the scope of services and compensation for the contract.

As this is a negotiated contract for professional services at a reasonable cost, that conforms with federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore, request approval to dispense with inviting bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### Job Training Program

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Jobs for Youth-Boston, Inc., a non-profit organization with offices at 312 Stuart Street. The purpose of this contract is to provide funds to allow the contractor to close out its Fiscal Year 1983 job readiness training program for CETA-eligible, school dropouts. The program provided job readiness, vocational counseling, educational assessment and educational support services to the participants.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through December 31, 1983, at a total cost not to exceed \$10,000. This request was delayed due to the time involved in reaching funding decisions.

As this contract award is to provide close-out costs for a successfully operated CETA program and the cost is reasonable, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### Systems Maintenance Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Cincom Systems, Inc., Ohio. The purpose of this contract is to provide maintenance service for the Neighborhood Development and Employment Agency Client Tracking System Data Base Management System. The rates charged are reasonable and in accordance with maintenance cost for users of comparable systems and equipment. Cincom Systems, Inc. is uniquely qualified to perform this service because they market the Data Base Management System and is the only vendor which can service the system.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$2,768. This request was delayed due to the time required to determine the scope of services and fee structure for the contract.

As this is a negotiated contract for technical items or equipment requiring standardization and interchangeability of parts with existing equipment at a reasonable cost, that conforms to federal procurement requirements for JTPA programs, no

public purpose would be served by formal advertising. I therefore request approval to dispense with inviting bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with John Bowen, 137 Marlborough Street, for professional services to the Neighborhood Development and Employment Agency computer services unit. The contractor will provide software maintenance for NDEA's contract compliance, client tracking, test analysis and mail label applications. In addition, the contractor will develop new automated applications for NDEA. The contractor was selected based upon his past experience and extensive knowledge of NDEA's computerized systems. His skills and experience makes him uniquely qualified to perform the required work. In addition, the contractor's rates are extremely reasonable in view of the level of technical expertise required for this type of service.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total cost not to exceed \$21,000 (\$30 per hour). This request was delayed due to the time required to negotiate the scope of services and compensation for the contract.

As this is a negotiated contract for professional services at a reasonable cost, that conforms with federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Thomas Whalen, 29 Ashcroft Street, Jamaica Plain, for professional services to the Neighborhood Development and Employment Agency fiscal office and computer services unit. The contractor will provide on-site services to assist in the upgrading of the LGFS fiscal software system and will establish various reports required under the new guidelines of the Job Training Partnership Act. The contractor will also prepare various system files from Fiscal Year 1980 through 1983, to ensure proper audit trails. The contractor was selected based upon his extensive experience and knowledge of both the city's accounting procedures and NDEA's financial management system. His skills, knowledge and experience make him uniquely qualified to perform the required work. In addition, the contractor's rates are extremely reasonable in view of the level of technical expertise required for this type of work.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period October 1, 1983, through June 30, 1984, at a total

cost not to exceed \$10,000 (\$35 per hour). This request was delayed due to the time required to negotiate the scope of services and compensation for the contract.

As this is a negotiated contract for professional services at a reasonable cost that conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### Legal Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with William G. Howell, Esquire, Taunton, to provide legal services to the Neighborhood Development and Employment Agency. Under the terms of the contract, the contractor will provide services to NDEA in the area of federally mandated grievance procedures and related matters, including acting as a hearing officer. The contractor was selected based upon his reasonable rates for this type of service and his extensive experience and knowledge of the JTPA programs and grievance procedures.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period November 1, 1983, through June 30, 1984, at a total cost not to exceed \$2,000 (\$45 per hour). This request was delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract for professional services at a reasonable cost, that conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with John Fernandes, Esquire, Milford, to provide legal services to the Neighborhood Development and Employment Agency. Under the terms of the contract, the contractor will provide services to NDEA in the area of federally mandated grievance procedures and related matters including acting as a hearing officer. The contractor was selected based upon his reasonable rates for this type of service and his extensive experience and knowledge of the JTPA programs and grievance procedures.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under the Job Training Partnership Act. The contract will be effective for the period November 1, 1983, through June 30, 1984, at a total cost not to exceed \$2,000 (\$45 per hour). This request was delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract for professional services at a reasonable cost that conforms to federal procurement requirements for JTPA programs,

no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely

Paul S. Grogan,  
Director.

#### OFFICE OF HOUSING Construction Loan Financing

Dear Mr. Mayor:

I hereby request your permission to dispense with bidding and to award a contract in an amount not to exceed \$1,177,000 to Bank of New England, N.A., located at 28 State Street. The contract shall be effective for the period January 1, 1984, to December 31, 1985. The contract amount is reasonable for the services to be performed. Payment for this agreement will be made from Community Development Block Grant.

Under the terms of the agreement, Bank of New England, N.A., will provide for up to \$1,177,000 in short-term construction loan funds for rehabilitation under the Urban Homesteading Program. Construction funds are to provide for the rehabilitation of approximately thirty-five abandoned properties in seven areas: Roxbury, East Boston, Meetinghouse Hill, Uphams Corner, Codman Square, Highland Park, and Franklin Field. These funds will be repaid as the city receives CDBG reimbursement. After the completion of rehabilitation, sale proceeds will be returned to a city revolving loan fund for the rehabilitation of abandoned properties.

In preparation for this program, open meetings were held in August, 1975, and March, 1976, for all financial institutions interested in supporting the program. Eleven banks agreed to participate by making long-term mortgage financing available once the rehabilitation was complete. Bank of New England, N.A. was the only bank that would agree to make short-term construction loan financing available to the program.

On the basis of Bank of New England, N.A.'s expertise and performance to date in providing construction loans to the Homesteading Program, I recommend that a contractual relationship between the city and Bank of New England, N.A. be established at this time. Moreover, it is my view that public advertising would not serve any useful or practical purpose at this time.

Sincerely,

Joseph M. Courtney,  
Division Director.

#### Homesteading Program Services

Dear Mr. Mayor:

I hereby request your permission to dispense with bidding and to award a contract in an amount not to exceed \$28,500 to Codman Square Housing Development Corporation, a nonprofit corporation located at 6 Norfolk Street, Dorchester. The period of performance shall be from December 1, 1983, to December 31, 1984. The contract amount is reasonable for the services to be performed. Payment for this agreement will be made from Community Development Block Grant.

Under the terms of the agreement, Codman Square Housing Development Corporation will provide Homesteading Program services in Codman Square. Services shall include: property research; evaluation of rehabilitation feasibility; acquisition; applicant processing for Homesteader Selection Board; rehab specification writing; rehab contractor progress payment review and approval; escrow collection from buyer and rent collection from tenants; utility coordination; and deeding. Codman

Square Housing Development Corporation has previously performed these services in a satisfactory manner and is considered qualified to continue service performance.

The U. S. Department of Housing and Urban Development has agreed that neighborhood-based, nonprofit corporations participating in the Homesteading Program are exempt from federal contract bidding requirements. Also, due to the professional nature of the services to be performed under this agreement and also due to the fact that Codman Square Housing Development Corporation has been performing the above services in an acceptable manner to date, it is my determination that the public interest would not be served by public advertisement for bids.

Sincerely,

Joseph M. Courtney,  
Division Director.

Dear Mr. Mayor:

I hereby request your permission to dispense with bidding and to award a contract in an amount not to exceed \$223,000, to Ronan Neighborhood Associates, Inc., a nonprofit corporation located at 252 Bowdoin Street, Dorchester. The period of performance shall be from December 1, 1983, to December 31, 1984. The contract amount is reasonable for the services to be performed. Payment for this agreement will be made from Community Development Block Grant.

Under the terms of the agreement, Ronan Neighborhood Associates, Inc. will continue to provide Homesteading Program services in Meetinghouse Hill. These services will include: property research; evaluation of rehabilitation feasibility; acquisition; applicant processing for Homesteader Selection Board; rehab specification review; rehab contractor progress payment review and approval; escrow collection from buyer and rent collection from tenants; utility coordination; and deeding.

In addition, Ronan Neighborhood Associates will continue to provide the services of a work crew for the performance of semi-skilled rehab tests on Homesteading Program properties. Since the Homesteading Program plans a doubling of property output, the current crew of six will be increased to twelve rehab workers. The cost of the crew as a budget component of this contract is \$171,600 for salaries, fringe benefits and crew operating expenses. Past experience with similar work crews indicates that substantial savings are generated by the use of a crew instead of a general contractor for semi-skilled work items. The crew will provide rehab work services in seven homesteading areas — Meetinghouse Hill, Codman Square, Uphams Corner, Roxbury, Franklin Field, Highland Park, and East Boston.

Ronan Neighborhood Associates, Inc. is qualified to perform these services. Ronan Neighborhood Associates, Inc. has provided these services in a satisfactory manner under previous agreements.

The U. S. Department of Housing and Urban Development has agreed that neighborhood-based, nonprofit corporations participating in the Homesteading Program are exempt from federal contract bidding requirements. Also, due to the professional nature of the services to be performed under this agreement and also due to the fact that Ronan Neighborhood Associates, Inc. has been performing the above services in an acceptable manner to date, it is my determination that the public interest would not be served by public advertisement for bids.

Joseph M. Courtney,  
Division Director.

#### PUBLIC FACILITIES DEPARTMENT

##### Public Address System Repair

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising, and to award a contract to East Coast Electronics Co., Inc., Medford.

Under the terms of this contract, the contractor shall remove and replace the damaged voice coil assemblies of 120 speaker boxes within the public address system located on various floors of the new Suffolk County Courthouse. This public address system is essential in notifying all persons of cases involving fire or other emergency situations within these areas of the courthouse building. Therefore, I requested bids from three contractors normally engaged in this type of work with the following results:

East Coast Electronics, \$4,985; Joseph L. McKeen, \$5,200; J.J. Finn Electrical, \$5,300.

Compensation under this contract shall not exceed \$4,985, which I have determined to be reasonable for the work to be performed.

Because of the exigency due to the present situation, the need of the public address system for safety measures, the reasonable cost of these services, and our favorable past experience with this contractor, I believe that public advertising would serve no useful purpose in this case.

Respectfully,

Donald B. Manson,  
Director.

##### Repairs to Boiler

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising, and to award a contract to P.J. Kennedy & Sons, Inc., 486 Albany Street.

Under the terms of this contract, the contractor will make all necessary repairs, replace damaged parts, and conduct the proper tests to the existing boiler, located at the Franklin Park Resource Center, in order to make boiler system operational and to prevent any further damages to this system. Therefore, I requested bids from three contractors normally engaged in this type of work with the following results:

P.J. Kennedy & Sons, Inc., \$4,925; J. McCusker, Inc., \$5,500; D & F Plumbing, \$5,900.

Compensation under this contract shall not exceed \$4,925, which I have determined to be reasonable for the work to be performed.

Because of the exigency due to the present situation, the possibility of further damage to the property, the reasonable costs of these services, and our favorable past experience with this contractor, I believe that public advertising would serve no useful purpose in this case.

Respectfully,

Donald B. Manson,  
Director.

##### Emergency Interior Demolition

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising, and to award a contract to the John Palumbo Co., 321 West Second Street, South Boston.

As a result of the recent heavy rainfall, extensive water damage has been inflicted upon various locations on the first floor of the Brighton Courthouse, including serious water damages to the plaster ceiling and the tile flooring. This present situation has endangered the safety of all courthouse personnel and has disrupted courthouse operations from performing their proper functions. Under the terms of

this contract, the contractor will expeditiously clean all water-saturated areas, remove and dispose of the damaged materials. The immediate removal and disposal of the damaged plaster ceiling, which has separated from the existing ceiling wire mesh, would alleviate any danger to the safety of persons and property, and would keep this facility in operation. Therefore, I requested bids from three contractors normally engaged in this type of work with the following results: John Palumbo Company, \$4,950; Dartmouth Construction, \$5,800; D. Clancy & Sons Co., \$5,990.

Compensation under this contract shall not exceed \$4,950, which I have determined to be reasonable for the work to be performed.

Because of the exigency due to the present situation, the danger to the safety of persons and property, the reasonable cost of these services, and our favorable past experience with this contractor, I believe that public advertising would serve no useful purpose in this case.

Respectfully,  
Donald B. Manson,  
Director.

#### Reimbursement of Expenses

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on September 15, 1983, I hereby request your Honor's written authority to dispense with inviting proposals by advertisement in the *City Record*, and award to the Condon Community School Council, Inc., 200 D Street, South Boston, a contract for the reimbursement of nonpersonnel expenses incurred as a participant in the Boston Housing Authority's Occupation Literacy Program, during the period August 15, 1983, to March 23, 1984, at a cost not to exceed \$7,227.65, which is a reasonable amount.

The reason for the late submission of this letter is due to the fact that although the grant for this program began in March, 1983, the mechanism for handling the reimbursement of expenses was decided on only recently and this new process is just beginning.

Since this contract is for the payment of expenses and is covered by a state grant, public advertising in this instance would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

#### PUBLIC WORKS DEPARTMENT Reproduction of Negatives, etc.

Dear Mr. Mayor:

Your permission is hereby requested to dispense with inviting proposals by advertisement in the *City Record*, and to award a contract to Stein-Mason Studio, Inc., 348 Newbury Street.

Under the terms of the contract, Stein-Mason Studios will provide 8" x 10" reproductions of antique glass and cellulose negatives depicting scenes pertaining to the development of the Public Works Department. This work is urgent owing to the age of the material. The cost of each print will not exceed \$4, and each additional print will be \$2.10. The total cost of the contract shall not exceed \$4,000.

This department is currently engaged in an effort to preserve its unique history. These glass negatives depicting scenes of this city's development in the late 1900s, are presently in the possession of Harvard University and should be reproduced before they are lost to us.

I believe the cost to be reasonable and this firm is

qualified to perform these services. The contract period shall be from November 1, 1983, to June 30, 1984.

Due to the technical and professional nature of the services to be performed it is my judgment that public advertising would serve no useful purpose.

Very truly yours,  
Joseph F. Casazza,  
Commissioner.

#### RETIREMENT BOARD Auditing Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Charles E. DiPesa & Co., certified public accountants, 10 High Street, for auditing services of the year ending December 31, 1983. The scope of services will be expanded in the following areas:

Provide financial statements for the fiscal year ended June 30, 1984, as well as an audit for the year ending December 31, 1983; compile and prepare the Annual Statement to the Commonwealth of Massachusetts for the year ended December 31, 1983; provide a management letter containing the audit findings and associated recommendations.

The cost of this contract, which is effective January 1, 1984, to June 30, 1984, shall not exceed (\$53,000), which the board has determined to be reasonable and approved on November 10, 1983. Attached is a schedule of hourly rates — composite rate \$37.50, plus costs and expenses to a maximum of \$53,000.

Charles E. DiPesa & Company was engaged for auditing services for the years ending December 31, 1980, 1981, 1982, and is at the present time preparing to start an audit of the year ending December 31, 1983. I believe that public advertising would serve no useful purpose because of the continuity of the service and the special nature of the services to be performed.

Respectfully yours,  
Brian M. Leahy,  
Executive Officer.

#### Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Albert H. Russell, Jr., attorney at law, Everett.

Under the terms of this contract, Mr. Russell will provide legal services to the Boston Retirement Board. These services will include reviewing applications for disability retirement. Upon completion of such review, Mr. Russell shall submit a report to the Boston Retirement Board setting forth the legal or factual issues in dispute and a written recommendation regarding the disposition of the application, and a statement of the reasons therefor.

Compensation under this contract shall not exceed \$8,000. Payments to be made shall be at the rate of \$50 per hour for actual time, a rate which is reasonable. Each review shall not exceed four hours for a single disability application, unless waived by the executive officer of the board.

The term of this contract shall be November 21, 1983, through June 30, 1984. Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Brian M. Leahy,  
Executive Officer.

Dear Mr. Mayor:

I respectfully request your permission to dis-

pense with public advertising and to award a contract to Arlene Beth Marcus, attorney at law, 65 Franklin Street.

Under the terms of this contract, Ms. Marcus will provide legal services to the Boston Retirement Board. These services will include reviewing applications for disability retirement. Upon completion of such review, Ms. Marcus shall submit a report to the Boston Retirement Board setting forth the legal or factual issues in dispute and a written recommendation regarding the disposition of the application, and a statement of the reasons therefor.

Compensation under this contract shall not exceed \$8,000. Payments to be made shall be at the rate of \$50 per hour for actual time, a rate which is reasonable. Each review shall not exceed four hours for a single disability application, unless waived by the executive officer of the board.

The term of this contract shall be November 21, 1983, through June 30, 1984. Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Brian M. Leahy,  
Executive Director.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Madeline Grace Piper, attorney at law, 19 Park Street, Dorchester.

Under the terms of this contract, Ms. Piper will provide legal services to the Boston Retirement Board. These services will include reviewing applications for disability retirement. Upon completion of such review, Ms. Piper shall submit a report to the Boston Retirement Board setting forth the legal or factual issues in dispute and a written recommendation regarding the disposition of the application, and a statement of the reasons therefor.

Compensation under this contract shall not exceed \$5,000. Payments to be made shall be at the rate of \$50 per hour for actual time, a rate which is reasonable. Each review shall not exceed four hours for a single disability application, unless waived by the executive officer of the board.

The term of this contract shall be November 29, 1983, through June 30, 1984. Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

It was not possible to initiate this request sooner because of the necessity of the State-Boston Retirement Board to retain legal expertise immediately so the Board may abide by the rules and procedures for disability applications as promulgated and enforced by the State-Boston Retirement Board.

Very truly yours,  
Brian M. Leahy,  
Executive Officer.

#### SCHOOL DEPARTMENT Freezer Storage

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Quincy Market Cold Storage, a corporation located at Watertown, for freezer storage.

Under the terms of the contract, the contractor will provide freezer storage for food commodities donated to the Boston Public Schools by the federal government through the Massachusetts Department of Education's School Lunch Account.

The contractor is specially qualified to do this work because it is the only facility to receive and store the government food commodities for the Massachusetts Department of Education that are available to the Boston Public Schools.

Compensation under this contract shall not exceed \$40,000, which I have determined to be reasonable for the work to be performed. The term of this contract shall be from July 1, 1983, through June 30, 1984.

Since, in the absence of this agreement, the Boston Public Schools would be unable to take advantage of the free government commodities valued last year at about \$700,000, and would be required to purchase and store additional food commodities at greater expense, and because of the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,

Leo J. Burke,  
*Business Manager.*

#### Printing Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Herman and Lees Associates, Cambridge, for designing and producing 3,000 copies of the 1982-83 Annual Report of the Boston Public Schools at a cost of \$21,128. Contract term is June 1, to June 30, 1983.

Preparation of the statistics and narratives for the Annual Report was not completed until June 1, 1983, due to the requirement to include the most recent data. The time frame requiring the report to be distributed by June 16, one week before schools' closing on June 24, did not allow the publishing of advertisements for bids.

Herman and Lees was selected because of past experience and satisfaction with the quality of their work and because of their unique ability to meet the tight time schedules for publication of the report.

City Printing was not contacted to perform these services because of its inability in the past to meet tight deadlines and to provide the highly technical printing services needed to produce the quality of document the superintendent desired.

Because the contractor has already provided excellent services in a very short turnaround time, the public interest would not be served by advertising for competitive bids.

This contract is being submitted late due to the time it took to secure the necessary signatures from the company.

Very truly yours,

Leo J. Burke,  
*Business Manager.*

#### School-Based Management Project Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Ms. Nina Schwartz. This contract shall be in effect during the period September 5, 1983, to June 30, 1984, and occur at a cost not to exceed \$5,600, which is deemed to be reasonable. However, the City Auditor need only encumber \$4,800 because the balance of \$800 was paid to Ms. Schwartz under service orders for services rendered during July and August, thus the total contract payment should not exceed \$4,800.

The contractor will provide the following administrative services at the central office of the School Department: manage the \$209,000 budget for the

School-Based Management project, process contracts, service orders, and budget revisions pertaining to the activities of the project; make biweekly reports on the project director on the program account 84-BC-0102. The contractor will also provide the following instructional services at the twelve participating schools citywide: will assist schools in processes and procedures for the 636 and city-side funds for accounting and purchasing; this will include on-site training and work with school personnel. The contractor will be required to construct monthly written accounts to the director, and to attend monthly staff meetings at which all activities will be reviewed.

The contractor is especially qualified to provide the above services because of prior experience with the School-Based Management Program. The contractor has a schedule which is flexible enough to meet the schools' needs and is able to provide the service at any time on short notice. In addition, the contractor has graduate training in financial accounting and control, specifically in the area of fund accounting in the Boston Public Schools.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This contract is being submitted late because the requirements and terms of the contract instrument underwent lengthy department discussion and review. Also, the contractor was not familiar with methods to incorporate the service order into the contract further delaying the process.

Very truly yours,

Robert R. Spillane,  
*Superintendent.*

**Proposal for Bids for Installation of Glass in Public Works Department Equipment.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, June 24, 1985.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, July 11, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of \$1, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

**NOTICE**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

**Proposal for Highway Construction in Kelley Court in Brighton; Maplewood Street, Metropolitan Circle, Stearns Road, and Winchester Terrace in West Roxbury; and Wachusett Street in Hyde Park; and Highway Reconstruction in Stearns Road in West Roxbury.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, June 24, 1985.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, July 11, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

**NOTICE**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

**ATTENTION TO ALL BIDDERS**

**I. Minority Business Requirements**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of the contract documents entitled: "Furnishing Trees, Shrubs, Plants, and Planting Material for Parks and Recreation Facilities."

**CONTRACT C**

**Furnishing Trees, Shrubs, Plants, and Planting  
Material for Parks and Recreation Facilities.**

**SCOPE OF WORK** under this contract consists of furnishing trees, shrubs, plants and planting material for various park facilities. Estimated cost of construction is \$20,000.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, July 2, 1985 and opened forthwith, and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to time named for opening of bid.

SPECIFICATIONS will be available on or about Tuesday, June 18, 1985, after 9 a.m., Boston time,

at the Parks and Recreation Department to all interested parties who present a \$10 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$10 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the date stated. The other copy, also signed by the bidder must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which seems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

# PUBLIC-PRIVATE COOPERATION NEEDED FOR AFFORDABLE HOUSING

*Remarks of Mayor Raymond L. Flynn, June 25, 1985*

*Affordable Housing in Boston:*

*Opportunities for Private Sector and Philanthropic Investment*

Boston, 1985, is the city of opportunity. Office towers are springing up throughout Downtown and the financial and real estate industries are booming. New development is creating new jobs, bringing more and more people into Boston from all over the country. The population of the city is growing for the first time in three decades.

Earlier this year, Boston was selected as one of America's Most Livable Cities. Yet, having stated that, we must ask, livable for whom? Are the poor and working families of Boston getting the opportunity to contribute to, and benefit from, all this growth? Are they finding the opportunities for good jobs, safe and affordable housing, and other basic necessities?

If we look out from this beautiful building, to the south, the west, and the north, we see too many neighborhoods that bear the scars of historic disinvestment and neglect: vacant lots, gaunt and empty buildings, and tired, worn-out, commercial districts. This sight tells us that no, we have not created sufficient opportunities for the poor and working families of Boston.

Economic growth is a magnet — and as a magnet will — it is attracting some and repelling others — especially in the area of housing. It is attracting those younger, more affluent people who can keep pace with spiraling costs. It is repelling those working families who cannot keep pace.

Forty-two percent of Boston families are considered poor by federal guidelines. For some, the housing crisis means moving in with relatives or friends or staying in a tiny apartment longer after it has become too small. For others, when the relative's apartment can no longer hold two families, the housing crisis means homelessness. It means not having even the minimal security of a roof over their heads.

Within this crisis, there is an opportunity for businesses and foundations in Boston. Careful and prudent investment in housing will help ease the intense pressure on prices, and thereby create more affordable units.

Foundations and businesses could do this because it is in everyone's interest to have a stable, balanced community, in which everyone has a decent place to live — or they could do it because simple compassion compels them.

It really does not matter what one's reason is. What matters is expanding the supply of housing, so that we create units that are affordable to the poor and

working families of this city — to close the growing gap between rich and poor.

Housing is neither a right nor a privilege. It is a necessity.

No housing policy can go anywhere without the investment to make it work. At one time in this city, we could rely on a variety of federal investment and loan programs to create new housing.

Well, whatever you think of the merit of those programs — of the way they were implemented in Boston — those days are over. So we must look elsewhere for investment. We must look to you. We are making good use of what federal programs are left. We are combining these funds with state, city, and private and foundation investment to create housing in partnership with community groups. The rehabilitation of the old Jamaica Plain High School is an excellent example of this creative stretching of a dollar.

Should you choose to build low- and moderate-income housing, you will find, in every neighborhood, non-profit, community-based development corporations who are ready and willing to work with you. They only need active partners to put their plans into action.

In the past several months, we have put into place the elements of a policy to spur housing creation. We have created a process for cutting away the blight in our residential neighborhoods, for getting abandoned properties back onto the market. This tool will help us to pry off the boards and open these buildings to reuse.

However, even if we were to get all of these properties back on the market today, we would still have a lot of work to do tomorrow. We would still have to race to get ahead of the intense demand for affordable housing in Boston. This is a race we have to win!

So, as you will hear today in exact detail, the people of Boston are looking to the foundations and the private sector to do what you do best: investing wisely. You will be investing in Boston and in her most precious resource: her people.

I hope that, in time to come, today's conference will come to be seen as a new benchmark in cooperation among the city and her businesses and foundations. I hope that we will set a new standard of commitment and responsibility.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### SCHOOL DEPARTMENT Dance Instruction

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the MJT Dance Company, 539 Tremont Street. The contract shall be in effect during the period of November 1, 1983, to March 2, 1984, and shall occur at a cost not to exceed \$3,250, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. MJT Dance Company's portion, as is related to that amount, is \$3,250.

The MJT Dance Company (the Curtis Guild Elementary School) will provide a thirteen-week project in dance instruction for the entire student body. The program will draw from a multi-cultural curriculum including Creative Movement, international Folk Dances, and Jazz Dance. Classes will be held two days per week for a twelve-week period. The thirteenth week of the program will culminate in a demonstration/performance of the multi-cultural dances learned for the parent community and each other. A dance curriculum and record library will be developed for teachers to use. Roger Beattie will endorse invoices for the School Department.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution, the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

The reason for the late submission of this contract is that it could not be processed prior to the State Department of Education's approval of a budget revision transferring the funds into this account. Additionally, in order to schedule the program within the time frame of the Guild school it was necessary to begin on November 1, 1983.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 Project Number 84-9D.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

#### Testing and Evaluation Services

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Boston College, 140 Commonwealth Avenue. The contract shall be in effect during the period of November 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$69,846, which I have deemed to be reasonable.

The contractor will provide the following services to the Testing and Evaluation Department:

Calculate item difficulty and discrimination indices for each of the newly developed, curriculum-referenced reading and mathematics achievement tests for Grades 3 through 8. This also includes the percentage choosing each option and a discrimination index for each option. This activity requires one day per week during the period of November 1, 1983, through June 30, 1984.

Provide a cumulative frequency distribution for each test at each grade. This activity requires one day per week during the period of November 1, 1983, through June 30, 1984.

Calculate a reliability index (KP-20) and standard error for each test at each grade. This activity requires one day per week during the period of November 1, 1983, through June 30, 1984.

Perform a Rasch analysis of each of the tests at each grade level. This analysis will provide data on the fit of student responses to the objectiveness of the test design, and will set the foundation for equating future editions of the tests. This activity requires one day per week during the period of November 1, 1983, through June 30, 1984.

Perform an empirical study of item bias. For each test item, deltas will be analyzed by race for the statistical identification of items that are potentially biased. This activity requires one day per week during the period of November 1, 1983, through June 30, 1984.

Provide a narrative interpretation to accompany the data from Steps 1 through 5 above. This activity requires one day per week during the period of November 1, 1983, through June 30, 1984.

Develop twelve separate answer sheets, and precode with student identification information. This activity requires one day per week during the period of November 1, 1983, through June 30, 1984.

Scan, score, and provide classroom, school, district, and systemwide reports based on students in Grades 3 through 12. This activity requires one day per week during the period of November 1, 1983, through June 30, 1984.

Produce class lists, enter data and provide classroom, school, district and systemwide reports

based on students in Grades K through 2. This activity requires one day per week during the period of November 1, 1983, through June 30, 1984.

This contract is being submitted late due to the immediate need to obtain empirical information relative to the implementation of the Promotion Policy in June, 1984. Because of the urgency to obtain such information, services did commence on November 1, 1983.

The contractor is especially qualified to provide the above services because of recognized statistical expertise and because of accessibility to already developed technical computer programs. Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement.

Very truly yours,  
Edward J. Winter,  
Secretary.

#### Instructional Services, etc.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Education Development Center. The contract shall be in effect during the period of December 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$30,587, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY84 chapter 636 proposals for the sum of \$5,280,685. Education Development Center portion as is related to that amount is \$30,587.

The contractor will provide the following instructional services: technical assistance for twelve, school-based management schools in the area of budgeting, school site council support and fund-raising activities. Also, the contractor will conduct the design, data collection and final evaluation for the project and the coordination of student interns at the schools.

The contractor is especially qualified to provide for the needs of the school-based management project because Educational Development Center

has over twenty years experience in the development of educational reform focusing on the individual school. The contractor has the capacity to provide the technical assistance, microcomputers, management training, evaluation, fund raising, and coordination of student interns. Further, the services have been reviewed and approved by the appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, paragraph 53A and is subject to the receipt of funds under grant from chapter 636 84-BC-0102.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Terry L. Grobe, Belmont. The contract shall be in effect during the period November 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$4,000, which is deemed to be reasonable.

On June 14, 1983, the School Committee approved the Alternative Education Project using Education Consolidation and Improvement Act (ECIA, Chapter I) funds for \$125,000 which included \$4,000 to fund this contract.

The contractor will provide the following instructional services to Alternative Education Programs throughout the Boston Public Schools:

Provide ongoing technical assistance to alternative programs in the Boston Public Schools: a. Program Development; b. Curriculum Development; c. Staff Development; d. Instructional Development.

Assist in the planning and development of additional alternative programs in the Boston Public Schools.

Assist in the planning and implementation of a conference on alternative education.

Assist in the development and printing of an Alternative Program Catalogue.

The consultant was deemed to be especially qualified because of her previous experience as a consultant to the Alternative Education Project and her subsequent involvement in the development of those programs for which she will provide the proposed services. Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the provision of General Laws ch. 44, s. 53A, and is to be subject to the receipt of funds under grant from ECIA, chapter I, Project 30111910020. The costs of this contract are being paid through a combination of Block Grant funds (\$3,000) and city funds (\$1,000).

This contract is being submitted late because of the delays in procuring the proper forms for the contract instrument.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to the: President & Fellows of Harvard University, Monroe C. Gutman Library, Cambridge. The contract shall be in effect during the period April 1, 1983 through June 30, 1983 and occur at a cost not to exceed \$5,586, which is deemed to be reasonable. This amount will be charged to the reserve account.

The contractor will provide the following instructional services at the Office of Curriculum & Instruction, Boston School Committee:

The Harvard-Boston High Technology Project is a collaborative research effort of the Boston Public Schools and the Harvard Graduate School of Education. Under the joint direction of Oliver W. Lancaster, deputy superintendent of Curriculum and Instruction, and Professor Frederick Jacobs of Harvard, the project is administered by Dr. Bernice J. Miller, of the Curriculum Department with the assistance of HGSE student Judy Reed Smith. Dr. Miller is producing a report exploring what private sector training techniques can contribute to the improvement of public education in Boston. As you may have anticipated from the name of our project, we are most concerned with companies commonly characterized as "high tech", i.e., those companies that rely upon, or owe their existence to, applied science technology.

I will be provided with informative data on the high tech industry, particularly in Massachusetts, that will help the Boston Public Schools make policy and curriculum decisions regarding the issues of what skills Boston graduates will require now and in the future to be qualified for entry level high tech jobs. A second focus is to explore the potential transferability of corporate teaching techniques and curricula to the Boston secondary schools, particularly in science and math. Concurrently, we are attempting to build a base of support within the schools. By establishing an advisory board of public educators, parents and students, we will show that we value the voice of educators as well as industry.

The work of our project, preceding the drafting of the report, involves interviewing representatives of the high tech industry in the Boston area: including discussions of effective models of corporate education and training, examination of curricula and the analysis of policies. It also includes the observation of programs in action.

The contractor is especially qualified to provide the above services because Dr. Bernice J. Miller is an employee of the Boston Public Schools, and is using Harvard University, the contractor, as a resource for a special assignment. The funds identified in this contract are to provide support services to her office as she completes the task I directed her to carry out and which was authorized by the Boston School Committee. Dr. Miller will not receive any compensation from the funding as specified in the budget of this contract.

Because of the professional nature of the services to be provided under this assignment and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids. This contract is being submitted late because of the delays in procuring the proper forms for the contract instrument, unavailability of knowledgeable contractor personnel because of vacations, and lack of a standard contract form deleting several paragraphs in an acceptable form, and lack of a legally acceptable certificate of authority.

Very truly yours,

Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request the authorization for the award of a contract to School Volunteers of Boston. This contract shall be in effect during the period August 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$200,000, which is deemed to be reasonable.

The contractor will provide the following instructional services at fourteen high schools citywide: conduct the Two-Way Tutoring/Reading Lab Program, a project which pairs high school juniors and seniors whose reading skills are below grade level with freshmen who have the same problem. Juniors and seniors will be trained in at least one training session per week and placed with freshmen for tutoring sessions twice a week. The training sessions under the supervision of paid interns will involve pre- and post-testing and weekly instruction in lesson planning, log writing and resource utilization. A test sampling at the end of the school year will show an increase of two months grade equivalency in reading for each month's participation in the program and a 50 percent increase in self-esteem on the part of at least 75 percent of the students.

The contractor is especially qualified to provide the above services because it initiated the peer tutoring program in the Boston Public Schools seven years ago under an ESAA grant and has continued to conduct the program on a smaller scale since that funding was terminated. In addition, it has seventeen years' experience in the training and supervision of reading tutors.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This contract is being submitted late because the requirements and terms of the contract instrument underwent lengthy department discussion and review.

Very truly yours,

Edward Winter,  
Secretary.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to the President and Fellows of Harvard University, Monroe C. Gutman Library, Cambridge. The contract shall be in effect during the period July 1, 1983, through December 31, 1983, and occur at a cost not to exceed \$6,171, which is deemed to be reasonable.

The contractor will provide the following instructional services at the Office of Curriculum and Instruction, Boston School Committee.

The Harvard-Boston High Technology Project is a collaborative research effort of the Boston Public Schools and the Harvard Graduate School of Education. Under the joint direction of Oliver W. Lancaster, deputy superintendent of Curriculum and Instruction, and Professor Frederick Jacobs of Harvard, the project is administered by Dr. Bernice J. Miller, of the Curriculum Department with the assistance of HGSE student Judy Reed Smith. Dr. Miller is producing a report exploring what private sector training techniques can contribute to the improvement of public education in Boston. As you may have anticipated from the name of our project, we are most concerned with companies commonly characterized as "high tech", i.e., those companies that rely upon, or owe their existence to, applied science technology.

I will be provided with informative data on the high tech industry, particularly in Massachusetts,

that will help the Boston Public Schools make policy and curriculum decisions regarding the issues of what skills Boston graduates will require now and in the future to be qualified for entry-level, high-tech jobs. A second focus is to explore the potential transferability of corporate teaching techniques and curricula to the Boston secondary schools, particularly in science and math. Concurrently, we are attempting to build a base of support within the schools. By establishing an advisory board of public educators, parents and students, we will show that we value the voice of educators as well as industry.

The work of our project, preceding the drafting of the report, involves interviewing representatives of the high-tech industry in the Boston area: including discussions of effective models of corporate education and training, examination of curricula and the analysis of policies. It also includes the observation of programs in action.

The contractor is especially qualified to provide the above services because Dr. Bernice J. Miller is an employee of the Boston Public Schools, and is using Harvard University, the contractor, as a resource for a special assignment. The funds identified in this contract are to provide support services to her office as she completes the task I directed her to carry out and which was authorized by the Boston School Committee. Dr. Miller will not receive any compensation from the funding as specified in the budget of this contract.

Because of the professional nature of the services to be provided under this assignment and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids. This contract is being submitted late because of the delays in procuring the proper forms for the contract instrument.

Very truly yours,

Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Mr. Chi Ma. This contract shall be in effect during the period September 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$6,300, which is deemed to be reasonable. However, the City Auditor need only to encumber \$4,800 because the balance (\$1,500) was paid to Mr. Ma under service orders for services rendered during the month of August; thus total contract payment should not exceed \$4,800.

The contractor will provide the following administration and instructional services to the twelve participating School-Based Management Schools at the central office, as well as the school sites: set up a computer user group consisting of one individual from each of the twelve schools; plan for and carry out the training of these twelve individuals on the microcomputers; connect the school personal computers with the mainframe computer at the central office; and aid the school staff in the development of plans for applying their personal computers to management tasks. The contractor will also aid in the design and function of school site councils.

The contractor is especially qualified to provide the above services because of prior experience working with and serving on school community councils and a working knowledge of computer software and hardware. The contractor has a schedule which is flexible enough to meet the

schools' needs and is able to provide the services at any time on short notice. In addition, the contractor has academic training in electrical engineering, and had six years' experience in the administration of a public service institution.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interests would not be served by public advertisement for bids.

This contract is being submitted late because the requirements and terms of the contract instrument underwent lengthy department discussion and review.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

#### Boston Compact Goals Implementation

Dear Mr. Mayor:

On behalf of the School Committee, I request your authorization for the award of a contract to the University of Massachusetts. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$69,343, which is deemed reasonable by the School Committee.

The contractor will provide the following assistance to the School Department: continued assistance to high schools as they implement programs to achieve the educational goals of the Boston Compact; coordination of the work of external agencies (businesses, higher education institutions, cultural institutions, etc.) involved in the Boston Compact; organization of a unit within the superintendent's office to oversee implementation of the School Department's side of the Boston Compact.

The contractor is especially qualified to provide the above services both because of the university's past and present work providing leadership training to Boston high schools, and because the individual in charge of this project, Robert Schwartz, has assisted the superintendent in the development and initial implementation of the Boston Compact over the past eighteen months.

Because of the professional nature of the services to be provided to be under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement of bids.

This contract is being submitted late because of complications surrounding the organization of a Boston Compact office within the School Department, and problems associated with identifying and transferring funds to support this office.

In order to carry out the School Committee's side of the bargain with the business and higher education communities, the committee has decided to create a small unit within the superintendent's office to administer the compact. Until this office was organized, however, we could not anticipate how much additional technical assistance we would require from the University of Massachusetts. Now that an office has finally been created as of December 1, 1983, we are in a position to determine the exact nature of the assistance we will require from the university for the duration of this school year. However, due to the pressing need, services actually began on September 1, 1983.

Very truly yours,  
Edward J. Winter,  
Secretary.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

Proposal for Boarding and Securing, Project  
No. 73-CD-ABU (A-I), Community Development Block Grant.

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

135 West Seventh Street, Ward 6  
22 St. Cyprian's Place, Ward 9  
24 St. Cyprian's Place, Ward 9  
64 Edgewood Street, Ward 12  
40 Fayston Street, Ward 13  
47 Howard Avenue, Ward 13  
508 Harvard Street, Ward 14  
31 Coleman Street, Ward 15  
28 Whitman Street, Ward 17  
139 Washington Street, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, July 11, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined by this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company

qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 73-CD-ABU (A-I)."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246), IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative

action in connection with employment practices and the performances of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 1 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority person (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Director lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beaco Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor):

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1) (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative

action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

#### ATTENTION TO ALL BIDDERS

##### I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

#### Prebid Conference

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Bid guaranty shall consist of a bid deposit of twelve thousand dollars (\$12,000), in the form of a bid bond, cash, certified check, treasurer's check or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

CITY OF BOSTON

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Demolition and Site Clearance,  
Project No. 152-CD-ATD, Community Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

8-16 Warren Street, Ward 8

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, July 11, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined of this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30,

and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 152-CD-ATD."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246), IF APPLICABLE.**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

**Notice**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of

the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performances of this contract.

**Attention to All Bidders**

**I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for minority business enterprise, if the bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacor Street, eighth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1) (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to

bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

VOL. 77

NO. 27

## MAYOR FLYNN ANNOUNCES SHELTER FOR BATTERED WOMEN

Mayor Raymond L. Flynn announced the establishment of a transitional home designed for disabled women and their children who are made homeless by battering. The house, to be operated by Finex House, Inc., is the first of its kind in Boston.

Mayor Flynn made the announcement at a press conference at Mattapan's Horizons House, a transitional home for women operated by the Women's Educational and Industrial Union with funding support from the city.

The city, through its Public Facilities Commission, sold the building to Finex House for \$1. They now operate a transitional home at a site that they rent. The addresses are kept confidential to protect the women who live there. Construction work will begin in September.

The building will be modified to accommodate the disabled through the construction of:

- access ramps;
- bathrooms accessible to the wheelchair-bound;
- common rooms
- easily accessible kitchens and doorways;
- six large bedrooms; and
- intercom system for deaf persons.

The city, through the NDEA, will contribute \$20,000 for the rehabilitation of the building.

The city, through NDEA, also is funding a \$764,000 project for the construction of thirteen units of transitional housing to be operated by the Elizabeth Stone House of Roxbury. Like Finex House, the Elizabeth Stone project is to be built on a site transferred to them by the PFD.

that Superintendent Carter will describe a little later, we will work to reduce the incidents of injury that result from such violence.

But even if we cannot prevent every incident of this type, we can send a message to those women and children who now live in fear in houses and apartments in this city. We can assure them that there are many people who care and who want to help. There are many people ready to provide shelter in all its meanings. Protection from the hand of violence and protection from the street.

Finex House, which will be operated at a confidential location in Dorchester, will provide specialized help to disabled women. There, the disabled will find a house that will be customized to allow maximum accessibility. This project is the first of its type in the City of Boston. It represents the services that are possible when city government and community organizations work together.

Finex House represents this Administration's dedication to help those who find it hardest to help themselves.

### MAYOR FLYNN OPENS "WALK-TO-THE-SEA"

Mayor Raymond L. Flynn at official ceremonies on Sunday, June 23, opened the "Walk-to-the-Sea" at Marketplace Center. The Mayor also announced his Administration will develop a comprehensive open space plan for the City of Boston "with full public involvement in the process."

Mayor Flynn said, "At a time when Boston is going through a development boom, we must also make sure that there remains sufficient public open space for our citizens to enjoy. The

Walk-to-the-Sea is a critical link of "Harborwalk" which will guarantee complete public access to the entire harborfront, an area of the city which can add so much to the quality of life in Boston.

The objectives of the open space policy initiatives stated by the Flynn Administration are to provide for:

- An equitable distribution of quality open space
- Neighborhood involvement in the care of open space
- The expansion of existing open space and completion of the Emerald Necklace, designed by Frederick Law Olmsted
- Linking private investment to the maintenance and creation of open space
- The improvement of environmental quality of the city through open space

Boston includes approximately 5,000 acres of open space. This is more open space than the City of Cambridge has land area. 2,350 acres are city-owned and controlled parklands and playgrounds. In order to meet the goals of the Mayor's open space policy, several steps will be taken.

1. *The Creation of an Open Space Zoning District:* Open space is not currently identified as a district in the Zoning Code. The new district will clearly identify publicly owned space and afford it an additional layer of protection from future development.

2. *The Establishment of an Open Space Trust Fund:* The city will propose a trust fund to provide for the maintenance, improvement and capital planning of open space. A percentage of the sale price or long-term lease revenues from the disposition of public property will be used for the trust fund.

3. *The Expansion of the Emerald Necklace:* The city will work to weave to-

gether Boston's neighborhoods and their green space connecting the Back Bay to Dudley, Massachusetts Avenue to the Harbor, and Dorchester to Charlestown. This will be accomplished through the establishment of new parks for the city; continuing the commitment to Harborwalk, the seven-mile pedestrian way which, when complete, will provide complete access to the water's edge; and fulfilling a major objective of the Dudley neighborhood, initiative to provide for open space that is designed with the community, well-maintained, and that links this neighborhood to surrounding communities. This will provide a major impetus to revitalize this area.

4. *The Establishment of an Aggressive Reforestation Program:* Trees not only provide pleasure, they buffer the wind, weather, and air pollution. Tree plantings are being programmed into new developments through the review and approval process. In addition, a neighborhood tree-planting program has been targeted for the fall in Roxbury, Waterfront Park, along Dorchester Avenue, in the Charlestown Navy Yard, in Allston-Brighton along Commonwealth Avenue, and in South Boston. The city will also publish a Tree Planting Guide to be used by the residents.

The city will also work to establish a Vacant Parcel Reuse Program to maintain city-owned vacant parcels, numbering approximately 1,200, and transfer them or lease them at no cost to neighborhoods that will participate in the creation and maintenance of new open space. The city is also adopting standards for pedestrian level wind, sunlight and daylight, and air quality and circulation standards.

"The objective of Harborpark," said the Mayor, "is to achieve balanced growth along the entire harbor, from Chelsea Creek in East Boston, to the Neponset River in Dorchester. It is in keeping with the basic premise of Harborpark — increased public access to the waterfront — that I announce this Administration's open space initiatives here at the opening of the Walk-to-the-Sea.

Mayor Flynn pointed out that several new parks are in the advanced stages of planning. When these parks are completed, they will provide "an excellent

opportunity for breathing space" that has become so necessary in the midst of a fast-paced urban setting. They are:

- Post Office Square Park and Garage
- Harbor Point
- Creek Square in the Blackstone Block
- Roxbury Heritage Park
- East Boston Heritage Park
- Copley Square
- Shipyard Park at the Charlestown Navy Yard
- Parcel 7 at the Charlestown Navy Yard

Development at the Fan Pier in South Boston will also include three acres of landscaped public open space and a shaded promenade along the water's edge. This new waterfront access will add one and a quarter miles to Harborwalk, a seven-mile pedestrian way that is one of Harborpark's key features which will provide direct and continuous access to the water and its many attractions and public amenities.

"These parks represent the beginning of the expansion of the Emerald Necklace and open space system in the city," said the Mayor, adding "Copley Square and Post Office Square Parks are excellent examples of private investment in open space.

"We are determined," continued the Mayor, "to strike a balance between the economic health of our city and jobs for its residents, and the need for public open space where the people can enjoy the city in which they live and work."

## CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

### CITY COUNCIL

Dear Mr. Mayor:

On July 25, 1983, Mayor Kevin H. White approved the award of a contract, without public advertising for bids, to Mrs. Mary E. Ford (formerly of 30 Federal Street, Boston), 85 Merrimac Street, Boston, for the purpose of providing stenographic services to the members of the Boston City Council during the period of July 1, 1983, to June 30, 1984, at a cost not to exceed \$15,000.

Due to a clerical error, your approval is requested to amend this contract to provide for substitution of the original figures of \$600 for reporting the minutes of the meeting and \$450 for indexing and in their place insert the amounts of \$833.33 for reporting and \$416.67 for indexing as the original amounts would not total the contract amount of \$15,000.

The period of this contract shall be from July 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Joseph M. Tierney,  
President.

### HEALTH AND HOSPITALS DEPARTMENT

#### X-ray Equipment Repairs

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with General Electric Company, Medical Systems Division, Westwood, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$11,808.

This amendment will increase the contract sum by \$20,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$31,808.

The additional funds are required to perform such critical repairs to the General Electric X-ray equipment in Pediatric X-ray Rooms I and II as extensive replacement of cabling, spot device cone tracks, and tube columns. These replacements are necessary as they address safety and/or faulty equipment issues. The rooms' equipment would also be cleaned, lubricated, and calibrated as required to align the performance and values to the manufacturer's standards.

In view of the above, and because the cost to the City is reasonable, I recommend approval of this amendment.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Administration Sets

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend a contract with PRC Medical Specialties, South Weymouth, for the period November 1, 1983, through June 30, 1984, at a cost not to exceed \$24,000.

This amendment will increase the contract amount by \$16,900, thereby increasing the city's total liability under this contract to an amount not to exceed \$40,900.

Under this contract, PRC Medical Specialties would provide the Department of Health and Hospi-

itals with Ratemate Administration Sets No. R-1000, 50/case at \$165 per case.

Since the original contract was executed, the department has purchased an additional twenty-four Anatos Rateminder Volumetric Controllers and, as a result, the volume of required administration sets has almost doubled. The price for a case will remain at \$165. If the department orders in bulk the entire amount needed for the remainder of the year, the price will decrease to \$148.50 per case.

Because PRC Medical Specialties is the sole distributor in this area of the Ratemate Administration Sets and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

### LAW DEPARTMENT

#### Legal Services

Dear Mr. Mayor:

On October 20, 1983, your Honor approved an award of a contract, without public advertising to William Solomon, 23 Claymoss Road, Brighton, for legal services to the Law Department, as required, on an hourly consultant basis, including but not limited to research, preparation of briefs, memoranda, opinion letters and other documents. The term of this contract was September 1, 1983, through December 31, 1983, at a cost not to exceed \$3,500.

Your approval is requested to amend this contract to provide for additional services which were not anticipated in the terms of the original contract. Mr. Solomon will work on the *Texaco Texas* and *Scapt Trade* cases. The cost of this amendment, which is effective immediately, shall not exceed \$3,500, which I have determined to be reasonable. The contract, as amended, shall not exceed \$7,000. The period of performance shall be extended to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
William J. Smith,  
Acting Corporations Counsel.

### NDEA

#### Drug Counseling Services

Dear Mayor Flynn:

On April 15, 1983, the Mayor of the City of Boston approved the award of a contract, without public advertising for bids, to F.I.R.S.T., Inc., a nonprofit organization located at 34 Intervale Street, Dorchester, for drug counseling services program. Compensation was determined to be reasonable at a cost not to exceed \$28,196, payment being made from the Community Development Block Grant Program Year VIII for the period of July 1, 1983, until June 30, 1984.

Your approval is requested to amend this contract in terms of compensation. The services provided are funded in conjunction with the State Department of Social Services public-private partnership program in which the City of Boston contributes a 25 percent local share. Recently the State approved a 4 percent cost of living adjustment. I, therefore, respectfully request your Honor's permission to increase compensation in the amount of \$4,259. The total amount, as amended, shall not exceed \$32,455.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by ad-

vertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

### Deferred Loan Program

Dear Mr. Mayor:

On April 21, 1983, an agreement was entered into between the City of Boston, acting through its NDEA/Office of Housing and the Shawmut Bank of Boston, which established an account in said bank for the disbursement of funds under the Deferred Loan Program. On September 22, 1983, this agreement was amended to provide for the deposit of an additional \$109,000 into the account.

Your approval is requested to further amend this agreement to increase the deposit by \$350,000, and to expand the areas serviced by this program to any neighborhood or district which NDEA/Office of Housing may from time to time designate as a target area. This program has generated much interest among the residents of the target areas, and additional funding is required to more effectively serve the needs of the city's property owners.

All other terms and conditions of the agreement, shall remain in full force and effect. The total cost of the agreement, as amended, shall be \$609,000.

Because of the professional nature of the services to be rendered, I believe that public advertising would serve no useful purpose.

Sincerely,  
Paul S. Grogan,  
Director.

### Courier Services

Dear Mr. Mayor:

On December 1, 1982, your Honor approved an award of a contract based on public advertising for Central Delivery Service of Massachusetts, 125 Magazine Street, for the provision of courier services for the Neighborhood Development and Employment Agency.

Your approval is requested to amend this contract. This amendment will increase the contract amount to provide additional funds required for the provision of courier services to NDEA. The original award letter reflected a projected amount which was insufficient to cover the total costs for this service. The contract will be increased from \$4,900 by \$315 to a total cost not to exceed \$5,215. The contract will continue to be effective for the period October 1, 1982, through September 30, 1983. Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under Title I of the Comprehensive Employment and Training Act Amendment of 1978, P.L. 95-524.

As this amendment is for the continuation of a contract for professional services at a reasonable cost, which conforms to federal procurement requirements for CETA programs, no public purpose would be served by further advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

### Day Care Services

Dear Mr. Mayor:

On April 15, 1983, the Mayor of the City of Boston approved the award of a contract, without public advertising for bids to the Allston-Brighton Area Plan-

ning Action Council, Inc., a nonprofit organization located at 143 Harvard Street, Allston, for providing day care services. Compensation was determined to be reasonable at a cost not to exceed \$25,866, payment being made from the Community Development Block Grant Program Year VIII for the period of July 1, 1983, until June 30, 1984.

Your approval is requested to amend this contract in terms of compensation. The services provided are funded in conjunction with the State Department of Social Services public-private partnership program in which the City of Boston contributes a 25 percent local share. Recently the State approved a 4 percent cost of living adjustment. I, therefore, respectfully request your Honor's permission to increase compensation in the amount of \$634. The total contract amount, as amended, shall not exceed \$26,500.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

#### Adult Counseling

Dear Mr. Mayor:

On April 15, 1983, the Mayor of the City of Boston approved the award of a contract, without public advertising for bids, to Ecumenical Social Action Committee, a nonprofit organization located at 406 South Huntington Avenue, Jamaica Plain, for adult counseling to area elderly residents. Compensation was determined to be reasonable at a cost not to exceed \$29,862, payment being made from the Community Development Block Grant Program Year VIII for the period of July 1, 1983, until June 30, 1984.

Your approval is requested to amend this contract in terms of compensation. The services provided are funded in conjunction with the State Department of Social Services public-private partnership program in which the City of Boston contributes a 25 percent local share. Recently the State approved a 4 percent cost of living adjustment. I, therefore, respectfully request your Honor's permission to increase compensation in the amount of \$1,187. The total contract amount, as amended, shall not exceed \$31,049.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

Dear Mr. Mayor:

On April 15, 1983, the Mayor of the City of Boston approved the award of a contract, without public advertising for bids, to Cardinal Cushing Center, a nonprofit organization located at 1375 Washington Street, for providing counseling services. Compensation was determined to be reasonable at a cost not to exceed \$18,536, payment being made from the Community Development Block Grant Program Year VIII for the period of July 1, 1983, until June 30, 1984.

Your approval is requested to amend this contract in terms of compensation. The services pro-

vided are funded in conjunction with the State Department of Social Services public-private partnership program in which the City of Boston contributes a 25 percent local share. Recently the State approved a 4 percent cost of living adjustment. I, therefore, respectfully request your Honor's permission to increase compensation in the amount of \$742. The total contract amount, as amended, shall not exceed \$19,278.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

#### Shelter for Women

Dear Mayor Flynn:

On April 15, 1983, the Mayor of the City of Boston approved the award of a contract, without public advertising for bids, to Casa Myrna Vasquez, a nonprofit organization located at 342 Shawmut Avenue, for the purpose of providing temporary shelter for battered women. Compensation was determined to be reasonable at a cost not to exceed \$13,378, payment being made from the Community Development Block Grant Program Year VIII for the period of July 1, 1983, until June 30, 1984.

Your approval is requested to amend this contract in terms of compensation. The services provided are funded in conjunction with the State Department of Social Services public-private partnership program in which the City of Boston contributes a 25 percent local share. Recently the State approved a 4 percent cost of living adjustment. I, therefore, respectfully request your Honor's permission to increase compensation in the amount of \$95. The total contract amount, as amended, shall not exceed \$13,473.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

#### Elderly Services Program

Dear Mayor Flynn:

On April 15, 1983, the Mayor of the City of Boston approved the award of a contract, without public advertising for bids, to the Greater South Cove Golden Agers, Inc., a nonprofit organization located at 5 Oak Street West, for providing an elderly services program. Compensation was determined to be reasonable at a cost not to exceed \$10,796, payment being made from the Community Development Block Grant Program Year VIII for the period of July 1, 1983, until June 30, 1984.

Your approval is requested to amend this contract in terms of compensation. The services provided are funded in conjunction with the State Department of Social Services public-private partnership program in which the City of Boston contributes a 25 percent local share. Recently the State approved a 4 percent cost of living adjustment. I, therefore, respectfully request your Honor's permission to increase compensation in the amount of \$285. The total contract amount, as amended, shall not exceed \$11,081.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

Dear Mayor Flynn:

On April 15, 1983, the Mayor of the City of Boston approved the award of a contract, without public advertising for bids, to United South End Settlement Inc., a nonprofit organization located at 566 Colburn Avenue, for providing an elderly services program. Compensation was determined to be reasonable at a cost not to exceed \$38,768, payment being made from the Community Development Block Grant Program Year VIII for the period of July 1, 1983, until June 30, 1984.

Your approval is requested to amend this contract in terms of compensation. The services provided are funded in conjunction with the State Department of Social Services public-private partnership program in which the City of Boston contributes a 25 percent local share. Recently the State approved a 4 percent cost of living adjustment. I, therefore, respectfully request your Honor's permission to increase compensation in the amount of \$1,515. The total contract amount, as amended, shall not exceed \$40,283.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

#### Software Maintenance

Dear Mayor Flynn:

On January 4, 1983, your Honor approved the award of a contract, without public advertising, to American Management Systems, Inc. (AMS), Virginia, to provide a software maintenance support system for the Neighborhood Development and Employment Agency (NDEA) automated financial management system.

Your approval is requested to amend this contract to include funding to upgrade the LGFS fiscal software system due to the required upgrading of other complementary software on the system at a reasonable cost. This amendment will increase the contract amount from \$10,000 by \$7,500 to a total cost not to exceed \$17,500. The contract will continue to be effective for the period October 1, 1982 through September 30, 1983. Funds for the operation of this contract will be provided to the City of Boston through a federal government under Title of the Comprehensive Employment and Training Act Amendments of 1978, P.L. 95-524. This request was delayed due to the time involved in determining the method of payment.

As this amendment is for the continuation of a contract for technical services at a reasonable cost which conforms to federal procurement requirements for CETA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

## Psychiatrist Services, etc.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with University Mental Health Associates, Doctor's Office Building, 720 Harrison Avenue, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$94,380.

This amendment will increase the contract sum by \$18,150.03, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$112,530.03.

Under the original contract, University Mental Health Associates would provide one full-time psychiatrist, one part-time psychometrician, and one part-time psychologist to render clinical services in the Inpatient Services Department of the Department of Health and Hospitals. Due to a change in the Medicare regulations the department must pay the full salary of the psychometrician, at an annual salary of \$30,000. In return, Boston City Hospital will bill for the psychometrician services.

Because the department must comply with Medicare regulations, because of the special fitness of University Mental Health Associates to provide these services, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

## PARKS AND RECREATION DEPARTMENT Recreation Program

Dear Mr. Mayor:

On October 7, 1983, your Honor approved an award of a contract, without public advertising for bids, to Condon Community School for participation in Boston Partners in Urban Recreation Program. During the period May 1, 1983, to April 30, 1984, at a cost not to exceed \$3,500.

Your approval is requested to amend this contract to provide for maintenance and recreation programming at Father Buckley Playground project under the terms of the amendment. The cost of this amendment, which is effective on February 10, 1984, shall not exceed \$3,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$6,500. This will be charged to the Boston Partners in Urban Recreation Grant, account number 3-83-67-290.

Because of the unique experience of Condon Community School in open space projects, I believe that further public advertising would serve no useful purpose.

Sincerely,  
Robert R. McCoy,  
*Commissioner.*

## TRAFFIC AND PARKING DEPARTMENT Parking Needs Study

Dear Mr. Mayor:

On September 29, 1982, your Honor approved the award of a contract, without public advertising for bids, to Cambridge Systematics, Kendall Square Building, Cambridge, to conduct a parking needs study for central Boston during the period October 1, 1982, to June 1, 1983, at a cost not to exceed \$59,000.

Your approval was requested to amend this contract in a letter dated May 20, 1983, for additional

services needed to successfully complete the study.

Due to a clerical error, this contract was amended for \$13,000 whereas it should have been amended for \$15,000. Your approval is requested to amend this contract because of the clerical error.

The cost of this amendment shall not exceed \$2,000. The total cost of the contract as amended shall not exceed \$74,000.

Sincerely,  
John A. Vitagliano,  
*Commissioner.*

#### TRAFFIC AND PARKING DEPARTMENT

June 19, 1985.

Whereas, The Traffic and Parking Commission is not in session, now, therefore, under the authority granted to me under St. 1929, c. 263, s. 2B, as amended, I hereby promulgate the following:

That the Traffic Rules and Regulations of the City of Boston are amended as follows, effective July 1, 1985.

Ordered, That the Rules Regulating Open-Air Parking Spaces, as amended, are stricken out in their entirety; and

That the Rules Regulating Open-Air Parking Spaces are added as follows:

#### RULES REGULATING OPEN-AIR PARKING SPACES

Ordered, That until otherwise ordered, every original license, and every renewal license, hereafter granted under section 56 of chapter 148 of the General Laws to engage in the business of conducting or maintaining an open-air parking space shall, unless the application therefor sets forth extraordinary condition unreasonable, be granted upon the condition that the licensee shall conform to the following rules.

**RULE 1. Definitions.** In construing these rules, the following words shall, unless a contrary intention clearly appears, have the meaning herein given.

"Commissioner," Commissioner of Traffic and Parking.

"License," a license granted under section 56 of chapter 148 of the General Laws; and "licensee," the holder of such a license.

"Parking Space," an open-air parking space within the meaning of section 56 of chapter 148 of the General Laws.

**RULE 2. Application for Original License or for Renewal of Existing License.** A person desiring a license or a person desiring to renew a license shall apply in writing to the Commissioner at least two months before such renewal license is to take effect. Such application shall be on a form furnished by the Commissioner, shall be signed by the applicant or, if the applicant is a partnership or corporation, by a duly authorized agent thereof. All applications shall be typed and shall be originals, no duplicates of previous licenses will be accepted, and shall specify: (1) all the premises to be occupied by the applicant for the purpose of conducting the business to be licensed (including the street and number of such premises); the total area of the space therein to be actually used for parking or storing vehicles, and the maximum number of vehicles to be parked or stored in such area; and (2) in the case of an individual, his/her name and place of residence, a telephone number where he/she may be contacted while the parking space is open for parking and storing vehicles, and a telephone number where he/she may be contacted when the parking space is not open for parking or storing vehicles; in the case of a partnership, the business name, address and telephone number of the partnership, the name and place of residence of each partner, and for each partner, a telephone number where he/she may be contacted while the parking space is open for parking and storing vehicles; and a telephone number where he/she may be contacted when the

parking space is not open for parking or storing vehicles; and in the case of a corporation, its name, date and place of incorporation, principal office address and telephone number, the names and places of residence of its president, treasurer and clerk, the respective telephone numbers where they severally may be contacted while the parking space is open for parking and storing vehicles, and the respective telephone numbers where they severally may be contacted when the parking space is not open for parking and storing vehicles. Such applications shall be accompanied (A) by a 17" x 22", minimum, layout plan, drawn to a scale of 1" = 40', prepared by a registered land surveyor, architect or civil engineer with distances, the boundaries of the parking space, the adjoining portions of abutting ways and estates, every structure outside the limits of the parking space but within ten feet of any boundary thereof, all driveways for the parking space, all lanes of ingress and egress within the parking space, the location of all barriers, each space to be used for parking or storing a vehicle, the location of every attendant's station, the location of every mechanically controlled gate, and every place for fire extinguishing equipment, and bearing legends indicating the type of surfacing and method of marking lanes of ingress and egress (cones, stanchions, painted markings, etc.) and show each space to be used for parking or storing a vehicle; and (B) a 8½" x 11" drawing made to a scale noted thereon, of every sign to be maintained on the parking space pursuant to Rule 6.

If, while a license is in effect, there is a reduction in the gross area of the premises to be occupied under the license as specified in the application therefor or there is a change in the name, place of residence or telephone number of an individual licensee or, if the licensee is a partnership, in its business name, address or telephone number or the name, place of residence or telephone number of any partner or, if the licensee is a corporation, in its name, principal office address or telephone number or in its president, treasurer or clerk or the name, place of residence or telephone number of its president, treasurer or clerk, the licensee shall forthwith notify the Commissioner thereof in writing. If, while a license is in effect, the licensee desires to make any change in the layout of his/her parking space or in any sign maintained pursuant to Rule 6, he/she may petition the Commissioner in writing for leave to substitute for the layout plan or sign drawing accompanying the application for his/her license a 17" x 22" layout plan or 8½" x 11" sign drawing annexed to such petition; and such substitution shall be deemed to occur upon the allowance by the Commissioner of such petition but not otherwise.

**RULE 3. Termination of License.** A license shall, unless sooner revoked, expire on the first day of July in the year next succeeding the year in which it takes effect or on such earlier date as may be specified in the license. A license may be suspended or revoked by the Commissioner at any time after notice and hearing if there is a false statement or misrepresentation of a material fact in the application therefor or if, while the license is in force, the licensee violates any condition of the license or any statute, ordinance, rule or revocation of the license. A license granted in renewal of an earlier license may be likewise suspended or revoked for any cause aforesaid or if, while the earlier license was in force, the licensee violated any condition thereof or any statute, ordinance, rule or regulation.

**RULE 4. License Not Transferable.** No license shall be transferred or assigned or used by any person other than the one to whom it is issued, or at any location other than the one for which it is issued.

Monthly space fees for licenses not in effect for entire term may be rebated on a prorated basis.

**RULE 5. Pavement. Pavement Markings and General Maintenance.** No licensee shall have his/her parking space open for the parking or storing of vehicles unless the surface thereof is such that at all times it provides for vehicles parked or stored, a hard stand free from dust, mud, ruts, ridges, frost heaves, holes and puddles of water, nor unless there are maintained in good condition markings (cones, stanchions, painted markings, etc.) delineating all lanes for ingress or egress. In the case of any space having an asphalt or concrete surface all markings shall be in paint. Nor shall any licensee have his/her parking space open for the parking or storing of vehicles unless every boundary of his/her parking space abutting on a public way or public alley is, except at the driveways therefor, equipped with barriers so constructed, maintained, and permanently affixed to the surface of each space as to withstand the shocks and stresses to which they will normally be subjected by vehicles using such space and of such height, not less than six (6) inches above the surface of the parking space, as to engage the wheel of any vehicle parked or stored on such space and that no portion of such vehicle shall extend over such boundary or obstruct egress from any fire escape or fire door. The Commissioner shall have the authority to require any licensee to install barriers along any boundary line of the licensee's space if in the opinion of the Commissioner such installation is necessary to maintain the integrity of the licensee's space. Nor shall any licensee have his/her parking space open for the parking or storing of vehicles unless he/she is maintaining all maneuvering areas shown on the layout plan accompanying the application for his/her license.

Vehicles parked perpendicular to any building or structure must have appropriate barriers, previously defined in this Rule, installed to engage the wheel of any vehicle parked or stored on such space so that no portion of such vehicle shall be permitted to come in contact with the building or structure. (Waiver of the above barrier requirement may be granted by the Commissioner in writing upon the subscription of a written request by the lot operator accompanied by a letter or letters of concurrence from all adjacent building or structure owners).

A licensee shall so maintain his/her parking space that no substance thereon shall be blown or scattered by the movement of vehicles or the wind, or otherwise carried, onto any other estate or onto any public way or alley or onto any private way open to public use; and no licensee shall deposit or suffer to be deposited, upon a public way or alley or upon a private way open to public use any snow, ice or other substance or any kind removed from his/her parking space. A licensee shall keep the sidewalks (including all driveways, therein) abutting his/her parking space free from dirt, ice, sleet and snow, and in a safe condition for the travel of pedestrians.

**RULE 6. Signs.** No licensee shall have his/her parking space open for the parking or storing of vehicles unless there is at each entrance thereto a permanently affixed sign conforming in every respect to the sign drawing accompanying the application for his/her license and setting forth in capital letters of plain gothic type not less than three inches in height or in Arabic numerals not less than three inches in height (a) the name of the licensee; (b) an address and telephone number where the licensee (or agent of the licensee) may be contacted both when the parking space is open and not open for parking and storing vehicles; (c) the words "LICENSE NO." followed by the number of his/her license, and the word "CAPACITY" followed by the

total number of spaces shown on the layout plan accompanying the application for his/her license as spaces to be used for parking or storing vehicles; (d) the days and hours when the parking space is open for parking or storing vehicles. The rates charged and, if different rates are charged at different times, the respective days and hours when different rates are charged and where more than one rate is charged, the figures for each rate shall be not less than one and one-half (1½) inches in height. Each sign shall be so constructed that all information shall be permanently painted on each sign face. This stipulation is to preclude the use of any type of material, other than paint, to temporarily or permanently change the information required on each sign face.

Each sign shall be erected at a height of not less than eight nor more than twelve feet above the sidewalk level, and shall be so erected as not to interfere with, mislead or confuse traffic. The use of any type of ground mounted sign within the public way, including the public sidewalk, is expressly prohibited as part of this regulation.

**RULE 7. Fire Extinguishing Equipment.** Every licensee shall at all times maintain on his/her parking space a place for fire extinguishing equipment away from heat from natural or artificial sources. A licensee shall, at all times when his/her parking space is open for parking or storing vehicles, keep every place for fire extinguishing equipment readily accessible and shall provide at least one, minimum twenty (20) pound BC rated, portable fire extinguisher. If the layout plan accompanying the application for his/her license shows more than seventy spaces to be used for the parking or storing of vehicles, one additional fire extinguisher, of equal size to the required extinguisher will be required. No licensee shall have his/her parking space open for the parking or storing of vehicles unless every place where fire extinguishing equipment is kept is signified by conspicuous and readily intelligible markings open to clear view both by persons on foot and by persons in vehicles.

**RULE 8. Parking Space Personnel.** Every licensee shall, at all times when his/her parking space is open for parking or storing vehicles on a daily (or shorter interval) rate basis, keep on such space, unless every entrance thereto is mechanically controlled, a suitable person in direct charge of his/her parking space, or otherwise use or suffer to participate in the direct conduct thereof, any person who is not properly licensed by the Registrar of Motor Vehicles of the Commonwealth of Massachusetts to operate motor vehicles.

**RULE 9. Parking or Storing of Vehicles.** No licensee shall permit a vehicle to enter or leave his/her parking space except over a driveway. No licensee shall, while his/her parking space is open for the parking or storing of vehicles, obstruct or suffer to be or remain obstructed, any lane of ingress or egress shown on the layout plan accompanying the application for his/her license. No licensee shall receive for parking or storing any vehicle not wholly within the limits of his/her parking space, and no licensee shall deliver except within such limits a vehicle parked or stored on his/her parking space. **No licensee shall charge a rate for parking or storing a vehicle for any interval of time different from the rate specified for such interval on any sign on his/her parking space.**

Except in case of fire or other casualty, no licensee shall move out of his/her parking space any vehicle parked or stored thereon unless first expressly authorized in writing by the owner or person having control of such vehicle. No licensee shall use, or permit to be used, for any purpose whatsoever, any vehicle parked or stored in his/her parking space unless such use shall have first been ex-

pressly authorized in writing by the owner or person having control of such vehicle. Nothing in this rule shall be construed to prevent a licensee from moving a vehicle from one space to another space within his/her parking space.

**RULE 10. Identification Check.** When a vehicle is received for parking or storing on a daily (or shorter interval) rate basis, unless every entrance to, and exit from, the parking space is mechanically controlled, the licensee shall tender, or cause to be tendered, to the person presenting such vehicle for parking or storing an identification check which shall have printed or written thereon the name of the licensee, the address of the parking space, and the date and time of parking or storing. If the licensee requires that such vehicle be left in his/her control, such identification check shall also have printed or written thereon a distinctive number, and the licensee shall fasten, or cause to be fastened, on such vehicle a card having the same distinctive number printed or written thereon. If the licensee shall fasten, or cause to be fastened, on a vehicle any such card or any tag or other device for the purpose of identification, he/she shall so fasten it, or cause it to be so fastened, as not to obscure any part of any number plate on such vehicle.

**RULE 11. Exemption from Liability Prohibited.** No licensee shall, except by a covenant or release limited to a particular claim and executed subsequent to its accrual, be exempted by agreement or otherwise from, nor shall he/she by any words on an identification check or a sign or in any other way whatsoever preclude, his/her liability for injury to, or the death of, any person or damage to, or conversion or loss of, any property arising from any omission, fault, negligence or other misconduct on his/her part or on the part of his/her agents or servants, in the conduct or maintenance of his/her parking space. Every licensee shall pay every final judgment against him arising out of any such omission, fault, negligence or other misconduct.

**RULE 12. Report of Injury, etc.** Every licensee shall forthwith report in writing to the Commissioner every injury to, or death of, a person or damage to, or conversion or loss of, property known or alleged to have occurred on his/her parking space and also every claim against him for injury to, or the death of, a person or damage to, or conversion or loss of, property alleged to arise from omission, fault, negligence or other misconduct on his/her part, or on the part of his/her agents or servants, in the conduct or maintenance of his/her parking space. Every licensee shall also immediately notify Boston Police Headquarters of every crime committed, or alleged or suspected to have been committed, on his/her parking space.

**RULE 13. Handicapped Parking Space.** Pursuant to the City of Boston Code, Ordinances, Title 6 chapter 11 sections 200, 201 and 203 and Massachusetts General Law St. 1981, c. 644, as amended, every licensee shall be required to provide handicapped parking spaces in the numbers and size as required. The Commissioner will waive this requirement unless and until a written request is received by a handicapped or disabled individual requesting space be provided. At that time the Commissioner shall notify the licensee, in writing, that space must be provided as defined. Failure to comply immediately shall be grounds for immediate revocation of the license to operate without a hearing.

#### SECTION 56 OF CHAPTER 148 OF THE GENERAL LAWS

(as amended through July 1, 1962)

(Accepted by the City of Boston by vote passed by its City Council on December 29, 1930, and approved by its Mayor on December 30, 1930.)

"In any city or town which accepts the provisions of this section, no person shall engage in the business of conducting or maintaining an open-air parking space without a license therefor granted, in the City of Boston, by its Commissioner of Traffic and Parking, and in any other city or town, by the local licensing authority, approved in all cases by the head of the Fire Department. Each license granted under this section and the application therefor shall specify all the premises to be occupied by the licensee for the purpose of conducting the licensed business, the total area of the space therein to be actually used for parking or storing vehicles, and the maximum number of vehicles to be parked or stored in such area. The fee for such license shall be such amount as may be established by the authority granting the license and fees. Licenses granted hereunder shall expire on April thirtieth following the date of issue, or on such date as may be specified therein, and may be suspended or revoked by such authority and by the head of the Fire Department. Whoever, not being licensed, engages in a business required by this section to be licensed, or is concerned therein, or being licensed, violates any condition of his license or engages in such business, or is concerned therein, in any other place than that designated in his license or after notice to him that his license has been suspended or revoked shall be punished by a fine of not more than one hundred dollars.

#### CLAUSE (238) OF SECTION 1 OF CHAPTER 30 OF THE REVISED ORDINANCES OF 1961 (as amended through July 1, 1985)

The fee for a license granted by the Commissioner of Traffic and Parking under section 56 of chapter 148 of the General Laws to engage in the business of conducting or maintaining an open-air parking space shall be a primary fee of one dollar (\$1.00) per space, with a minimum of twenty-five dollars (\$25.00) and a maximum of two hundred dollars (\$200.00) and an additional fee, for each calendar month in which such license may be exercised, equal to the maximum amount charged per space for a twenty-four (24) hour period but in no instance shall that fee exceed five dollars (\$5.00) per space.

LISA G. CHAPNICK,  
Commissioner.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Boarding and Securing, Project No. 74-CD-ABU (A-I), Community Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

133 West Seventh Street, Ward 6  
30 Forest Street, Ward 8  
489 Warren Street, Ward 12  
102 Howard Avenue, Ward 13  
185-185A Howard Avenue, Ward 13  
34 Sargent Street, Ward 13  
113 Wayland Street, Ward 13  
42 Leighton Road, Ward 18  
78 Robinwood Avenue, Ward 19

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received until 11 a.m., Thursday, July 18, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Four copies of the general bids shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with

the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 74-CD-ABU (A-I)."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

**Notice**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

**Attention to All Bidders**

**I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (includ-

ing subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

**SCOPE OF WORK:** In general includes: Plumbing, masonry, carpentry, cutting and drilling of holes and all other work herein specified.

**PLANS AND SPECIFICATIONS** will be available on or about Monday, July 15, 1985, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the Awarding Authority's estimated cost but not less than one hundred dollars and shall be in the form of a bid bond, certified check, payable to the City of Boston.

**ALL GENERAL BIDS** will be received before twelve o'clock noon on Monday, July 29, 1985, at which time and place respective bids will be opened and read aloud.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

VOL. 77

MONDAY, JULY 15, 1985

NO. 28

## MAYOR NAMES NEW INSPECTIONAL SERVICES DIRECTOR

*Statement of Mayor Raymond L. Flynn on appointment of William Sommers as Director of the Inspectional Services Department, July 8, 1985.*

The appointment of William Sommers as Director is a major step forward in our effort to create an effective and efficient Inspectional Services Department.

Mr. Sommers' appointment is the result of an extensive search by a Citizens Committee I appointed some months ago, that included people from business, labor and government. This city owes a debt of gratitude to the members of this committee for the time and effort they have expended in this important endeavor.

ISD is responsible for enforcing health and safety codes in this city as well as for issuing building permits. The conduct of the ISD in the past has raised serious questions. Accordingly, I have appointed William Sommers as the Director of ISD with a clear mandate to untangle the department and to bring fundamental change.

We are going to work hard to create a department that will carry out its mandate in a professional and straightforward manner. We are going to turn ISD around. It will become a hard-working unit that will become known for its professionalism, its integrity, and its dedication to providing the quality services that the people of Boston need and deserve. I intend to see to it that accountability, integrity, and professionalism become the hallmarks of the Inspectional Services Department.

In addition, my administration has been cooperating fully with the U.S. Attorney's Office, giving them access to any and all data that they need to examine.

We refuse to compromise on health, safety, and honesty. Anyone in the department who wants to compromise may look for another job.

For too long, there have been inconsistencies in inspections and on the issuance of building permits. Those days are over. As of today, there will be one set of rules, and everyone will be held to them. Contractors will pay what they legally owe for building permits. They will be asked for neither a penny less nor a penny more. Those who do busi-

ness with ISD had better get used to doing business the right way.

The right way means uniform rules for issuing permits and the even-handed and strenuous enforcement of the Building Code.

### MAYOR FLYNN KICKS OFF SUMMER JOBS PROGRAM

*Remarks of Mayor Raymond L. Flynn, ABCD Summerworks Kickoff, Jackson-Mann Community School, July 9.*

I have learned in life that you do not become good at anything unless you work at it. So if we want Boston's youth to become happy, productive citizens, we must give them the opportunity to work at it.

That's what makes Summerworks such a valuable program. It offers genuine work experience and training to thousands of deserving youngsters.

Our young people need our help to grow up healthy and well-adjusted in a complex and difficult world. We, in turn, need their help — through their spirit and energy — to make a livable city where everyone can make a living. These two, related facts come together in Summerworks.

In the past twenty years, 125,000 young people have been exposed to meaningful work experiences through this program. The youngsters who are enrolled in this year's program will receive a variety of special career workshops designed to help them succeed in a competitive labor market.

Funding of the Summerworks Program is a very important component of my Administration's overall commitment to Boston's youth. We are committed to maintaining a city that is a peaceful and productive place in which our children can grow into adulthood. We are lucky to have experienced organizations such as ABCD to help us in this critically important effort.

### MAYOR FLYNN CRACKS DOWN ON SPEEDING ON RESIDENTIAL STREETS

The Boston Police Department on July 2, began a major crackdown on speeding on residential streets.

A special deployment of personnel and vehicles worked from the Wednesday preceding July 4 through the July 4 weekend on streets that have been identified as problem areas by the Police Department. It was the first phase of a comprehensive initiative — "Operation S.T.E.P." (Selective Traffic Enforcement Program) — to eliminate excessive speeds on Boston's residential thoroughfares.

Subsequent operations will include continued, concentrated patrols using marked and unmarked police vehicles, and increased citing of moving violations on regular police patrols.

Mayor Flynn said, "Our streets are not speedways, they are places to live peacefully, to raise families. Those who speed along this city's residential streets are now on notice. Your callous disregard for the lives of our children will be punished.

"We are declaring our children's independence from the threat of speeding cars, through a stepped-up effort this weekend and beyond.

We will work to change drivers' behavior in this city by education and by

consistent improvement in the citing of speeding and other moving violations. We will need the cooperation of all Boston residents in this effort.

"Safe speeds save lives. When you get into your car from now on, think twice or pay the price."

## FALSE FIRE ALARMS KILL!

## CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

### TRAFFIC AND PARKING DEPARTMENT

#### Cordon Count Survey

Dear Mr. Mayor:

On August 13, 1982, your Honor approved the award of a contract, without public advertising for bids, to Tippetts-Abbott-McCarthyStratton, 211 Congress Street, to conduct a cordon count survey of vehicles and persons entering the downtown area during a given three-day period in September at a cost not to exceed \$47,000.

Your approval was requested to amend this contract in a letter dated May 4, 1983 for additional services which became necessary due to a rail strike which took place during the three-day period. Due to an error in calculation the amendment was \$941 short and should have been for \$13,981, rather than \$13,000.

Your approval is requested to amend this contract because of the error in calculation. The cost of this amendment shall not exceed \$981. The total cost of this contract, as amended, shall not exceed \$60,981.

Sincerely,  
John A. Vitagliano,  
Commissioner.

### SCHOOL DEPARTMENT

#### Educational Services

Dear Mr. Mayor:

On September 28, 1983, your Honor approved an award of a contract, without public advertising for bids, to Tufts University, Medford, for educational services during the period August 1, 1983, to June 30, 1984, at a cost not to exceed \$54,478.

Your approval is requested to amend this contract to provide for four additional workshops and seminars for the staff at the International High School.

The cost of this amendment shall not exceed \$6,332 which I have determined to be reasonable. The contract, as amended, shall not exceed \$60,810.

Because of the professional nature of services to be performed, and for the continuity of the program, I believe that public advertising would serve no useful purpose. The agreement is subject to the receipt of funds under chapter 636.

Very truly yours,  
Robert R. Spillane  
Superintendent.

#### Consultant Services

Dear Mr. Mayor:

On August 16, 1983, your Honor approved the award of a contract, without public advertising for bids, to Dr. Francis W. McKenzie, Wellesley Hills, for consultant services in connection with a special effort to review, analyze, and make recommendations regarding the Department of Student Support Services as organized and funded by the Boston Public Schools, during the period November 1, 1982, to June 30, 1983, in the amount of \$6,800, at a daily rate of not to exceed \$100 per day.

Your approval is requested to amend this contract to provide for additional services which were not anticipated in the terms of the original contract. Due to the quality of the review and analysis, the School Department requested the contractor, who has demonstrated excellent ability in this area, to

assist in the recruitment of candidates for the position of senior officer for Student Support Services. Dr. McKenzie will be compensated at the same rate specified in the terms of the original contract. The cost of this amendment shall not exceed \$1,986, which I have determined to be reasonable. The total cost of this contract, as amended, is \$8,786.) This amendment of \$1,986 shall be charged to FY 84, R.C. 018, E.C. 910.

This contract is being submitted late because the amendment form was not initiated until after the contract was executed on August 16, 1983. An additional delay was caused by the processing of a budget transfer to support the funding of the amendment.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

### SUFFOLK COUNTY

#### Legal Services

Dear Mr. Mayor:

On May 12, 1983, this department awarded a contract approved by his Honor, the Mayor, with public advertising to Hall & McChesney, Inc., New York, during the period of July 1, 1983, through June 30, 1984, at a cost not to exceed \$32,200.

As of this date, we have a balance of \$12,430.75 with payments through December 31, 1983. Our past bills run approximately \$4,300 to \$4,900 per month.

This amendment is requested due to the increases in the flow of work for the Law Department, Assessing, and Collector-Treasurer as well as the tremendous number of apartment buildings being converted to condominiums.

Therefore, your authorization is requested to amend this contract by a unit price of \$15,000. The cost of this contract, as amended, shall not exceed \$47,200.

Because of the need to provide continuous service throughout the contract period, advertising would serve no useful purpose.

Very truly yours,  
Paul R. Tierney,  
Register of Deeds.

**Proposal for Miscellaneous Plumbing Repairs at the Central Maintenance Facility and District Yards.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, July 15, 1985.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, August 1, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of \$1, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

**NOTICE**

The attention of all bidders is specifically directed

to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

**Proposal for Miscellaneous Repairs to Public  
Works Department Street Sweepers and  
Front End Loaders.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, July 15, 1985.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, August 1, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of \$1, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

**NOTICE**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item

or items of the proposal should he deem it to be for the best interest of the city so to do.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the Directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

BIDDERS SEEKING INFORMATION PERTAINING TO THE CITY OF BOSTON SUPPLEMENTAL MINORITY PARTICIPATION AND RESIDENT SECTION REQUIREMENTS ARE INVITED TO ATTEND A PRE-BID CONFERENCE, MONDAY JULY 29, 1985, at 10 A.M. in ROOM 714, CITY HALL, CONTRACT COMPLIANCE OFFICE. # CITY RECORD

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

VOL. 77

MONDAY, JULY 22, 1985

NO. 29

## MAYOR FLYNN'S EXECUTIVE ORDER ON BOSTON JOBS POLICY

Mayor Raymond L. Flynn signed an Executive Order on Friday, July 12, extending the Boston Construction Jobs Policy to privately financed, downtown construction, including the ten major developments currently under city review.

Mayor Flynn stated: "This first-in-the-nation step is an extension of the Boston Resident Job Policy and is one key component of our strategy for ensuring that the benefits of economic growth are shared with the Boston residents.

Present city law requires that publicly funded construction projects employ 50 percent Boston residents, 25 percent minorities, and 10 percent women. The Executive Order moves beyond existing law to apply similar requirements to privately financed development in the city.

This means that the ten major construction projects planned since Mayor Flynn took office will be subject to the new requirements. An estimated 13,000 construction jobs, representing \$1.3 billion in construction costs, associated with those projects will reflect the 50-25-10 ratio as provided for in the Executive Order.

Mayor Flynn stated: "For too many years Boston residents subsidized downtown development by paying unfair high property taxes. I am determined to see that every Boston resident gets a return on that investment. Boston jobs for Boston residents constitutes a critical element of that fair return."

The Mayor requested that the Boston Redevelopment Authority Board and other city development agencies formally adopt the provisions of this Executive Order. In addition, he requested his staff to formulate monitoring and compliance procedures within sixty days.

*Statement of Mayor Raymond L. Flynn  
Signing of*

*Boston Jobs for Boston Residents  
Executive Order, July 12, 1985*

You can see around me today the people who have made it possible for me to sign a first-in-the-nation policy for guaranteeing jobs for city residents in downtown development projects.

With the signing of this order, privately financed projects will be bound to make sure that at least 50 percent of their workers are Boston residents; 25 percent are minorities; 10 percent are women. This order would not be possible without active cooperation among the Building Trades Unions, Community Leaders, Developers, and the members of my Liaison Committee.

For years, the taxpayers of this city have been subsidizing downtown development. Now they will get a return on that investment.

For years, people have argued over whether we should have such a policy. Today, having pulled together all the diverse points of view on this idea, the idea becomes a reality.

This order builds on the foundation of the ordinance that mandates Jobs for Residents, Minorities, and Women in Publicly Financed Construction Projects. It builds on a commitment to economic growth in which everyone contributes and everyone benefits.

The next step is tough enforcement of this order. I will be counting on all interested parties—Unions, Developers, and Community Leaders—to help us to enforce this order. I am committed to strict enforcement and I will need your assistance.

All the indicators suggest that the downtown development boom will continue for some time in this city. This will give us the opportunity to deepen and extend our strategy of directing growth into the neighborhoods.

We are very fortunate in this city to have a strong economy paired with a strong commitment to economic justice. Instead of fighting over the crumbs

we will be passing around the meat and potatoes.

Thank You.

### FACT SHEET

1. The Mayor's Executive Order takes a major step beyond the existing jobs ordinance by extending residency requirements to **privately financed** construction. (The existing ordinance, passed in September, 1983, applied residency rules to **publicly funded** construction projects.) The ten major downtown developments recently designated by the mayor are included under the provisions of the order.

2. In the next three years, those ten developments alone have the potential to add 6,500 residents, 3,250 minorities and 1,300 women to construction payrolls, amounting to an additional \$173 million in resident income, \$86 million in minority income, and \$34 million in women's income per year.

3. The order instructs all city departments to adopt immediately the policy when awarding their construction contracts. In addition, all semi-autonomous agencies, e.g., the BRA, are being asked to adopt and implement the order by vote of their respective boards of directors.

4. No other municipality or state government in the nation has gone this far on a resident jobs policy.

5. Working closely with Mayor Flynn, various Boston community groups, trade unions, and the real estate development community have been instrumental in establishing the policy.

6. The Mayor's staff, along with attorneys from the Law Department, will design procedures within the next sixty days to monitor compliance with the policy.

7. The Commissioner of Inspectional Services is instructed by the order to refuse the issuance of building permits to any project that is out of compliance with the residency requirements.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### SCHOOL DEPARTMENT

#### Cultural Center Management

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request the authorization for the award of a contract to Mrs. Irene Norton, 12 Rodman Street, Jamaica Plain. The contract shall be in effect during the period of October 15, 1983, to September 30, 1984, and occur at a cost not to exceed \$14,000, which is deemed to be reasonable by me. The rate of compensation is \$11.76 an hour, or \$583.33 twice a month. The proposal for the FY84 Catholic School component of Education Consolidation and Improvement funds was approved by the School Committee on June 28, 1983, and contained within this proposal was a line item appropriation for consultants to which this contract will be charged. Services will be performed at the Intercultural Resource Center, 1035 Canterbury Street, Roslindale.

The contractor will provide the following services for the Catholic Schools of Boston: manage a cultural resource center; research and secure relevant multicultural material for the resource center; and maintain contact between Catholic school staff in regard to resource material at the resource center.

The contractor is especially qualified to provide the above services having had experience as a teacher for the Head Start program. She has organized and produced training for teachers and parents in the Brighton Head Start community. She has increased her ability to function as a valuable resource for teachers and parents by involving herself in training seminars at Wheelock College, Bunker Hill Community College, and Roxbury Community College in the area of Early Childhood Education. Her ability to assess and to provide answers is essential for the implementation of the Cultural Resource Center.

Several applicants responded to a circular that was posted in the Catholic school system advertising the position. From those applicants three candidates were interviewed for the position and Mrs. Norton was deemed to be the most qualified.

Brother William Lambert, Catholic School Office, with the assistance of the Resource Center director interviewed the candidates and selected Mrs. Norton to be the most suitable candidate based upon her valuable past experiences and her proven interface with the needs of the Resource Center.

This contract is submitted late because of the untimely resignation of the former administrative assistant. The need to engage the assistant in the operation of the Resource Center and its relevance to the Catholic Schools is essential at this time.

This agreement is to be executed, without an appropriation of funds, under the provision of General Laws ch. 44, s. 53A, and is to be subject to the receipt of funds under grant from E.C.I.A., chapter II, Block Grant.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

### Copying Equipment Upgrading

Dear Mr. Mayor:

Your authorization is requested for the award of a contract, without further public advertising, to Xerox Corporation, Lexington, for upgrading previously installed copying equipment for the period July 1, 1982, to June 30, 1983, at a cost not to exceed \$1,181,644.

On August 12, 1983, the School Department requested your approval of an award of this contract with Xerox on a negotiated basis. On September 20, 1983, the Finance Commission recommended that you not approve that award, since no bids had been invited and, thus, it believed there was no basis upon which to evaluate the competitiveness of the negotiated contract price.

The School Department acceded to the recommendation of the Finance Commission and advertised for proposals on October 31, 1983. The School Department received eleven sealed proposals. After a thorough review and analysis of these proposals, as described more fully in the memorandum of Mr. Dana Rizzotti, the Xerox proposal has been determined to be the best value for the school system. Since the School Department will be purchasing four fewer 8200 models than originally contemplated, the School Department negotiated a reduction to the Xerox proposal. Nevertheless, the contract is being encumbered for the amount originally proposed so that the School Department can apply the funds saved against the outstanding principal balances due on equipment not being replaced, in order to reduce installment payments for future years.

Since the price is reasonable, and extensive bid data is available for comparison, no public purpose would be served by further advertising. This contract is being processed late because of the School Department's acceptance of the Finance Commission's recommendation to implement a bid process.

Very truly yours,  
Leo J. Burke,  
Business Manager.

### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

### Access to Data

Dear Mr. Mayor:

On behalf of the School Department of the City of Boston, I request your written authority to dispense with inviting bids and to award a contract to West Publishing Company, Minnesota, for a right to access to the data in the WESTLAW data base and a limited, nonexclusive, nontransferable license to use data copyrighted by West and other contributors to the data base at a cost not to exceed \$10,000 during the period October 11, 1983, to June 30, 1984.

This contractor is uniquely qualified to perform these services due to the exclusiveness of the right to grant access to the data in the WESTLAW data base.

Since the services to be provided under the proposed contract are to be professional in nature, it is the view of the Boston School Department that publicly inviting bids would serve no useful purpose. The late submission of this contract is due to the unforeseen delay in obtaining the necessary signatures.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

### Medical Examinations, etc.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to the Mattapan Community Health Center. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$12,992, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for the students of the Hyde Park High, Lewenberg Middle, and Grew, Chittick, Greenwood, Roosevelt, Taylor, Mattahunt and Haley Elementary Schools.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the Mattapan Community Health Center because it is the local health provider and thus able to provide additional backup to the school health services as it has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as it was delayed in the District 4 office until all schools in District 4 were provided with health services.

Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston I request your authorization for the award of a contract to the Roxbury Comprehensive Community Health Center, Inc. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$5,329, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examinations, interscholastic sports physicals, and chapter 766 physical examinations for the students of the Boston Technical High and Dickerman Elementary Schools.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the Roxbury Comprehensive Community Health Center, Inc., because it is the local health provider and thus able to provide additional backup to the school health services as it has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as a delay occurred in the completion of this contract due to identifying a provider for all schools in the district which also necessitated a budget transfer.

Very truly yours,

Robert R. Spillane,  
*Superintendent.*

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to the Harvard Street Neighborhood Health Center. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$7,383, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examinations and chapter 766 physical examinations for the students of the Burke High; Thompson Middle, and Lee, Endicott, and S. Greenwood Elementary Schools.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the Harvard Street Neighborhood Health Center because it is the local health provider and thus able to provide additional backup to the school health services as it has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as a delay occurred in the completion of this contract due to awaiting the revised copy of the Standard Contract (CM 10). A second delay occurred due to the inability of another local health provider to perform these services. This contract was detained at the District 5 office until all schools in District 5 were provided with health services.

Very truly yours,

Robert R. Spillane,  
*Superintendent.*

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to the Carney Hospital dba the Greater Roslindale Health Organization. The contract shall be in effect during the

period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$14,000, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examinations, medical examination of students who participate in interscholastic sports, and chapter 766 physical examinations for the students of the West Roxbury High, Irving and Shaw Middle, and Bates, Beethoven, Kilmer, Lyndon, Mozart, Philbrick, Sumner, Conley, and Ohrenberger Elementary Schools.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the Carney Hospital, dba Greater Roslindale Health Organization, because it is the local health provider and thus able to provide additional backup to the school health services as it has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as it was detained in the District 3 office until all schools in District 3 were provided with health services.

Very truly yours,

Edward J. Winter,  
*Secretary.*

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to the Associated Pediatricians of Boston, Inc. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$11,286, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examinations, medical examination of students who participate in interscholastic sports, and chapter 766 physical examinations for the students of the Brighton and Umana High Schools, Edison, and Taft Middle Schools, and the Carter and McKinley Elementary Schools.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the Associated Pediatricians of Boston, Inc., because it is the local health provider and thus able to provide additional backup to the school health services as it has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as it was detained in the District 1 office until all schools in District 1 were provided with health services.

Very truly yours,

Edward J. Winter,  
*Secretary.*

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to the TMCA Foundation, Inc. The con-

tract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$4,527, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examinations, medical examination of students who participate in interscholastic sports, and chapter 766 physical examinations for the students of the Boston and Copley Square High School.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the TMCA Foundation, Inc. because it is the local health provider and thus able to provide additional backup to the school health services as it has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as it was delayed in the District 9 Office until all schools in District 9 were provided with health services.

Very truly yours,

Robert R. Spillane,  
*Superintendent.*

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to the South End Community Health Center, Inc. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$3,223, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examinations, medical examination of students who participate in interscholastic sports, and chapter 766 physical examinations for students of the Blackstone and Hurley Elementary Schools.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the South End Community Health Center, Inc., because it is the local health provider and thus able to provide additional backup to the school health services as it has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as a delay occurred in the completion of this contract due to waiting for the revised copy of the Standard Contract (CM 10), processing the necessary budget amendments to provide funding for the contract.

Very truly yours,

Robert R. Spillane,  
*Superintendent.*

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to the Children's Hospital Corporation. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to

exceed \$6,924, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examinations and chapter 766 physical examinations for the students of the Baldwin, Garfield, Gardner, Hamilton, Winship, Farragut, and Tobin Elementary Schools.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the Children's Hospital Corporation because it is the local health provider and thus able to provide additional backup to the school health services as it has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as a delay occurred in the completion of this contract due to waiting for the revised copy of the Standard Contract (CM 10). A second delay occurred due to the inability of another local health provider to perform these health services, thus resulting in the offering of the provision of services by this contractor.

Very truly yours,

**Invitation for Proposals for Supplying and Delivering Lamps, Bulbs and Miscellaneous Batteries.**

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for supplying and delivering lamps, bulbs and miscellaneous batteries.

Proposals will be received until 12 o'clock noon, Boston time, Thursday, August 15, 1985, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal," followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P.O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Wednesday, July 24, 1985 at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

43 Blue Hill Avenue, Ward 8  
51 Blue Hill Avenue, Ward 8  
78 Bowdoin Street (rear), Ward 14, (Stable)  
202 Columbia Road, Ward 14  
19 Creston Street, Ward 14  
21 Creston Street, Ward 14  
23 Creston Street, Ward 14  
25 Creston Street, Ward 14  
54 Evelyn Street, Ward 14  
652 Morton Street, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, August 1, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bids shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 75-CD-ABU (A-G)."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specification for goals and timetables.)

These goals are applicable to all the contractor construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employer and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including

ing subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. C2CN02, NEEDHAM BRANCH RECONSTRUCTION, FOREST HILLS — NEEDHAM HEIGHTS LINE CONSTRUCTION, BOSTON, DEDHAM AND NEEDHAM, MASSACHUSETTS, (Class 3 — Trackage, Project Value 105.0) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on July 30, 1985. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work consists of furnishing labor, materials as specified, tools and equipment for construction of the commuter rail line including, but not limited to, tracks, special trackwork, layover facility, grade crossings, fencing and drainage.

This contract is subject to a financial assistance contract between the MBTA and the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Each prospective bidder must also comply with additional prequalification requirements referred to in Article 1.12, Competency of Bidders, in the Instruction to Bidders.

Prequalified bidders may obtain from the Contract Administrator a "Request for Bid Form," which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after July 1, 1985, Monday through Friday, at a charge of \$100. Half-size drawings may be requested for convenience purposes at a charge of \$25 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division I — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon re-

quest and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) Participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 16 percent and WBE 4 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the Project Manager, Mr. Kevin McRae, 500 Arborway, Jamaica Plain, MA 02130, (Telephone No. (617) 722-3456). A prebid conference will be held on July 12, 1985, at 10 a.m. at the above office. Any request for interpretation of the specifications must be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit of five hundred twenty-five thousand dollars (\$525,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**INVITATION FOR BIDS**

The Boston Redevelopment Authority will receive sealed bids for Site Preparation Contract No. 14C in the Fenway Urban Renewal Project Area, Mass. R-115, located in the City of Boston, Massachusetts, until 12 o'clock noon, Boston time, on August 5, 1985, at One City Hall Square, ninth floor,

Room 910, Boston, Mass., Attention: Engineering Department, at which time and place all bids will be publicly opened and read aloud.

The work will consist of construction to the degree of completeness as shown on the plans: removal and disposal of existing sidewalk pavement; removal and resetting of existing granite edge-stone; new street lighting system; new trees; furnishing and installing of bituminous concrete, concrete and brick pavements; traffic signal conduit and loop detectors; and the kiosk base construction, all in Massachusetts Avenue (westerly side, Boylston Street, to Westland Avenue) and Westland Avenue (northerly side, Massachusetts Avenue to Edgerly Road).

Proposed forms of contract documents, including drawings, and technical specifications are on file at the office of the Boston Redevelopment Authority, Room 910, ninth floor, One City Hall Square, Boston, Mass.

Copies of the contract documents may be obtained by paying \$100, non-refundable, in cash or a certified check, payable to the Boston Redevelopment Authority, for each set of documents so obtained.

Bids shall be accompanied by a bid deposit in the form of a bid bond or cash, or a certified check, or a treasurer's or cashier's check, issued by a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be: (a) in a form satisfactory to the Awarding Authority; (b) with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority; and (c) conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid. Bid deposit shall be in the amount equal to at least 5 percent of each proposal for site preparation contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Authority, and each in the sum of 100 percent of the contract price will be required of the successful bidder.

The attention of all bidders is called to Massachusetts General Laws, C. 30, sect. 39, which became effective July 1, 1981, and which is set forth in its entirety in section 304 of the general conditions of the contract.

Attention is called to the Authority's requirements regarding minimum wages, Workmen's Compensation, non-discrimination, affirmative action with respect to minority, female, and resident employment, and minority business enterprise utilization.

The above requirements are included in the bid specifications. A prebid conference to discuss contract compliance will be held with the Boston Redevelopment Authority's Office of Contract Compliance, on July 26, 1985, at 10 a.m. in Room 957.

The Authority reserves the right to reject any or all bids or to waive any informalities in bidding, if it be in the public interest so to do.

The Authority may reject any bid if the bidding entity has not formally obtained the bidding documents from the Authority and been listed as a potential bidder.

Bids may be held by the Boston Redevelopment Authority for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

**Proposal for Demolition and Site Clearance,  
Project No. 154-CD-ATD, Community Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following building:

13 George Street, Ward 8 (garage)

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, August 1, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bids shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation,

sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 154-CD-ATD."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are two equal types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE  
ACTION TO ENSURE EQUAL EMPLOYMENT  
OPPORTUNITY (EXECUTIVE ORDER  
11246) IF APPLICABLE**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

**Notice**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

**Attention to All Bidders**

**I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for minority business enterprise, if bid is over \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the reimbursement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

Any request for interpretation of the specifications must be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Proposal guaranty shall consist of a bid deposit of one hundred fifty thousand dollars (\$150,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. S6CN09, SOUTH STATION RED LINE MODERNIZATION — PHASE I, BOSTON, MASSACHUSETTS, (Class 1 — General Transit Construction or Class 7 — Buildings, Project Value — 116.0) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on August 20, 1985. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work consists of construction of a new mezzanine inside the existing main lobby, platform lengthening, replacement and diversion of a main sewer line, incorporation of a new electrical substation and emergency generator, the addition of two new elevators and a new access to the station.

This contract is subject to a financial assistance contract between the MBTA and the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Proposal Form," which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after July 18, 1985, Monday through Friday, at a charge of \$100. Half-size drawings may be requested for convenience purposes at a charge of \$25 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, are available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of forty dollars (\$40), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) Participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 15 percent and WBE 3 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors

will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the Office of the Project Manager, Mr. George H. Smith, Jr., 720 Atlantic Avenue, Boston, MA 02110, Telephone (617) 722-5233 or 5234. A prebid conference will be held on August 6, 1985, at 10 a.m. at the above office. Any request for interpretation of the specifications must be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit of five hundred eighty thousand dollars (\$580,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

# CITY RECORD

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

VOL. 77

MONDAY, JULY 29, 1985

NO. 30

## MAYOR FLYNN FORMS BOSTON YOUTH CONSERVATION CORPS

Mayor Raymond L. Flynn announced the creation of the Boston Youth Conservation Corps, which will create 485 new jobs this summer while upgrading parks and open space in the City of Boston.

The Conservation Corps is a pilot program funded with a \$770,000 grant awarded by state Economic Affairs Secretary Evelyn Murphy. The specialized program is part of the Action for Boston Community Development Summerworks program funded through the city's Neighborhood Development and Employment Agency.

Mayor Flynn and Secretary Murphy held a joint news conference on Sunday, July 21, 1985, in Dorchester's Ronan Park to announce the awarding of the grant.

The Conservation Corps will begin work immediately, doing maintenance and clean-up work at twenty-eight sites around the city. Through coordination with community-based groups, city departments, and local leaders, the children will do landscaping in city parks, routine maintenance of park and playground equipment, and tree planting in other open-space areas. Because of the size of the grant, the city will also be able to hire supervisors to coordinate the conservation efforts.

The Boston Youth Conservation Corps is unique in two ways: one, it combines work opportunities for youngsters with an education in conservation. Secondly, it provides jobs for younger adults (aged fourteen to fifteen), who would not be eligible for jobs in the private sector under other public-private programs.

"The Conservation Corps combines two of my important commitments to the people of Boston: jobs for their children, and better, cleaner neighborhoods," Mayor Flynn said. "We want to help these kids find jobs, and begin thinking about future careers once they finish school. This is also a good way for them to learn about conservation, and to pitch-in to make their neighborhood parks better places."

As part of this pilot program, the children will also attend conservation classes once a week. They will also receive special instruction in landscaping

procedures, proper tool handling, and care for plants. These classes will be offered by environmental agencies such as Boston Urban Gardens and the Greenspace Alliance.

In addition to on-site work and training, the corps will take field trips to places like the Science Museum, Franklin Park and the Arnold Arboretum. A career day is also being planned to inform the youths of employment opportunities in conservation and landscape work.

Members of the corps will earn the minimum wage (\$3.35 an hour), while working twenty-five to thirty hours a week to help clean up the city's neighborhood parks. The corps will split into groups of about a half dozen youngsters, who will work at various sites close to their own neighborhoods.

Secretary Murphy explained: "The incredible community effort involved in this project, and the profound support from Mayor Flynn and the Boston Private Industry Council is vital if we are to provide our young people with the opportunity for work and the fundamental link to education. It's a genuine pleasure for me on behalf of Governor Dukakis to make available the additional summer youth funds from the federal Job Training and Policy Act to enhance and support the Mayor's Youth Conservation Corps."

Mayor Flynn emphasized he's been particularly concerned about finding jobs for youths to get them on their way toward careers.

"I have always been concerned with helping the young people of this city find jobs," Mayor Flynn said. "I am pleased

Secretary Murphy could make this money available. It will go a long way toward not only finding jobs for youths, but also to teach them important conservation lessons."

The children were chosen for these jobs on the basis of need, and were identified through a pool of applicants who had applied for summer jobs through a city program operated by the community-based group Action for Boston Community Development (ABCD).

The 485 positions created by BYCC bring the total number of youths placed through the ABCD's Summerworks program to approximately 3,000. Combined with a public-private partnership program sponsored by the city and the Boston Private Industry Council, that brings the total number of youth jobs created for this summer to 5,000.

This additional money was made available by Secretary Murphy under the federal Job Training Partnership Act.

### MAYOR FLYNN DEDICATES ROSE KENNEDY GARDEN

Mayor Raymond L. Flynn, on behalf of the City of Boston and the Gold Star Mothers of Massachusetts, dedicated the new Rose Kennedy Garden on Monday, July 22, 1985. The dedication took place on a one-acre site adjacent to the Christopher Columbus Park in Boston's North End.

The new garden was dedicated in honor of Mrs. Rose Kennedy's ninety-fifth birthday, which fell on Monday, July 22.

Senator Edward M. Kennedy and members of the Kennedy family joined Mayor Flynn for the dedication.

The Rose Kennedy Garden, which is the first site in Boston to be named after Mrs. Kennedy, will have both a rose garden and a grove of ornamental Japa-

nese cherry trees, and will include a fountain, wooden benches, and stone dust and gravel paths.

Rose Kennedy was born a short distance from the park in 1890 and lived on Garden Street in Boston's North End. She was baptized in St. Stephen's Church on Hanover Street and attended school at St. John's also in the North End.

The new garden is being dedicated in honor of her contributions not only to her own family, in whom she instilled a deep sense of public duty, but also for her charitable works on behalf of the poor and the retarded.

Several Gold Star Mothers attended the ceremonies. Mrs. Rose Kennedy became a Gold Star Mother in 1944 after her eldest son, Joseph P. Kennedy, Jr., was killed in action in World War II. The Gold Star Mothers are a nationwide organization of women who lost sons or daughters during wartime.

#### Invitation for Bids for Furnishing and Installing Manhole and Handhole Plates and Gaskets for Boilers in Various Schools in District I.

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for the above-entitled project, subject to all applicable provisions of law, including, without limitation, sections 39F, 39J, and 39K of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the documents entitled "Furnishing and Installing Manhole and Handhole Plates and Gaskets for Boilers in Various Schools in District I."

GENERAL BIDS will be received before twelve o'clock noon on Wednesday, August 14, 1985, at which time and place respective bids will be opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about July 29, 1985, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check or cashier's check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PAUL W. MOONEY,  
Senior Structural Engineer.

**I. The Invitation**

The Greater Boston Association for Retarded Citizens, through funding from the Neighborhood Development and Employment Agency (NDEA) under support from the Community Development Block Grant invites contractors to bid the following project:

**II. Specific Information**

*Site* — Greater Boston Association for Retarded Citizens, 1249 Boylston Street, Boston, MA 02215.

*Scope* — Minor interior alterations.

*Remarks* — No GC required, subcontractors only.

*Bids Due* — August 13, 1985.

*Drawings Available* — At site through William Perry and Dodge Reports.

General bids will be received at the job site at the designated time at which time they will be opened and read aloud. Bids shall be on a form provided in the contract documents. Plans and specifications will be available immediately at the job site. A deposit of \$20 (certified check), payable to the non-profit organization will be left upon receipt of drawings and given back when they are returned in good shape within thirty days.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provision of the contract documents requiring that at least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women, in each trade.

Included with the contract documents are copies of the "Minority Business Utilization Form" and "Minority Business Identification Statement." Each contractor must complete, sign, and file with this bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

Contractors shall also avail themselves of the list of minority businesses to be provided by NDEA through the Office of Minority Business Enterprise to facilitate compliance with the requirements.

The attention of each bidder is called to the fact that this is a federally assisted project and therefore, not less than the minimum salaries and wages set forth in the contract documents must be paid to each worker on the project (Davis-Bacon), and that the contractor must ensure that employees and applicants are not discriminated against because of race, color, religion, sex, or national origin (Executive Order No. 11246). Attention is also called to the contractor requirements relating to Workmen's Compensation and insurance requirements of the successful general contractor and subcontractor for the project shall be set forth in the Supplemental

tary and Special Conditions of the contract documents.

ALL GENERAL BIDS will be received before twelve o'clock noon on Monday, August 19, 1985, at which time and place respective bids will be opened and read aloud. General contractors must file with their bids a copy of a certificate from DCPO showing that they are eligible to bid on projects in certain categories, up to a project dollar amount and up to an aggregate limit, and with an update statement, DCPO Form CQ3.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

LIBRARY DEPARTMENT

Invitation for Proposals for Supplying and Delivering Miscellaneous Paper Envelopes.

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for supplying and delivering miscellaneous paper envelopes, as specified, to the Boston Public Library.

Proposals will be received until 12 o'clock noon, Boston time, Thursday, August 22, 1985, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal," followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P.O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Wednesday, July 31, 1985 at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.
